SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's executive officers, directors, persons who own more than ten percent of a registered class of the Company's equity securities and certain entities associated with the foregoing ("Reporting Persons") to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the Securities and Exchange Commission (the "SEC") and the New York Stock Exchange (the "NYSE"). These Reporting Persons are required by SEC regulation to furnish the Company with copies of all Forms 3, 4 and 5, and amendments thereto, they file with the SEC and the NYSE. Based solely on the Company's review of the copies of such forms and amendments thereto it has received, the Company knows of no failure to file on a timely basis.

ELECTION OF DIRECTORS

The Company's By-laws provide that the Board of Directors shall consist of up to eleven Directors who shall be elected annually by the shareholders. The Company's Certificate of Incorporation requires that, at any time when any shares of Class B Common Stock are outstanding, one-third of the Directors shall be independent. The Board of Directors has determined that a Board of Directors consisting of the nine nominees below is the best composition in order to satisfy both the independence requirements of the Company's Certificate of Incorporation as well as proposed New York Stock Exchange rules. Proxies may not be voted for a greater number of persons than the number of nominees named below.

The following persons are proposed as Directors of the Company to hold office until the next Annual Meeting of Shareholders and until their respective successors have been duly elected and qualified. In the event that any of the nominees for Directors should become unavailable, it is intended that the shares represented by the proxies will be voted for such substitute nominees as may be nominated by the Board of Directors, unless the number of Directors constituting a full Board of Directors is reduced. The Company has no reason to believe, however, that any of the nominees is, or will be, unavailable to serve as a Director.

The Company has been advised that a representative of Ernst & Young LLP will attend the Annual Meeting to respond to appropriate questions and will be afforded the opportunity to make a statement if the representative so desires.

APPROVAL OF THE COMPANY'S AMENDED
1999 STOCK INCENTIVE PLAN

Shareholders are being asked to consider and approve proposals to amend the 1999 Stock Incentive Plan (the "Plan") to (1) increase the number of shares available for issuance under the Plan by 3,000,000 shares of common stock and (2) include certain changes as to the required independence of Compensation Committee members and the time of payment of the exercise price for stock options that are desirable in light of the Sarbanes-Oxley Act of 2002. The Plan, as amended, is set forth in Appendix A hereto.

The number of shares currently available for distribution under the Plan is not enough to meet the needs of the Company in order to provide incentives to current and future participants in the Plan. The Board of Directors determined that the continuance of the Plan is in the best interest of the Company in order to compensate officers, directors, and other managers of the Company and its subsidiaries and to align the interests of the Company's executives and shareholders in the enhancement of shareholder value. For a further discussion of the Plan, see "Material Features of the Plan" below and "Annual Bonus Plan" on page 20 of this Proxy Statement."

The proposed amendments to the Plan would amend the Plan by:

- (1) deleting the first sentence of Section 3 thereto and replacing it with the following:

"The total number of Shares which may be issued under the Plan is 4,500,000."

- (2) deleting Section 4 thereto and replacing it with the following:

"The Plan shall be administered by the Committee, which may delegate its duties and powers in whole or in part to any subcommittee thereof consisting solely of at least two individuals who are each "non-employee directors" within the meaning of Rule 16b-3 under the Act (or any successor rule thereto), "outside directors" within the meaning of Section 162(m) of the Code (or any successor section thereto) and "independent directors" within the meaning of the applicable rules, if any, of any national securities exchange on which Shares are listed or admitted to trading; provided, however, that any action permitted to be taken by the Committee may be taken by the Board, in its discretion. The

Committee is authorized to interpret the Plan, to establish, amend and rescind any rules and regulations relating to the Plan, and to make any other determinations that it deems necessary or desirable for the administration of the Plan. The Committee may correct any defect or omission or reconcile any inconsistency in the Plan in the manner and to the extent the Committee deems necessary or desirable. Any decision of the Committee in the interpretation and administrations of the Plan, as described herein, shall lie within its sole and absolute discretion and shall be final, conclusive and binding on all parties concerned (including, but not limited to Participants and their beneficiaries or successors). Determinations made by the Committee under the Plan need not be uniform and may be made selectively among Participants, whether or not such Participants are similarly situated. The Committee shall require payment of any amount it may determine to be necessary to withhold for federal, state, local or other, taxes as a result of the exercise or vesting of an Award. Unless the Committee specifies otherwise, the Participant may elect to pay a portion or all of such withholding taxes by (a) delivery in Shares or (b) having Shares withheld by the Company from any Shares that would have otherwise been received by the Participant. The number of Shares so delivered or withheld shall have an aggregate Fair Market Value sufficient to satisfy the applicable withholding taxes. If the chief executive officer of the Company is a member of the Board, the Board by specific resolution may constitute such chief executive officer as a committee of one which shall have the authority to grant Awards of up to an aggregate of 300,000 Shares in each calendar year to Participants who are (i) not subject to the rules promulgated under Section 16 of the Act (or any successor section thereto) or (ii) covered employees (or anticipated to become covered employees) as such term is defined in Section 162(m) of the Code; provided, however, that such chief executive officer shall notify the Committee of any such grants made pursuant to this Section 4."

and

(3) deleting paragraph (c) of Section 6, thereto and replacing with the following:

"(c)Exercise of Options. Except as otherwise provided in the Plan or in an Award agreement, an Option may be exercised for all, or from time to time any part, of the Shares for which it is then exercisable. For purposes of Section 6 of the plan, the exercise date of an Option shall be the later of the date a notice of exercise is received by the Company and, if applicable, the date payment is received by the Company pursuant to clauses (i), (ii), (iii) or (iv) in the following sentence. The purchase price for the Shares as to which an Option is exercised shall be paid to the Company in full not later than at the time that the Shares being purchased are delivered to or at the direction of the Participant, in each case at the election of the Participant to the extent permitted by law, (i) in cash, (ii) in Shares having a Fair Market Value equal to the aggregate Option Price for the Shares being purchased and satisfying such other requirements as may be imposed by the Committee; provided, that such Shares have been held by the Participant for no less than six months, (iii) partly in cash and partly in such Shares or (iv) through the delivery of irrevocable instruments to a broker to deliver promptly to the Company an amount equal to the aggregate option price for the shares being purchased. No Participant shall have any rights to dividends or other rights of a stockholder with respect to Shares subject to an Option until the Participant has given written notice of exercise of the Option, paid in full for such Shares and, if applicable, has satisfied any other conditions imposed by the Committee pursuant to the Plan."

The Company's Board of Directors has approved the amendments to the Plan and recommends that shareholders vote for the approval of the amendments to the Plan. Accordingly, the persons named in the enclosed proxy intend to vote at the meeting for the approval of the amendments to the Plan unless otherwise directed by the shareholder appointing them.

MATERIAL FEATURES OF THE 1999 STOCK INCENTIVE PLAN

The following is a brief summary of the material features of the Plan. Because this is only a summary, it does not contain all the information about the Plan that may be important to you and is qualified in its entirety to the full text of the amended Plan as set forth in Appendix A hereto.

PURPOSE

The purpose of the Plan is to aid the Company and its affiliates in recruiting and retaining key employees, directors or consultants of outstanding ability and to motivate those employees, directors or consultants to exert their best efforts on behalf of the Company and its affiliates by providing incentives through the granting of "Awards," which consist of options, stock appreciation rights or other stock-based Awards (including performance-based Awards) granted pursuant to the Plan. All employees, directors and consultants of the Company and its affiliates are eligible to participate in the Plan, if they are selected by the Compensation Committee of the Board of Directors (the "Committee") to participate in the Plan (any such individual, a "Participant").

ADMINISTRATION

The Plan, as amended, will be administered by the Committee, which may delegate its duties and powers in whole or in part to any subcommittee thereof consisting solely of at least two individuals who are each "non-employee directors" within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended, "outside directors" within the meaning of 162(m) of the Internal Revenue Code (the "Code") and "independent directors" within the meaning of the applicable rules, if any, of any national securities exchange on which shares of common stock of the Company are listed or admitted to trading; provided, however, that any action permitted to be taken by the Committee may be taken by the Board of Directors in its discretion.

AWARDS

Awards are determined ("granted") by the Committee and are subject to the terms and conditions stated in the Plan and to such other terms and conditions, not inconsistent therewith as the Committee shall determine. Any stock options granted must have a per share exercise price that is not less than 100% of the fair market value of the Company's common stock on the date an option is granted.

