Summary of the Terms of the Exchange Offer

On March 18, 2004, K. Hovnanian completed a private offering of the outstanding notes. References to the "notes" in this prospectus are references to both the outstanding notes and the exchange notes offered hereby.

General

In connection with the private offering of the outstanding notes, we entered into a registration rights agreement with the initial purchasers of the outstanding notes in which the Issuer and the guarantors agreed, among other things, to deliver this prospectus to you and to complete an exchange offer for the outstanding notes within the time period specified in the registration rights agreement. See "Exchange Offer; Registration Rights."

You are entitled to exchange in the exchange offer your outstanding notes for exchange notes, which are identical in all material respects to the outstanding notes except:

- the exchange notes have been registered under the Securities Act of 1933, as amended, which we refer to as the "Securities Act";
- the exchange notes are not entitled to certain registration rights which are applicable to the outstanding notes under the registration rights agreement; and
- certain additional interest rate provisions are no longer applicable.

Outstanding Notes

\$150,000,000 aggregate principal amount of 6³/₈% Senior Notes due 2014, which were issued on March 18, 2004, and which we refer to in this prospectus as the "outstanding notes."

Exchange Notes

\$150,000,000 aggregate principal amount of 6³/₈% Senior Notes due 2014, which we are offering in this exchange offer and which we refer to in this prospectus as the "exchange notes."

The Exchange Offer

We are offering to exchange up to \$150,000,000 aggregate principal amount of our exchange notes, which have been registered under the Securities Act, for a like aggregate principal amount of the outstanding notes. You may only exchange outstanding notes in integral multiples of \$1,000.

Subject to the satisfaction or waiver of specified conditions, we will exchange the exchange notes for all outstanding notes that are validly tendered and not validly withdrawn prior to the expiration of the exchange offer. We will cause the exchange to be effected promptly after the expiration of the exchange offer.

Upon completion of the exchange offer, there may be no market for the outstanding notes and you may have difficulty selling them.

Resales

Based on interpretations by the staff of the Securities and Exchange Commission, or the "SEC," set forth in no-action letters issued to third parties referred to below, we believe that you may resell or otherwise transfer exchange notes issued in the exchange offer without complying with the registration and prospectus delivery requirements of the Securities Act, if:

- (1) you are not an "affiliate" of K. Hovnanian or any guarantor of the notes within the meaning of Rule 405 under the Securities Act;
- (2) you are not engaged in, do not intend to engage in, and have no arrangement or understanding with any person to participate in, a distribution of the exchange notes; and
- (3) you are acquiring the exchange notes in the ordinary course of your business.

If you are an affiliate of K. Hovnanian or the guarantors of the notes, or are engaging in, or intend to engage in, or have any arrangement or understanding with any person to participate in, a distribution of the exchange notes, or are not acquiring the exchange notes in the ordinary course of your business:

- (1) you cannot rely on the position of the staff of the SEC enunciated in *Morgan Stanley & Co., Inc.* (available June 5, 1991), *Exxon Capital Holdings Corporation* (available May 13, 1988), as interpreted in the SEC's letter to *Shearman & Sterling* (available July 2, 1993), or similar no-action letters; and
- (2) in the absence of an exception from the position of the SEC stated in (1) above, you must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale or other transfer of the exchange notes.

If you are a broker-dealer and receive exchange notes for your own account in exchange for outstanding notes that you acquired as a result of market-making or other trading activities, you must acknowledge that you will deliver a prospectus, as required by law, in connection with any resale or other transfer of the exchange notes that you receive in the exchange offer. See "Plan of Distribution."

Expiration Date

The exchange offer will expire at 5:00 p.m., New York City time, on _____, 2004 unless extended by us. We do not currently intend to extend the expiration date.

Withdrawal

You may withdraw the tender of your outstanding notes at any time prior to the expiration date. We will return to you any of your outstanding notes that are not accepted for any reason for exchange, without expense to you, promptly after the expiration or termination of the exchange offer.

Interest on the Exchange Notes and the Outstanding Notes

Each exchange note will bear interest at the rate per annum set forth on the cover page of this prospectus from the most recent date to which interest has been paid on the outstanding notes or, if no interest has been paid on the outstanding notes, from March 18, 2004. The interest will be payable semi-annually on each June 15 and December 15, beginning June 15, 2004. No interest will be paid on outstanding notes following their acceptance for exchange.

Conditions to the Exchange Offer

The exchange offer is subject to customary conditions, which we may assert or waive. See "The Exchange Offer—Conditions to the Exchange Offer."

Procedures for Tendering Outstanding Notes

If you wish to participate in the exchange offer, you must complete, sign and date the accompanying letter of transmittal, or a facsimile of the letter of transmittal, according to the instructions contained in this prospectus and the letter of transmittal. You must then mail or otherwise deliver the letter of transmittal, or a facsimile of the letter of transmittal, together with the outstanding notes and any other required documents, to the exchange agent at the address set forth on the cover page of the letter of transmittal. If you hold outstanding notes through The Depository Trust Company, or "DTC," and wish to participate in the exchange offer, you must comply with the Automated Tender Offer Program procedures of DTC, by which you will agree to be bound by the letter of transmittal. By signing, or agreeing to be bound by, the letter of transmittal, you will represent to us that, among other things:

- (1) you are not an "affiliate" of K. Hovnanian or the guarantors of the notes within the meaning of Rule 405 under the Securities Act;
- (2) you are not engaged in, do not intend to engage in, and have no arrangement or understanding with any person to participate in, a distribution of the exchange notes;
- (3) you are acquiring the exchange notes in the ordinary course of your business; and
- (4) if you are a broker-dealer and receive exchange notes for your own account in exchange for outstanding notes that you acquired as a result of market-making or other trading activities, that you will deliver a prospectus, as required by law, in connection with any resale or other transfer of such exchange notes.

If you are an affiliate of K. Hovnanian or the guarantors of the notes or are engaging in, or intend to engage in, or have any arrangement or understanding with any person to participate in, a distribution of the exchange notes, or are not acquiring the exchange notes in the ordinary course of your business, you cannot rely on the applicable positions and interpretations of the staff of the SEC and you must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale or other transfer of the exchange notes.

Special Procedures for Beneficial Owners

If you are a beneficial owner of outstanding notes that are held in the name of a broker, dealer, commercial bank, trust company or other nominee and you wish to tender those outstanding notes in the exchange offer, you should contact such person promptly and instruct such person to tender those outstanding notes on your behalf.

Guaranteed Delivery Procedures

If you wish to tender your outstanding notes and your outstanding notes are not immediately available or you cannot deliver your outstanding notes, the letter of transmittal and any other documents required by the letter of transmittal or you cannot comply with the DTC procedures for book-entry transfer prior to the expiration date, you must tender your outstanding notes according to the guaranteed delivery procedures set forth in this prospectus under "The Exchange Offer—Guaranteed Delivery Procedures."

Effect on Holders of Outstanding Notes

In connection with the sale of the outstanding notes, we entered into a registration rights agreement with the initial purchasers of the outstanding notes, which grants the holders of outstanding notes registration rights. By making this exchange offer, we will have fulfilled most of our obligations under the registration rights agreement. Accordingly, we will not be obligated to pay additional interest as described in the registration rights agreement. If you do not tender your outstanding notes in the exchange offer, you will continue to be entitled to all the rights and limitations applicable to the outstanding notes as set forth in the indenture, except we will not have any further obligation to you to provide for the registration of the outstanding notes under the registration rights agreement and we will not be obligated to pay additional interest as described in the registration rights agreement, except in certain limited circumstances. See "Exchange Offer; Registration Rights."

To the extent that outstanding notes are tendered and accepted in the exchange offer, the trading market for outstanding notes could be adversely affected.

Consequences of Failure to Exchange

All untendered outstanding notes will continue to be subject to the restrictions on transfer set forth in the outstanding notes and in the indenture. In general, the outstanding notes may not be offered or sold, unless registered under the Securities Act, except pursuant to an exemption from, or in a transaction not subject to, the Securities Act and applicable state securities laws. We do not currently anticipate that we will register the outstanding notes under the Securities Act.

Certain Income Tax Considerations

The exchange of outstanding notes for exchange notes in the exchange offer will not be a taxable event for United States federal income tax purposes. See "United States Federal Income Tax Consequences of the Exchange Offer."

Use of Proceeds

We will not receive any cash proceeds from the issuance of exchange notes in the exchange offer.

Exchange Agent

Wachovia Bank, National Association, whose address and telephone number is set forth in the section captioned "The Exchange Offer—Exchange Agent" of this prospectus, is the exchange agent for the exchange offer.

Summary of the Terms of the Exchange Notes

The terms of the exchange notes are identical in all material respects to the terms of the outstanding notes, except that the exchange notes will not contain terms with respect to transfer restrictions or additional interest upon a failure to fulfill certain of our obligations under the registration rights agreement. The exchange notes will evidence the same debt as the outstanding notes. The exchange notes will be governed by the same indenture under which the outstanding notes were issued and the exchange notes and the outstanding notes will constitute a single class and series of notes for all purposes under the indenture.

Notes Offered	We are offering \$150.0 million aggregate principal amount of 6 ³ / ₈ % Senior Notes due 2014.
Maturity Date	December 15, 2014.
Interest Payment Dates	Each June 15 and December 15, beginning June 15, 2004.
Optional Redemption	We may redeem the notes, in whole or in part, at any time, at a redemption price equal to 100% of the principal amount of the notes plus accrued and unpaid interest to the date of redemption, if any, plus a Make-Whole Amount. See "Description of the Notes—Redemption."
Change of Control	Upon a change of control as described in the section "Description of the Notes," you will have the right to require us to purchase some or all of the notes at 101% of the principal amount, plus accrued and unpaid interest, if any, to the date of purchase. We can give no assurance that, upon such an event, we will have sufficient funds to purchase any of the notes.
Guarantees	The guarantors are Hovnanian Enterprises, Inc., the parent corporation of the Issuer, and most of the parent's existing and future restricted subsidiaries. If the Issuer cannot make payments on the notes when they are due, the guarantors must make the payments instead. As of the date of this prospectus, our title insurance and home mortgage subsidiaries and certain joint ventures are not guarantors or restricted subsidiaries.
Ranking	The outstanding notes are, and the exchange notes will be, general obligations and, the outstanding notes are not, and the exchange notes will not be, secured by any collateral. Your right to payment under the notes will be: <ul style="list-style-type: none">• junior to the rights of secured creditors to the extent of their security in our assets;• equal with the rights of creditors under other unsecured senior debt, including our revolving credit facility and term loan facility; and• senior to the rights of creditors under debt that is expressly subordinated to the notes.

The guarantee of each of the guarantors of the outstanding notes is not, and, of the exchange notes, will not be, secured by any collateral. Your right to payment under any guarantee will be:

- junior to the rights of secured creditors to the extent of their security in the guarantors' assets;
- equal with the rights of creditors under the guarantors' other unsecured senior debt; and
- senior to the rights of creditors under the guarantors' debt that is expressly subordinated to the guarantee.

See the section "Description of the Notes—Ranking."

At January 31, 2004, assuming that we had completed the offering of the outstanding notes and the application of the net proceeds thereof at that date, the Issuer and the guarantors would have had approximately \$1,065.7 million of debt (including the outstanding notes) outstanding, \$48.4 million of which would have been secured by certain of our real estate assets and \$300.0 million of which would have been subordinated to the outstanding notes.

Certain Covenants

The indenture contains covenants that, among other things, restrict our ability and the ability of the guarantors to:

- borrow money;
- pay dividends on our common stock;
- repurchase our common stock;
- make investments in subsidiaries that are not restricted;
- sell certain assets;
- incur certain liens;
- merge with or into other companies; and
- enter into certain transactions with our affiliates.

For more details, see the section "Description of the Notes—Certain Covenants."

If the notes receive an investment grade rating by both Moody's and Standard & Poor's, then our obligation to comply with certain of the covenants will cease for so long as the notes continue to be rated investment grade. See "Description of the Notes—Limitation of Applicability of Certain Covenants if Notes Rated Investment Grade."

Absence of a Public Market

The exchange notes will generally be freely transferable (subject to certain restrictions discussed in "Exchange Offer; Registration Rights") but will be a new issue of securities for which there will not initially be a market. Accordingly, there can be no assurance as to the development or liquidity of any market for the exchange notes. The initial purchasers in the private offering of the outstanding notes have advised us that they currently intend to make a market for the exchange notes, as permitted by applicable laws and regulations. However, they are not obligated to do so and may discontinue any such market making activities at any time without notice. We do not intend to apply for a listing of the exchange notes on any securities exchange or automated dealer quotation system.

Use of Proceeds

We will not receive any cash proceeds from the issuance of the exchange notes in the exchange offer. For a description of the use of proceeds from the private offering of the outstanding notes, see "Use of Proceeds."

RISK FACTORS

In addition to the other information included in this prospectus and the documents incorporated by reference in this prospectus, you should carefully consider the following risk factors before you decide to participate in the exchange offer.

Risks Related to the Exchange Offer

If you choose not to exchange your outstanding notes in the exchange offer, the transfer restrictions currently applicable to your outstanding notes will remain in force and the market price of your outstanding notes could decline.

If you do not exchange your outstanding notes for exchange notes in the exchange offer, then you will continue to be subject to the transfer restrictions on the outstanding notes as set forth in the offering circular distributed in connection with the private offering of the outstanding notes. In general, the outstanding notes may not be offered or sold unless they are registered or exempt from registration under the Securities Act and applicable state securities laws. Except as required by the registration rights agreement, we do not intend to register resales of the outstanding notes under the Securities Act. You should refer to "Prospectus Summary—Summary of the Terms of the Exchange Offer" and "The Exchange Offer" for information about how to tender your outstanding notes.

The tender of outstanding notes under the exchange offer will reduce the principal amount of the outstanding notes outstanding, which may have an adverse effect upon, and increase the volatility of, the market price of the outstanding notes due to reduction in liquidity.

You must follow the exchange offer procedures carefully in order to receive the exchange notes.

If you do not follow the procedures described herein, you will not receive any exchange notes. The exchange notes will be issued to you in exchange for outstanding notes only after timely receipt by the exchange agent of:

- your outstanding notes and either:
 - a properly completed and executed letter of transmittal and all other required documents; or
 - a book-entry delivery by electronic transmittal of an agent's message through the Automated Tender Offer Program of DTC.

If you want to tender your outstanding notes in exchange for exchange notes, you should allow sufficient time to ensure timely delivery. No one is under any obligation to give you notification of defects or irregularities with respect to tenders of outstanding notes for exchange. For additional information, see the section captioned "The Exchange Offer" in this prospectus.

Risks Relating to Our Business

Leverage places burdens on our ability to comply with the terms of our indebtedness, may restrict our ability to operate, may prevent us from fulfilling our obligations and may adversely affect our financial condition.

We have a significant amount of debt. On a pro forma basis after giving effect to the offering of the outstanding notes and the application of the net proceeds thereof:

- our debt, as of January 31, 2004, including the debt of the guarantors, would have been \$1,065.7 million;

- we would have had, as of January 31, 2004, \$590.0 million of borrowings available under our \$590.0 million revolving credit facility (net of \$126.4 million in letters of credit outstanding under the facility), subject to borrowing conditions;
- our debt service payments for the 12-month period ended January 31, 2004, which include interest incurred and mandatory principal payments on our corporate debt under the terms of our indentures (but which do not include principal and interest on non-recourse secured debt and debt of our financial subsidiaries), would have been \$80,355,000; and
- an increase of 1.0% in short-term interest rates (one-month LIBOR) would have increased our annual debt service at January 31, 2004 by approximately \$1,210,000.

Our amount of debt could have important consequences to you. For example, it could:

- limit our ability to obtain future financing for working capital, capital expenditures, acquisitions, debt service requirements or other requirements;
- require us to dedicate a substantial portion of our cash flow from operations to the payment on our debt and reduce our ability to use our cash flow for other purposes;
- limit our flexibility in planning for, or reacting to, changes in our business;
- place us at a competitive disadvantage because we have more debt than some of our competitors; and
- make us more vulnerable in the event of a downturn in our business or in general economic conditions.

Our ability to meet our debt service and other obligations will depend upon our future performance. We are engaged in businesses that are substantially affected by changes in economic cycles. Our revenues and earnings vary with the level of general economic activity in the markets we serve. Our businesses are also affected by financial, political, business and other factors, many of which are beyond our control. The factors that affect our ability to generate cash can also affect our ability to raise additional funds for these purposes through the sale of equity securities, the refinancing of debt, or the sale of assets. Changes in prevailing interest rates may affect our ability to meet our debt service obligations, because borrowings under our revolving credit facilities bear interest at floating rates. A higher interest rate on our debt service obligations could result in lower earnings.

Our business may not generate sufficient cash flow from operations and borrowings may not be available to us under our revolving credit facilities in an amount sufficient to enable us to pay our indebtedness or to fund our other liquidity needs. We may need to refinance all or a portion of our debt on or before maturity, which we may not be able to do on favorable terms or at all.

The indentures governing the notes and our other outstanding debt and our term loan and revolving credit facilities impose restrictions on our operations and activities. The most significant restrictions relate to debt incurrence, sales of assets and cash distributions by us and require us to comply with certain financial covenants listed in those debt and term loan and revolving credit facilities. If we fail to comply with any of these restrictions or covenants, the trustees or the banks, as appropriate, could cause our debt to become due and payable prior to maturity.

The terms of our indentures allow us to incur additional indebtedness.

Under the terms of our indebtedness under our existing indentures, we have the ability, subject to our debt covenants, to incur additional amounts of debt. The incurrence of additional indebtedness could magnify the risks described above.

The homebuilding industry is significantly affected by changes in general and local economic conditions, real estate markets and weather conditions, which could affect our ability to build homes at prices our customers are willing or able to pay, could reduce profits that may not be recaptured and could result in cancellation of sales contracts.

The homebuilding industry is cyclical, has from time to time experienced significant difficulties and is significantly affected by changes in general and local economic conditions such as:

- employment levels and job growth;
- availability of financing for home buyers;
- interest rates;
- consumer confidence; and
- housing demand.

An oversupply of alternatives to new homes, such as rental properties and used homes, could depress prices and reduce margins for the sale of new homes. We increased our inventory in 2003, which could increase our exposure to this risk as the cycle turns.

Weather conditions and natural disasters such as hurricanes, tornadoes, earthquakes, floods and fires can harm the local homebuilding business.

The difficulties described above could cause us to take longer and incur more costs to build our homes. We may not be able to recapture increased costs by raising prices in many cases because we fix our prices up to twelve months in advance of delivery by signing home sales contracts. In addition, some home buyers may cancel or not honor their home sales contracts altogether.

Our success depends on the availability of suitable undeveloped land and improved lots at acceptable prices.

Our success in developing land and in building and selling homes depends in part upon the continued availability of suitable undeveloped land and improved lots at acceptable prices. The availability of undeveloped land and improved lots for purchase at favorable prices depends on a number of factors outside of our control, including the risk of competitive over-bidding on land and lots and restrictive governmental regulation. Should suitable land opportunities become less available, the number of homes we may be able to build and sell would be reduced, which would reduce revenue and profits.

Raw material and labor shortages and price fluctuations could delay or increase the cost of home construction and adversely affect our operating results.

The homebuilding industry has from time to time experienced raw material and labor shortages. In particular, shortages and fluctuations in the price of lumber or in other important raw materials could result in delays in the start or completion of, or increase the cost of, developing one or more of our residential communities. In addition, we contract with subcontractors to construct our homes. Therefore, the timing and quality of our construction depends on the availability, skill and cost of our subcontractors. Delays or cost increases caused by shortages and price fluctuations could harm our operating results, the impact of which may be further affected by our ability to raise sales prices.

Changes in economic and market conditions could result in the sale of homes at a loss or holding land in inventory longer than planned, the cost of which can be significant.

Land inventory risk can be substantial for homebuilders. We must continuously seek and make acquisitions of land for expansion into new markets and for replacement and expansion of land inventory within our current markets. The market value of undeveloped land, buildable lots and

housing inventories can fluctuate significantly as a result of changing economic and market conditions. In the event of significant changes in economic or market conditions, we may have to sell homes at a loss or hold land in inventory longer than planned. Inventory carrying costs can be significant and can result in losses in a poorly performing project or market.

Home prices and sales activities in the California, New Jersey, Texas, North Carolina, Virginia and Maryland markets have a large impact on our profitability because we conduct a significant portion of our business in these markets.

We presently conduct a significant portion of our business in the California, New Jersey, Texas, North Carolina, Virginia and Maryland markets. Home prices and sales activities in these markets, including in some of the markets in which we operate, have declined from time to time, particularly as a result of slow economic growth. Furthermore, precarious economic and budget situations at the state government level, such as that presently existing in California, may adversely affect the market for our homes in those affected areas. If home prices and sales activity decline in one or more of the markets in which we operate, our costs may not decline at all or at the same rate and profits may be reduced.

Because almost all of our customers require mortgage financing, increases in interest rates or the availability of mortgage financing could impair the affordability of our homes, lower demand for our products, limit our marketing effectiveness, and limit our ability to fully realize our backlog.

Virtually all our customers finance their acquisitions through lenders providing mortgage financing. Increases in interest rates or decreases in availability of mortgage financing could lower demand for new homes because of the increased monthly mortgage costs to potential homebuyers. Even if potential customers do not need financing, changes in interest rates and mortgage availability could make it harder for them to sell their existing homes to potential buyers who need financing. This could prevent or limit our ability to attract new customers as well as our ability to fully realize our backlog because our sales contracts generally include a financing contingency. Financing contingencies permit the customer to cancel his obligation in the event mortgage financing at prevailing interest rates, including financing arranged or provided by us, is unobtainable within the period specified in the contract. This contingency period is typically four to eight weeks following the date of execution.

In addition, we believe that the availability of FNMA, FHLMC, FHA and VA mortgage financing is an important factor in marketing many of our homes. Any limitations or restrictions on the availability of those types of financing could reduce our sales.

Homebuilders are subject to a number of federal, local, state and foreign laws and regulations concerning the development of land, the homebuilding process and protection of the environment, which can cause us to incur delays and costs associated with compliance and which can prohibit or restrict our activity in some regions or areas.

We are subject to extensive and complex regulations that affect the development and homebuilding process, including zoning, density and building standards. These regulations often provide broad discretion to the administering governmental authorities. This can delay or increase the cost of development or homebuilding.

We also are subject to a variety of local, state, federal and foreign laws and regulations concerning protection of health and the environment. The particular environmental laws which apply to any given community vary greatly according to the community site, the site's environmental conditions and the present and former uses of the site. These environmental laws may result in delays, may cause us to incur substantial compliance, remediation, and/or other costs, and can prohibit or severely restrict development and homebuilding activity in certain environmentally sensitive regions or areas.

It can be anticipated that increasingly stringent requirements will be imposed on developers and homebuilders in the future. Although we cannot predict the effect of these requirements, they could result in time-consuming and expensive compliance programs and in substantial expenditures, which could cause delays and increase our cost of operations. In addition, the continued effectiveness of permits already granted or approvals already obtained is dependent upon many factors, some of which are beyond our control, such as changes in policies, rules and regulations and their interpretation and application.

We compete on several levels with homebuilders that may have greater sales and financial resources, which could hurt future earnings.

We compete not only for home buyers but also for desirable properties, financing, raw materials and skilled labor often within larger subdivisions designed, planned and developed by other homebuilders. Our competitors include other local regional and national homebuilders, some of which have greater sales and financial resources.

The competitive conditions in the homebuilding industry could result in:

- difficulty in acquiring suitable land at acceptable prices;
- increased selling incentives;
- lower sales; or
- delays in construction.

Any of these problems could increase costs and/or lower profit margins.

We may have difficulty in obtaining the additional financing required to operate and develop our business.

Our operations require significant amounts of cash, and we will be required to seek additional capital, whether from sales of equity or borrowing more money, for the future growth and development of our business. The terms or availability of additional capital is uncertain. Moreover, the indenture governing the notes and the indentures for our other outstanding debt contain provisions that may restrict the debt we may incur in the future. If we are not successful in obtaining sufficient capital, it could reduce our sales and may hinder our future growth and results of operations.

Our future growth may include additional acquisitions that may not be successfully integrated and may not achieve expected benefits.

Acquisitions have contributed to our growth. We have recently announced several acquisitions or mergers, including the Summit Homes acquisition in Ohio, which closed in April 2003, the Great Western Homes acquisition in Phoenix, Arizona, which closed in August 2003, and the Windward Homes acquisition in Tampa, Florida, which closed in November 2003. In the future, we may acquire other businesses. As a result of these acquisitions, we may need to integrate product lines, dispersed operations and distinct corporate cultures. These integration efforts may not succeed or may distract our management from operating our existing business. Additionally, we may not be able to enhance our earnings as a result of acquisitions. Our failure to successfully manage future acquisitions could harm our operating results.

Utility shortages and outages or rate fluctuations could have an adverse effect on our operations.

In prior years, the areas in which we operate in California have experienced power shortages, including periods without electrical power, as well as significant fluctuations in utility costs. We may incur additional costs and may not be able to complete construction on a timely basis if such power shortages/outages and utility rate fluctuations continue. Furthermore, power shortages and outages,

such as the blackout that recently occurred in the Northeast, and rate fluctuations may adversely affect the regional economies in which we operate, which may reduce demand for our homes. Our operations may be adversely affected if further rate fluctuations and/or power shortages and outages occur in California, the Northeast or in our other markets.

Geopolitical risks and market disruption could adversely affect our operating results and financial condition.

Geopolitical events, such as the aftermath of the war with Iraq and the continuing occupation of Iraq, may have a substantial impact on the economy and the housing market. The terrorist attacks on the World Trade Center and the Pentagon on September 11, 2001 had an impact on our business and the occurrence of similar events in the future cannot be ruled out. The war and occupation, terrorism and related geopolitical risks have created many economic and political uncertainties, some of which may have additional material adverse effects on the U.S. economy, our customers and, in turn, our results of operations and financial condition.

Risks Related to the Notes

After completion of this offering, we will have a significant amount of indebtedness and we may incur additional indebtedness.

At January 31, 2004, assuming we had completed the offering of the outstanding notes and the application of the net proceeds thereof at that date, the Issuer and the guarantors would have had approximately \$1,065.7 million of debt (including the outstanding notes) outstanding. We and our subsidiaries may incur additional indebtedness in the future. Subject to certain conditions, the terms of the indenture under which the outstanding notes were, and the exchange notes will be, issued and our other existing debt instruments do not prohibit us or our subsidiaries from incurring additional indebtedness. If indebtedness is added to our current debt levels, the risks related to the notes and our indebtedness generally that we and our subsidiaries now face could intensify.

The notes are unsecured obligations.

The outstanding notes are not, and the exchange notes will not be, secured by any of our assets, and the outstanding notes are, and the exchanges notes will be, subordinated to any of our existing and future secured indebtedness. Accordingly, in the event of our bankruptcy, liquidation or any similar proceeding, holders of the notes will be entitled to payment only after the holders of any of our secured indebtedness have been paid. At January 31, 2004, assuming we had completed the offering of the outstanding notes and the application of the net proceeds thereof at that date, the Issuer and the guarantors would have had approximately \$48.4 million of secured indebtedness outstanding. Subject to certain limits in the indenture under which the outstanding notes were, and the exchange notes will be, issued and our other existing debt instruments, we will be able to incur additional secured obligations.

The notes will be structurally junior to indebtedness of our non-guarantor subsidiaries.

You will not have any claim as a creditor against any of our non-guarantor subsidiaries, and indebtedness and other liabilities, including trade payables, of those subsidiaries will effectively be senior to your claims against those subsidiaries. At January 31, 2004, our non-guarantor subsidiaries had \$117.0 million of outstanding liabilities, including trade payables. In addition, the indenture under which the outstanding notes were, and the exchange notes will be, issued will, subject to certain limitations, permit these subsidiaries to incur additional indebtedness and does not contain any limitation on the amount of other liabilities, such as trade payables, that may be incurred by these subsidiaries.

Exercise of Change of Control Rights—We may not have the ability to raise funds necessary to finance any change of control offer required by the indenture.

If a change of control occurs as described in the section "Description of the Notes—Certain Covenants," we would be required to offer to purchase your notes at 101% of their principal amount together with all accrued and unpaid interest, if any, to the date of purchase. If a purchase offer obligation arises under the indenture governing your notes, a change of control will have also occurred under other indentures governing our debt. Our credit facilities currently provide that certain change of control events will constitute a default and could result in the acceleration of the indebtedness outstanding thereunder. Any of our future debt agreements may contain similar restrictions and provisions. If a purchase offer were required under the indentures for our debt, we may not have sufficient funds to pay the purchase price for all debt that we are required to repurchase or repay. After giving effect to the offering of the outstanding notes, we did not have sufficient funds available to purchase all of such outstanding debt.

An active trading market may not develop for the exchange notes.

We are offering the exchange notes to the holders of the outstanding notes. The exchange notes are a new issue of securities. There is no active public trading market for the exchange notes. We do not intend to apply for listing of the exchange notes on a security exchange. The initial purchasers of the outstanding notes have informed us that they intend to make a market in the exchange notes. However, the initial purchasers may cease their market-making at any time. We cannot assure you that an active trading market will develop for the exchange notes or that the exchange notes will trade as one class with the outstanding notes. In addition, the liquidity of the trading market in the exchange notes and the market prices quoted for the exchange notes may be adversely affected by changes in the overall market for this type of securities and by changes in our financial performance or prospects or in the prospects for companies in our industry generally. As a consequence, an active trading market may not develop for your exchange notes, you may not be able to sell your exchange notes, or, even if you can sell your exchange notes, you may not be able to sell them at an acceptable price.

Federal and state laws allow courts, under specific circumstances, to void guarantees and to require you to return payments received from guarantors.

Although you will be direct creditors of the guarantors by virtue of the guarantees, existing or future creditors of any guarantor could avoid or subordinate that guarantor's guarantee under the fraudulent conveyance laws if they were successful in establishing that:

- the guarantee was incurred with fraudulent intent; or
- the guarantor did not receive fair consideration or reasonably equivalent value for issuing its guarantee and
 - was insolvent at the time of the guarantee;
 - was rendered insolvent by reason of the guarantee;
 - was engaged in a business or transaction for which its assets constituted unreasonably small capital to carry on its business; or
 - intended to incur, or believed that it would incur, debt beyond its ability to pay such debt as it matured.

The measures of insolvency for purposes of determining whether a fraudulent conveyance occurred vary depending upon the laws of the relevant jurisdiction and upon the valuation assumptions and

methodology applied by the court. Generally, however, a company would be considered insolvent for purposes of the foregoing if:

- the sum of the company's debts, including contingent, unliquidated and unmatured liabilities, is greater than all of such company's property at a fair valuation, or
- if the present fair saleable value of the company's assets is less than the amount that will be required to pay the probable liability on its existing debts as they become absolute and matured.

We cannot assure you as to what standard a court would apply in order to determine whether a guarantor was "insolvent" as of the date its guarantee was issued, and we cannot assure you that, regardless of the method of valuation, a court would not determine that any guarantors were insolvent on that date. The subsidiary guarantees could be subject to the claim that, since the guarantees were incurred for the benefit of Hovnanian and the Issuer, and only indirectly for the benefit of the other guarantors, the obligations of the guarantors thereunder were incurred for less than reasonably equivalent value or fair consideration.

RATIO OF EARNINGS TO FIXED CHARGES

For purposes of computing the ratio of earnings to fixed charges, earnings consist of earnings from continuing operations before income taxes, minority interest and cumulative effect of accounting changes, plus fixed charges, less interest capitalized. Fixed charges consist of all interest incurred plus the amortization of debt-issuance costs and bond discounts.

The following table sets forth the ratio of earnings to fixed charges for Hovnanian for each of the periods indicated.

	Three Months Ended January 31, 2004	Year Ended October 31,				
		2003	2002	2001	2000	1999
Ratio of earnings to fixed charges	4.9	6.7	4.7	3.1	2.1	2.9

USE OF PROCEEDS

The exchange offer is intended to satisfy our obligations under the registration rights agreement that we entered into in connection with the private offering of the outstanding notes. We will not receive any cash proceeds from the issuance of the exchange notes in the exchange offer. As consideration for issuing the exchange notes as contemplated in this prospectus, we will receive in exchange a like principal amount of outstanding notes, the terms of which are identical in all material respects to the exchange notes, except that the exchange notes will be registered under the Securities Act and will not contain terms with respect to transfer restrictions or additional interest upon a failure to fulfill certain of our obligations under the registration rights agreement. The outstanding notes that are surrendered in exchange for the exchange notes will be retired and cancelled and cannot be reissued. As a result, the issuance of the exchange notes will not result in any increase or decrease in our capitalization.

We used a portion of the net proceeds from the private offering of the outstanding notes to redeem all of our 9¹/₈% Senior Notes due 2009, and we used the remainder for general corporate purposes.

The following table sets forth our capitalization as of January 31, 2004 and on an as adjusted basis to give effect to the offering of the outstanding notes and the application of the net proceeds thereof. THE EXCHANGE OFFER

General

K. Hovnanian hereby offers to exchange a like principal amount of exchange notes for any or all outstanding notes on the terms and subject to the conditions set forth in this prospectus and accompanying letter of transmittal. We refer to this offer as the "exchange offer." You may tender some or all of your outstanding notes pursuant to the exchange offer.

As of the date of this prospectus, \$150,000,000 aggregate principal amount of the outstanding notes is outstanding. This prospectus, together with the letter of transmittal, is first being sent to all holders of outstanding notes known to us on or about [redacted], 2004. K. Hovnanian's obligation to accept outstanding notes for exchange pursuant to the exchange offer is subject to certain conditions set forth under "—Conditions to the Exchange Offer" below. K. Hovnanian currently expects that each of the conditions will be satisfied and that no waivers will be necessary.

Purpose and Effect of the Exchange Offer

We entered into a registration rights agreement with the initial purchasers of the outstanding notes in which we agreed, under certain circumstances, to file a registration statement relating to an offer to exchange the outstanding notes for exchange notes by June 16, 2004. We also agreed to use our reasonable best efforts to cause such offer to be consummated on the earliest practicable date after the registration statement has become effective but in no event later than 40 business days thereafter. The exchange notes will have terms substantially identical to the terms of the outstanding notes, except that the exchange notes will not contain terms with respect to transfer restrictions or additional interest upon a failure to fulfill certain of our obligations under the registration rights agreement. The outstanding notes were issued on March 18, 2004.

Under the circumstances set forth below, we will use our reasonable best efforts to cause the Securities and Exchange Commission, or the SEC, to declare effective a shelf registration statement with respect to the resale of the outstanding notes within the time periods specified in the registration rights agreement and to keep the shelf registration statement effective for up to two years after the effective date of the shelf registration statement. These circumstances include:

- if applicable law or interpretations of the staff of the SEC do not permit K. Hovnanian and the guarantors to effect this exchange offer after we have sought a no-action letter or other favorable decision from the SEC and after we have taken all such other actions as may be requested by the SEC or otherwise required in connection with such decision; and
- if any holder of the outstanding notes notifies us within 20 business days following the consummation deadline of the exchange offer that:
 - based on an opinion of counsel, such holder was prohibited by law or SEC policy from participating in the exchange offer; or
 - such holder is a broker-dealer and holds the outstanding notes acquired directly from us or our affiliates.

If we fail to comply with certain obligations under the registration rights agreement, we will be required to pay additional interest to holders of the outstanding notes and the exchange notes required to be registered on a shelf registration statement. Please read the section "Exchange Offer; Registration Rights" for more details regarding the registration rights agreement.

Each holder of outstanding notes that wishes to exchange their outstanding notes for exchange notes in the exchange offer will be required to make the following written representations:

- such holder is not an affiliate of K. Hovnanian or the guarantors within the meaning of Rule 405 of the Securities Act, or, if it is an affiliate, it will comply with all applicable registration and prospectus delivery requirements of the Securities Act;
- such holder is not engaged in, does not intend to engage in, and has no arrangement or understanding with any person to participate in, a distribution (within the meaning of the Securities Act) of the exchange notes in violation of the provisions of the Securities Act; and
- such holder is acquiring the exchange notes in the ordinary course of its business.

Each broker-dealer that receives exchange notes for its own account in exchange for outstanding notes, where the broker-dealer acquired the outstanding notes as a result of market-making activities or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of such exchange notes. See "Plan of Distribution."

Resale of Exchange Notes

Based on interpretations by the staff of the SEC set forth in no-action letters issued to third parties referred to below, we believe that you may resell or otherwise transfer exchange notes issued in the exchange offer without complying with the registration and prospectus delivery provisions of the Securities Act, if:

- you are acquiring the exchange notes in your ordinary course of business;
- you do not have an arrangement or understanding with any person to participate in a distribution of the exchange notes;
- you are not an affiliate of K. Hovnanian or any guarantor as defined by Rule 405 of the Securities Act; and
- you are not engaged in, and do not intend to engage in, a distribution of the exchange notes.

If you are an affiliate of K. Hovnanian or any guarantor, or are engaging in, or intend to engage in, or have any arrangement or understanding with any person to participate in, a distribution of the exchange notes, or are not acquiring the exchange notes in the ordinary course of your business:

- you cannot rely on the position of the staff of the SEC enunciated in *Morgan Stanley & Co., Inc.* (available June 5, 1991), *Exxon Capital Holdings Corporation* (available May 13, 1988), as interpreted in the SEC's letter to *Shearman & Sterling* (available July 2, 1993), or similar no-action letters; and
- in the absence of an exception from the position stated immediately above, you must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale of the exchange notes.

This prospectus may be used for an offer to resell, for resale or for other retransfer of exchange notes only as specifically set forth in this prospectus. With regard to broker-dealers, only broker-dealers that acquired the outstanding notes as a result of market-making activities or other trading activities may participate in the exchange offer. Each broker-dealer that receives exchange notes for its own account in exchange for outstanding notes, where such outstanding notes were acquired by such broker-dealer as a result of market-making activities or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of the exchange notes. Please read "Plan of Distribution" for more details regarding the transfer of exchange notes.

Terms of the Exchange Offer

On the terms and subject to the conditions set forth in this prospectus and in the accompanying letter of transmittal, we will accept for exchange in the exchange offer outstanding notes that are validly tendered and not validly withdrawn prior to the expiration date. Outstanding notes may only be tendered in multiples of \$1,000. We will issue \$1,000 principal amount of exchange notes in exchange for each \$1,000 principal amount of outstanding notes surrendered in the exchange offer.

The form and terms of the exchange notes will be substantially identical to the form and terms of the outstanding notes, except that the exchange notes will be registered under the Securities Act and will not contain terms with respect to transfer restrictions or additional interest upon a failure to fulfill certain of our obligations under the registration rights agreement. The exchange notes will evidence the same debt as the outstanding notes. The exchange notes will be issued under and entitled to the benefits of the same indenture under which the outstanding notes were issued and the exchange notes and the outstanding notes will constitute a single class and series of notes for all purposes under the indenture. For a description of the indenture, see "Description of the Notes."

The exchange offer is not conditioned upon any minimum aggregate principal amount of outstanding notes being tendered for exchange.

As of the date of this prospectus, \$150,000,000 aggregate principal amount of the outstanding notes is outstanding. This prospectus and a letter of transmittal are being sent to all registered holders of outstanding notes. There will be no fixed record date for determining registered holders of outstanding notes entitled to participate in the exchange offer.

We intend to conduct the exchange offer in accordance with the provisions of the registration rights agreement, the applicable requirements of the Securities Act and the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations of the SEC. Outstanding notes that are not tendered for exchange in the exchange offer will remain outstanding and continue to accrue interest and will be entitled to the rights and benefits that such holders have under the indenture relating to such holders' outstanding notes, except for any rights under the registration rights agreement that by their terms terminate upon the consummation of the exchange offer.

We will be deemed to have accepted for exchange properly tendered outstanding notes when we have given oral or written notice of the acceptance to the exchange agent. The exchange agent will act as agent for the tendering holders for the purposes of receiving the exchange notes from us and delivering exchange notes to holders. Subject to the terms of the registration rights agreement, we expressly reserve the right to amend or terminate the exchange offer and to refuse to accept the occurrence of any of the conditions specified below under "—Conditions to the Exchange Offer."

Holders who tender outstanding notes in the exchange offer will not be required to pay brokerage commissions or fees or, subject to the instructions in the letter of transmittal, transfer taxes with respect to the exchange of outstanding notes. We will pay all charges and expenses, other than certain applicable taxes described below, in connection with the exchange offer. It is important that you read "—Fees and Expenses" below for more details regarding fees and expenses incurred in the exchange offer.

Expiration Date; Extensions, Amendments

As used in this prospectus, the term "expiration date" means 5:00 p.m., New York City time, on _____, 2004. However, if we, in our sole discretion, extend the period of time for which the exchange offer is open, the term "expiration date" will mean the latest time and date to which we shall have extended the expiration of the exchange offer.

To extend the period of time during which the exchange offer is open, we will notify the exchange agent of any extension, followed by notification to the registered holders of the outstanding notes no later than 9:00 a.m., New York City time, on the business day after the previously scheduled expiration date.

We reserve the right, in our sole discretion:

- to delay accepting for exchange any outstanding notes;
- to extend the exchange offer or to terminate the exchange offer and to refuse to accept outstanding notes not previously accepted if any of the conditions set forth below under "—Conditions to the Exchange Offer" have not been satisfied, by giving oral or written notice of such delay, extension or termination to the exchange agent; and
- subject to the terms of the registration rights agreement, to amend the terms of the exchange offer in any manner.

Any delay in acceptance, extension, termination or amendment will be followed as promptly as practicable by oral or written notice to the registered holders of the outstanding notes. If we amend the exchange offer in a manner that we determine to constitute a material change, we will promptly disclose the amendment in a manner reasonably calculated to inform the holders of outstanding notes of that amendment.

Conditions to the Exchange Offer

Despite any other term of the exchange offer, we will not be required to accept for exchange, or to issue exchange notes in exchange for, any outstanding notes, and we may terminate or amend the exchange offer as provided in this prospectus before accepting any outstanding notes for exchange if:

- the exchange offer, or the making of any exchange by a holder of outstanding notes, violates any applicable law or interpretation of the staff of the SEC;
- any action or proceeding shall have been instituted or threatened in any court or by any governmental agency which might materially impair our ability to proceed with the exchange offer, and any material adverse development shall have occurred in any existing action or proceeding with respect to us; or
- all governmental approvals shall not have been obtained, which approvals we deem necessary for the consummation of the exchange offer.

In addition, we will not be obligated to accept for exchange the outstanding notes of any holder that has not made to us:

- the representations described under "—Purpose and Effect of the Exchange Offer" and "—Procedures for Tendering"; and
- any other representations as may be reasonably necessary under applicable SEC rules, regulations, or interpretations to make available to us an appropriate form for registration of the exchange notes under the Securities Act.

We expressly reserve the right at any time or at various times to extend the period of time during which the exchange offer is open. Consequently, we may delay acceptance of any outstanding notes by giving oral or written notice of such extension to their holders. During any such extensions, all outstanding notes previously tendered will remain subject to the exchange offer and we may accept them for exchange. We will return any outstanding notes that we do not accept for exchange for any reason without expense to their tendering holder as promptly as practicable after the expiration or termination of the exchange offer.

We expressly reserve the right to amend or terminate the exchange offer and to reject for exchange any outstanding notes not previously accepted for exchange upon the occurrence of any of the conditions of the exchange offer specified above. We will give oral or written notice of any extension, amendment, non-acceptance or termination to the holders of the outstanding notes as promptly as practicable. In the case of any extension, such notice will be issued no later than 9:00 a.m., New York City time, on the business day after the previously scheduled expiration date.

These conditions are for our sole benefit, and we may assert them regardless of the circumstances that may give rise to them or waive them in whole or in part at any or at various times in our sole discretion. If we fail at any time to exercise any of the foregoing rights, this failure will not constitute a waiver of such right. Each such right will be deemed an ongoing right that we may assert at any time or at various times.

Procedures for Tendering

Only a holder of outstanding notes may tender their outstanding notes in the exchange offer. To tender in the exchange offer, a holder must comply with either of the following:

- complete, sign and date the letter of transmittal, or a facsimile of the letter of transmittal, have the signature on the letter of transmittal guaranteed if required by the letter of transmittal and mail or deliver such letter of transmittal or facsimile to the exchange agent prior to the expiration date; or
- comply with DTC's Automated Tender Offer Program procedures described below.