In the event a performance-based Award is granted, it must be granted in a manner which would cause the Award to be deductible by the Company under Section 162(m) of the Code. To that end, performance-based Awards must be based on the attainment by the Company of written performance goals approved by the Committee for a specified performance period established by the Committee, based on objective performance criteria including one or more of the following: (i) consolidated earnings before or after taxes (including earnings before interest, taxes, depreciation and amortization); (ii) net income; (iii) operating income; (iv) earnings per share or common stock of the Company; (v) book value per share; (vi) stock price; (vii) return on stockholders' equity; (viii) expense management; (ix) return on investment; (x) improvements in capital structure; (xi) profitability of an identifiable business unit or product; (xii) maintenance or improvements of profit margins; (xiii) market share; (xiv) revenues or sales; (xv) costs; (xvi) cash flow; (xvii) working capital and; (xviii) return on assets.

LIMITATIONS

As amended, the Plan will provide that the total number of shares of common stock of the Company which may be issued under the Plan is 4,500,000 and the maximum amount of performance-based Awards that may be granted during a calendar year to any Participant is \$10,000,000. Additionally, the maximum number of shares of common stock of the Company for which options or stock appreciation rights may be granted during a calendar year to any Participant is 300,000.

No award may be granted under the Plan after the tenth anniversary of the Effective Date, which is March 5, 1999, but awards theretofore granted may be extended beyond that date.

AMENDMENT AND TERMINATION

The Board of Directors may amend, alter or discontinue the Plan, but no amendment, alteration or discontinuation shall be made which, (a) without the approval of the shareholders of the Company, would (except as provided in the Plan in connection with adjustments in certain corporate events), increase the total number of shares of common stock of the Company reserved for the purposes of the Plan or change the maximum number of shares of common stock of the Company for which Awards may be granted to any Participant or (b) without the consent of a Participant, would impair any of the rights or obligations under any Award theretofore-granted to such Participant under the Plan; provided, however, that the Committee may amend the Plan in such manner as it deems necessary to permit the granting of Awards meeting the requirements of the Internal Revenue Code or other applicable laws. The Board of Directors may not amend, alter or discontinue the provisions relating to a Change in Control (as defined in the Plan) after the occurrence of a Change in Control.

NONTRANSFERABILITY OF AWARDS

Unless otherwise determined by the Committee, an Award shall not be transferable or assignable by the Participant otherwise than by will or by the laws of descent and distribution. Notwithstanding the foregoing, and subject to the conditions stated in the Plan, a Participant may transfer an option (other than an option that is also an incentive stock option granted pursuant to the Plan) in whole or in part by gift or domestic relations order to a family member of the Participant.

PARTICIPANTS OF THE PLAN

During the year ended October 31, 2002, the Committee granted the following awards to the following individuals under the Plan: (a) option Awards for a total of 20 Participants (6 Participants in the Executive Officers Group, No Participants in the Non-Executive Director Group, and 14 Participants in the Non-Executive Officer Employee Group) and (b) other stock-based Awards (rights to receive stock) for 142 Participants (7 participants in the Executive Officers Group and 135 Participants in the Non-Executive Officer Employee Group). APPROVAL OF THE COMPANY'S AMENDED SENIOR EXECUTIVE
SHORT-TERM INCENTIVE PLAN

Shareholders are being asked to consider and approve proposals to amend the Senior Executive Short-Term Incentive Plan (the "Bonus Plan") to (1) to clarify that the payment of Bonus Awards (as defined below) paid under the Bonus Plan may be in the form of cash, common stock of the Company, or a combination thereof; provided, however, that the total number of shares of common stock of the Company that may be issued under the Bonus Plan is 2,500,000, (2) increase the maximum amount of an Award that may be granted to any Participant (as defined below) in the Bonus Plan with respect to any fiscal year of the Company from \$3 million to \$10 million and (3) include certain changes as to the required independence of Compensation Committee Members (the "Committee"), that are desirable in light of the Sarbanes-Oxley Act of 2002. The Bonus Plan, as amended, is set forth in Appendix B hereto.

The Bonus Plan is based on a pre-established formula which is based on the Company's overall performance. The Company has experienced increased profitability and growth for the year ended October 31, 2002 in comparison to previous years. Therefore, the Company believes that the current limit on any one Bonus Award is not sufficient to meet the purpose of the Bonus Plan, which is to promote the interests of the Company and its shareholders by providing incentives in the form of periodic bonus

awards ("Bonus Awards") to certain senior executive employees of the Company and its subsidiaries, thereby motivating such executives to attain corporate performance goals set forth in the Bonus Plan while preserving for the benefit of the Company and its subsidiaries the associated U.S. federal income tax deduction.

For a discussion of the Bonus Plan, see "Material Features of the Bonus Plan" below and "Annual Bonus Program" on page 20 of this Proxy Statement.

The proposed amendments to the Bonus Plan would amend the Bonus Plan by:

(1) deleting the last sentence of paragraph(a) of Section 4 thereto and replacing it with the following:

"The maximum amount of an Award to any Participant with respect to a fiscal year of the Company shall be \$10,000,000."

(2) adding a new Section 4(d) to the Bonus Plan after Section 4(c), which reads as follows:

"(d) The Committee shall determine, in its discretion, whether an Award shall be payable in cash, common stock of the Company, or a combination thereof (which may include, without limitation, permitting a Participant to elect, in the calendar year prior to the year in which an Award may otherwise become payable to a Participant under the Plan, to defer receipt of all or any portion of such Award into a right to receive shares of common stock of the Company at a future date); provided, however, that the total number of shares of common stock of the Company that may be issued under the Plan is 2,500,000."
and

(3) by deleting Section 2(a) thereto and replacing it with the following:

"(a) The Plan shall be administered by two or more individuals who are each "non-employee directors" within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended, or any successor thereto, "outside directors" as defined under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), and "independent directors" within the meaning of the applicable rules, if any, of any national securities exchange on which shares of common stock of the Company are listed or admitted to trading, unless otherwise determined by the Company's Board of Directors to act as the committee (the "Committee")."

The Committee of the Board has approved the amendments to the Bonus Plan and recommends that shareholders vote for the approval of the amendments to the Bonus Plan. Accordingly, the persons named in the enclosed proxy intend to vote at the meeting for the approval of the amendments to the Bonus Plan unless otherwise directed by the shareholder appointing them.

MATERIAL FEATURES OF THE BONUS PLAN

The following is a brief summary of the material features of the Bonus Plan. Because this is only a summary, it does not contain all the information about the Bonus Plan that may be important to you and is qualified in its entirety to the full text of the amended Bonus Plan as set forth in Appendix B hereto.

PURPOSE

The purpose of the Bonus Plan is to promote the interests of the Company and its shareholders by providing incentives in the form of Bonus Awards to certain senior executive employees of the Company and its subsidiaries, thereby motivating such executives to attain corporate performance goals set forth in the Bonus Plan while preserving for the benefit of the Company and its subsidiaries the associated U.S. federal income tax deduction under Section 162(m) of the Code.

ADMINISTRATION

The Bonus Plan, as amended, will be administered by a committee of two or more individuals who are each "non-employee directors" within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended, or any successor thereto, "outside directors" as defined under Section 162(m) of the Code and "independent directors" within the meaning of the applicable rules, if any, of any national securities exchange on which shares of common stock of the Company are listed or admitted to trading, unless otherwise determined by the Company's Board of Directors, who have been designated by the Board of Directors to act as such a committee. This function currently is performed by the Company's Compensation Committee (the "Committee"). The Compensation Committee, or its delegate, may select senior executives of the Company and its affiliates who are "covered employees," as defined in Section 162(m) of the Code, or who the Company anticipates may be "covered employees" of the Company and its subsidiaries (the "Participants"), to be granted Bonus Awards under the Bonus Plan.

BONUS AWARDS

A Participant's Bonus Award shall be determined based on the achievement of written performance goals approved by the Committee. Within 90 days after the start of a designated performance period (or, if less, the number of days which is equal to 25% of such performance period), the Committee will establish the objective performance goals for each Participant. The performance goals will be based on one or more of the following criteria: (i) earnings before or after taxes (including earnings before interest, taxes, depreciation and amortization); (ii) net income; (iii) operating income; (iv) earnings per share; (v) book value per share; (vi) stock price; (vii) return on stockholders' equity; (viii) expense management; (ix) return on investment before or after the cost of capital; (x) improvements in capital structure; (xi) profitability of an identifiable business unit or product; (xii) maintenance or improvements of profit margins; (xiii) market share; (xiv) revenues or sales; (xv) cost; (xvi) cash flow; (xvii) working capital; (xviii) changes in net assets (whether or not multiplied by a constant percentage intended to represent cost of capital); and (xix) return on assets.