In addition, either:

- the exchange agent must receive outstanding notes along with the letter of transmittal; or
- prior to the expiration date, the exchange agent must receive a timely confirmation of book-entry transfer of outstanding notes into the exchange agent's account at DTC according to the procedure for book-entry transfer described below or a properly transmitted agent's message; or
- the holder must comply with the guaranteed delivery procedures described below.

To be tendered effectively, the exchange agent must receive any physical delivery of the letter of transmittal and other required documents at the address set forth below under "—Exchange Agent" prior to the expiration date.

A tender to us that is not withdrawn prior to the expiration date constitutes an agreement between us and the tendering holder upon the terms and subject to the conditions described in this prospectus and in the letter of transmittal.

The method of delivery of outstanding notes, letter of transmittal, and all other required documents to the exchange agent is at the holder's election and risk. Rather than mail these items, we recommend that holders use an overnight or hand delivery service. In all cases, holders should allow sufficient time to assure timely delivery to the exchange agent before the expiration date. Holders should not send letters of transmittal or certificates representing outstanding notes to us. Holders may request that their respective brokers, dealers, commercial banks, trust companies or other nominees effect the above transactions for them.

If you are a beneficial owner whose outstanding notes are held in the name of a broker, dealer, commercial bank, trust company, or other nominee and you wish to participate in the exchange offer, you should promptly contact such party and instruct such person to tender outstanding notes on your behalf.

You must make these arrangements or follow these procedures before completing and executing the letter of transmittal and delivering your outstanding notes.

Signatures on the letter of transmittal or a notice of withdrawal, as the case may be, must be guaranteed by a member firm of a registered national securities exchange or of the NASD, a commercial bank or trust company having an office or correspondent in the United States or another "eligible guarantor institution" within the meaning of Rule 17A(d)-15 under the Exchange Act unless the outstanding notes surrendered for exchange are tendered:

- by a registered holder of the outstanding notes who has not completed the box entitled "Special Registration Instructions" or "Special Delivery Instructions" on the letter of transmittal; or
- for the account of an eligible guarantor institution.

If the letter of transmittal is signed by a person other than the registered holder of any outstanding notes listed on the outstanding notes, such outstanding notes must be endorsed or accompanied by a properly completed bond power. The bond power must be signed by the registered holder as the registered holder's name appears on the outstanding notes and an eligible guarantor institution must guarantee the signature on the bond power.

If the letter of transmittal or any certificates representing outstanding notes, or bond powers are signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations, or others acting in a fiduciary or representative capacity, those persons should also indicate when signing and, unless waived by us, they should also submit evidence satisfactory to us of their authority to so act.

Book-Entry Delivery Procedures

Promptly after the date of this prospectus, the exchange agent will establish an account with respect to the outstanding notes at DTC for purposes of the exchange offer. Any financial institution that is a participant in DTC's systems may make book-entry delivery of the outstanding notes by causing DTC to transfer those outstanding notes into the exchange agent's account at DTC in accordance with DTC's procedures for such transfer. To be timely, book-entry delivery of outstanding notes requires receipt of a confirmation of a book-entry transfer, a "book-entry confirmation," prior to the expiration date. In addition, although delivery of outstanding notes may be effected through book-entry transfer into the exchange agent's account at DTC, the letter of transmittal or a manually signed facsimile thereof, together with any required signature guarantees and any other required documents, or an "agent's message," as defined below, in connection with a book-entry transfer, must, in any case, be delivered or transmitted to and received by the exchange agent at its address set forth on the cover page of the letter of transmittal prior to the expiration date to receive exchange notes for tendered outstanding notes, or the guaranteed delivery procedure described below must be complied with. Tender will not be deemed made until such documents are received by the exchange agent. Delivery of documents to DTC does not constitute delivery to the exchange agent. Holders of outstanding notes who are unable to deliver confirmation of the book-entry tender of their outstanding notes into the exchange agent's account at DTC or all other documents required by the letter of transmittal to the exchange agent on or prior to the expiration date must tender their outstanding notes according to the guaranteed delivery procedures described below.

Tender of Outstanding Notes Held Through The Depository Trust Company

The exchange agent and DTC have confirmed that any financial institution that is a participant in DTC's system may use DTC's Automated Tender Offer Program to tender. Participants in the program may, instead of physically completing and signing the letter of transmittal and delivering it to the exchange, electronically transmit their acceptance of the exchange offer by causing DTC to transfer the outstanding notes to the exchange agent in accordance with DTC's Automated Tender Offer Program procedures for transfer. DTC will then send an agent's message to the exchange agent. The term "agent's message" means a message transmitted by DTC, received by the exchange agent and forming part of the book-entry confirmation, which states that:

- DTC has received an express acknowledgment from a participant in its Automated Tender Offer Program that it is tendering outstanding notes that are the subject of the book-entry confirmation;
- the participant has received and agrees to be bound by the terms of the letter of transmittal, or, in the case of an agent's message relating to guaranteed delivery, that such participant has received and agrees to be bound by the applicable notice of guaranteed delivery; and
- we may enforce that agreement against such participant.

Acceptance of Exchange Notes

In all cases, we will issue exchange notes for outstanding notes that we have accepted for exchange under the exchange offer only after the exchange agent timely receives:

- outstanding notes or a timely book-entry confirmation of such outstanding notes into the exchange agent's account at DTC; and
- a properly completed and duly executed letter of transmittal and all other required documents or a properly transmitted agent's message.

By tendering outstanding notes pursuant to the exchange offer, each holder will represent to us that, among other things:

- the holder is not an affiliate of K. Hovnanian or the guarantors within the meaning of Rule 405 of the Securities Act;
- the holder is not engaged in, does not intend to engage in, and has no arrangement or understanding with any person to participate in, a distribution of the exchange notes; and
- the holder is acquiring the exchange notes in the ordinary course of its business.

If the holder is an affiliate of K. Hovnanian or any guarantor, or is engaging in, or intends to engage in, or has any arrangement or understanding with any person to participate in, a distribution of the exchange notes, or is not acquiring the exchange notes in the ordinary course of its business:

- the holder cannot rely on the position of the staff of the SEC enunciated in *Morgan Stanley & Co., Inc.* (available June 5, 1991), *Exxon Capital Holdings Corporation* (available May 13, 1988), as interpreted in the SEC's letter to *Shearman & Sterling* (available July 2, 1993), or similar no-action letters; and
- in the absence of an exception from the position stated immediately above, the holder must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale of the exchange notes.

In addition, each broker-dealer that is to receive exchange notes for its own account in exchange for outstanding notes must represent that such outstanding notes were acquired by that broker-dealer

as a result of market-making activities or other trading activities and must acknowledge that it will deliver a prospectus that meets the requirements of the Securities Act in connection with any resale of the exchange notes. The letter of transmittal states that by so acknowledging and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act. See "Plan of Distribution."

We will interpret the terms and conditions of the exchange offer, including the letter of transmittal and the instructions to the letter of transmittal, and will resolve all questions as to the validity, form, eligibility, including time of receipt, and acceptance of outstanding notes tendered for exchange. Our determinations in this regard will be final and binding on all parties. We reserve the absolute right to reject any and all tenders of any particular outstanding notes not properly tendered or to not accept any particular outstanding notes if the acceptance might, in our or our counsel's judgment, be unlawful. We also reserve the absolute right to waive any defects or irregularities or conditions of the exchange offer as to any particular outstanding notes either before or after the expiration date, including the right to waive the ineligibility of any holder who seeks to tender outstanding notes in the exchange offer.

Unless waived, any defects or irregularities in connection with tenders of outstanding notes for exchange must be cured within a reasonable period of time as we determine. Neither we, the exchange agent, nor any other person will be under any duty to give notification of any defect or irregularity with respect to any tender of outstanding notes for exchange, nor will any of them incur any liability for any failure to give notification. Any outstanding notes received by the exchange agent that are not properly tendered and as to which the irregularities have not been cured or waived will be returned by the exchange agent to the tendering holder, without cost to the holder, unless otherwise provided in the letter of transmittal, as soon as practicable after the expiration date.

Guaranteed Delivery Procedures

Holders wishing to tender their outstanding notes but whose outstanding notes are not immediately available or who cannot deliver their outstanding notes, the letter of transmittal or any other required documents to the exchange agent or comply with the applicable procedures under DTC's Automatic Tender Offer Program prior to the expiration date may still tender if:

- the tender is made through an eligible guarantor institution;
- prior to the expiration date, the exchange agent receives from such eligible guarantor institution either (i) a properly completed and duly executed notice of guaranteed delivery by facsimile transmission, mail or hand delivery or (ii) a properly transmitted agent's message and notice of guaranteed delivery:
 - setting forth the name and address of the holder, the registered number(s) of such outstanding notes and the principal amount of outstanding notes tendered;
 - stating that the tender is being made thereby;
 - guaranteeing that, within three New York Stock Exchange trading days after the expiration date, the letter of transmittal, or facsimile thereof, together with the outstanding notes or a book-entry confirmation, and any other documents required by the letter of transmittal, will be deposited by the eligible guarantor institution with the exchange agent; and
- the exchange agent receives the properly completed and executed letter of transmittal or facsimile thereof, as well as certificate(s) representing all tendered outstanding notes in proper form for transfer or a book-entry confirmation of transfer of the outstanding notes into the exchange agent's account at DTC, and all other documents required by the letter of transmittal within three New York Stock Exchange trading days after the expiration date.

Withdrawal Rights

Except as otherwise provided in this prospectus, holders of outstanding notes may withdraw their tender of outstanding notes at any time prior to 5:00 p.m., New York City time, on the expiration date.

For a withdrawal to be effective:

- the exchange agent must receive a written notice, which may be by telegram, telex, facsimile or letter, of withdrawal at one of the addresses set forth below under "—Exchange Agent"; or
- holders must comply with the appropriate procedures of DTC's Automated Tender Offer Program system.

Any notice of withdrawal must:

- specify the name of the person who tendered the outstanding notes to be withdrawn;
- identify the outstanding notes to be withdrawn, including the principal amount of the outstanding notes; and
- where certificates for outstanding notes have been transmitted, specify the name in which such outstanding notes were registered, if different from that of the withdrawing holder.

If certificates for outstanding notes have been delivered or otherwise identified to the exchange agent, then, prior to the release of such certificates, the withdrawing holder must also submit:

- the serial numbers of the particular certificates to be withdrawn; and
- a signed notice of withdrawal with signatures guaranteed by an eligible guarantor institution unless such holder is an eligible guarantor institution.

If outstanding notes have been tendered pursuant to the procedures for book-entry transfer described above, any notice of withdrawal must specify the name and number of the account at DTC to be credited with the withdrawn outstanding notes and otherwise comply with the procedures of the facility. We will determine all questions as to the validity, form, and eligibility, including time of receipt, of notices of withdrawal, and our determination will be final and binding on all parties. Any outstanding notes so withdrawn will be deemed not to have been validly tendered for exchange for purposes of the exchange offer. Any outstanding notes that have been tendered for exchange but that are not exchanged for any reason will be returned to their holder, without cost to the holder or, in the case of book-entry transfer, will be credited to an account maintained with DTC, as soon as practicable after withdrawal, rejection of tender or termination of the exchange offer. Properly withdrawn outstanding notes may be retendered by following the procedures described under "—Procedures for Tendering" above at any time on or prior to the expiration date.

Fees and Expenses

We will bear the expenses of soliciting tenders. The principal solicitation is being made by mail by the exchange agent. We may make additional solicitations by facsimile, telephone or in person by our officers and regular employees and our affiliates.

We have not retained any dealer-manager in connection with the exchange offer and will not make any payment to broker-dealers or others for soliciting acceptances of the exchange offer. We will, however, pay the exchange agent reasonable and customary fees for its services and reimburse it for its related, reasonable out-of-pocket expenses.

We will pay the estimated cash expenses to be incurred in connection with the exchange offer. The expenses are estimated in the aggregate to be approximately \$138,000. They include:

- SEC registration fees;
- fees and expenses of the exchange agent and trustee;
- accounting and legal fees and printing costs; and
- related fees and expenses.

Accounting Treatment

We will record the exchange notes in our accounting records at the same carrying value as the outstanding notes, which is the aggregate principal amount as reflected in our accounting records on the date of exchange. Accordingly, we will not recognize any gain or loss for accounting purposes upon the consummation of the exchange offer. We will capitalize the expenses of the exchange offer and amortize them over the life of the notes.

Transfer Taxes

We will pay all transfer taxes, if any, applicable to the exchange of outstanding notes under the exchange offer. The tendering holder, however, will be required to pay any transfer taxes, whether imposed on the registered holder or any other person, if:

- certificates representing outstanding notes for principal amounts not tendered or accepted for exchange are to be delivered to, or are to be issued in the name of, any person other than the registered holder of outstanding notes tendered; or
- tendered outstanding notes are registered in the name of any person other than the person signing the letter of transmittal; or
- a transfer tax is imposed for any reason other than the exchange of outstanding notes under the exchange offer.

If satisfactory evidence of payment of such taxes is not submitted with the letter of transmittal, the amount of such transfer taxes will be billed to that tendering holder.

Holders who tender their outstanding notes for exchange will not be required to pay any transfer taxes. However, holders who instruct us to register exchange notes in the name of, or request that outstanding notes not tendered or not accepted in the exchange offer be returned to, a person other than the registered tendering holder will be required to pay any applicable transfer tax.

Consequences of Failure to Exchange

Holders of outstanding notes who do not exchange their outstanding notes for exchange notes under the exchange offer will remain subject to the restrictions on transfer of such outstanding notes:

- as set forth in the legend printed on the notes as a consequence of the issuance of the outstanding notes pursuant to the exemptions from, or in transactions not subject to, the registration requirements of the Securities Act and applicable state securities laws; and
- otherwise set forth in the offering circular distributed in connection with the private offering of the outstanding notes.

In general, you may not offer or sell the outstanding notes unless they are registered under the Securities Act or if the offer or sale is exempt from registration under the Securities Act and applicable state securities laws. Except as required by the registration rights agreement, we do not intend to register resales of the outstanding notes under the Securities Act. Based on interpretations of the staff of the SEC, exchange notes issued pursuant to the exchange offer may be offered for resale, resold or otherwise transferred by their holders without compliance with the registration and prospectus delivery provisions of the Securities Act, provided that:

- the holder is not an affiliate of K. Hovnanian or any guarantor within the meaning of Rule 405 of the Securities Act;
- the holder is not engaged in, does not intend to engage in, and does not have an arrangement or understanding with any person to participate in, a distribution of the exchange notes; and
- the holder is acquiring the exchange notes in the ordinary course of its business.

Any holder who tenders outstanding notes in the exchange offer for the purpose of participating in a distribution of the exchange notes:

- cannot rely on the position of the staff of the SEC enunciated in *Morgan Stanley & Co., Inc.* (available June 5, 1991), *Exxon Capital Holdings Corporation* (available May 13, 1988), as

interpreted in the SEC's letter to *Shearman & Sterling* (available July 2, 1993), or similar no-action letters; and

- in the absence of an exception from the position stated immediately above, must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale of the exchange notes.

Other

Participating in the exchange offer is voluntary, and you should carefully consider whether to accept. You are urged to consult your financial and tax advisors in making your own decision on what action to take.

We may in the future seek to acquire untendered outstanding notes in open market or privately negotiated transactions, through subsequent exchange offers or otherwise. We have no present plans to acquire any outstanding notes that are not tendered in the exchange offer or to file a registration statement to permit resales of any untendered outstanding notes.

DESCRIPTION OF THE NOTES

In this section, references to the "**Company**" mean Hovnanian Enterprises, Inc., a Delaware corporation, and do not include any of its subsidiaries or K. Hovnanian Enterprises, Inc., a California corporation; references to the "**Issuer**," "**us**," "**we**" or "**our**" mean K. Hovnanian Enterprises, Inc.; and references to the "**Notes**" mean the outstanding notes and the exchange notes, collectively.

The Issuer issued the outstanding notes, and will issue the exchange notes described in this prospectus, under an indenture, dated as of March 18, 2004 (the "**Indenture**"), among the Issuer, the Company, the other guarantors party thereto and Wachovia Bank, National Association, as trustee (the "**Trustee**"). The following is a summary of the material terms and provisions of the Notes. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (the "**Trust Indenture Act**"), as in effect on the date of the Indenture. The Notes are subject to all such terms, and prospective participants in the exchange offer should refer to the Indenture and the Trust Indenture Act for a statement of such terms. The form and terms of the exchange notes and the outstanding notes are identical in all material respects, except that the exchange notes will be registered under the Securities Act and will not contain terms with respect to transfer restrictions or additional interest upon a failure to fulfill certain of our obligations under the registration rights agreement.

This description of the Notes contains definitions of terms, including those defined under the heading "—Definitions of Certain Terms Used in the Indenture." Capitalized terms that are used herein but not otherwise defined herein have the meanings assigned to them in the Indenture.

Any outstanding notes that remain outstanding after consummation of this exchange offer and the exchange notes will constitute a single series of debt securities under the Indenture. Holders of outstanding notes who do not exchange their notes in this exchange offer will vote together with the holders of exchange notes for all relevant purposes under the Indenture. Accordingly, when determining whether the required holders have given notice, consent or waiver or taken any other action permitted under the Indenture, any outstanding notes that are not exchanged pursuant to the exchange offer will be aggregated with the exchange notes. All references herein to specified percentages in aggregate principal amount of Notes outstanding shall be deemed to mean, at any time after this exchange offer is consummated, percentages in aggregate principal amount of outstanding notes and exchange notes outstanding.

General

The Notes will bear interest from March 18, 2004 at the rate *per annum* shown on the cover page of this prospectus, payable semi-annually on June 15 and December 15 of each year, commencing June 15, 2004, to Holders of record at the close of business on June 1 or December 1, as the case may be, immediately preceding each such interest payment date. The Notes will mature on December 15, 2014. The exchange notes will be issued in denominations of \$1,000 and integral multiples thereof. Interest will be computed on the basis of a 360-day year consisting of twelve 30-day months.

The Indenture does not limit the maximum aggregate principal amount of securities that the Issuer may issue thereunder. The Issuer will issue an aggregate principal amount of \$150.0 million of exchange notes in this offering. The Issuer may issue additional notes of the same series as the outstanding notes and the exchange notes (the "**Additional Notes**") from time to time after this offering. The Notes and any Additional Notes subsequently issued under the Indenture would be treated as a single series for all purposes under the Indenture including, without limitation, waivers, amendments, redemption and offers to purchase. Any offering of Additional Notes under the Indenture is subject to the covenant described below under the caption "—Certain Covenants—Limitations on Indebtedness."

The outstanding notes are, and the exchange notes will be, guaranteed by the Company and each of the Guarantors (together, the "**Guarantors**") pursuant to the Guarantees (the "**Guarantees**") described below.

Ranking

The outstanding notes are, and the exchange notes will be, general unsecured obligations of the Issuer and rank senior in right of payment to all future Indebtedness of the Issuer that is, by its terms, expressly subordinated in right of payment to the Notes and *pari passu* in right of payment with all existing and future unsecured Indebtedness of the Issuer that is not so subordinated. Under specified circumstances, K. Hovnanian may be released from its obligations under the Notes and the Indenture. See "**Condition for Release of K. Hovnanian.**" The Guarantees of the outstanding notes are, and the Guarantees of the exchange notes will be, general unsecured obligations of the Guarantors and will rank senior in right of payment to all future Indebtedness of the Guarantors that is, by its terms, expressly subordinated in right of payment to the Guarantees and will rank *pari passu* in right of payment with all existing and future unsecured Indebtedness of the Company and the Guarantors that is not so subordinated.

Secured creditors of the Company, the Issuer and the other Guarantors have a claim on the assets which secure the obligations of the Company and the Guarantors to such creditors prior to claims of Holders of the Notes against those assets. At January 31, 2004, assuming we had completed the offering of the outstanding notes and the application of the net proceeds thereof at that date, the Issuer and the Guarantors would have had approximately \$1,065.7 million (including the outstanding notes) of Indebtedness outstanding, \$48.4 million of which would have been secured by certain real estate assets of the Company and the Guarantors and \$300.0 million of which would have been subordinated to the Notes.

The Guarantees

The Company and each of the Guarantors will (so long, in the case of a Restricted Subsidiary, as it remains a Restricted Subsidiary) unconditionally guarantee on a joint and several basis all of our obligations under the Notes, including our obligations to pay principal, premium, if any, and interest with respect to the Notes. The Guarantees will be general unsecured obligations of the Company and the Guarantors and will rank *pari passu* with all existing and future unsecured Indebtedness of the Guarantors that is not, by its terms, expressly subordinated in right of payment to the Guarantees. The obligations of each Guarantor other than the Company are limited to the maximum amount which, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Guarantee or pursuant to its contribution obligations under the Indenture, will result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law. Each Guarantor other than the Company that makes a payment or distribution under a Guarantee shall be entitled to a contribution from each other Guarantor in an amount *pro rata*, based on the net assets of each Guarantor, determined in accordance with GAAP. Except as provided in "**Certain Covenants**" below, the Company is not restricted from selling or otherwise disposing of any of the Guarantors.

The Indenture requires that each existing and future Restricted Subsidiary of the Company (other than KHL, Inc., the Issuer (for so long as it remains the Issuer) and K. Hovnanian Poland, sp.z.o.o.) be a Guarantor. The Company is permitted to cause any Unrestricted Subsidiary to be a Guarantor.

The Indenture provides that if all or substantially all of the assets of any Guarantor other than the Company or all of the Capital Stock of any Guarantor other than the Company is sold (including by consolidation, merger, issuance or otherwise) or disposed of (including by liquidation, dissolution or

otherwise) by the Company or any of its Subsidiaries, or, unless the Company elects otherwise, if any Guarantor other than the Company is designated an Unrestricted Subsidiary in accordance with the terms of the Indenture, then such Guarantor (in the event of a sale or other disposition of all of the Capital Stock of such Guarantor or a designation as an Unrestricted Subsidiary) or the Person acquiring such assets (in the event of a sale or other disposition of all or substantially all of the assets of such Guarantor) shall be deemed automatically and unconditionally released and discharged from any of its obligations under the Indenture without any further action on the part of the Trustee or any Holder of the Notes.

Upon the release of a guarantee by a Guarantor other than the Company under all then outstanding Applicable Debt, at any time after the suspension of certain covenants as provided below under the caption "—Limitation of Applicability of Certain Covenants if Notes Rated Investment Grade," the Guarantee of such Guarantor under the Indenture will be released and discharged at such time and no Restricted Subsidiary thereafter acquired or created will be required to be a Guarantor; *provided* that the foregoing shall not apply to any release of any Guarantor done in contemplation of, or in connection with, any cessation of the Notes being rated Investment Grade. In the event that (1) any such released Guarantor thereafter guarantees any Applicable Debt (or if any released guarantee under any Applicable Debt is reinstated or renewed) or (2) the Extinguished Covenants cease to be suspended as described under "—Limitation of Applicability of Certain Covenants if Notes Rated Investment Grade" then any such released Guarantor and any other Restricted Subsidiary of the Company then existing (other than the Restricted Subsidiaries named in the second preceding paragraph) will Guarantee the Notes on the terms and conditions set forth in the Indenture.

"**Applicable Debt**" means all Indebtedness of the Company or any of its Restricted Subsidiaries (i) under Credit Facilities or (ii) that is publicly traded (including in the Rule 144A market), including, without limitation, the Issuer's senior notes and senior subordinated notes outstanding on the Issue Date. For purposes of the above provision, Applicable Debt secured by a Lien on such Restricted Subsidiary's Property or issued by such Restricted Subsidiary shall be deemed guaranteed by such Restricted Subsidiary.

An Unrestricted Subsidiary that is a Guarantor shall be deemed automatically and unconditionally released and discharged from all obligations under its Guarantee upon notice from the Company to the Trustee to such effect, without any further action required on the part of the Trustee or any Holder.

A sale of assets or Capital Stock of a Guarantor may constitute an Asset Disposition subject to the "Limitations on Dispositions of Assets" covenant.

Redemption

The Notes will be redeemable, in whole, at any time, or in part, from time to time, at the option of the Issuer upon not less than 30 nor more than 60 days' notice at a redemption price equal to the sum of:

- (1) 100% of the principal amount thereof, plus accrued and unpaid interest thereon to the redemption date, if any; *plus*
- (2) the Make-Whole Amount.

The term "Make-Whole Amount" shall mean, in connection with any optional redemption of any Note, the excess, if any, of:

- (1) the aggregate present value as of the date of such redemption of each dollar of principal being redeemed and the amount of interest (exclusive of interest accrued to the redemption date) that would have been payable in respect of such dollar if such prepayment had not been made, determined by discounting, on a semiannual basis, such principal and interest at the

Treasury Rate (determined on the business day preceding the date of such redemption) plus 0.5%, from the respective dates on which such principal and interest would have been payable if such payment had not been made; over

- (2) the principal amount of the Note being redeemed.

"Treasury Rate" means, in connection with the calculation of any Make-Whole Amount with respect to any Note, the yield to maturity at the time of computation of United States Treasury securities with a constant maturity, as compiled by and published in the most recent Federal Reserve Statistical Release H.15 (519) that has become publicly available at least two business days prior to the redemption date (or, if such Statistical Release is no longer published, any publicly available source or similar market data), equal to the then remaining maturity of the Note being prepaid. If no maturity exactly corresponds to such maturity, yields for the published maturities occurring prior to and after such maturity most closely corresponding to such maturity shall be calculated pursuant to the immediately preceding sentence and the Treasury Rate shall be interpolated or extrapolated from such yields on a straight-line basis, rounding in each of such relevant periods to the nearest month.

There is no sinking fund for, or mandatory redemption of, the Notes.

Selection and Notice

If less than all of the Notes are to be redeemed at any time, the Trustee will select Notes for redemption on a pro rata basis, by lot or by such other method as the Trustee in its sole discretion shall deem appropriate and fair.

No Notes of \$1,000 in original principal amount or less shall be redeemed in part. Notices of redemption may not be conditional.

If any Note is to be redeemed in part only, the notice of redemption that relates to that Note shall state the portion of the principal amount thereof to be redeemed. A new Note in principal amount equal to the unredeemed portion of the original Note will be issued in the name of the Holder thereof upon cancellation of the original Note. Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue on Notes or portions of them called for redemption.

Certain Covenants

The following is a summary of certain covenants that are contained in the Indenture. Such covenants are applicable (unless waived or amended as permitted by the Indenture or their application is suspended as set forth under the caption "—Limitation of Applicability of Certain Covenants if Notes Rated Investment Grade") so long as any of the Notes are outstanding or until the Notes are defeased pursuant to provisions described under "Defeasance of Indenture."

Repurchase of Notes upon Change of Control. In the event that there shall occur a Change of Control, each Holder of Notes shall have the right, at such Holder's option, to require the Issuer to purchase all or any part of such Holder's Notes on a date (the "**Repurchase Date**") that is no later than 90 days after notice of the Change of Control, at 101% of the principal amount thereof plus accrued and unpaid interest, if any, to the Repurchase Date.

On or before the thirtieth day after any Change of Control, the Issuer is obligated to mail or cause to be mailed, to all Holders of record of Notes, a notice regarding the Change of Control and the repurchase right. The notice shall state the Repurchase Date, the date by which the repurchase right must be exercised, the price for the Notes and the procedure which the Holder must follow to exercise such right. Substantially simultaneously with mailing of the notice, the Issuer shall cause a copy of such notice to be published in a newspaper of general circulation in the Borough of Manhattan, The City of

New York. To exercise such right, the Holder of such Note must deliver, at least ten days prior to the Repurchase Date, written notice to the Issuer (or an agent designated by the Issuer for such purpose) of the Holder's exercise of such right, together with the Note with respect to which the right is being exercised, duly endorsed for transfer; *provided, however*, that if mandated by applicable law, a Holder may be permitted to deliver such written notice nearer to the Repurchase Date than may be specified by the Issuer.

The Issuer will comply with applicable law, including Section 14(e) of the Securities Exchange Act of 1934 (the "**Exchange Act**") and Rule 14e-1 thereunder, if applicable, if the Issuer is required to give a notice of a right of repurchase as a result of a Change of Control.

With respect to any disposition of assets, the phrase "all or substantially all" as used in the Indenture (including as set forth under "**Certain Covenants—Limitations on Mergers, Consolidations and Sales of Assets**" below) varies according to the facts and circumstances of the subject transaction, has no clearly established meaning under New York law (which governs the Indenture) and is subject to judicial interpretation. Accordingly, in certain circumstances there may be a degree of uncertainty in ascertaining whether a particular transaction would involve a disposition of "all or substantially all" of the assets of the Company, and therefore it may be unclear as to whether a Change of Control has occurred and whether the Holders have the right to require the Issuer to repurchase Notes.

None of the provisions relating to a repurchase upon a Change of Control is waivable by the Board of Directors of the Issuer or the Company. The Company could, in the future, enter into certain transactions, including certain recapitalizations of the Company, that would not result in a Change of Control, but would increase the amount of Indebtedness outstanding at such time.

The Indenture will require the payment of money for Notes or portions thereof validly tendered to, and accepted for payment by, the Issuer pursuant to a Change of Control offer. In the event that a Change of Control has occurred under the Indenture, a change of control will also have occurred under the indentures governing the Issuer's 6¹/₂% Senior Notes due 2014, 8% Senior Notes due 2012, 7³/₄% Senior Subordinated Notes due 2013, 8⁷/₈% Senior Subordinated Notes due 2012 and 10¹/₂% Senior Notes due 2007 and under the revolving credit facility and the term loan facility. If a Change of Control were to occur, there can be no assurance that the Issuer would have sufficient funds to pay the purchase price for all Notes and amounts due under other Indebtedness that the Company may be required to repurchase or repay or that the Company or the other Guarantors would be able to make such payments. In the event that the Issuer were required to purchase outstanding Notes pursuant to a Change of Control offer, the Company expects that it would need to seek third-party financing to the extent it does not have available funds to enable the Issuer to meet its purchase obligations. However, there can be no assurance that the Company would be able to obtain such financing.

Failure by the Issuer to purchase the Notes when required upon a Change of Control will result in an Event of Default with respect to the Notes.

These provisions could have the effect of deterring hostile or friendly acquisitions of the Company where the Person attempting the acquisition views itself as unable to finance the purchase of the principal amount of Notes which may be tendered to the Issuer upon the occurrence of a Change of Control.

Limitations on Indebtedness. The Indenture will provide that the Company and the Issuer will not, and will not cause or permit any Restricted Subsidiary, directly or indirectly, to create, incur, assume, become liable for or guarantee the payment of (collectively, an "**incurrence**") any Indebtedness (including Acquired Indebtedness) unless, after giving effect thereto and the application of the proceeds therefrom, the Consolidated Fixed Charge Coverage Ratio on the date thereof would be at least 2.0 to 1.0.

Notwithstanding the foregoing, the provisions of the Indenture will not prevent the incurrence of:

- (1) Permitted Indebtedness,
- (2) Refinancing Indebtedness,
- (3) Non-Recourse Indebtedness,
- (4) any Guarantee of Indebtedness represented by the Notes, and
- (5) any guarantee of Indebtedness incurred under Credit Facilities in compliance with the Indenture.

For purposes of determining compliance with this covenant, in the event that an item of Indebtedness may be incurred through the first paragraph of this covenant or by meeting the criteria of one or more of the types of Indebtedness described in the second paragraph of this covenant (or the definitions of the terms used therein), the Company, in its sole discretion,

- (1) may classify such item of Indebtedness under and comply with either of such paragraphs (or any of such definitions), as applicable,
- (2) may classify and divide such item of Indebtedness into more than one of such paragraphs (or definitions), as applicable, and
- (3) may elect to comply with such paragraphs (or definitions), as applicable, in any order.

The Company and the Issuer will not, and will not cause or permit any Guarantor to, directly or indirectly, in any event incur any Indebtedness that purports to be by its terms (or by the terms of any agreement governing such Indebtedness) subordinated to any other Indebtedness of the Company or of such Guarantor, as the case may be, unless such Indebtedness is also by its terms (or by the terms of any agreement governing such Indebtedness) made expressly subordinated to the Notes or the Guarantee of such Guarantor, as the case may be, to the same extent and in the same manner as such Indebtedness is subordinated to such other Indebtedness of the Company or such Guarantor, as the case may be.

Limitations on Restricted Payments. The Indenture will provide that the Company and the Issuer will not, and will not cause or permit any Restricted Subsidiary to, directly or indirectly, make any Restricted Payment unless:

- (1) no Default or Event of Default shall have occurred and be continuing at the time of or immediately after giving effect to such Restricted Payment;
- (2) immediately after giving effect to such Restricted Payment, the Company could incur at least \$1.00 of Indebtedness pursuant to the first paragraph of the "Limitations on Indebtedness" covenant; and
- (3) immediately after giving effect to such Restricted Payment, the aggregate amount of all Restricted Payments (including the Fair Market Value of any non-cash Restricted Payment) declared or made after May 4, 1999 does not exceed the sum of:
 - (a) 50% of the Consolidated Net Income of the Company on a cumulative basis during the period (taken as one accounting period) from and including February 1, 1999 and ending on the last day of the Company's fiscal quarter immediately preceding the date of such Restricted Payment (or in the event such Consolidated Net Income shall be a deficit, *minus* 100% of such deficit), *plus*
 - (b) 100% of the aggregate net cash proceeds of and the Fair Market Value of Property received by the Company from (1) any capital contribution to the Company after February 1, 1999 or any issue or sale after February 1, 1999 of Qualified Stock (other

than to any Subsidiary of the Company) and (2) the issue or sale after February 1, 1999 of any Indebtedness or other securities of the Company convertible into or exercisable for Qualified Stock of the Company that have been so converted or exercised, as the case may be, *plus*

- (c) in the case of the disposition or repayment of any Investment constituting a Restricted Payment made after May 4, 1999, an amount (to the extent not included in the calculation of Consolidated Net Income referred to in (a)) equal to the lesser of (x) the return of capital with respect to such Investment (including by dividend, distribution or sale of Capital Stock) and (y) the amount of such Investment that was treated as a Restricted Payment, in either case, less the cost of the disposition or repayment of such Investment (to the extent not included in the calculation of Consolidated Net Income referred to in (a)), *plus*
- (d) with respect to any Unrestricted Subsidiary that is redesignated as a Restricted Subsidiary after May 4, 1999, in accordance with the definition of Unrestricted Subsidiary (so long as the designation of such Subsidiary as an Unrestricted Subsidiary was treated as a Restricted Payment made after the Issue Date, and only to the extent not included in the calculation of Consolidated Net Income referred to in (a)), an amount equal to the lesser of (x) the proportionate interest of the Company or a Restricted Subsidiary in an amount equal to the excess of (I) the total assets of such Subsidiary, valued on an aggregate basis at the lesser of book value and Fair Market Value thereof, over (II) the total liabilities of such Subsidiary, determined in accordance with GAAP, and (y) the Designation Amount at the time of such Subsidiary's designation as an Unrestricted Subsidiary, *plus*
- (e) \$17 million, *minus*
- (f) the aggregate amount of all Restricted Payments (other than Restricted Payments referred to in clause (C) of the immediately succeeding paragraph) made after February 1, 1999 through May 4, 1999.

The foregoing clauses (2) and (3) will not prohibit:

- (A) the payment of any dividend within 60 days of its declaration if such dividend could have been made on the date of its declaration without violation of the provisions of the Indenture;
- (B) the repurchase, redemption or retirement of any shares of Capital Stock of the Company in exchange for, or out of the net proceeds of the substantially concurrent sale (other than to a Subsidiary of the Company) of, other shares of Qualified Stock; and
- (C) the purchase, redemption or other acquisition, cancellation or retirement for value of Capital Stock, or options, warrants, equity appreciation rights or other rights to purchase or acquire Capital Stock, of the Company or any Subsidiary held by officers or employees or former officers or employees of the Company or any Subsidiary (or their estates or beneficiaries under their estates) not to exceed \$10 million in the aggregate since May 4, 1999;

provided, however; that each Restricted Payment described in clauses (A) and (B) of this sentence shall be taken into account for purposes of computing the aggregate amount of all Restricted Payments pursuant to clause (3) of the immediately preceding paragraph.

For purposes of determining the aggregate and permitted amounts of Restricted Payments made, the amount of any guarantee of any Investment in any Person that was initially treated as a Restricted Payment and which was subsequently terminated or expired, net of any amounts paid by the Company or any Restricted Subsidiary in respect of such guarantee, shall be deducted.

In determining the "Fair Market Value of Property" for purposes of clause (3) of the first paragraph of this covenant, Property other than cash, Cash Equivalents and Marketable Securities shall be deemed to be equal in value to the "equity value" of the Capital Stock or other securities issued in exchange therefor. The equity value of such Capital Stock or other securities shall be equal to (i) the number of shares of Common Equity issued in the transaction (or issuable upon conversion or exercise of the Capital Stock or other securities issued in the transaction) multiplied by the closing sale price of the Common Equity on its principal market on the date of the transaction (less, in the case of Capital Stock or other securities which require the payment of consideration at the time of conversion or exercise, the aggregate consideration payable thereupon) or (ii) if the Common Equity is not then traded on the New York Stock Exchange, American Stock Exchange or Nasdaq National Market, or if the Capital Stock or other securities issued in the transaction do not consist of Common Equity (or Capital Stock or other securities convertible into or exercisable for Common Equity), the value (if more than \$10 million) of such Capital Stock or other securities as determined by a nationally recognized investment banking firm retained by the Board of Directors of the Company.

Limitations on Transactions with Affiliates. The Indenture will provide that the Company and the Issuer will not, and will not cause or permit any Restricted Subsidiary to, make any loan, advance, guarantee or capital contribution to, or for the benefit of, or sell, lease, transfer or otherwise dispose of any property or assets to or for the benefit of, or purchase or lease any property or assets from, or enter into or amend any contract, agreement or understanding with, or for the benefit of, any Affiliate of the Company or any Affiliate of any of the Company's Subsidiaries or any holder of 10% or more of the Common Equity of the Company (including any Affiliates of such holders), in a single transaction or series of related transactions (each, an "**Affiliate Transaction**"), except for any Affiliate Transaction the terms of which are at least as favorable as the terms which could be obtained by the Company, the Issuer or such Restricted Subsidiary, as the case may be, in a comparable transaction made on an arm's length basis with Persons who are not such a holder, an Affiliate of such a holder or an Affiliate of the Company or any of the Company's Subsidiaries.

In addition, the Company and the Issuer will not, and will not cause or permit any Restricted Subsidiary to, enter into an Affiliate Transaction unless:

- (1) with respect to any such Affiliate Transaction involving or having a value of more than \$1 million, the Company shall have (x) obtained the approval of a majority of the Board of Directors of the Company and (y) either obtained the approval of a majority of the Company's disinterested directors or obtained an opinion of a qualified independent financial advisor to the effect that such Affiliate Transaction is fair to the Company, the Issuer or such Restricted Subsidiary, as the case may be, from a financial point of view, and
- (2) with respect to any such Affiliate Transaction involving or having a value of more than \$10 million, the Company shall have (x) obtained the approval of a majority of the Board of Directors of the Company and (y) delivered to the Trustee an opinion of a qualified independent financial advisor to the effect that such Affiliate Transaction is fair to the Company, the Issuer or such Restricted Subsidiary, as the case may be, from a financial point of view.

The Indenture will also provide that notwithstanding the foregoing, an Affiliate Transaction will not include:

- (1) any contract, agreement or understanding with, or for the benefit of, or plan for the benefit of, employees of the Company or its Subsidiaries generally (in their capacities as such) that has been approved by the Board of Directors of the Company,
- (2) Capital Stock issuances to directors, officers and employees of the Company or its Subsidiaries pursuant to plans approved by the stockholders of the Company,

- (3) any Restricted Payment otherwise permitted under the "Limitations on Restricted Payments" covenant,
- (4) any transaction between or among the Company and one or more Restricted Subsidiaries or between or among Restricted Subsidiaries (*provided, however, no such transaction shall involve any other Affiliate of the Company (other than an Unrestricted Subsidiary to the extent the applicable amount constitutes a Restricted Payment permitted by the Indenture)*),
- (5) any transaction between one or more Restricted Subsidiaries and one or more Unrestricted Subsidiaries where all of the payments to, or other benefits conferred upon, such Unrestricted Subsidiaries are substantially contemporaneously dividended, or otherwise distributed or transferred without charge, to the Company or a Restricted Subsidiary,
- (6) issuances, sales or other transfers or dispositions of mortgages and collateralized mortgage obligations in the ordinary course of business between Restricted Subsidiaries and Unrestricted Subsidiaries of the Company, and
- (7) the payment of reasonable and customary fees to, and indemnity provided on behalf of, officers, directors, employees or consultants of the Company, the Issuer or any Restricted Subsidiary.

Limitations on Dispositions of Assets. The Indenture will provide that the Company and the Issuer will not, and will not cause or permit any Restricted Subsidiary to, make any Asset Disposition unless:

- (a) the Company (or such Restricted Subsidiary, as the case may be) receives consideration at the time of such Asset Disposition at least equal to the Fair Market Value thereof, and
- (b) not less than 70% of the consideration received by the Company (or such Restricted Subsidiary, as the case may be) is in the form of cash, Cash Equivalents and Marketable Securities.

The amount of (i) any Indebtedness (other than any Indebtedness subordinated to the Notes) of the Company or any Restricted Subsidiary that is actually assumed by the transferee in such Asset Disposition and (ii) the fair market value (as determined in good faith by the Board of Directors of the Company) of any property or assets received that are used or useful in a Real Estate Business, shall be deemed to be consideration required by clause (b) above for purposes of determining the percentage of such consideration received by the Company or the Restricted Subsidiaries.

The Net Cash Proceeds of an Asset Disposition shall, within one year, at the Company's election, (a) be used by the Company or a Restricted Subsidiary in the business of the construction and sale of homes conducted by the Company and the Restricted Subsidiaries or any other business of the Company or a Restricted Subsidiary existing at the time of such Asset Disposition or (b) to the extent not so used, be applied to make an Offer to Purchase Notes and, if the Company or a Restricted Subsidiary elects or is required to do so repay, purchase or redeem any other unsubordinated Indebtedness (on a *pro rata* basis if the amount available for such repayment, purchase or redemption is less than the aggregate amount of (i) the principal amount of the Notes tendered in such Offer to Purchase and (ii) the lesser of the principal amount, or accreted value, of such other unsubordinated Indebtedness, plus, in each case accrued interest to the date of repayment, purchase or redemption) at 100% of the principal amount or accreted value thereof, as the case may be, plus accrued and unpaid interest, if any, to the date of repurchase or repayment.

Notwithstanding the foregoing, (A) the Company will not be required to apply such Net Cash Proceeds to the repurchase of Notes in accordance with clause (b) of the preceding sentence except to the extent that such Net Cash Proceeds, together with the aggregate Net Cash Proceeds of prior Asset Dispositions (other than those so used) which have not been applied in accordance with this provision and as to which no prior Offer to Purchase shall have been made, exceed 5% of Consolidated Tangible

Assets and (B) in connection with an Asset Disposition, the Company and the Restricted Subsidiaries will not be required to comply with the requirements of clause (b) of the first sentence of the first paragraph of this covenant to the extent that the non-cash consideration received in connection with such Asset Disposition, together with the sum of all non-cash consideration received in connection with all prior Asset Dispositions that has not yet been converted into cash, does not exceed 5% of Consolidated Tangible Assets; *provided, however*; that when any non-cash consideration is converted into cash, such cash shall constitute Net Cash Proceeds and be subject to the preceding sentence.

Limitations on Liens. The Indenture will provide that the Company and the Issuer will not, and will not cause or permit any Restricted Subsidiary to, create, incur, assume or suffer to exist any Liens, other than Permitted Liens, on any of its Property, or on any shares of Capital Stock or Indebtedness of any Restricted Subsidiary, unless contemporaneously therewith or prior thereto all payments due under the Indenture and the Notes are secured on an equal and ratable basis with the obligation or liability so secured until such time as such indebtedness is no longer secured by a Lien.