Prior to the payment of any Bonus Award, the Committee, or its delegate, will certify that the applicable performance goals have been met. In connection with such certification, the Committee, or its delegate, may decide to pay amounts which are less than the Bonus Award otherwise payable for achievement of the applicable performance goals. The Committee may base the decision to reduce the Bonus Award on any criteria it deems relevant. Payment of a Bonus Award to a Participant will occur only after such

certification and will be made as determined by the Committee in its sole discretion after the end of such performance period. The Committee shall determine, in its discretion, whether a Bonus Award shall be payable in cash, common stock of the Company, or a combination thereof (which may include, without limitation, permitting a Participant to elect, in the calendar year prior to the year in which a Bonus Award may otherwise become payable to a Participant under the Bonus Plan, to defer receipt of all or any portion of such Bonus Award into a right to receive shares of common stock of the Company at a future date (such right, a "Deferred Share Unit"); provided, however, that the number of shares of common stock of the Company that may be issued under the Bonus Plan is 2,500,000.

LIMITATIONS

As amended, the Bonus Plan will provide that the maximum Bonus Award to any Participant with respect to any fiscal year shall be \$10,000,000 million.

AMENDMENT AND TERMINATION

The Committee may at any time amend, suspend or terminate the Bonus Plan in whole or in part. An amendment, suspension or termination of the Bonus Plan will not adversely affect the rights or obligations under any Bonus Award granted to a Participant before the amendment, suspension, or termination of the Bonus Plan.

NONTRANSFERABILITY OF BONUS AWARDS

A Participant's rights and interest under the Bonus Plan generally may not be assigned, transferred, or encumbered, except in the event of a Participant's death or as may be approved by the Committee. No Bonus Award under the Bonus Plan will be construed as giving any employee a right to continued employment with the Company or its subsidiaries.

PARTICIPANTS OF THE BONUS PLAN

For the year ended October 31, 2002, the Committee granted the following Bonus Awards to the following Participants under the Bonus Plan: (a) Bonus Awards for a total of 4 participants (4 participants in the Executive Officers Group, no participants in the Non-Executive Director Group, and no participants in the Non-Executive Officer Employee Group). Additional information is provided in the chart below.

EMPLOYMENT CONTRACTS AND ARRANGEMENTS

The Company has an agreement with Ara K. Hovnanian, Chief Executive Officer, that provides that in the event of his disability or death that he (or his legal representative or estate) will receive continued payment of his annual base salary and the annual bonus amount earned by him in respect of the three full preceding calendar years, payable in equal monthly installments through the third anniversary of his disability or death.

Effective January 23, 2001, K. Hovnanian Enterprises, Inc. ("K Hovnanian") entered into an Employment Agreement with Geaton A. DeCesaris, Jr. for the position of Chief Operating Officer and President of Homebuilding Operations. The term of the Agreement ends on October 31, 2003. The Employment Agreement also provides that Mr. DeCesaris will serve as a member of the Strategic Planning Committee of the Company during the term of the Agreement, and as a member of the Board of Directors of the Company for the period ending on the earlier of the second anniversary of his termination of employment for any reason other than "cause", death or disability, and the date he no longer holds 500,000 shares of common stock of the Company.

If Mr. DeCesaris' employment is terminated due to death or by K. Hovnanian due to disability, he will be entitled to a pro rata portion of any annual bonus that he would have been entitled to receive for the period prior to his termination date. If K. Hovnanian terminates Mr. DeCesaris' employment for reasons other than "cause", death or disability or if Mr. DeCesaris terminates his employment for "good reason" then he will be entitled to (i) a pro rata portion of any annual bonus that he would have been entitled to receive for the period prior to his termination date, and (ii) an amount equal to two times the sum of (a) his then current annual base salary plus (b) the average of his last two fiscal years' annual bonus.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee is charged with the responsibility of determining the cash and other incentive compensation, if any, to be paid to the Company's executive officers and key management employees. The amount and nature of the compensation received by the Company's executives during the year ended October 31, 2002 was determined in accordance with the compensation program and policies described below.

The executive compensation program is designed to attract, retain and reward highly qualified executives while maintaining a strong and direct link between executive pay, the Company's financial performance and total shareholder return. The executive compensation program contains three major components: base salaries, annual bonuses and stock options. In establishing the three major components for each executive, the Compensation Committee reviews, as part of its criteria, the compensation received by other executives in the homebuilding industry.

BASE SALARY

The Compensation Committee believes that, due to the Company's success in its principal markets, other companies seeking proven executives may view members of the Company's highly experienced executive team as potential targets. The base salaries paid to the Company's executive officers and key management employees during the year ended October 31, 2002 generally were believed to be necessary to retain their services.

Base salaries, including that of Mr. K. Hovnanian, the Company's Chairman of the Board, and Mr. Ara Hovnanian, Chief Executive Officer, are reviewed annually and are adjusted based on the performance of the executive, any increased responsibilities assumed by the executive, average salary increases or decreases in the industry and the going rate for similar positions at comparable companies. Mr. A. Hovnanian set the year ended October 31, 2002 base salaries of the Company's executive officers. Each executive officer's base salary, including the base salary of Mr. K. Hovnanian and Mr. A. Hovnanian, was reviewed in accordance with the above criteria by the members of the Compensation Committee.

ANNUAL BONUS PROGRAM

The Company maintains an annual bonus program under which executive officers and other key management employees have the opportunity to earn bonuses. The annual bonus program consists of the Senior Executive Short-Term Incentive Plan and the 1999 Stock Incentive Plan and is intended to motivate and reward executives for the achievement of individual performance objectives and for the attainment by the Company of strategic and financial performance goals, including levels of return on equity. In addition, under the 1999 Stock Incentive Plan, the ultimate value received by option holders is directly tied to increases in the Company's stock price, therefore, stock options serve to closely link the interests of management and shareholders and motivate executives to make decisions that will serve to increase the long-term total return to shareholders. Additionally, grants under the 1999 Stock Incentive Plan include vesting and termination provisions which the Compensation Committee believes will encourage option holders to remain employees of the Company.

Under the Senior Executive Short-Term Incentive Plan, senior executives, including Mr. K. Hovnanian, Chairman of the Board, and Mr. A. Hovnanian, President and Chief Executive Officer, a fixed amount bonus is paid based on the Company's Return on Equity ("ROE"). All other executive officers participate in the 1999 Stock Incentive Plan, which is based on ROE or on a Division's Return on Investment ("ROI") and they receive either a fixed amount or a percentage of their base salary. As the Company's ROE or a Division's ROI reaches higher targeted levels, the fixed amount or bonus percentage of salary increases. The annual bonus payment is made 70% in cash and 30% in the right to receive the Company's common stock. The 30% right to receive common stock is increased 20% and vests 25% a year starting with the first anniversary after the cash bonus payment accrues. Any executive with 20 years of service or who reaches the age of 58 vests immediately.

The Company's annual bonus program enables the Company to make awards to executive officers and other key management employees that are deductible under Section 162(m) of the Internal Revenue Code. The Compensation Committee will continue to seek ways to limit the impact of Section 162(m). However, the Compensation Committee believes that the tax deduction limitation should not compromise the Company's ability to establish and implement incentive programs that support the compensation objectives discussed above. Accordingly, achieving these objectives and maintaining required flexibility in this regard may result in compensation that is not deductible for federal income tax purposes.

Both the Senior Executive Short-Term Incentive Plan and the 1999 Stock Incentive Plan are administered by the Compensation Committee. No member of the Compensation Committee, while a member, is eligible to participate in either the 1999 Stock Incentive Plan or the Senior Executive Short-Term Incentive Plan.