Limitations on Restrictions Affecting Restricted Subsidiaries. The Indenture will provide that the Company and the Issuer will not, and will not cause or permit any Restricted Subsidiary to, create, assume or otherwise cause or suffer to exist or become effective any consensual encumbrance or restriction (other than encumbrances or restrictions imposed by law or by judicial or regulatory action or by provisions of agreements that restrict the assignability thereof) on the ability of any Restricted Subsidiary to:

- (1) pay dividends or make any other distributions on its Capital Stock or any other interest or participation in, or measured by, its profits, owned by the Company or any other Restricted Subsidiary, or pay interest on or principal of any Indebtedness owed to the Company or any other Restricted Subsidiary,
- (2) make loans or advances to the Company or any other Restricted Subsidiary, or
- (3) transfer any of its property or assets to the Company or any other Restricted Subsidiary,

except for:

- (a) encumbrances or restrictions existing under or by reason of applicable law,
- (b) contractual encumbrances or restrictions in effect on the Issue Date and any amendments, modifications, restatements, renewals, supplements, refundings, replacements or refinancings thereof, provided that such amendments, modifications, restatements, renewals, supplements, refundings, replacements or refinancings are no more restrictive, taken as a whole, with respect to such dividend and other payment restrictions than those contained in such contractual encumbrances or restrictions, as in effect on the Issue Date,
- (c) any restrictions or encumbrances arising under Acquired Indebtedness; *provided*, that such encumbrance or restriction applies only to either the assets that were subject to the restriction or encumbrance at the time of the acquisition or the obligor on such Indebtedness and its Subsidiaries prior to such acquisition,
- (d) any restrictions or encumbrances arising in connection with Refinancing Indebtedness; *provided, however*, that any restrictions and encumbrances of the type described in this clause (d) that arise under such Refinancing Indebtedness shall not be materially more restrictive or apply to additional assets than those under the agreement creating or evidencing the Indebtedness being refunded, refinanced, replaced or extended,
- (e) any Permitted Lien, or any other agreement restricting the sale or other disposition of property, securing Indebtedness permitted by the Indenture if such Permitted Lien or

agreement does not expressly restrict the ability of a Subsidiary of the Company to pay dividends or make or repay loans or advances prior to default thereunder,

- (f) reasonable and customary borrowing base covenants set forth in agreements evidencing Indebtedness otherwise permitted by the Indenture,
- (g) customary non-assignment provisions in leases, licenses, encumbrances, contracts or similar assets entered into or acquired in the ordinary course of business,
- (h) any restriction with respect to a Restricted Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of all or substantially all of the Capital Stock or assets of such Restricted Subsidiary pending the closing of such sale or disposition,
- (i) encumbrances or restrictions existing under or by reason of the Indenture or the Notes,
- (j) purchase money obligations that impose restrictions on the property so acquired of the nature described in clause (3) of the preceding paragraph,
- (k) Liens permitted under the Indenture securing Indebtedness that limit the right of the debtor to dispose of the assets subject to such Lien,
- (l) provisions with respect to the disposition or distribution of assets or property in joint venture agreements, assets sale agreements, stock sale agreements and other similar agreements,
- (m) customary provisions of any franchise, distribution or similar agreements,
- (n) restrictions on cash or other deposits or net worth imposed by contracts entered into in the ordinary course of business, and
- (o) any encumbrance or restrictions of the type referred to in clauses (1), (2) or (3) of the first paragraph of this section imposed by any amendments, modifications, restatements, renewals, supplements, refinancings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (a) through (n) of this paragraph, provided that such amendments, modifications, restatements, renewals, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Company's Board of Directors, no more restrictive with respect to such dividend and other payment restrictions than those contained in the dividend or other payment restrictions prior to such amendment, modification, restatement, renewal, supplement, refunding, replacement or refinancing.

Limitations on Mergers, Consolidations and Sales of Assets. The Indenture will provide that neither the Issuer nor any Guarantor will consolidate or merge with or into, or sell, lease, convey or otherwise dispose of all or substantially all of its assets (including, without limitation, by way of liquidation or dissolution), or assign any of its obligations under the Notes, the Guarantees or the Indenture (as an entirety or substantially as an entirety in one transaction or in a series of related transactions), to any Person (in each case other than in a transaction in which the Company, the Issuer or a Restricted Subsidiary is the survivor of a consolidation or merger, or the transferee in a sale, lease, conveyance or other disposition) unless:

- (1) the Person formed by or surviving such consolidation or merger (if other than the Company, the Issuer or the Guarantor, as the case may be), or to which such sale, lease, conveyance or other disposition or assignment will be made (collectively, the "**Successor**"), is a corporation or other legal entity organized and existing under the laws of the United States or any state thereof or the District of Columbia, and the Successor assumes by supplemental indenture in a form reasonably satisfactory to the Trustee all of the obligations of the Company, the Issuer

or the Guarantor, as the case may be, under the Notes or a Guarantee, as the case may be, and the Indenture,

- (2) immediately after giving effect to such transaction, no Default or Event of Default has occurred and is continuing, and
- (3) immediately after giving effect to such transaction, the Company (or its Successor) could incur at least \$1.00 of Indebtedness pursuant to the first paragraph of the "Limitation on Indebtedness" covenant.

The foregoing provisions shall not apply to:

- (a) a transaction involving the sale or disposition of Capital Stock of a Guarantor, or the consolidation or merger of a Guarantor, or the sale, lease, conveyance or other disposition of all or substantially all of the assets of a Guarantor, that in any such case results in such Guarantor being released from its Guarantee as provided under "The Guarantees" above, or
- (b) a transaction the purpose of which is to change the state of incorporation of the Company, the Issuer or any Guarantor.

Reports to Holders of Notes. The Company shall file with the Commission the annual reports and the information, documents and other reports required to be filed pursuant to Section 13 or 15(d) of the Exchange Act. The Company shall file with the Trustee and mail to each Holder of record of Notes such reports, information and documents within 15 days after it files them with the Commission. In the event that the Company is no longer subject to these periodic requirements of the Exchange Act, it will nonetheless continue to file reports with the Commission and the Trustee and mail such reports to each Holder of Notes as if it were subject to such reporting requirements. Regardless of whether the Company is required to furnish such reports to its stockholders pursuant to the Exchange Act, the Company will cause its consolidated financial statements and a "Management's Discussion and Analysis of Results of Operations and Financial Condition" written report, similar to those that would have been required to appear in annual or quarterly reports, to be delivered to Holders of Notes.

Limitation of Applicability of Certain Covenants if Notes Rated Investment Grade

Notwithstanding the foregoing, the Issuer, the Company and its Restricted Subsidiaries' obligations to comply with the provisions of the Indenture described above under the caption "Certain Covenants" (except for the covenants described under "Repurchase of Notes upon Change of Control," "Limitations on Liens," "Limitations on Mergers, Consolidations and Sales of Assets" (other than clause (3) of the first paragraph thereof) and "Reports to Holders of Notes") will terminate (such terminated covenants, the "**Extinguished Covenants**") and cease to have any further effect from and after the first date when the Notes issued under the Indenture are rated Investment Grade; *provided* that if the Notes subsequently cease to be rated Investment Grade, then, from and after the time the Notes cease to be rated Investment Grade, the Issuer, the Company and its Restricted Subsidiaries' obligation to comply with the Extinguished Covenants shall be reinstated.

In addition, following the achievement of such Investment Grade ratings, (1) the Guarantees of the Guarantors will be released at the time of the release of the guarantees under all outstanding Applicable Debt subject to the reinstatement of Guarantees if released Guarantors thereafter guarantee any Applicable Debt or the Notes cease to be rated Investment Grade and (2) no Restricted Subsidiary thereafter acquired or created will be required to be a Guarantor unless released Guarantors thereafter guarantee any Applicable Debt or the Notes cease to be rated Investment Grade, in each case as more fully described under the caption "—The Guarantees."

Notwithstanding the foregoing, in the event of any such reinstatement, no action taken or omitted to be taken by the Company or any of its Subsidiaries prior to such reinstatement shall give rise to a Default or Event of Default under the Indenture upon reinstatement; *provided* that with respect to Restricted Payments made after any such reinstatement, the amount of Restricted Payments made after May 4, 1999 will be calculated as though the "Limitations on Restricted Payments" covenant had been in effect during the entire period after such date.

Condition for Release of K. Hovnanian

The Indenture provides that the Issuer may be released from its obligations under the Indenture and the Notes, without the consent of the holders of the Notes, if (1) the Company or any successor to the Company has assumed the obligations of the Issuer under the Indenture and the Notes, (2) the Company delivers an opinion of counsel to the Trustee to the effect that Holders will not recognize income, gain or loss for federal income tax purposes as a result of the release and will be subject to federal income tax on the same amount and in the same manner and at the same times as would have been the case otherwise and (3) the Issuer becomes a Guarantor of the Notes at such time, until such time, if any, as such Guarantee may be released as described above under the captions "—Limitation of Applicability of Certain Covenants if Notes Rated Investment Grade" and "—The Guarantees."

Events of Default

The following are Events of Default under the Indenture:

- (1) the failure by the Company, the Issuer and the Guarantors to pay interest on, or additional interest, if any, with respect to, any Note when the same becomes due and payable and the continuance of any such failure for a period of 30 days;
- (2) the failure by the Company, the Issuer and the Guarantors to pay the principal or premium of any Note when the same becomes due and payable at maturity, upon acceleration or otherwise;
- (3) the failure by the Company, the Issuer or any Restricted Subsidiary to comply with any of its agreements or covenants in, or provisions of, the Notes, the Guarantees or the Indenture and such failure continues for the period and after the notice specified below (except in the case of a default under covenants described under "Certain Covenants—Repurchase of Notes upon Change of Control" and "Certain Covenants—Limitations on Mergers, Consolidations and Sales of Assets," which will constitute Events of Default with notice but without passage of time);
- (4) the acceleration of any Indebtedness (other than Non-Recourse Indebtedness) of the Company, the Issuer or any Restricted Subsidiary that has an outstanding principal amount of \$10 million or more, individually or in the aggregate, and such acceleration does not cease to exist, or such Indebtedness is not satisfied, in either case within 30 days after such acceleration;
- (5) the failure by the Company, the Issuer or any Restricted Subsidiary to make any principal or interest payment in an amount of \$10 million or more, individually or in the aggregate, in respect of Indebtedness (other than Non-Recourse Indebtedness) of the Company or any Restricted Subsidiary within 30 days of such principal or interest becoming due and payable (after giving effect to any applicable grace period set forth in the documents governing such Indebtedness);
- (6) a final judgment or judgments that exceed \$10 million or more, individually or in the aggregate, for the payment of money having been entered by a court or courts of competent jurisdiction against the Company, the Issuer or any of its Restricted Subsidiaries and such

judgment or judgments is not satisfied, stayed, annulled or rescinded within 60 days of being entered;

- (7) the Company, the Issuer or any Restricted Subsidiary that is a Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:
- (a) commences a voluntary case,
 - (b) consents to the entry of an order for relief against it in an involuntary case,
 - (c) consents to the appointment of a Custodian of it or for all or substantially all of its property, or
 - (d) makes a general assignment for the benefit of creditors;
- (8) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
- (a) is for relief against the Company, the Issuer or any Restricted Subsidiary that is a Significant Subsidiary as debtor in an involuntary case,
 - (b) appoints a Custodian of the Company, the Issuer or any Restricted Subsidiary that is a Significant Subsidiary or a Custodian for all or substantially all of the property of the Company or any Restricted Subsidiary that is a Significant Subsidiary, or
 - (c) orders the liquidation of the Company, the Issuer or any Restricted Subsidiary that is a Significant Subsidiary,
- and the order or decree remains unstayed and in effect for 60 days, or
- (9) any Guarantee of a Guarantor which is a Significant Subsidiary ceases to be in full force and effect (other than in accordance with the terms of such Guarantee and the Indenture) or is declared null and void and unenforceable or found to be invalid or any Guarantor denies its liability under its Guarantee (other than by reason of release of a Guarantor from its Guarantee in accordance with the terms of the Indenture and the Guarantee).

A Default as described in subclause (3) above will not be deemed an Event of Default until the Trustee notifies the Company, or the Holders of at least 25 percent in principal amount of the then outstanding Notes notify the Company and the Trustee, of the Default and (except in the case of a default with respect to covenants described under "Certain Covenants—Repurchase of Notes upon Change of Control" and "Certain Covenants—Limitations on Mergers, Consolidations and Sales of Assets") the Company does not cure the Default within 60 days after receipt of the notice. The notice must specify the Default, demand that it be remedied and state that the notice is a "Notice of Default." If such a Default is cured within such time period, it ceases.

If an Event of Default (other than an Event of Default with respect to the Company or the Issuer resulting from subclauses (7) or (8) above), shall have occurred and be continuing under the Indenture, the Trustee by notice to the Company, or the Holders of at least 25 percent in principal amount of the Notes then outstanding by notice to the Company and the Trustee, may declare all Notes to be due and payable immediately. Upon such declaration of acceleration, the amounts due and payable on the Notes will be due and payable immediately. If an Event of Default with respect to the Company or the Issuer specified in subclauses (7) or (8) above occurs, such an amount will *ipso facto* become and be immediately due and payable without any declaration, notice or other act on the part of the Trustee and the Company or any Holder.

The Holders of a majority in principal amount of the Notes then outstanding by written notice to the Trustee and the Company may waive any Default or Event of Default (other than any Default or Event of Default in payment of principal or interest) on the Notes under the Indenture. Holders of a majority in principal amount of the then outstanding Notes may rescind an acceleration and its

consequence (except an acceleration due to nonpayment of principal or interest on the Notes) if the rescission would not conflict with any judgment or decree and if all existing Events of Default (other than the non-payment of accelerated principal) have been cured or waived.

The Holders may not enforce the provisions of the Indenture, the Notes or the Guarantees except as provided in the Indenture. Subject to certain limitations, Holders of a majority in principal amount of the Notes then outstanding may direct the Trustee in its exercise of any trust or power, *provided, however*, that such direction does not conflict with the terms of the Indenture. The Trustee may withhold from the Holders notice of any continuing Default or Event of Default (except any Default or Event of Default in payment of principal or interest on the Notes or that resulted from the failure to comply with the covenant entitled "Repurchase of Notes upon Change of Control") if the Trustee determines that withholding such notice is in the Holders' interest.

The Company is required to deliver to the Trustee an annual statement regarding compliance with the Indenture and include in such statement, if any officer of the Company is aware of any Default or Event of Default, a statement specifying such Default or Event of Default and what action the Company is taking or proposes to take with respect thereto. In addition, the Company is required to deliver to the Trustee prompt written notice of the occurrence of any Default or Event of Default.

Discharge and Defeasance of Indenture

The Company, the Issuer and the Guarantors may discharge their obligations under the Notes, the Guarantees and the Indenture by irrevocably depositing in trust with the Trustee money or U.S. Government Obligations sufficient to pay principal of, premium and interest and additional interest, if any, on the Notes to maturity or redemption and the Notes mature or are to be called for redemption within one year, subject to meeting certain other conditions.

The Indenture will permit the Company, the Issuer and the Guarantors to terminate all of their respective obligations under the Indenture with respect to the Notes and the Guarantees, other than the obligation to pay interest on and the principal of the Notes and certain other obligations ("**legal defeasance**"), at any time by

- (1) depositing in trust with the Trustee, under an irrevocable trust agreement, money or U.S. government obligations in an amount sufficient to pay principal of and premium, interest and additional interest, if any, on the Notes to their maturity or redemption, as the case may be, and
- (2) complying with certain other conditions, including delivery to the Trustee of an opinion of counsel or a ruling received from the Internal Revenue Service to the effect that Holders will not recognize income, gain or loss for federal income tax purposes as a result of the Company's exercise of such right and will be subject to federal income tax on the same amount and in the same manner and at the same times as would have been the case otherwise, which opinion of counsel is based upon a change in the applicable federal tax law since the date of the Indenture.

In addition, the Indenture will permit the Company, the Issuer and the Guarantors to terminate all of their obligations under the Indenture with respect to certain covenants and events of default specified in the Indenture, and the Guarantors will be released ("**covenant defeasance**"), at any time by

- (1) depositing in trust with the Trustee, under an irrevocable trust agreement, money or U.S. government obligations in an amount sufficient to pay principal of, premium and interest and additional interest, if any, on the Notes to their maturity or redemption, as the case may be, and

- (2) complying with certain other conditions, including delivery to the Trustee of an opinion of counsel or a ruling, received from the Internal Revenue Service, to the effect that Holders will not recognize income, gain or loss for federal income tax purposes as a result of the Company's exercise of such right and will be subject to federal income tax on the same amount and in the same manner and at the same times as would have been the case otherwise.

Notwithstanding the foregoing, no discharge, legal defeasance or covenant defeasance described above will affect the following obligations to, or rights of, the Holders of the Notes:

- rights of registration of transfer and exchange of Notes;
- rights of substitution of mutilated, defaced, destroyed, lost or stolen Notes;
- rights of Holders of the Notes to receive payments of principal thereof, premium, if any, and interest and additional interest, if any, thereon, upon the original due dates therefor, but not upon acceleration;
- rights, obligations, duties and immunities of the Trustee;
- rights of Holders of Notes beneficiaries with respect to property so deposited with the Trustee payable to all or any of them; and
- obligations of the Company, the Issuer or the Guarantors to maintain an office or agency in respect of the Notes.

The Company, the Issuer or the Guarantors may exercise the legal defeasance option with respect to the Notes notwithstanding the prior exercise of the covenant defeasance option with respect to the Notes. If the Company, the Issuer or the Guarantors exercise the legal defeasance option with respect to the Notes, payment of the Notes may not be accelerated due to an Event of Default with respect to the Notes. If the Company, the Issuer or the Guarantors exercise the covenant defeasance option with respect to the Notes, payment of the Notes may not be accelerated due to an Event of Default with respect to the covenants to which such covenant defeasance is applicable. However, if acceleration were to occur by reason of another Event of Default, the realizable value at the acceleration date of the cash and U.S. Government Obligations in the defeasance trust could be less than the principal of, premium, if any, and interest and additional interest, if any, then due on the Notes, in that the required deposit in the defeasance trust is based upon scheduled cash flow rather than market value, which will vary depending upon interest rates and other factors.

Transfer and Exchange

A Holder may transfer or exchange Notes only in accordance with the provisions of the Indenture. The Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture.

Amendment, Supplement and Waiver

Subject to certain exceptions, the Indenture or the Notes may be amended or supplemented with the consent (which may include written consents obtained in connection with a tender offer or exchange offer for Notes) of the Holders of at least a majority in principal amount of the Notes then outstanding, and future compliance with any provision of the Indenture or the Notes may be waived (other than any continuing Default or Event of Default in the payment of interest on or the principal of the Notes) with the consent (which may include waivers obtained in connection with a tender offer or exchange offer for Notes) of the Holders of a majority in principal amount of the Notes then outstanding. Without the consent of any Holder, the Company, the Issuer, the Guarantors and the Trustee may amend or supplement the Indenture or the Notes to cure any ambiguity, defect or

inconsistency; to comply with the "Limitations on Mergers, Consolidations and Sales of Assets" covenant set forth in the Indenture; to comply with any requirements of the Commission in connection with the qualification of the Indenture under the Trust Indenture Act; to evidence and provide for the acceptance of appointment under the Indenture by a successor Trustee; to provide for uncertificated Notes in addition to or in place of certificated Notes; to provide for any Guarantee of the Notes; to secure the Notes or to confirm and evidence the release, termination or discharge of any Guarantee of or Lien securing the Notes when such release, termination or discharge is permitted by the Indenture; to make any change that does not adversely affect the legal rights of any Holder; to evidence the assumption by the Company (or its successor entity) or a successor entity of the Issuer of the obligations of the Issuer under the Indenture and the Notes; to add covenants or new events of default for the protection of the Holders of the Notes; or to designate a bank or trust company other than the Trustee to act as trustee.

Without the consent of each Holder affected, the Company, the Issuer, the Guarantors and the Trustee may not:

- (1) reduce the amount of Notes whose Holders must consent to an amendment, supplement or waiver,
- (2) reduce the rate of or extend the time for payment of interest, including default interest, on any Note,
- (3) reduce the principal of or change the fixed maturity of any Note or alter the provisions (including related definitions) with respect to redemptions described under "—Redemption" or with respect to mandatory offers to repurchase Notes described under "—Certain Covenants—Limitations on Dispositions of Assets" or "—Certain Covenants—Repurchase of Notes upon Change of Control,"
- (4) make any Note payable in money other than that stated in the Note,
- (5) make any change in the "Waivers of Defaults by Majority of Holders" or the "Proceedings by Holders" sections set forth in the Indenture,
- (6) modify the ranking or priority of the Notes or any Guarantee,
- (7) release any Guarantor from any of its obligations under its Guarantee or the Indenture otherwise than in accordance with the Indenture, or
- (8) waive a continuing Default or Event of Default in the payment of principal of or interest on the Notes.

The right of any Holder to participate in any consent required or sought pursuant to any provision of the Indenture (and our obligation to obtain any such consent otherwise required from such Holder) may be subject to the requirement that such Holder shall have been the Holder of record of any Notes with respect to which such consent is required or sought as of a date identified by the Trustee in a notice furnished to Holders in accordance with the terms of the Indenture.

Governing Law

The Indenture, the Notes and the Guarantees will be governed by the laws of the State of New York.

As of the Issue Date, our title insurance and home mortgage subsidiaries and certain joint ventures, as well as certain homebuilding subsidiaries which are not material to the operators of the Company and its consolidated subsidiaries, are designated as Unrestricted Subsidiaries under the Indenture.

Subject to the foregoing, the Board of Directors of the Company or a duly authorized committee thereof may designate any Subsidiary in addition to those named above to be an Unrestricted Subsidiary; *provided, however*; that (1) the net amount (the **"Designation Amount"**) then outstanding of all previous Investments by the Company and the Restricted Subsidiaries in such Subsidiary will be deemed to be a Restricted Payment at the time of such designation and will reduce the amount available for Restricted Payments under the "Limitations on Restricted Payments" covenant set forth in the Indenture, to the extent provided therein, (2) the Company must be permitted under the "Limitations on Restricted Payments" covenant set forth in the Indenture to make the Restricted Payment deemed to have been made pursuant to clause (1), and (3) after giving effect to such designation, no Default or Event of Default shall have occurred or be continuing. In accordance with the foregoing, and not in limitation thereof, Investments made by any Person in any Subsidiary of such Person prior to such Person's merger with the Company or any Restricted Subsidiary (but not in

The designation of any Person as an Unrestricted Subsidiary shall be deemed to include a designation of all Subsidiaries of such Person as Unrestricted Subsidiaries; *provided, however*, that the ownership of the general partnership interest (or a similar member's interest in a limited liability company) by an Unrestricted Subsidiary shall not cause a Subsidiary of the Company of which more than 95% of the equity interest is held by the Company or one or more Restricted Subsidiaries to be deemed an Unrestricted Subsidiary.