PERFORMANCE GRAPH

The following graphs compare on a cumulative basis the yearly percentage change over the five and three year periods ending October 31, 2002 in (i) the total shareholder return on the Class A Common Stock of the Company with (ii) the total return on the Standard & Poor's 500 Index with (iii) the total shareholder return on the peer group of eleven companies and with (iv) the total return on the S & P Homebuilding Index (which will replace "the peer group" for performance graph comparison purposes as of the end of fiscal year 2003). Such yearly percentage change has been measured by dividing (i) the sum of (a) the cumulative amount of dividends for the measurement period, assuming dividend reinvestment, and (b) the price per share at the end of the measurement period less the price per share at the beginning of the measurement period, by (ii) the price per share at the beginning of the measurement period. The price of each unit has been set at \$100 on October 31, 1997 and 1999 for the preparation of the five and three years graphs, respectively. The Peer Group Index is composed of the following companies: Centex Corporation, D R Horton, Inc., Kaufman & Broad Home Corporation, Lennar Corporation, Orleans Homebuilders, Inc., Pulte Corporation, Ryland Group, Inc., Standard Pacific Corporation, Sundance Homes, Inc., Toll Brothers, Inc., and William Lyon Homes.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Prior to the enactment of Sarbanes-Oxley Act of 2002 (the "Act"), the Company's Board of Directors had adopted a general policy providing that it would not make loans to executive officers or directors of the Company or their relatives at an interest rate less than the interest rate at the date of the loan on six month U.S. Treasury Bills, that the aggregate of such loans will not exceed \$3,000,000 at any one time, and that such loans will be made only with the approval of the members of the Company's Board of Directors who have no interest in the transaction.

Upon the effective date of the relevant provisions of the Act, no further extension of credit, or renewal thereof, directly or indirectly, to or for executive officers or directors (or equivalent persons) is permitted except for certain grandfathered loans and extensions of credit provisions and other permissible exceptions as provided by the Act. At October 31, 2002, there was one loan amounting to \$140,000 to an executive officer, who is not a member of the Board of Directors, for relocation purposes, and which is forgivable after five years.

The Company provides property management services to various limited partnerships including one limited partnership in which Mr. A. Hovnanian is general partner, and members of his family and certain officers and directors of the Company are limited partners. At October 31, 2002, no amounts were due the Company by these partnerships.

During the year ended October 31, 2001, the Company entered into an agreement to purchase land from an entity that is controlled by the brother of the Company's Chairman of the Board. As of October 31, 2002, land aggregating \$12,677,000 has been purchased. The Company remains obligated under the agreement to purchase an additional \$14.2 million of land from this entity over the next two years. Neither the Company nor the Chairman of the Board has a financial interest in the entity from which the land was purchased.

Mr. Arthur Greenbaum is a senior partner of Greenbaum, Rowe, Smith, Ravin, Davis & Himmell, a law firm retained by the Company during the year ended October 31, 2002.

GENERAL

The expense of this solicitation is to be borne by the Company. The Company may also reimburse persons holding shares in their names or in the names of their nominees for their expenses in sending proxies and proxy material to their principals.

Unless otherwise directed, the persons named in the accompanying form of proxy intend to vote all proxies received by them in favor of the election of nominees to the Board of Directors of the Company named herein, in favor of the ratification of selected independent accountants, for approval of the Company's amended 1999 Stock Incentive Plan and for approval of the Company's amended Senior Executive Short-Term Incentive Plan. All proxies will be voted as specified.

Each share of Class A Common Stock entitles the holder thereof to one vote and each share of Class B Common Stock entitles the holder thereof to ten votes. Votes of Class A Common Stock and Class B Common Stock will be counted together without regard to class and will be certified by the Inspectors of Election, who are employees of the Company. Notwithstanding the foregoing, the Company's Certificate of Incorporation provides that each share of Class B Common Stock held, to the extent of the Company's knowledge, in nominee name by a stockbroker, bank or otherwise will be entitled to only one vote per share unless the Company is satisfied that such shares have been held continuous, since the date of issuance, for the benefit or account of the same beneficial owner of such shares or any permitted transferee. Beneficial owners of shares of Class B Common Stock held in nominee name wishing to cast ten votes for each share of such stock must obtain from their nominee a proxy card designed for beneficial owners of Class B Common Stock. The Company has also supplied nominee holders of Class B Common Stock with specially designed proxy cards to accommodate the voting of the Class B Common Stock. In accordance with the Company's Certificate of Incorporation, shares of Class B Common Stock held in nominee name will be entitled to ten votes per share only if the beneficial owner proxy card or the nominee proxy card relating to such shares is either (i) properly completed, mailed, and received by EquiServe, the Company's transfer agent, or (ii) registered via the Internet pursuant to the instructions on the beneficial owner proxy card or the nominee proxy card, or (iii) registered by calling the toll-free number on the beneficial owner proxy card or the nominee proxy card, and, in each case, not less than 3 nor more than 20 business days prior to March 7, 2003. Proxy cards returned by mail should be sent to Proxy Services, c/o EquiServe, P.O. Box 8687, Edison, New Jersey 08818-9247.

All items to be acted upon at this Annual Meeting of Shareholders will be determined by a majority of the votes cast. Abstentions will have the effect of votes against a proposal and broker non-votes will have no effect on the vote. Under proposed New York Stock Exchange rules, which may be in effect at the time of this Annual Meeting of Shareholders, brokers would not vote shares on the proposal to approve the Company's amended 1999 Stock Incentive Plan or the proposal to approve the Company's amended Senior Executive Short-Term Incentive Plan without specific instructions on these proposals from their customers.

Mr. K. Hovnanian and certain members of his family have informed the Company that they intend to vote in favor of all proposals submitted on behalf of the Company. Because of the voting power of Mr. K. Hovnanian and such members of his family, all of the foregoing proposals are assured passage.

Management does not intend to present any business at the meeting other than that set forth in the accompanying Notice of Annual Meeting of Shareholders, and it has no information that others will do so. If other matters requiring the vote of the shareholders properly come before the meeting and any adjournments thereof, it is the intention of the persons named in the accompanying form of proxy to vote the proxies held by them in accordance with their judgment on such matters.

SHAREHOLDER PROPOSALS FOR THE
2004 ANNUAL MEETING

Shareholder proposals for inclusion in the proxy materials related to the 2004 Annual Meeting of Shareholders must be received by the Company no later than November 28, 2003. To be properly brought before the Annual Meeting, any proposal must be received 45 days prior to the 2004 Annual Meeting.

3. SHARES SUBJECT TO THE PLAN

The total number of Shares which may be issued under the Plan is 4,500,000. The maximum number of Shares for which Options or Stock Appreciation Rights may be granted during a calendar year to any Participant shall be 300,000. The Shares may consist, in whole or in part, of unissued Shares or treasury Shares. The issuance of Shares or the payment of cash upon the exercise of an Award shall reduce the total number of Shares available under the Plan, as applicable. Shares which are subject to Awards which terminate or lapse may be granted again under the Plan.

4. ADMINISTRATION

The Plan shall be administered by the Committee, which may delegate its duties and powers in whole or in part to any subcommittee thereof consisting solely of at least two individuals who are each "non-employee directors" within the meaning of Rule 16b-3 under the Act (or any successor rule thereto), "outside directors" within the meaning of Section 162(m) of the Code (or any successor section thereto) and "independent directors" within the meaning of the applicable rules, if any, of any national securities exchange on which Shares are listed or admitted to trading; provided, however, that any action permitted to be taken by the Committee may be taken by the Board, in its discretion. The Committee is authorized to interpret the Plan, to establish, amend and rescind any rules and regulations relating to the Plan, and to make any other determinations that it deems necessary or desirable for the administration of the Plan. The Committee may correct any defect or omission or reconcile any inconsistency in the Plan in the manner and to the extent the Committee deems necessary or desirable. Any decision of the Committee in the interpretation and administrations of the Plan, as described herein, shall lie within its sole and absolute discretion and shall be final, conclusive and binding on all parties concerned (including, but not limited to Participants and their beneficiaries or successors). Determinations made by the Committee under the Plan need not be uniform and may be made selectively among Participants, whether or not such Participants are similarly situated. The Committee shall require payment of any amount it may determine to be necessary to withhold for federal, state, local or other, taxes as a result of the exercise or vesting of an Award. Unless the Committee specifies otherwise, the Participant may elect to pay a portion or all of such withholding taxes by (a) delivery in Shares or (b) having Shares withheld by the Company from any Shares that would have otherwise been received by the Participant. The number of Shares so delivered or withheld shall have an aggregate Fair Market Value sufficient to satisfy the applicable withholding taxes. If the chief executive officer of the Company is a member of the Board, the Board by specific resolution may constitute such chief executive officer as a committee of one which shall have the authority to grant Awards of up to an aggregate of 300,000 Shares in each calendar year to Participants who are (i) not subject to the rules promulgated under Section 16 of the Act (or any successor section thereto) or (ii) covered employees (or anticipated to become covered employees) as such term is defined in Section 162(m) of the Code; provided, however, that such chief executive officer shall notify the Committee of any such grants made pursuant to this Section 4.