"Weighted Average Life to Maturity" means, when applied to any Indebtedness or portion thereof at any date, the number of years obtained by dividing (i) the sum of the products obtained by multiplying (a) the amount of each then remaining installment, sinking fund, serial maturity or other required payment of principal, including, without limitation, payment at final maturity, in respect thereof, by (b) the number of years (calculated to the nearest one-twelfth) that will elapse between such date and the making of such payment by (ii) the sum of all such payments described in clause (i)(a) above.

Concerning the Trustee

The Trustee is also trustee with respect to the Issuer's 6¹/₂% Senior Notes due 2014, 8% Senior Notes due 2012, 7³/₄% Senior Subordinated Notes due 2013, 8⁷/₈% Senior Subordinated Notes due 2012 and 10¹/₂% Senior Notes due 2007. The Indenture will contain certain limitations on the rights of the Trustee, should it become a creditor of the Company, to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The Trustee will be permitted to engage in other transactions; however, if it acquires any conflicting interest during the continuance of any Default, it must, so long as such Default has not been cured or duly waived, eliminate that conflicting interest within 90 days, apply to the Commission for permission to continue or resign.

The holders of a majority in principal amount of the outstanding Notes will have the right to direct the Trustee, subject to certain exceptions. The Indenture will provide that in case an Event of Default shall occur (which shall not be cured), the Trustee will be required, in the exercise of its power, to use the degree of care of a prudent man in the conduct of his own affairs. Subject to such provisions, the Trustee will be under no obligation to exercise any of its rights or powers under the Indenture at the request of any holder of Notes, unless that holder shall have offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

EXCHANGE OFFER; REGISTRATION RIGHTS

The Issuer, the Company, the other guarantors party thereto and the initial purchasers of the outstanding notes entered into a registration rights agreement on March 18, 2004, which we refer to as the "**Registration Rights Agreement**." Pursuant to the Registration Rights Agreement, the Issuer, the Company and the other guarantors party thereto agreed to file with the SEC the Exchange Offer Registration Statement on the appropriate form under the Securities Act with respect to the exchange offer. Upon the effectiveness of the Exchange Offer Registration Statement and pursuant to the exchange offer, the Issuer will offer to the holders of Transfer Restricted Securities (as defined below) who are able to make certain representations the opportunity to exchange their Transfer Restricted Securities for exchange notes. Capitalized terms used in this section but not otherwise defined have the meanings given to them in the Registration Rights Agreement.

Under the Registration Rights Agreement:

- (1) the Issuer, the Company and the other guarantors agreed to file an Exchange Offer Registration Statement with the SEC on or prior to 90 days after March 18, 2004;
- (2) the Issuer, the Company and the other guarantors agreed to use their reasonable best efforts to have the Exchange Offer Registration Statement declared effective by the SEC on or prior to 150 days after March 18, 2004;
- (3) unless the exchange offer would not be permitted by applicable law or SEC policy, the Issuer, the Company and the other guarantors agreed to commence the exchange offer, keep the exchange offer open for a period of not less than 20 business days and use their reasonable best efforts to issue, on or prior to 30 business days after the date on which the Exchange Offer Registration Statement was declared effective by the SEC, exchange notes in exchange for all outstanding notes tendered prior thereto in the exchange offer; and
- (4) if obligated to file the Shelf Registration Statement, the Issuer, the Company and the other guarantors will file the Shelf Registration Statement with the SEC on or prior to 30 days after that filing obligation arises and use their reasonable best efforts to cause the Shelf Registration Statement to be declared effective by the SEC on or prior to 90 days after that obligation arises.

In the event that:

- (1) the Issuer is not permitted to file the Exchange Offer Registration Statement or permitted to consummate the exchange offer because the exchange offer is not permitted by applicable law or SEC policy; or
- (2) any holder of Transfer Restricted Securities notifies the Issuer in writing prior to the 20th business day following consummation of the exchange offer that:
 - (a) based on an opinion of counsel, it is prohibited by law or SEC policy from participating in the exchange offer; or
 - (b) it is a broker-dealer and owns notes acquired directly from the Issuer,

then, the Issuer, the Company and the other guarantors have agreed to file with the SEC a Shelf Registration Statement to cover resales of the notes by the holders thereof who satisfy certain conditions relating to the provisions of information in connection with the Shelf Registration Statement.

The Company, the Issuer and the other guarantors have agreed to use their reasonable best efforts to cause the applicable registration statement to be declared effective as promptly as possible by the SEC.

For purposes of the preceding, "**Transfer Restricted Securities**" means:

- (1) each outstanding note, until the earliest to occur of:
 - (a) the date on which that outstanding note is exchanged in the exchange offer for an exchange note which is entitled to be resold to the public by the holder thereof without complying with the prospectus delivery requirements of the Securities Act;
 - (b) the date on which that outstanding note has been disposed of in accordance with a Shelf Registration Statement (and purchasers thereof have been issued new exchange notes); or
 - (c) the date on which the outstanding note is distributed to the public pursuant to Rule 144 or Regulation S under the Securities Act (and purchasers thereof have been issued new exchange notes); and
- (2) new exchange notes issued to a broker-dealer until the date on which those exchange notes are disposed of by that broker-dealer pursuant to the "Plan of Distribution" contemplated by the Exchange Offer Registration Statement (including the delivery of the prospectus contained therein).

The Issuer, the Company and other guarantors have agreed to pay additional interest to each holder of Transfer Restricted Securities upon the occurrence of any of the following:

- (1) the Issuer, the Company and the other guarantors fail to file any of the Registration Statements required by the Registration Rights Agreement on or before the date specified for that filing;
- (2) any of such Registration Statements is not declared effective by the SEC on or prior to the date specified for that effectiveness, which we refer to as the "**Effectiveness Target Date**";
- (3) the Issuer, the Company and the other guarantors fail to consummate the exchange offer within 40 business days of the Effectiveness Target Date with respect to the Exchange Offer Registration Statement; or
- (4) the Shelf Registration Statement or the Exchange Offer Registration Statement is declared effective but thereafter ceases to be effective or usable (without being succeeded immediately by a post-effective amendment to such Registration Statement) in connection with resales of Transfer Restricted Securities during the periods specified in the Registration Rights Agreement.

We refer to each event referred to in clauses (1) through (4) above as a "**Registration Default**."

Such additional interest shall be:

- (1) with respect to the first 90-day period immediately following the occurrence of the first Registration Default, an amount equal to \$.05 per week per \$1,000 principal amount of Transfer Restricted Securities held by that holder; and
- (2) an additional \$.05 per week per \$1,000 principal amount of Transfer Restricted Securities held by that holder with respect to each subsequent 90-day period until all Registration Defaults have been cured, up to a maximum amount of additional interest for all Registration Defaults of \$.25 per week per \$1,000 principal amount of Transfer Restricted Securities.

All accrued additional interest will be paid on each Interest Payment Date at the same time and in the same manner as interest. Following the cure of all Registration Defaults, the accrual of additional interest will cease. Additional interest will only be payable in respect of one Registration Default at any time.

Holders of Transfer Restricted Securities will be required to make certain representations to the Issuer, the Company and the other guarantors (as described in the Registration Rights Agreement) in order to participate in the Exchange Offer and will be required to deliver certain information to be used in connection with the Shelf Registration Statement and to provide comments on the Shelf Registration Statement within the time periods set forth in the Registration Rights Agreement in order to have their notes included in the Shelf Registration Statement and to benefit from the provisions regarding additional interest set forth above with respect to the Shelf Registration Statement.

Book-Entry Procedures for the Global Notes

The exchange notes will initially be represented in the form of one or more global notes in fully-registered book-entry form without interest coupons that will be deposited upon issuance with the trustee under the indenture, Wachovia Bank, National Association, as custodian for The Depository Trust Company, or "DTC," and registered in the name of DTC or its nominee, in each case for credit to an account of a direct or indirect participant as described below.

Except as set forth below, the global notes may be transferred, in whole and not in part, only to another nominee of DTC or to a successor of DTC or its nominee. Beneficial interests in the global notes may not be exchanged for notes in certificated form except in the limited circumstances described below. See "—Exchange of Global Notes for Certificated Notes." In addition, transfer of beneficial interests in the global notes will be subject to the applicable rules and procedures of DTC and its direct or indirect participants, which may change from time to time. The notes may be presented for registration of transfer and exchange at the Corporate Trust Office of the trustee.

Depository Procedures

DTC has advised the Issuer that it is a limited-purpose trust company created to hold securities for its participating organizations (collectively, the "**Participants**") and to facilitate the clearance and settlement of transactions in those securities between Participants through electronic book-entry changes in accounts of Participants. The Participants include securities brokers and dealers (including the initial purchasers of the outstanding notes), banks, trust companies, clearing corporations and certain other organizations. Access to DTC's system is also available to other entities such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a Participant, either directly or indirectly (collectively, the "**Indirect Participants**"). Persons who are not Participants may beneficially own securities held by or on behalf of DTC only through the Participants or the Indirect Participants. The ownership interest and transfer of ownership interest of each actual purchaser of each security held by or on behalf of DTC are recorded on the records of the Participants and Indirect Participants.

DTC has also advised the Issuer that, pursuant to procedures established by it,

- (1) upon deposit of the global notes, DTC will credit the accounts of Participants with an interest in the global notes; and
- (2) ownership of such interests in the global notes will be shown on, and the transfer of ownership thereof, will be effected only through, records maintained by DTC (with respect to Participants) or by Participants and the Indirect Participants (with respect to other owners of beneficial interests in the global notes).

The laws of some states require that certain persons take physical delivery in definitive form of securities they own. Consequently, the ability to transfer beneficial interest in a global note to such persons may be limited to that extent. Because DTC can act only on behalf of Participants, which in turn act on behalf of Indirect Participants and certain banks, the ability of a person having a beneficial interest in a global note to pledge such interest to persons or entities that do not participate in the DTC system, or otherwise take actions in respect of such interests, may be affected by the lack of physical certificate evidencing such interests. For certain other restrictions on the transferability of the notes, see "—Exchange of Book-Entry Notes for Certificated Notes."

Except as described below, owners of interests in the global notes will not have notes registered in their names, will not receive physical delivery of notes in certificated form and will not be considered the registered owners or holders thereof under the indenture for any purpose.

Payments in respect of the principal and premium and additional interest, if any, and interest on a global note registered in the name of DTC or its nominee will be payable by the trustee to DTC or its nominee in its capacity as the registered holder under the indenture. Under the terms of the indenture, the indenture and the trustee will treat the persons in whose names the notes, including the global notes, are registered as the owners thereof for the purpose of receiving such payments and for any and all other purposes whatsoever.

Consequently, none of the Issuer, the trustee nor any agent of the Issuer or the trustee has or will have any responsibility or liability for:

- (1) any aspect of DTC's records or any Participant's or Indirect Participant's records relating to or payments made on account of beneficial ownership interests in the global notes, or for maintaining, supervising or reviewing any of DTC's records or any Participant's or Indirect Participant's records relating to the beneficial ownership interests in the global notes; or
- (2) any other matter relating to the actions and practices of DTC or any of its Participants or Indirect Participants.

DTC has advised the Issuer that its current practice, upon receipt of any payment in respect of securities such as the exchange notes (including principal and interest), is to credit the accounts of the relevant Participants with the payment on the payment date unless DTC has reason to believe that it will not receive payment on such payment date. Each relevant Participant is credited with an amount proportionate to its beneficial ownership of an interest in the principal amount of the relevant security as shown on the records of DTC. Payments by Participants and the Indirect Participants to the beneficial owners of exchange notes will be governed by standing instructions and customary practices and will be the responsibility of the Participants or the Indirect Participants and will not be the responsibility of DTC, the trustee or the Issuer. Neither the Issuer nor the trustee will be liable for any delay by DTC or any of its Participants in identifying the beneficial owners of the exchange notes, and the Issuer and the trustee may conclusively rely on and will be protected in relying on instructions from DTC or its nominee for all purposes.

Except for trades involving only Euroclear and Clearstream participants, interests in the global notes will trade in DTC's Same-Day Funds Settlement System and secondary market trading activity in such interests will therefore settle in immediately available funds, subject in all cases to the rules and procedures of DTC and its participants.

Transfers between Participants in DTC will be effected in accordance with DTC's procedures, and will be settled in same-day funds. Transfers between participants in Euroclear and Clearstream will be effected in the ordinary way in accordance with their respective rules and operating procedures.

Subject to compliance with the transfer restrictions applicable to the notes described herein, crossmarket transfers between Participants in DTC, on the one hand, and Euroclear or Clearstream participants, on the other hand, will be effected through DTC in accordance with DTC's rules on behalf of Euroclear or Clearstream, as the case may be, by its respective depository; however, such cross-market transactions will require delivery of instructions to Euroclear or Clearstream, as the case may be, by the counterparty in such system in accordance with the rules and procedures and within the established deadlines (Brussels time) of such system. Euroclear or Clearstream, as the case may be, will, if the transaction meets its settlement requirements, deliver instructions to its respective depository to take action to effect final settlement on its behalf by delivering or receiving interests in the relevant global note in DTC, and making or receiving payment in accordance with normal procedures for same-day funds settlement applicable to DTC. Euroclear and Clearstream participants may not deliver instructions directly to the depositories for Euroclear or Clearstream.

Because of time zone differences, the securities accounts of a Euroclear or Clearstream Participant purchasing an interest in a note from a Participant in DTC will be credited, and any such crediting will be reported to the relevant Euroclear or Clearstream Participant, during the securities settlement

processing day (which must be a business day for Euroclear or Clearstream) immediately following the settlement date of DTC. Cash received in Euroclear or Clearstream as a result of sales of interests in an exchange note by or through a Euroclear or Clearstream Participant to a Participant in DTC will be received with value on the settlement date of DTC but will be available in the relevant Euroclear or Clearstream cash account only as of the business day for Euroclear or Clearstream following DTC's settlement date. DTC has advised the Issuer that it will take any action permitted to be taken by a holder of exchange notes only at the direction of one or more Participants to whose account DTC interests in the global notes are credited and only in respect of such portion of the aggregate principal amount of the notes as to which such Participant or Participants has or have given direction. However, if there is an Event of Default under the notes, DTC reserves the right to exchange global notes for legended exchange notes in certificated form, and to distribute such exchange notes to its Participants.

The information in this section concerning DTC, Euroclear and Clearstream and their book-entry systems has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

Although DTC, Euroclear and Clearstream have agreed to the foregoing procedures to facilitate transfers of interests in the global notes among Participants in DTC, Euroclear and Clearstream, they are under no obligation to perform or to continue to perform such procedures, and such procedures may be discontinued at any time. None of the Issuer, the initial purchasers of the outstanding notes or the trustee will have any responsibility for the performance by DTC, Euroclear or Clearstream or their respective Participants or Indirect Participants of their respective obligations under the rules and procedures governing their operations.

Exchange of Global Notes for Certificated Notes

A global note is exchangeable for a certificated exchange note if:

- (1) DTC (a) notifies the Issuer that it is unwilling or unable to continue as depository for the global notes and the Issuer thereupon fails to appoint a successor depository within 90 days or (b) has ceased to be a clearing agency registered under the Exchange Act;
- (2) the Issuer, at its option, notifies the trustee in writing that it elects to cause the issuance of the notes in certificated form; or
- (3) there shall have occurred and be continuing to occur a default or an event of default with respect to the notes.

In addition, beneficial interests in a global note may be exchanged for certificated exchange notes upon request but only upon at least 20 days' prior written notice given to the trustee by or on behalf of DTC in accordance with customary procedures. In all cases, certificated exchange notes delivered in exchange for any global note or beneficial interest therein will be registered in the names, and issued in any approved denominations, requested by or on behalf of the depository (in accordance with its customary procedures).

Same Day Settlement And Payment

The indenture requires that payments in respect of exchange notes represented by the global notes (including principal, premium, if any, interest and additional interest, if any) be made by wire transfer of immediately available funds to the accounts specified by DTC or its nominee. With respect to certificated exchange notes, we will make all payments of principal, premium, if any, interest and additional interest, if any, by wire transfer of immediately available funds to the accounts specified by the holders thereof or, if no such account is specified, by mailing a check to each such holder's registered address. The exchange notes represented by the global notes are eligible to trade in DTC's Same-Day Funds Settlement System, and any permitted secondary market trading activity in such exchange notes will, therefore, be required by DTC to be settled in immediately available funds. We expect that secondary trading in any certificated exchange notes will also be settled in immediately available funds.

**UNITED STATES FEDERAL INCOME TAX CONSEQUENCES
OF THE EXCHANGE OFFER**

The exchange of outstanding notes for exchange notes in the exchange offer will not constitute a taxable event to holders for United States federal income tax purposes. Consequently, no gain or loss will be recognized by a holder upon receipt of an exchange note, the holding period of the exchange note will include the holding period of the outstanding note exchanged therefor, and the basis of the exchange note will be the same as the basis of the outstanding note immediately before the exchange.

In any event, persons considering the exchange of outstanding notes for exchange notes should consult their own tax advisors concerning the United States federal income tax consequences in light of their particular situations as well as any consequences arising under the laws of any other taxing jurisdiction.

PLAN OF DISTRIBUTION

Each broker-dealer that receives exchange notes for its own account pursuant to the exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of the exchange notes. This prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of exchange notes received in exchange for outstanding notes where the outstanding notes were acquired as a result of market-making activities or other trading activities. To the extent that any such broker-dealer participates in the exchange offer and so notifies us, or causes us to be so notified in writing, we have agreed that for a period of up to 180 days after the consummation of this offer to use our best efforts to make this prospectus, as amended or supplemented, available to such broker-dealer for use in connection with any such resale and will deliver as many additional copies of this prospectus and each amendment or supplement to this prospectus and any documents incorporated by reference in this prospectus as such broker-dealer may reasonably request.

We will not receive any proceeds from any sale of exchange notes by broker-dealers. Exchange notes received by broker-dealers for their own accounts pursuant to the exchange offer may be sold from time to time in one or more transactions in the over-the-counter market, in negotiated transactions, through the writing of options on the exchange notes or a combination of these methods of resale at market prices prevailing at the time of resale, at prices related to the prevailing market prices or at negotiated prices. Any resale may be made directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from any broker-dealer or the purchasers of any exchange notes. Any broker-dealer that resells exchange notes that were received by it for its own account pursuant to the exchange offer and any broker or dealer that participates in a distribution of the exchange notes may be deemed to be an "underwriter" within the meaning of the Securities Act and any profit on any resale of exchange notes and any commissions or concessions received by these persons may be deemed to be underwriting compensation under the Securities Act. The letter of transmittal states that by acknowledging that it will deliver and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act.

We have also agreed to pay all expenses incident to the exchange offer, including the expenses of one counsel for the holders of all of the sellers of the outstanding notes, and will indemnify the holders of the outstanding notes, including any broker-dealers, against certain liabilities under the Securities Act.

LEGAL MATTERS

The validity of the exchange notes offered hereby will be passed upon for us by Simpson Thacher & Bartlett LLP, New York, New York.

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. Indemnification of Directors and Officers.

Hovnanian is a Delaware corporation. Section 145 of the General Corporation Law of the State of Delaware grants each corporation organized thereunder the power to indemnify any person who is or was a director, officer, employee or agent of a corporation or enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the corporation, by reason of being or having been in any such capacity, if he acted in good faith in a manner reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. Section 102(b)(7) of the General Corporation Law of the State of Delaware enables a corporation in its certificate of incorporation or an amendment thereto validly approved by stockholders to limit or eliminate the personal liability of the members of its board of directors for violations of the directors' fiduciary duty of care.

Article EIGHTH of Hovnanian's Restated Certificate of Incorporation contains the following provisions with respect to indemnification:

No director of the Company shall be personally liable to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director; provided, however, that this Article shall not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the Company or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law, or (iv) for any transaction from which the director derived an improper personal benefit. This Article shall not eliminate or limit the liability of a director for any act or omission occurring prior to the date on which this Article becomes effective. Any repeal or modification of this Article Eighth shall not adversely affect any right or protection of a director of the Company existing hereunder with respect to any act or omission occurring prior to the time of such repeal or modification.

K. Hovnanian is a California corporation. Section 317 of the California Corporations Code provides that a corporation has the power to indemnify any person who was or is a party or is threatened to be made a party to any proceeding, other than in an action by or on behalf of the corporation to obtain a favorable judgment for itself, because such person is or was an agent of the corporation, against expenses actually and reasonably incurred in connection with the proceeding, if the person acted in good faith and in a manner the person reasonably believed to be in the best interests of the corporation and, in the case of criminal proceedings, had no reasonable cause to believe that the conduct was unlawful. In the case of suits by or on behalf of a corporation to obtain a judgment in its favor, a corporation has the power to indemnify any person who was or is a party or is threatened to be made a party to such proceeding because such person is or was the corporation's agent, against expenses actually and reasonably incurred if the person acted in good faith in a manner the person believed to be in the best interests of the corporation and its shareholders, except that no such indemnification may be made for claims as to which the person shall have been adjudged to be liable to the corporation in the performance of that person's duty to the corporation, unless and then only to the extent a court determines otherwise.

Article FIFTH of K. Hovnanian's Articles of Incorporation contains the following provisions with respect to indemnification:

The Corporation is authorized, to the fullest extent permissible under California law, to indemnify its agents (as defined by Section 317 of the California Corporations Code) whether by bylaw, agreement or otherwise, for breach of duty to the Corporation and its shareholders in excess of that expressly permitted by California Code Section 317, and to advance defense expenses to its agents in connection with such matters as those expenses are incurred; provided, indemnification shall not be provided for any acts or omissions or transactions from which pursuant to applicable statute(s) a director may not be relieved of liability nor under circumstances in which indemnity is expressly prohibited by the statute covering the indemnification of agents.