5. LIMITATIONS

No Award may be granted under the Plan after the tenth anniversary of the Effective Date, but Awards theretofore granted may extend beyond that date.

6. TERMS AND CONDITIONS OF OPTIONS

Options granted under the Plan shall be, as determined by the Committee, non-qualified or incentive stock options for federal income tax purposes, as evidenced by the related Award agreements, and shall be subject to the foregoing and the following terms and conditions and to such other terms and conditions, not inconsistent therewith, as the Committee shall determine:

(a) Option Price. The Option Price per Share shall be determined by the Committee, but shall not be less than 100% of the Fair Market Value of the Shares on the date an Option is granted.

(b) Exercisability. Options granted under the Plan shall be exercisable at such time and upon such terms and conditions as may be determined by the Committee, but in no event shall an Option be exercisable more than ten years after the date it is granted. The Committee may, in its discretion, accelerate the date after which Options may be exercised in whole or in part. If the chief executive officer of the Company is a member of the Board, the Board by specific resolution may constitute such chief executive officer as a committee of one which shall have the authority to accelerate the date after which Options may be exercised in whole or in part.

(c) Exercise of Options. Except as otherwise provided in the Plan or in an Award agreement, an Option may be exercised for all, or from time to time any part, of the Shares for which it is then exercisable. For purposes of Section 6 of the plan, the exercise date of an Option shall be the later of the date a notice of exercise is received by the Company and, if applicable, the date payment is received by the Company pursuant to clauses (i), (ii), (iii) or (iv) in the following sentence. The purchase price for the Shares as to which an Option is exercised shall be paid to the Company in full not later than at the time that the Shares being purchased are delivered to or at the direction of the Participant, in each case at the election of the Participant to the extent permitted by law, (i) in cash, (ii) in Shares having a Fair Market Value equal to the aggregate Option Price for the Shares being purchased and satisfying such other requirements as may be imposed by the Committee; provided, that such Shares have been held by the Participant for no less than six months, (iii) partly in cash and partly in such Shares or (iv) through the delivery of irrevocable instruments to a broker to deliver promptly to the Company an amount equal to the aggregate option price for the shares being purchased. No Participant shall have any rights to dividends or other rights of a stockholder with respect to Shares subject to an Option until the Participant has given written notice of exercise of the Option, paid in full for such Shares and, if applicable, has satisfied any other conditions imposed by the Committee pursuant to the Plan.

(d) ISOs. The Committee may grant Options under the Plan that are intended to be ISOs. Such ISOs shall comply with the requirements of Section 422 of the Code (or any successor section thereto) . No ISO may be granted to any Participant who at the time of such grant, owns more than ten percent of the total combined voting power of all classes of

stock of the Company or of any Subsidiary, unless (i) the Option Price for such ISO is at least 110% of the Fair Market Value of a Share on the date the ISO is granted and (ii) the date on which such ISO terminates is a date not later than the day preceding the fifth anniversary of the date on which the ISO is granted. Any Participant who disposes of Shares acquired upon the exercise of an ISO either (i) within two years after the date of grant of such ISO or (ii) within one year after the transfer of such Shares to the Participant, shall notify the Company of such disposition and of the amount realized upon such disposition.

7. TERMS AND CONDITIONS OF STOCK APPRECIATION RIGHTS

(a) Grants. The Committee also may grant (i) a Stock Appreciation Right independent of an Option or (ii) a Stock Appreciation Right in connection with an Option, or a portion thereof. A Stock Appreciation Right granted pursuant to clause (ii) of the preceding sentence (A) may be granted at the time the related Option is granted or at any time prior to the exercise or cancellation of the related Option, (B) shall cover the same Shares covered by an Option (or such lesser number of Shares as the Committee may determine) and (C) shall be subject to the same terms and conditions as such Option except for such additional limitations as are contemplated by this Section 8 (or such additional limitations as may be included in an Award agreement).

(b) Terms. The exercise price per Share of a Stock Appreciation Right shall be an amount determined by the Committee but in no event shall such amount be less than the greater of (i) the Fair Market Value of a Share on the date the Stock Appreciation Right is granted or, in the case of a Stock Appreciation Right granted in conjunction with an Option, or a portion thereof, the Option Price of the related Option and (ii) an amount permitted by applicable laws, rules, by-laws or policies of regulatory authorities or stock exchanges. Each Stock Appreciation Right granted independent of an Option shall entitle a Participant upon exercise to an amount equal to (i) the excess of (A) the Fair Market Value on the exercise date of one Share over (B) the exercise price per Share, times (ii) the number of Shares covered by the Stock Appreciation Right. Each Stock Appreciation Right granted in conjunction with an Option, or a portion thereof, shall entitle a Participant to surrender to the Company the unexercised Option, or any portion thereof, and to receive from the Company in exchange therefor an amount equal to (i) the excess of (A) the Fair Market Value on the exercise date of one Share over (B) the Option Price per Share, times (ii) the number of Shares covered by the Option, or portion thereof, which is surrendered. The date a notice of exercise is received by the Company shall be the exercise date. Payment shall be made in Shares or in cash, or partly in Shares and partly in cash (any such Shares valued at such Fair Market Value), all as shall be determined by the Committee. Stock Appreciation Rights may be exercised from time to time upon actual receipt by the Company of written notice of exercise stating the number of Shares with respect to which the Stock Appreciation Right is being exercised. No fractional Shares will be issued in payment for Stock Appreciation Rights, but instead cash will be paid for a fraction or, if the Committee should so determine, the number of Shares will be rounded downward to the next whole Share.

(c) Limitations. The Committee may impose, in its discretion, such conditions upon the exercisability or transferability of Stock Appreciation Rights as it may deem fit.

(d) Limited Stock Appreciation Rights. The Committee may grant LSARs that are exercisable upon the occurrence of specified contingent events. Such LSARs may provide for a different method of determining appreciation, may specify that payment will be made only in cash and may provide that any related Awards are not exercisable while such LSARs are exercisable. Unless the context otherwise requires, whenever the term "Stock Appreciation Right" is used in the Plan, such term shall include LSARs.

8. OTHER STOCK-BASED AWARDS

(a) Generally. The Committee, in its sole discretion, may grant Awards of Shares, Awards of restricted Shares and Awards that are valued in whole or in part by reference to, or are otherwise based on the Fair Market Value of, Shares ("Other Stock-Based Awards"). Such Other Stock-Based Awards shall be in such form, and dependent on such conditions, as the Committee shall determine, including, without limitation, the right to receive one or more Shares (or the equivalent cash value of such Shares) upon the completion of a specified period of service, the occurrence of an event and/or the attainment of performance objectives. Other Stock-Based Awards may be granted alone or in addition to any other Awards granted under the Plan. Subject to the provisions of the Plan, the Committee shall determine to whom and when Other Stock-Based Awards will be made, the number of Shares to be awarded under (or otherwise related to) such Other Stock-Based Awards; whether such Other Stock-Based Awards shall be settled in cash, Shares or a combination of cash and Shares; and all other terms and conditions of such Awards (including, without limitation, the vesting provisions thereof and provisions ensuring that all Shares so awarded and issued shall be fully paid and non-assessable).