Hovnanian maintains a liability insurance policy providing coverage for its directors and officers, the directors and officers of K. Hovnanian and the directors and officers of certain of its other subsidiaries in an amount up to an aggregate limit of \$15,000,000 for any single occurrence and with an excess of \$15,000,000 for any single occurrence, for a total of \$30,000,000.

Item 22. Undertakings.

The undersigned registrants hereby undertake:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.
- (2) That, for the purpose of determining any liability under the Securities Act of 1933 each such post-effective amendment shall be deemed to be a new registration statement relating to the

securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrants pursuant to the foregoing provisions, or otherwise, the registrants have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrants of expenses incurred or paid by a director, officer or controlling person of the registrants in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrants will, unless in the opinion of it counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11, or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

Subject to the foregoing, the Board of Directors of the Company or a duly authorized committee thereof may designate any Subsidiary in addition to those named above to be an Unrestricted Subsidiary; *provided, however*, that (a) the net amount (the "**Designation Amount**") then outstanding of all previous Investments by the Company and the Restricted Subsidiaries in such Subsidiary will be

deemed to be a Restricted Payment at the time of such designation and will reduce the amount available for Restricted Payments under Section 4.07 hereof to the extent provided therein, (b) the Company must be permitted under Section 4.07 hereof to make the Restricted Payment deemed to have been made pursuant to clause (a), and (c) after giving effect to such designation, no Default or Event of Default shall have occurred or be continuing. In accordance with the foregoing, and not in limitation thereof, Investments made by any Person in any Subsidiary of such Person prior to such Person's merger with the Company or any Restricted Subsidiary (but not in contemplation or anticipation of such merger) shall not be counted as an Investment by the Company or such Restricted Subsidiary if such Subsidiary of such Person is designated as an Unrestricted Subsidiary.

The Board of Directors of the Company or a duly authorized committee thereof may also redesignate an Unrestricted Subsidiary to be a Restricted Subsidiary; *provided, however*, that (a) the Indebtedness of such Unrestricted Subsidiary as of the date of such redesignation could then be incurred under Section 4.06 hereof and (b) immediately after giving effect to such redesignation and the incurrence of any such additional Indebtedness, the Company and the Restricted Subsidiaries could incur \$1.00 of additional Indebtedness under Section 4.06(a) hereof. Any such designation or redesignation by the Board of Directors of the Company or a committee thereof will be evidenced to the Trustee by the filing with the Trustee of a certified copy of the resolution of the Board of Directors of the Company or a committee thereof giving effect to such designation or redesignation and an Officers' Certificate certifying that such designation or redesignation complied with the foregoing conditions and setting forth the underlying calculations of such Officers' Certificate. The designation of any Person as an Unrestricted Subsidiary shall be deemed to include a designation of all Subsidiaries of such Person as Unrestricted Subsidiaries; *provided, however*, that the ownership of the general partnership interest (or a similar member's interest in a limited liability company) by an Unrestricted Subsidiary shall not cause a Subsidiary of the Company of which more than 95% of the equity interest is held by the Company or one or more Restricted Subsidiaries to be deemed an Unrestricted Subsidiary.

"Weighted Average Life to Maturity" means, when applied to any Indebtedness or portion thereof at any date, the number of years obtained by dividing (a) the sum of the products obtained by multiplying (i) the amount of each then remaining installment, sinking fund, serial maturity or other required payment of principal, including, without limitation, payment at final maturity, in respect thereof, by (ii) the number of years (calculated to the nearest one-twelfth) that will elapse between such date and the making of such payment by (b) the sum of all such payments described in clause (a)(i) above.

Section 1.02. Rules of Construction. Unless the context otherwise requires or except as otherwise expressly provided,

- (a) an accounting term not otherwise defined has the meaning assigned to it in accordance with GAAP;
- (b) "herein," "hereof" and other words of similar import refer to the Indenture as a whole and not to any particular Section, Article or other subdivision;
- (c) all references to Sections or Articles or Exhibits refer to Sections or Articles or Exhibits of or to the Indenture unless otherwise indicated;
- (d) references to agreements or instruments, or to statutes or regulations, are to such agreements or instruments, or statutes or regulations, as amended from time to time (or to successor statutes and regulations); and
- (e) in the event that a transaction meets the criteria of more than one category of permitted transactions or listed exceptions, the Issuer may classify such transaction as it, in its sole discretion, determines.

ARTICLE 2
THE NOTES

Section 2.01. Form, Dating and Denominations; Legends. (a) The Notes and the Trustee's certificate of authentication will be substantially in the form attached as Exhibit A. The terms and provisions contained in the form of the Note annexed as Exhibit A constitute and are hereby expressly made a part of the Indenture. The Notes may have notations, legends or endorsements required by this Indenture, law, rules of or agreements with national securities exchanges to which the Issuer is subject, or usage. Each Note will be dated the date of its authentication. The Notes will be issuable in denominations of \$1,000 in principal amount and any multiple of \$1,000 in excess thereof.

(b) (i) Except as otherwise provided in paragraph (c) or Section 2.09(b)(iv) or Sections 2.10(b)(iii), (b)(v), or (c), each Initial Note or Initial Additional Note will bear the Restricted Legend.

(ii) Each Global Note, whether or not an Original Note or Additional Note, will bear the DTC Legend.

(iii) Each Regulation S Temporary Global Note will bear the Regulation S Temporary Global Note Legend.

(iv) Initial Notes and Initial Additional Notes offered and sold in reliance on Regulation S will be issued as provided in Section 2.11(a).

(v) Initial Notes and Initial Additional Notes offered and sold in reliance on any exception under the Securities Act other than Regulation S and Rule 144A will be issued, and upon the request of the Issuer to the Trustee, Initial Notes offered and sold in reliance on Rule 144A may be issued, in the form of Certificated Notes.

(vi) Exchange Notes will be issued, subject to Section 2.09(b), in the form of one or more Global Notes.

(c) (i) If the Issuer determines (upon the advice of counsel and after consideration of other certifications and evidence as the Issuer may reasonably require) that a Note is eligible for resale pursuant to Rule 144(k) under the Securities Act (or a successor provision) and that the Restricted Legend is no longer necessary or appropriate in order to ensure that subsequent transfers of the Note (or a beneficial interest therein) are effected in compliance with the Securities Act, or

(ii) after an Initial Note or any Initial Additional Note is

(A) sold pursuant to an effective registration statement under the Securities Act, filed pursuant to a Registration Rights Agreement or otherwise, or

(B) is validly tendered for an Exchange Note pursuant to an Exchange Offer

then, the Issuer may instruct the Trustee to cancel the Note and issue to the Holder thereof (or to its transferee) a new Note of like tenor and amount, registered in the name of the Holder thereof (or its transferee), that does not bear the Restricted Legend, and the Trustee will comply with such instruction.

(d) By its acceptance of any Note bearing the Restricted Legend (or any beneficial interest in such a Note), each Holder thereof and each owner of a beneficial interest therein acknowledges the restrictions on transfer of such Note (and any such beneficial interest) set forth in this Indenture and in the Restricted Legend and agrees that it will transfer such Note (and any such beneficial interest) only in accordance with the Indenture and such legend.

Section 2.02. Execution and Authentication; Exchange Notes; Additional Notes. (a) An Officer shall execute the Notes for the Issuer by facsimile or manual signature in the name and on behalf of the Issuer. If an Officer whose signature is on a Note no longer holds that office at the time the Note is authenticated, the Note will still be valid.

(b) A Note will not be valid until the Trustee manually signs the certificate of authentication on the Note, with the signature conclusive evidence that the Note has been authenticated under the Indenture.

(c) At any time and from time to time after the execution and delivery of the Indenture, the Issuer may deliver Notes executed by the Issuer to the Trustee for authentication. The Trustee will authenticate and deliver:

- (i) Initial Notes for original issue in the aggregate principal amount not to exceed \$150,000,000,
- (ii) Initial Additional Notes from time to time for original issue in aggregate principal amounts specified by the Issuer, and
- (iii) Exchange Notes from time to time for issue in exchange for a like principal amount of Initial Notes or Initial Additional Notes

after the following conditions have been met:

(A) Receipt by the Trustee of a certificate, executed by an Officer specifying

- (1) the amount of Notes to be authenticated and the date on which the Notes are to be authenticated,
- (2) whether the Notes are to be Initial Notes, Initial Additional Notes or Exchange Notes,
- (3) in the case of Initial Additional Notes, that the issuance of such Notes does not contravene any provision of Article 4,
- (4) whether the Notes are to be issued as one or more Global Notes or Certificated Notes, and
- (5) other information the Issuer may determine to include or the Trustee may reasonably request.

(B) In the case of Initial Additional Notes, receipt by the Trustee of an Opinion of Counsel confirming that the Holders of the outstanding Notes will be subject to federal income tax in the same amounts, in the same manner and at the same times as would have been the case if such Initial Additional Notes were not issued.

(C) In the case of Exchange Notes, effectiveness of an Exchange Offer Registration Statement and Consummation (as defined in the Registration Rights Agreement) of the exchange offer thereunder (and receipt by the Trustee of an Officers' Certificate to that effect). Initial Notes or Initial Additional Notes exchanged for Exchange Notes will be cancelled by the Trustee, who will dispose of them in accordance with its normal procedures or the written instructions of the Issuer.

Section 2.03. Registrar, Paying Agent and Authenticating Agent; Paying Agent to Hold Money in Trust. (a) The Issuer may appoint one or more Registrars and one or more Paying Agents, and the Trustee may appoint an Authenticating Agent, in which case each reference in the Indenture to the Trustee in respect of the obligations of the Trustee to be performed by that Agent will be deemed to be references to the Agent. The Issuer may act as Registrar or (except for purposes of Article 8) Paying

Agent. In each case, the Issuer and the Trustee will enter into an appropriate agreement with the Agent implementing the provisions of the Indenture relating to the obligations of the Trustee to be performed by the Agent and the related rights.

(b) The Issuer will require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust for the benefit of the Holders or the Trustee all money held by the Paying Agent for the payment of principal of, premium, if any, and interest and Additional Interest, if any, on, the Notes and will promptly notify the Trustee of any default by the Issuer in making any such payment. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and account for any funds disbursed, and the Trustee may at any time during the continuance of any payment default, upon written request to a Paying Agent, require the Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed. Upon doing so, the Paying Agent will have no further liability for the money so paid over to the Trustee.

Section 2.04. Replacement Notes. If a mutilated Note is surrendered to the Trustee or if a Holder claims that its Note has been lost, destroyed or wrongfully taken, the Issuer will issue and the Trustee will authenticate a replacement Note of like tenor and principal amount and bearing a number not contemporaneously outstanding. Every replacement Note is an additional obligation of the Issuer and entitled to the benefits of the Indenture. If required by the Trustee or the Issuer, an indemnity must be furnished that is sufficient in the judgment of both the Trustee and the Issuer to protect the Issuer and the Trustee from any loss they may suffer if a Note is replaced. The Issuer may charge the Holder for the expenses of the Issuer and the Trustee in replacing a Note. In case the mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuer in its discretion may pay the Note instead of issuing a replacement Note.

Section 2.05. Outstanding Notes. (a) Notes outstanding at any time are all Notes that have been authenticated by the Trustee except for:

- (i) Notes cancelled by the Trustee or delivered to it for cancellation;
- (ii) any Note which has been replaced pursuant to Section 2.04 unless and until the Trustee and the Issuer receive proof satisfactory to them that the replaced Note is held by a *bona fide* purchaser; and
- (iii) on or after the maturity date or any redemption date or date for purchase of the Notes pursuant to an Offer to Purchase, those Notes payable or to be redeemed or purchased on that date for which the Trustee (or Paying Agent, other than the Issuer or an Affiliate of the Issuer) holds money sufficient to pay all amounts then due.

(b) A Note does not cease to be outstanding because the Issuer or one of its Affiliates holds the Note; *provided*, that in determining whether the Holders of the requisite principal amount of the outstanding Notes have given or taken any request, demand, authorization, direction, notice, consent, waiver or other action hereunder, Notes owned by the Issuer or any Affiliate of the Issuer will be disregarded and deemed not to be outstanding (it being understood that in determining whether the Trustee is protected in relying upon any such request, demand, authorization, direction, notice, consent, waiver or other action, only Notes which the Trustee knows to be so owned will be so disregarded). Notes so owned which have been pledged in good faith may be regarded as outstanding if the pledgee establishes to the satisfaction of the Trustee the pledgee's right so to act with respect to such Notes and that the pledgee is not the Issuer or any Affiliate of the Issuer.

Section 2.06. Temporary Notes. Until definitive Notes are ready for delivery, the Issuer may prepare and the Trustee will authenticate temporary Notes. Temporary Notes will be substantially in the form of definitive Notes but may have insertions, substitutions, omissions and other variations

determined to be appropriate by the Officer executing the temporary Notes, as evidenced by the execution of the temporary Notes. If temporary Notes are issued, the Issuer will cause definitive Notes to be prepared without unreasonable delay. After the preparation of definitive Notes, the temporary Notes will be exchangeable for definitive Notes upon surrender of the temporary Notes at the office or agency of the Issuer designated for the purpose pursuant to Section 4.02 without charge to the Holder. Upon surrender for cancellation of any temporary Notes, the Issuer will execute and the Trustee will authenticate and deliver in exchange therefor a like principal amount of definitive Notes of authorized denominations. Until so exchanged, the temporary Notes will be entitled to the same benefits under the Indenture as definitive Notes.

Section 2.07. Cancellation. The Issuer at any time may deliver to the Trustee for cancellation any Notes previously authenticated and delivered hereunder which the Issuer may have acquired in any manner whatsoever, and may deliver to the Trustee for cancellation any Notes previously authenticated hereunder which the Issuer has not issued and sold. Any Registrar or the Paying Agent will forward to the Trustee any Notes surrendered to it for transfer, exchange or payment. The Trustee will cancel all Notes surrendered for transfer, exchange, payment or cancellation and dispose of them in accordance with its normal procedures or the written instructions of the Issuer. The Issuer may not issue new Notes to replace Notes that it has paid in full or delivered to the Trustee for cancellation, except for Exchange Notes.

Section 2.08. CUSIP and ISIN Numbers. The Issuer in issuing the Notes may use "CUSIP" and "ISIN" numbers, and the Trustee will use CUSIP numbers or ISIN numbers in notices of redemption or exchange or in Offers to Purchase as a convenience to Holders, the notice to state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption or exchange or Offer to Purchase. The Issuer will promptly notify the Trustee of any change in the CUSIP or ISIN numbers.

Section 2.09. Registration, Transfer and Exchange. (a) The Notes will be issued in registered form only, without coupons, and the Issuer shall cause the Trustee to maintain a register (the "**Register**") of the Notes, for registering the record ownership of the Notes by the Holders and transfers and exchanges of the Notes.

(b) (i) Each Global Note will be registered in the name of the Depositary or its nominee and, so long as DTC is serving as the Depositary thereof, will bear the DTC Legend.

(ii) Each Global Note will be delivered to the Trustee as custodian for the Depositary. Transfers of a Global Note (but not a beneficial interest therein) will be limited to transfers thereof in whole, but not in part, to the Depositary, its successors or their respective nominees, except (A) as set forth in Section 2.09(b)(iv) and (B) transfers of portions thereof in the form of Certificated Notes may be made upon request of an Agent Member (for itself or on behalf of a beneficial owner) by 20 days' prior written notice given to the Trustee by or on behalf of the Depositary in accordance with customary procedures of the Depositary and in compliance with this Section and Section 2.10.

(iii) Agent Members will have no rights under the Indenture with respect to any Global Note held on their behalf by the Depositary, and the Depositary may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner and Holder of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, the Depositary or its nominee may grant proxies and otherwise authorize any Person (including any Agent Member and any Person that holds a beneficial interest in a Global Note through an Agent Member) to take any action which a Holder is entitled to take under the Indenture or the Notes, and nothing herein will impair, as between the Depositary and its Agent Members, the operation of customary practices governing the exercise of the rights of a holder of any security.

(iv) If (x) the Depository (i) notifies the Issuer that it is unwilling or unable to continue as Depository for a Global Note and a successor depository is not appointed by the Issuer within 90 days of the notice or (ii) has ceased to be a clearing agency registered under the Exchange Act, (y) the Issuer, at its option, notifies the Trustee in writing that it elects to cause the issuance of Certificated Notes or (z) a Default or an Event of Default with respect to the Notes has occurred and is continuing, the Trustee will promptly exchange each beneficial interest in the Global Note for one or more Certificated Notes in authorized denominations having an equal aggregate principal amount registered in the name of the owner of such beneficial interest, as identified to the Trustee by the Depository, and thereupon the Global Note will be deemed canceled. If such Note does not bear the Restricted Legend, then the Certificated Notes issued in exchange therefor will not bear the Restricted Legend. If such Note bears the Restricted Legend, then the Certificated Notes issued in exchange therefor will bear the Restricted Legend; *provided*, that any Holder of any such Certificated Note issued in exchange for a beneficial interest in a Regulation S Temporary Global Note will have the right upon presentation to the Trustee of a duly completed Certificate of Beneficial Ownership after the Restricted Period to exchange such Certificated Note for a Certificated Note of like tenor and amount that does not bear the Restricted Legend, registered in the name of such Holder.

(c) Each Certificated Note will be registered in the name of the holder thereof or its nominee.

(d) A Holder may transfer a Note (or a beneficial interest therein) to another Person or exchange a Note (or a beneficial interest therein) for another Note or Notes of any authorized denomination by presenting to the Trustee a written request therefor stating the name of the proposed transferee or requesting such an exchange, accompanied by any certification, opinion or other document required by Section 2.10. The Trustee will promptly register any transfer or exchange that meets the requirements of this Section and Section 2.10 noting the same in the register maintained by the Trustee for the purpose; *provided*, that

(i) no transfer or exchange will be effective until it is registered in such register, and

(ii) the Trustee will not be required (x) to issue, register the transfer of or exchange any Note for a period of 15 days before a selection of Notes to be redeemed or purchased pursuant to an Offer to Purchase, (y) to register the transfer of or exchange any Note so selected for redemption or purchase in whole or in part, except, in the case of a partial redemption or purchase, that portion of any Note not being redeemed or purchased, or (z) if a redemption or a purchase pursuant to an Offer to Purchase is to occur after a Record Date but on or before the corresponding Interest Payment Date, to register the transfer of or exchange any Note on or after the Record Date and before the date of redemption or purchase. Prior to the registration of any transfer, the Issuer, the Trustee and their agents will treat the Person in whose name the Note is registered as the owner and Holder thereof for all purposes (whether or not the Note is overdue), and will not be affected by notice to the contrary.

From time to time the Issuer will execute and the Trustee will authenticate additional Notes as necessary in order to permit the registration of a transfer or exchange in accordance with this Section.

No service charge will be imposed in connection with any transfer or exchange of any Note, but the Issuer may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than a transfer tax or other similar governmental charge payable upon exchange pursuant to subsection (b)(iv)).

(e) (i) *Global Note to Global Note.* If a beneficial interest in a Global Note is transferred or exchanged for a beneficial interest in another Global Note, the Trustee will (x) record a decrease in the principal amount of the Global Note being transferred or exchanged equal to the principal amount of such transfer or exchange and (y) record a like increase in the principal amount of the other Global Note. Any beneficial interest in one Global Note that is transferred to a Person who takes delivery in the form of an interest in another Global Note, or exchanged for an interest in another Global Note, will, upon transfer or exchange, cease to be an interest in such Global Note and become an interest in the other Global Note and, accordingly, will thereafter be subject to all transfer and exchange restrictions, if any, and other procedures applicable to beneficial interests in such other Global Note for as long as it remains such an interest.

(ii) *Global Note to Certificated Note.* If a beneficial interest in a Global Note is transferred or exchanged for a Certificated Note, the Trustee will (x) record a decrease in the principal amount of such Global Note equal to the principal amount of such transfer or exchange and (y) deliver one or more new Certificated Notes in authorized denominations having an equal aggregate principal amount to the transferee (in the case of a transfer) or the owner of such beneficial interest (in the case of an exchange), registered in the name of such transferee or owner, as applicable.

(iii) *Certificated Note to Global Note.* If a Certificated Note is transferred or exchanged for a beneficial interest in a Global Note, the Trustee will (x) cancel such Certificated Note, (y) record an increase in the principal amount of such Global Note equal to the principal amount of such transfer or exchange and (z) in the event that such transfer or exchange involves less than the entire principal amount of the canceled Certificated Note, deliver to the Holder thereof one or more new Certificated Notes in authorized denominations having an aggregate principal amount equal to the untransferred or unexchanged portion of the canceled Certificated Note, registered in the name of the Holder thereof.

(iv) *Certificated Note to Certificated Note.* If a Certificated Note is transferred or exchanged for another Certificated Note, the Trustee will (x) cancel the Certificated Note being transferred or exchanged, (y) deliver one or more new Certificated Notes in authorized denominations having an aggregate principal amount equal to the principal amount of such transfer or exchange to the transferee (in the case of a transfer) or the Holder of the canceled Certificated Note (in the case of an exchange), registered in the name of such transferee or Holder, as applicable, and (z) if such transfer or exchange involves less than the entire principal amount of the canceled Certificated Note, deliver to the Holder thereof one or more Certificated Notes in authorized denominations having an aggregate principal amount equal to the untransferred or unexchanged portion of the canceled Certificated Note, registered in the name of the Holder thereof.

Section 2.10. Restrictions on Transfer and Exchange. (a) The transfer or exchange of any Note (or a beneficial interest therein) may only be made in accordance with this Section and Section 2.09 and, in the case of a Global Note (or a beneficial interest therein), the applicable rules and procedures of the Depository. The Trustee shall refuse to register any requested transfer or exchange that does not comply with the preceding sentence.

(b) Subject to paragraph (c), the transfer or exchange of any Note (or a beneficial interest therein) of the type set forth in column A below for a Note (or a beneficial interest therein) of the type set forth opposite in column B below may only be made in compliance with the certification

requirements (if any) described in the clause of this paragraph set forth opposite in column C below.

(i) No certification is required.

(ii) The Person requesting the transfer or exchange must deliver or cause to be delivered to the Trustee a duly completed Regulation S Certificate; *provided*, that if the requested transfer or exchange is made by the Holder of a Certificated Note that does not bear the Restricted Legend, then no certification is required.