(b) Performance-Based Awards. Notwithstanding anything to the contrary herein, certain Other Stock-Based Awards granted under this Section 8 may be granted in a manner which is deductible by the Company under Section 162(m) of the Code (or any successor section thereto) ("Performance-Based Awards"). A Participant's Performance-Based Award shall be determined based on the attainment of written performance goals approved by the Committee for a performance period established by the Committee (i) while the outcome for that performance period is substantially uncertain and (ii) no more than 90 days after the commencement of the performance period to which the performance goal relates or, if less, the number of days which is equal to 25 percent of the relevant performance period. The performance goals, which must be objective, shall be based upon one or more of the following criteria: (i) consolidated earnings before or after taxes (including earnings before interest, taxes, depreciation and amortization); (ii) net income; (iii) operating income; (iv) earnings per Share; (v) book value per Share; (vi) return on shareholders' equity; (vii) expense management; (viii) return on investment; (ix) improvements in capital structure; (x) profitability of an identifiable business unit or product; (xi) maintenance or improvement of profit margins; (xii) stock price; (xiii) market share; (xiv) revenues or sales; (xv) costs; (xvi) cash flow; (xvii) working capital and (xviii) return on assets. The foregoing criteria may relate to the Company, one or more of its Subsidiaries or one or more of its divisions or units, or any combination of the foregoing, and may be applied on an absolute basis and/or be relative to one or more peer group companies or indices, or any combination thereof, all as the Committee shall determine. In addition, to the degree consistent with Section 162(m) of the Code (or any successor

section thereto), the performance goals may be calculated without regard to extraordinary items. The maximum amount of a Performance-Based Award during a calendar year to any Participant shall be \$2,000,000. The Committee shall determine whether, with respect to a performance period, the applicable performance goals have been met with respect to a given Participant and, if they have, to so certify and ascertain the amount of the applicable Performance-Based Award. No Performance-Based Awards will be paid for such performance period until such certification is made by the Committee. The amount of the Performance-Based Award actually paid to a given Participant may be less than the amount determined by the applicable performance goal formula, at the discretion of the Committee. The amount of the Performance-Based Award determined by the Committee for a performance period shall be paid to the Participant at such time as determined by the Committee in its sole discretion after the end of such performance period; provided, however, that a Participant may, if and to the extent permitted by the Committee and consistent with the provisions of Section 162(m) of the Code, elect to defer payment of a Performance-Based Award.

9. ADJUSTMENTS UPON CERTAIN EVENTS

Notwithstanding any other provisions in the Plan to the contrary, the following provisions shall apply to all Awards granted under the Plan:

(a) Generally. In the event of any change in the outstanding Shares after the Effective Date by reason of any Share dividend or split, reorganization, recapitalization, merger, consolidation, spin-off, combination or exchange of Shares or other corporate exchange, any distribution to shareholders of Shares other than regular cash dividends or any similar event, the Committee in its sole discretion and without liability to any person may make such substitution or adjustment, if any, as it deems to be equitable, as to (i) the number or kind of Shares or other securities issued or reserved for issuance pursuant to the Plan or pursuant to outstanding Awards, (ii) the Option Price and/or (iii) any other affected terms of such Awards.

(b) Change in Control. Except as otherwise provided in an Award agreement, in the event of a Change in Control, the Committee in its sole discretion and without liability to any person may take such actions, if any, as it deems necessary or desirable with respect to any Award (including, without limitation, (i) the acceleration of an Award, (ii) the payment of a cash amount in exchange for the cancellation of an Award and/or (iii) the requiring of the issuance of substitute Awards that will substantially preserve the value, rights and benefits of any affected Awards previously granted hereunder) as of the date of the consummation of the Change in Control.

10. NO RIGHT TO EMPLOYMENT

The granting of an Award under the Plan shall impose no obligation on the Company or any Subsidiary to continue the employment of a Participant and shall not lessen or affect the Company's or Subsidiary's right to terminate the employment of such Participant.

11. SUCCESSORS AND ASSIGNS

The Plan shall be binding on all successors and assigns of the Company and a Participant; including without limitation, the estate of such Participant and the executor, administrator or trustee of such estate, or any receiver or trustee in bankruptcy or representative of the Participant's creditors.

12. NONTRANSFERABILITY OF AWARDS

Unless otherwise determined by the Committee, an Award shall not be transferable or assignable by the Participant otherwise than by will or by the laws of descent and distribution. Notwithstanding the foregoing, a Participant may transfer an option (other than an ISO) in whole or in part by gift or domestic relations order to a family member of the Participant (a "Permitted Transferee") and, following any such transfer such option or portion thereof shall be exercisable only by the Permitted Transferee, provided that no such option or portion thereof is transferred for value, and provided further that, following any such transfer, neither such option or any portion thereof nor any right hereunder shall be transferable other than to the Participant or otherwise than by will or the laws of descent and distribution or be subject to attachment, execution or other similar process. For purposes of this Section 12, "family member" includes any child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law, including adoptive relationships, any person sharing the Participant's household (other than a tenant or employee), trust in which these persons have more than fifty percent of the beneficial interest, a foundation in which these persons (or the Participant) control the management of assets and any other entity in which these persons (or the Participant) own more than fifty percent of the voting interests. An Award exercisable after the death of a Participant may be exercised by the legatees, personal representatives or distributees of the Participant.

13. AMENDMENTS OR TERMINATION

The Board may amend, alter or discontinue the Plan, but no amendment, alteration or discontinuation shall be made which, (a) without the approval of the shareholders of the Company, would (except as is provided in the Plan for adjustments in certain events), increase the total number of Shares reserved for the purposes of the Plan or change the maximum number of Shares for which Awards may be granted to any Participant or (b) without the consent of a Participant, would impair any of the rights or obligations under any Award theretofore granted to such Participant under the Plan; provided, however, that the Committee may amend the Plan in such manner as it deems necessary to permit the granting of Awards meeting the requirements of the Code or other applicable laws. Notwithstanding anything to the contrary herein, the Board may not amend, alter or discontinue the provisions relating to Section 9(b) of the Plan after the occurrence of a Change in Control.

14. INTERNATIONAL PARTICIPANTS

With respect to Participants who reside or work outside the United States of America and who are not (and who are not expected to be) 'covered employees' within the meaning of Section 162(m) of the Code, the Committee may, in its sole discretion, amend the terms of the Plan or Awards with respect to such Participants in order to conform such terms with the requirements of local law.

15. CHOICE OF LAW

The Plan shall be governed by and construed in accordance with the laws of the State of Delaware.

16. EFFECTIVENESS OF THE PLAN

The Plan shall be effective as of the Effective Date. If the Plan is not approved by the shareholders of the Company prior to the first anniversary of the Effective Date, no Awards may be granted thereafter.

HOVNANIAN ENTERPRISES, INC.
SENIOR EXECUTIVE SHORT-TERM INCENTIVE PLAN
(AS AMENDED AND RESTATED)

1. PURPOSE.

The purpose of the Senior Executive Short-Term Incentive Plan (the "Plan") is to advance the interests of K. Hovnanian (the "Company"), and its shareholders by providing incentives in the form of periodic bonus awards ("Awards") to certain senior executive employees of the Company and its affiliates, thereby motivating such executives to attain corporate performance goals articulated under the Plan.

2. ADMINISTRATION.

(a) The Plan shall be administered by two or more individuals who are each "non-employee directors" within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended or any successor thereto, "outside directors" as defined under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), and "independent directors" within the meaning of the applicable rules, if any, of any national securities exchange on which shares of common shares of common stock of the Company are listed or admitted to trading, unless otherwise determined by the Company's Board of Directors to act as the committee (the "Committee").

(b) The Committee shall have the exclusive authority to select the senior executives to be granted Awards under the Plan, to determine the size and terms of the Award (subject to the limitations imposed on Awards in Section 4 below), to modify the terms of any of the Award that has been granted (except for any modification that would increase the amount of the Award payable to an executive), to determine the time when Awards will be made and the performance period to which they relate, to establish performance objectives in respect of such performance periods, and to certify that such performance objectives were attained; provided, however, that any such action shall be consistent with the applicable provisions of Section 162(m) of the Code. The Committee is authorized to interpret the plan, to establish, amend and rescind any rules and regulations relating to the Plan, and to make any other determinations that it deems necessary or desirable for the administration of the Plan. The Committee may correct any defect or supply any omission or reconcile any inconsistency in the Plan in the manner and to the extent the Committee deems necessary or desirable. Any decision of the Committee in the interpretation and administration of the Plan, as described herein, shall be final, conclusive and binding on all parties concerned.

3. PARTICIPATION.

Awards may be granted to senior executives of the Company and its affiliates who are "covered employees", as defined in Section 162(m) of the Code, or who the Committee anticipates may become covered employees. An Executive to whom an Award is granted shall be a "Participant".

4. AWARDS UNDER THE PLAN.

(a) A Participant's Award shall be determined based on the attainment of written performance goals approved by the Committee in respect of a specified period of service (a "performance period"), which is established by the Committee (i) while the outcome for that performance period is substantially uncertain and (ii) not more than 90 days after the commencement of that performance period or, if less, the number of days which is equal to 25 percent of that performance period. The performance goals shall be based upon one or more of the following criteria: (i) earnings before or after taxes (including earnings before interest, taxes, depreciation and amortization); (ii) net income; (iii) operating income; (iv) earnings per share; (v) book value per share; (vi) return on stockholders' equity; (vii) expense management; (viii) return on investment before or after the cost of capital; (ix) improvements in capital structure; (x) profitability of an identifiable business unit or product; (xi) maintenance or improvement of profit margins; (xii) stock price; (xiii) market share; (xiv) revenues or sales; (xv) costs; (xvi) cash flow; (xvii) working capital; (xviii) changes in net assets (whether or not multiplied by a constant percentage intended to represent to cost of capital); and (xix) return on assets. The foregoing criteria may relate to the Company, one or more of its affiliates or one or more of its divisions or units, or any combination of the foregoing, and may be applied on an absolute basis and/or be relative to one or more peer group companies or other indices, or any combination thereof, all as the Committee shall determine. In addition, to the degree consistent with Section 162(m) of the Code, the performance goals may be calculated without regard to extraordinary items. In any event, the performance goals shall be based on an objective formula or standard. The maximum amount of an Award to any Participant with respect to a fiscal year of the Company shall be \$10,000,000.

(b) The Committee shall determine whether the specified performance goals have been met with respect to any Participant and, if such goals have been met, shall so certify and shall ascertain the amount of the applicable Award. No Awards will be paid for any performance period until such applicable certification is made by the Committee. The amount of the Award actually paid to any Participant may, at the discretion of the Committee, be less than the amount determined by the applicable performance goal formula. The amount of the Award determined by the Committee in respect of a performance period shall be paid to the Participant at such time after the end of such performance period as shall be determined by the Committee in its sole discretion; provided, however, that a Participant may, if and to the extent permitted by the Committee, elect to defer receipt of an Award.

(c) The provisions of the Section 4 shall be administered and interpreted in accordance with Section 162(m) of the Code and all supporting regulations to ensure the deductibility by the Company or any of its affiliates of the payment of Awards.

(d) The Committee shall determine, in its discretion, whether an Award shall be payable in cash, common stock of the Company, or a combination thereof which may include, without limitation, permitting a Participant to elect, in the calendar year prior to the year in which an Award may otherwise become payable to a Participant under the Plan, to defer receipt of all or any portion of such Award into a right to receive shares of common stock of the Company at a future date); provided, however, that the total number of shares of common stock of the Company that may be issued under the Plan is 2,500,000.

5. AMENDMENT AND TERMINATION OF THE PLAN.

(a) The Committee may at any time, or from time to time, suspend or terminate the Plan in whole or in part or amend it in such respects as the Committee may deem appropriate.

(b) No amendment, suspension or termination of the Plan shall, without the Participant's consent, impair any of the rights or obligations under any Award theretofore granted to a Participant under the Plan.

6. MISCELLANEOUS PROVISIONS.

(a) Determination made by the Committee under the Plan need not be uniform and may be made selectively among eligible individuals under the Plan, whether or not such eligible individuals are similarly situated. Neither the Plan nor any action taken hereunder shall be construed as giving any right to be retained as an employee of the Company or any affiliate thereof.

(b) A Participant's rights or interest under the Plan may not be assigned or transferred, hypothecated or encumbered in whole or in part either directly or by operation of law or otherwise (except in the event of a Participant's death) including, but not by way of limitation, execution, levy, garnishment, attachment, pledge, bankruptcy or in any other manner; provided, however, that, subject to applicable law, any amounts payable to any Participant hereunder are subject to reduction to satisfy any liabilities owed to the Company or any of its affiliates by the Participant. Any attempted assignment or transfer, hypothecation or encumbrance shall be void and of no effect.

(c) The Company and its affiliates shall have the right to deduct from any payment made under the Plan any federal, state, local or foreign income and other taxes required by law to be withheld with respect to such payment.

(d) Each person who is or at any time serves as a member of the Committee or the Company's Board of Directors shall be indemnified and held harmless by the Company against and from: (i) any loss, cost, liability or expense that may be imposed upon or reasonably incurred by such person in connection with or resulting from any claim, action, suit or proceeding to which such person may be a party or in which such person may be involved by reason of any action or failure to act under the Plan; and (ii) any and all amounts paid by such person in satisfaction of judgment in any such action, suit or proceeding relating to the Plan. Each person covered by this indemnification shall give the Company an opportunity, at its own expense, to handle and defend the same before such person undertakes to handle and defend it on such person's own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the bylaws of the Company as a matter of law, or otherwise, or any power that the Company may have to indemnify such person or hold such person harmless.

(e) Each member of the Committee and the Company's Board of Directors shall be fully justified in relying or acting in good faith upon any report made by to independent public accountants of, or counsel for, the Company and upon any other information furnished in connection with the Plan. In no event shall any person who is or shall have been a member of the Committee or the Company's Board of Directors be liable for any determination made or other action taken or any failure to act in reliance upon any such report or information or for any action taken, including without limitation the furnishing of information, or failure to act, if in good faith.

(f) All matters relating to the Plan or to Awards granted hereunder shall be governed by the laws of the State of New York without regard to its conflict of laws principles.

(g) The Plan shall be effective as of November 1, 1999. However, if the Plan is not approved, prior to the payment of any Awards, by the affirmative vote of holders of a majority of the shares of the Company present or represented by proxy without payment therefor and entitled to vote, the Plan shall terminate and all Awards granted thereunder shall terminate.

HOVNANIAN ENTERPRISES, INC
AUDIT COMMITTEE OF THE BOARD OF DIRECTORS CHARTER

I. PURPOSE

The Audit Committee (the "Committee") shall:

- A. Provide assistance to the Board of Directors in fulfilling its responsibility to the shareholders, potential shareholders and investment community with respect to its oversight of:
- (i) The quality and integrity of the corporation's financial statements;
 - (ii) The corporation's compliance with legal and regulatory requirements;
 - (iii) The independent auditor's qualifications and independence; and
 - (iv) The performance of the corporation's internal audit function and independent auditors.
- B. Prepare the Audit Committee report that SEC rules require be included in the corporation's annual proxy statement.

II. STRUCTURE AND OPERATIONS

COMPOSITION AND QUALIFICATIONS

The Committee shall be comprised of three or more members of the Board of Directors, each of whom is determined by the Board of Directors to be "independent" under the rules of the New York Stock Exchange, Inc. and the Sarbanes-Oxley Act. No member of the Committee may serve on the audit committee of more than three public companies, including the corporation, unless the Board of Directors (i) determines that such simultaneous service would not impair the ability of such member to effectively serve on the Committee and (ii) discloses such determination in the annual proxy statement.

All members of the Committee shall have a working familiarity with basic finance and accounting practices and at least one member must be a "financial expert" under the requirements of the Sarbanes-Oxley Act. Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the corporation or by an outside consultant.

No member of the Committee shall receive compensation other than (i) director's fees for service as a director of the corporation, including reasonable compensation for serving on the Committee and regular benefits that other directors receive and (ii) a pension or similar compensation for past performance, provided that such compensation is not conditioned on continued or future service to the corporation.

APPOINTMENT AND REMOVAL

The members of the Committee shall be appointed by the Board of Directors and shall serve until such member's successor is duly elected and qualified or until such member's earlier resignation or removal. The members of the Committee may be removed, with or without cause, by a majority vote of the Board of Directors.

CHAIRMAN

Unless a Chairman is elected by the full Board of Directors, the members of the Committee shall designate a Chairman by the majority vote of the full Committee membership. The Chairman shall be entitled to cast a vote to resolve any ties. The Chairman will chair all regular sessions of the Committee and set the agendas for Committee meetings.

III. MEETINGS

The Committee shall meet at least quarterly, or more frequently as circumstances dictate. As part of its goal to foster open communication, the Committee shall periodically meet separately with each of management, the director of the internal auditing department and the independent auditors to discuss any matters that the Committee or each of these groups believe would be appropriate to discuss privately. In addition, the Committee should meet with the independent auditors and management quarterly to review the corporation's financial statements in a manner consistent with that outlined in Section IV of this Charter. The Chairman of the Board or any member of the Committee may call meetings of the Committee. All meetings of the Committee may be held telephonically.

All non-management directors that are not members of the Committee may attend meetings of the Committee but may not vote. Additionally, the Committee may invite to its meetings any director, management of the corporation and such other persons as it deems appropriate in order to carry out its responsibilities. The Committee may also exclude from its meetings any persons it deems appropriate in order to carry out its responsibilities.

IV. RESPONSIBILITIES AND DUTIES

The following functions shall be the common recurring activities of the Committee in carrying out its responsibilities outlined in Section I of this Charter. These functions should serve as a guide with the understanding that the Committee may carry out additional functions and adopt additional policies and procedures as may be appropriate in light of changing business, legislative, regulatory, legal or other conditions. The Committee shall also carry out any other responsibilities and duties delegated to it by the Board of Directors from time to time related to the purposes of the Committee outlined in Section I of this Charter.

The Committee, in discharging its oversight role, is empowered to study or investigate any matter of interest or concern that the Committee deems appropriate. In this regard, the Committee shall have the authority to retain outside legal, accounting or other advisors for this purpose, including the authority to approve the fees payable to such advisors and any other terms of retention. The Committee shall be given full access to the corporation's internal audit group, Board of Directors, corporate executives and independent accountants as necessary to carry out these responsibilities. While acting within the scope of its stated purpose, the Committee shall have all the authority of the Board of Directors.

Notwithstanding the foregoing, the Committee is not responsible for certifying the corporation's financial statements or guaranteeing the auditor's report. The fundamental responsibility for the corporation's financial statements and disclosures rests with management and the independent auditors.

DOCUMENTS/REPORTS REVIEW

1. Review with management and the independent auditors prior to public dissemination the corporation's annual audited financial statements and quarterly financial statements, including the corporation's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations" and a discussion with the independent auditors of the matters required to be discussed by Statement of Auditing Standards No. 61.
2. Review and discuss with management and the independent auditors the corporation's earnings press releases (paying particular attention to the use of any "pro forma" or "adjusted" non-GAAP information), as well as financial information and earnings guidance provided to analysts and rating agencies. The Committee's discussion in this regard may be general in nature (i.e., discussion of the types of information to be disclosed and the type of presentation to be made) and need not take place in advance of each earnings release or each instance in which the corporation may provide earnings guidance.
3. Perform any functions required to be performed by it or otherwise appropriate under applicable law, rules or regulations, the corporation's by-laws and the resolutions or other directives of the Board, including review of any certification required to be reviewed in accordance with applicable law or regulations of the SEC.

INDEPENDENT AUDITORS

4. Retain and terminate independent auditors and approve all audit engagement fees and terms.
5. Inform each registered public accounting firm performing work for the corporation that such firm shall report directly to the Committee.
6. Oversee the work of any registered public accounting firm employed by the corporation, including the resolution of any disagreement between management and the auditor regarding financial reporting, for the purpose of preparing or issuing an audit report or related work.
7. Approve in advance any significant audit or non-audit engagement or relationship between the corporation and the independent auditors, other than "prohibited non-auditing services."

The following shall be "prohibited non-auditing services": (i) bookkeeping or other services related to the accounting records or financial statements of the audit client; (ii) financial information systems design and implementation; (iii) appraisal or valuation services, providing fairness opinions or preparing contribution-in-kind reports; (iv) actuarial services; (v) internal audit outsourcing services; (vi) management functions or human resources; (vii) broker or dealer, investment adviser or investment banking services; (viii) legal services and expert services unrelated to the audit; and (ix) any other service that the Public Company Accounting Oversight Board prohibits through regulation.

Notwithstanding the foregoing, pre-approval is not necessary for minor audit services if: (i) the aggregate amount of all such non-audit services provided to the corporation constitutes not more than five percent of the total amount of revenues paid by the corporation to its auditor during the fiscal year in which the non-audit services are provided; (ii) such services were not recognized by the corporation at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Committee and approved prior to the completion of the audit by the Committee or by one or more members of the Committee who are members of the Board to whom authority to grant such approvals has been delegated by the Committee. The Committee may delegate to one or more of its members the authority to approve in advance all significant audit or non-audit services to be provided by the independent auditors so long as it is presented to the full Committee at a later time.

8. Review, at least annually, the qualifications, performance and independence of the independent auditors. In conducting its review and evaluation, the Committee should:

- (a) Obtain and review a report by the corporation's independent auditor describing: (i) the auditing firm's internal quality-control procedures; (ii) any material issues raised by the most recent internal quality-control review, or peer review, of the auditing firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the auditing firm, and any steps taken to deal with any such issues; and (iii) to assess the auditor's independence, all relationships between the independent auditor and the corporation;
- (b) Ensure the rotation of the lead audit partner at least every five years, and consider whether there should be regular rotation of the audit firm itself.
- (c) Confirm with any independent auditor retained to provide audit services for any fiscal year that the lead (or coordinating) audit partner (having primary responsibility for the audit), or the audit partner responsible for reviewing the audit, has not performed audit services for the corporation in each of the five previous fiscal years of that corporation.
- (d) Take into account the opinions of management and the corporation's internal auditors.

FINANCIAL REPORTING PROCESS

9. In consultation with the independent auditors, management and the internal auditors, review the integrity of the corporation's financial reporting processes, both internal and external. In that connection, the Committee should obtain and discuss with management and the independent auditor reports from management and the independent auditor regarding:

- (i) all critical accounting policies and practices to be used by the corporation;
- (ii) prepared by management and/or the independent auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including all alternative treatments of financial information within generally accepted accounting principles that have been discussed with the corporation's management, the ramifications of the use of the alternative disclosures and treatments, and the treatment preferred by the independent auditor;

- (iii) major issues regarding accounting principles and financial statement presentations, including any significant changes in the corporation's selection or application of accounting principles;
- (iv) major issues as to the adequacy of the corporation's internal controls and any specific audit steps adopted in light of material control deficiencies; and
- (v) any other material written communications between the independent auditor and the corporation's management.

10. Review periodically the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the financial statements of the corporation.

11. Review with the independent auditor (i) any audit problems or other difficulties encountered by the auditor in the course of the audit process, including any restrictions on the scope of the independent auditor's activities or on access to requested information, and any significant disagreements with management and (ii) management's responses to such matters. Without excluding other possibilities, the Committee may wish to review with the independent auditor (i) any accounting adjustments that were noted or proposed by the auditor but were "passed" (as immaterial or otherwise), (ii) any communications between the audit team and the audit firm's national office respecting auditing or accounting issues presented by the engagement and (iii) any "management" or "internal control" letter issued, or proposed to be issued, by the independent auditor to the corporation.

12. Review and discuss with the independent auditor the responsibilities, budget and staffing of the corporation's internal audit function.

LEGAL COMPLIANCE / GENERAL

13. Review periodically, with the corporation's counsel, any legal matter that could have a significant impact on the corporation's financial statements.

14. Discuss with management and the independent auditors the corporation's guidelines and policies with respect to risk assessment and risk management. The Committee should discuss the corporation's major financial risk exposures and the steps management has taken to monitor and control such exposures.

15. Set clear hiring policies for employees or former employees of the independent auditors. At a minimum, these policies should provide that any registered public accounting firm may not provide audit services to the corporation if the CEO, controller, CFO, chief accounting officer or any person serving in an equivalent capacity for the corporation was employed by the registered public accounting firm and participated in the audit of the corporation within one year of the initiation of the current audit.

16. Establish procedures for: (i) the receipt, retention and treatment of complaints received by the corporation regarding accounting, internal accounting controls, or auditing matters; and (ii) the confidential, anonymous submission by employees of the corporation of concerns regarding questionable accounting or auditing matters.

REPORTS

17. Prepare all Audit Committee reports required to be included in the corporation's proxy statement, pursuant to and in accordance with applicable rules and regulations of the SEC.
18. Report regularly to the full Board of Directors including:
 - (i) with respect to any issues that arise with respect to the quality or integrity of the corporation's financial statements, the corporation's compliance with legal or regulatory requirements, the performance and independence of the corporation's independent auditors or the performance of the internal audit function;
 - (ii) reporting all meetings of the Committee; and
 - (iii) with respect to such other matters as are relevant to the Committee's discharge of its responsibilities.

The Committee shall provide such recommendations as the Committee may deem appropriate. The report to the Board of Directors may take the form of an oral report by the Chairman or any other member of the Committee designated by the Committee to make such report.

19. Maintain minutes or other records of meetings and activities of the Committee.

V. ANNUAL PERFORMANCE EVALUATION

The Committee shall perform a review and evaluation, at least annually, of the performance of the Committee and its members, including by reviewing the compliance of the Committee with this Charter. In addition, the Committee shall review and reassess, at least annually, the adequacy of this Charter and recommend to the Board of Directors any improvements to this Charter that the Committee considers necessary or valuable. The Committee shall conduct such evaluations and reviews in such manner as it deems appropriate.