(iii) The Person requesting the transfer or exchange must deliver or cause to be delivered to the Trustee (x) a duly completed Rule 144A Certificate, (y) a duly completed Regulation S Certificate or (z) a duly completed Institutional Accredited Investor Certificate, and/or an opinion of counsel and such other certifications and evidence as the Issuer may reasonably require in order to determine that the proposed transfer or exchange is being made in compliance with the Securities Act and any applicable securities laws of any state of the United States; *provided*, that if the requested transfer or exchange is made by the Holder of a Certificated Note that does not bear the Restricted Legend, then no certification is required. In the event that a Rule 144A Global Note or a Certificated Note that does not bear the Restricted Legend is surrendered for transfer or exchange, upon transfer or exchange the Trustee will deliver a Certificated Note that does not bear the Restricted Legend.

(iv) The Person requesting the transfer or exchange must deliver or cause to be delivered to the Trustee a duly completed Rule 144A Certificate and must comply with all applicable securities laws of any state of the United States or any other jurisdiction.

If the requested transfer or exchange involves a beneficial interest in a Permanent Regulation S Global Note, no certification is required and the Trustee will deliver a Certificated Note that does not bear the Restricted Legend. Notwithstanding anything to the contrary contained herein, no such exchange is permitted if the requested exchange involves a beneficial interest in a Regulation S Temporary Global Note.

(c) No certification is required in connection with any transfer or exchange of any Note (or a beneficial interest therein)

(i) after such Note is eligible for resale pursuant to Rule 144(k) under the Securities Act (or a successor provision); *provided*, that the Issuer has provided the Trustee with a certificate to that effect, and the Issuer may require from any Person requesting a transfer or exchange in reliance upon this clause (i) an opinion of counsel and any other reasonable certifications and evidence in order to support such certificate; or

(ii) (A) sold pursuant to an effective registration statement under the Securities Act, filed pursuant to a Registration Rights Agreement or otherwise (B) which is validly tendered for exchange into an Exchange Note pursuant to an Exchange Offer.

Any Certificated Note delivered in reliance upon this paragraph will not bear the Restricted Legend.

(d) The Trustee will retain copies of all certificates, opinions and other documents received in connection with the transfer or exchange of a Note (or a beneficial interest therein), and the Issuer will have the right to inspect and make copies thereof at any reasonable time upon written notice to the Trustee.

Section 2.11. Regulation S Temporary Global Notes. (a) Each Note originally sold by the Initial Purchasers in reliance upon Regulation S will be evidenced by one or more Regulation S Global Notes that bear the Regulation S Temporary Global Note Legend.

(b) An owner of a beneficial interest in a Regulation S Temporary Global Note (or a Person acting on behalf of such an owner) may provide to the Trustee (and the Trustee will accept) a duly completed Certificate of Beneficial Ownership at any time after the Restricted Period (it being understood that the Trustee will not accept any such certificate during the Restricted Period). Promptly after acceptance of a Certificate of Beneficial Ownership with respect to such a beneficial interest, the Trustee will cause such beneficial interest to be exchanged for an equivalent beneficial interest in a Permanent Regulation S Global Note, and will (x) permanently reduce the principal amount of such Regulation S Temporary Global Note by the amount of such beneficial interest and (y) increase the principal amount of such Permanent Regulation S Global Note by the amount of such beneficial interest.

(c) Notwithstanding anything to the contrary contained herein, beneficial interests in a Regulation S Temporary Global Note may be held through the Depository only through Euroclear or Clearstream and their respective direct and indirect participants.

(d) Notwithstanding paragraph (b), if after the Restricted Period any Initial Purchaser owns a beneficial interest in a Regulation S Temporary Global Note, such Initial Purchaser may, upon written request to the Trustee accompanied by a certification as to its status as an Initial Purchaser, exchange such beneficial interest for an equivalent beneficial interest in a Permanent Regulation S Global Note, and the Trustee will comply with such request and will (x) permanently reduce the principal amount of such Regulation S Temporary Global Note by the amount of such beneficial interest and (y) increase the principal amount of such Permanent Regulation S Global Note by the amount of such beneficial interest.

ARTICLE 3 REDEMPTION; OFFER TO PURCHASE

Section 3.01. Optional Redemption. The Notes will be redeemable, in whole, at any time, or in part, from time to time, at the option of the Issuer upon not less than 30 nor more than 60 days' notice at a redemption price equal to the sum of:

(a) 100% of the principal amount thereof, plus accrued and unpaid interest thereon to the redemption date; *plus*

(b) the Make-Whole Amount.

The Trustee shall have no responsibility in connection with the calculation of such redemption price.

Section 3.02. Sinking Fund; Mandatory Redemption. There is no sinking fund for, or mandatory redemption of, the Notes.

Section 3.03. Method And Effect of Redemption. (a) If the Issuer elects to redeem Notes, it must notify the Trustee of the redemption date and the principal amount of Notes to be redeemed by delivering an Officers' Certificate at least 45 days before the redemption date (unless a shorter period is satisfactory to the Trustee). If fewer than all of the Notes are being redeemed, the Officers' Certificate must also specify a record date not less than 15 days after the date of the notice of redemption is given to the Trustee, and the Trustee will select the Notes to be redeemed pro rata, or as nearly a pro rata basis as is practicable (subject to the procedures of DTC), unless such method is otherwise prohibited, in which case, by lot or by any other method the Trustee in its sole discretion deems fair and appropriate, in denominations of \$1,000 principal amount and multiples thereof. The Trustee will notify the Issuer promptly of the Notes or portions of Notes to be called for redemption. Notice of redemption must be sent by the Issuer or, at the Issuer's request, by the Trustee in the name and at the expense of the Issuer to Holders whose Notes are to be redeemed at least 30 days but not more than 60 days before the redemption date. Notices of redemption may not be conditional.

(b) The notice of redemption will identify the Notes to be redeemed and will include or state the following:

(i) the redemption date;

(ii) the redemption price, including the portion thereof representing any accrued interest or Additional Interest, if any;

(iii) the place or places where Notes are to be surrendered for redemption (Notes called for redemption must be so surrendered in order to collect the redemption price);

(iv) that on the redemption date, the redemption price will become due and payable on Notes called for redemption, and interest on Notes called for redemption will cease to accrue on and after the redemption date;

(v) that if any Note is redeemed in part, the portion of the principal amount thereof to be redeemed, and that on and after the redemption date, upon surrender of such Note, new Notes equal in principal amount to the unredeemed portion will be issued; and

(vi) if any Note contains a CUSIP or ISIN number, no representation is being made as to the correctness of the CUSIP or ISIN number either as printed on the Notes or as contained in the notice of redemption and that the Holder should rely only on the other identification numbers printed on the Notes.

(c) Once notice of redemption is sent to the Holders, Notes called for redemption become due and payable at the redemption price on the redemption date, and upon surrender of the Notes called for redemption, the Issuer shall redeem such Notes at the redemption price. Commencing on the redemption date, Notes redeemed will cease to accrue interest. Upon surrender of any Note redeemed in part, the Holder will receive a new Note equal in principal amount to the unredeemed portion of the surrendered Note.

Section 3.04. Offer to Purchase. (a) An "**Offer to Purchase**" means an offer by the Issuer to purchase Notes as required by the Indenture. An Offer to Purchase must be made by written offer (the "**offer**") sent to the Holders. The Issuer will notify the Trustee at least 15 days (or such shorter period as is acceptable to the Trustee) prior to sending the offer to Holders of its obligation to make an Offer

to Purchase, and the offer will be sent by the Issuer or, at the Issuer's request, by the Trustee in the name and at the expense of the Issuer.

(b) The offer must include or state the following as to the terms of the Offer to Purchase:

- (i) the provision of the Indenture pursuant to which the Offer to Purchase is being made;
- (ii) the aggregate principal amount of the outstanding Notes offered to be purchased by the Issuer pursuant to the Offer to Purchase (including, if less than 100%, the manner by which such amount has been determined pursuant to the Indenture) (the "**purchase amount**");
- (iii) the purchase price, including the portion thereof representing accrued interest and Additional Interest, if any;
- (iv) an expiration date (the "**expiration date**") not less than 30 days or more than 60 days after the date of the offer, and a settlement date for purchase (the "**purchase date**") not more than five Business Days after the expiration date;
- (v) information concerning the business of the Company, the Issuer and its Subsidiaries which the Issuer in good faith believes will enable the Holders to make an informed decision with respect to the Offer to Purchase, at a minimum to include:
 - (A) the most recent annual and quarterly financial statements and "Management's Discussion and Analysis of Financial Condition and Results of Operations" for the Company,
 - (B) a description of material developments in the Company's business subsequent to the date of the latest of the financial statements (including a description of the events requiring the Issuer to make the Offer to Purchase), and
 - (C) if applicable, appropriate *pro forma* financial information concerning the Offer to Purchase and the events requiring the Issuer to make the Offer to Purchase;
- (vi) a Holder may tender all or any portion of its Notes, subject to the requirement that any portion of a Note tendered must be in a multiple of \$1,000 principal amount;
- (vii) the place or places where Notes are to be surrendered for tender pursuant to the Offer to Purchase;
- (viii) each Holder electing to tender a Note pursuant to the offer will be required to surrender such Note at the place or places specified in the offer prior to the close of business on the expiration date (such Note being, if the Issuer or the Trustee so requires, duly endorsed or accompanied by a duly executed written instrument of transfer);
- (ix) interest on any Note not tendered, or tendered but not purchased by the Issuer pursuant to the Offer to Purchase, will continue to accrue;
- (x) on the purchase date the purchase price will become due and payable on each Note accepted for purchase, and interest on Notes purchased will cease to accrue on and after the purchase date;
- (xi) Holders are entitled to withdraw Notes tendered by giving notice, which must be received by the Issuer or the Trustee not later than the close of business on the expiration date, setting forth the name of the Holder, the principal amount of the tendered Notes, the certificate number of the tendered Notes and a statement that the Holder is withdrawing all or a portion of the tender;

(xii) (A) if Notes in an aggregate principal amount less than or equal to the purchase amount are duly tendered and not withdrawn pursuant to the Offer to Purchase, the Issuer will purchase all such Notes, and (B) if the Offer to Purchase is for less than all of the outstanding Notes and Notes in an aggregate principal amount in excess of the purchase amount are tendered and not withdrawn pursuant to the offer, the Issuer will purchase Notes having an aggregate principal amount equal to the purchase amount on a *pro rata* basis, with adjustments so that only Notes in multiples of \$1,000 principal amount will be purchased;

(xiii) if any Note is purchased in part, new Notes equal in principal amount to the unpurchased portion of the Note will be issued; and

(xiv) if any Note contains a CUSIP or ISIN number, no representation is being made as to the correctness of the CUSIP or ISIN number either as printed on the Notes or as contained in the offer and that the Holder should rely only on the other identification numbers printed on the Notes.

(c) Prior to the purchase date, the Issuer will accept tendered Notes for purchase as required by the Offer to Purchase and deliver to the Trustee all Notes so accepted together with an Officers' Certificate specifying which Notes have been accepted for purchase. On the purchase date, the purchase price will become due and payable on each Note accepted for purchase, and interest on Notes purchased will cease to accrue on and after the purchase date. The Trustee will promptly return to Holders any Notes not accepted for purchase and send to Holders new Notes equal in principal amount to any unpurchased portion of any Notes accepted for purchase in part.

(d) The Issuer will comply with Rule 14e-1 under the Exchange Act and all other applicable laws in making any Offer to Purchase, and the above procedures will be deemed modified as necessary to permit such compliance.

ARTICLE 4 COVENANTS

Section 4.01. Payment of Notes. (a) The Issuer agrees to pay the principal of, premium, if any, and interest and Additional Interest, if any, on the Notes on the dates and in the manner provided in the Notes and the Indenture. The Issuer shall pay Additional Interest in the amounts set forth in the Registration Rights Agreement. Not later than 9:00 A.M. (New York City time) on the due date of any principal of, premium, if any, or interest and Additional Interest, if any, on any Notes, or any redemption or purchase price of the Notes, the Issuer will deposit with the Trustee (or Paying Agent) money in immediately available funds sufficient to pay such amounts; *provided*, that if the Issuer or any Affiliate of the Issuer is acting as Paying Agent, it will, on or before each due date, segregate and hold in a separate trust fund for the benefit of the Holders a sum of money sufficient to pay such amounts until paid to such Holders or otherwise disposed of as provided in the Indenture. In each case the Issuer will promptly notify the Trustee of its compliance with this paragraph.

(b) An installment of principal, premium, if any, or interest and Additional Interest, if any, will be considered paid on the date due if the Trustee (or Paying Agent, other than the Issuer or any Affiliate of the Issuer) holds on that date money designated for and sufficient to pay the installment. If the Issuer or any Affiliate of the Issuer acts as Paying Agent, an installment of principal, premium, if any, or interest and Additional Interest, if any, will be considered paid on the due date only if paid to the Holders.

(c) Reserved.

(d) Payments in respect of the Notes represented by the Global Notes are to be made by wire transfer of immediately available funds to the accounts specified by the Holders of the Global Notes. With respect to Certificated Notes, the Issuer will make all payments by wire transfer of

immediately available funds to the accounts specified by the Holders thereof or, if no such account is specified, by mailing a check to each Holder's registered address.

Section 4.02. Maintenance of Office or Agency. The Company and the Issuer will maintain an office or agency where Notes may be surrendered for registration of transfer or exchange or for presentation for payment and where notices and demands to or upon the Company and the Issuer in respect of the Notes and the Indenture may be served. The Issuer and the Company hereby initially designate the Corporate Trust Office of the Trustee as such office of the Issuer and the Company. The Issuer will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer and the Company fail to maintain any such required office or agency or fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served to the Trustee.

The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be surrendered or presented for any of such purposes and may from time to time rescind such designations. The Issuer will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Section 4.03. Existence. The Company and the Issuer will each do or cause to be done all things necessary to preserve and keep in full force and effect their existence and the existence of each of the Restricted Subsidiaries in accordance with their respective organizational documents, and the material rights, licenses and franchises of the Company, the Issuer and each Restricted Subsidiary; *provided*, that the Company and the Issuer are not required to preserve any such right, license or franchise, or the existence of any Restricted Subsidiary, if the maintenance or preservation thereof is no longer desirable in the conduct of the business of the Company and its Restricted Subsidiaries taken as a whole; and *provided, further*, that this Section not prohibit any transaction otherwise permitted by Section 4.10 or Section 4.14.

Section 4.04. Payment of Taxes and Other Claims. The Company will pay or discharge, and cause each of its Subsidiaries to pay or discharge before the same become delinquent (a) all material taxes, assessments and governmental charges levied or imposed upon the Company or any Subsidiary or its income or profits or property, and (b) all material lawful claims for labor, materials and supplies that, if unpaid, might by law become a Lien upon the property of the Company or any Subsidiary, other than any such tax, assessment, charge or claim the amount, applicability or validity of which is being contested in good faith by appropriate proceedings and for which adequate reserves have been established.

Section 4.05. Maintenance of Properties and Insurance. (a) The Company will cause all properties used or useful in the conduct of its business or the business of any of its Restricted Subsidiaries to be maintained and kept in good condition, repair and working order as in the judgment of the Company may be necessary so that the business of the Company and its Restricted Subsidiaries may be properly and advantageously conducted at all times; *provided*, that nothing in this Section prevents the Company or any Restricted Subsidiary from discontinuing the use, operation or maintenance of any of such properties or disposing of any of them, if such discontinuance or disposal is, in the judgment of the Company, desirable in the conduct of the business of the Company and its Restricted Subsidiaries taken as a whole.

(b) The Company will provide or cause to be provided, for itself and its Restricted Subsidiaries, insurance (including appropriate self-insurance) against loss or damage of the kinds customarily insured against by corporations similarly situated and owning like properties, including, but not limited to, products liability insurance and public liability insurance, with reputable insurers, in such amounts, with such deductibles and by such methods as are customary for corporations similarly situated in the industry in which the Company and its Restricted Subsidiaries are then conducting business.

Section 4.06. Limitations on Indebtedness. (a) The Company and the Issuer will not, and will not cause or permit any Restricted Subsidiary, directly or indirectly, to create, incur, assume, become liable for or guarantee the payment of (collectively, an "**incurrence**") any Indebtedness (including Acquired Indebtedness) unless, after giving effect thereto and the application of the proceeds therefrom, the Consolidated Fixed Charge Coverage Ratio on the date thereof would be at least 2.0 to 1.0.

(b) Notwithstanding the foregoing, the provisions of the Indenture will not prevent the incurrence of:

- (i) Permitted Indebtedness,
- (ii) Refinancing Indebtedness,
- (iii) Non-Recourse Indebtedness,
- (iv) any Guarantee of Indebtedness represented by the Notes, and
- (v) any guarantee of Indebtedness incurred under Credit Facilities in compliance with the Indenture.

(c) For purposes of determining compliance with this covenant, in the event that an item of Indebtedness may be incurred through the first paragraph of this covenant or by meeting the criteria of one or more of the types of Indebtedness described in the second paragraph of this covenant (or the definitions of the terms used therein), the Company, in its sole discretion,

- (i) may classify such item of Indebtedness under and comply with either of such paragraphs (or any of such definitions), as applicable,
- (ii) may classify and divide such item of Indebtedness into more than one of such paragraphs (or definitions), as applicable, and
- (iii) may elect to comply with such paragraphs (or definitions), as applicable, in any order.

(d) The Company and the Issuer will not, and will not cause or permit any Guarantor to, directly or indirectly, in any event incur any Indebtedness that purports to be by its terms (or by the terms of any agreement governing such Indebtedness) subordinated to any other Indebtedness of the Company or of such Guarantor, as the case may be, unless such Indebtedness is also by its terms (or by the terms of any agreement governing such Indebtedness) made expressly subordinated to the Notes or the Guarantee of such Guarantor, as the case may be, to the same extent and in the same manner as such Indebtedness is subordinated to such other Indebtedness of the Company or such Guarantor, as the case may be.

Section 4.07. Limitations on Restricted Payments. (a) The Company and the Issuer will not, and will not cause or permit any Restricted Subsidiary to, directly or indirectly, make any Restricted Payment unless:

- (i) no Default or Event of Default shall have occurred and be continuing at the time of or immediately after giving effect to such Restricted Payment;
- (ii) immediately after giving effect to such Restricted Payment, the Company could incur at least \$1.00 of Indebtedness pursuant to Section 4.06(a) hereof; and
- (iii) immediately after giving effect to such Restricted Payment, the aggregate amount of all Restricted Payments (including the Fair Market Value of any non-cash Restricted Payment) declared or made after May 4, 1999 does not exceed the sum of:
 - (A) 50% of the Consolidated Net Income of the Company on a cumulative basis during the period (taken as one accounting period) from and including February 1, 1999 and ending

on the last day of the Company's fiscal quarter immediately preceding the date of such Restricted Payment (or in the event such Consolidated Net Income shall be a deficit, minus 100% of such deficit), *plus*

(B) 100% of the aggregate net cash proceeds of and the Fair Market Value of Property received by the Company from (1) any capital contribution to the Company after February 1, 1999 or any issue or sale after February 1, 1999 of Qualified Stock (other than to any Subsidiary of the Company) and (2) the issue or sale after February 1, 1999 of any Indebtedness or other securities of the Company convertible into or exercisable for Qualified Stock of the Company that have been so converted or exercised, as the case may be, *plus*

(C) in the case of the disposition or repayment of any Investment constituting a Restricted Payment made after May 4, 1999, an amount (to the extent not included in the calculation of Consolidated Net Income referred to in (A)) equal to the lesser of (x) the return of capital with respect to such Investment (including by dividend, distribution or sale of Capital Stock) and (y) the amount of such Investment that was treated as a Restricted Payment, in either case, less the cost of the disposition or repayment of such Investment (to the extent not included in the calculation of Consolidated Net Income referred to in (A)), *plus*

(D) with respect to any Unrestricted Subsidiary that is redesignated as a Restricted Subsidiary after May 4, 1999, in accordance with the definition of Unrestricted Subsidiary (so long as the designation of such Subsidiary as an Unrestricted Subsidiary was treated as a Restricted Payment made after the Issue Date, and only to the extent not included in the calculation of Consolidated Net Income referred to in (A)), an amount equal to the lesser of (x) the proportionate interest of the Company or a Restricted Subsidiary in an amount equal to the excess of (I) the total assets of such Subsidiary, valued on an aggregate basis at the lesser of book value and Fair Market Value thereof, over (II) the total liabilities of such Subsidiary, determined in accordance with GAAP, and (y) the Designation Amount at the time of such Subsidiary's designation as an Unrestricted Subsidiary, *plus*

(E) \$17 million, *minus*

(F) the aggregate amount of all Restricted Payments (other than Restricted Payments referred to in clause (iii) of paragraph (b) below) made after February 1, 1999 through May 4, 1999.

(b) clauses (ii) and (iii) of paragraph (a) will not prohibit:

(i) the payment of any dividend within 60 days of its declaration if such dividend could have been made on the date of its declaration without violation of the provisions of the Indenture;

(ii) the repurchase, redemption or retirement of any shares of Capital Stock of the Company in exchange for, or out of the net proceeds of the substantially concurrent sale (other than to a Subsidiary of the Company) of, other shares of Qualified Stock; and

(iii) the purchase, redemption or other acquisition, cancellation or retirement for value of Capital Stock, or options, warrants, equity appreciation rights or other rights to purchase or acquire Capital Stock, of the Company or any Subsidiary held by officers or employees or former officers or employees of the Company or any Subsidiary (or their estates or beneficiaries under their estates) not to exceed \$10 million in the aggregate since May 4, 1999;

provided, however, that each Restricted Payment described in clauses (i) and (ii) of this sentence shall be taken into account for purposes of computing the aggregate amount of all Restricted Payments pursuant to clause (iii) of the immediately preceding paragraph.

(c) For purposes of determining the aggregate and permitted amounts of Restricted Payments made, the amount of any guarantee of any Investment in any Person that was initially treated as a Restricted Payment and which was subsequently terminated or expired, net of any amounts paid by the Company or any Restricted Subsidiary in respect of such guarantee, shall be deducted.

(d) In determining the "Fair Market Value of Property" for purposes of clause (iii) of paragraph (a), Property other than cash, Cash Equivalents and Marketable Securities shall be deemed to be equal in value to the "equity value" of the Capital Stock or other securities issued in exchange therefor. The equity value of such Capital Stock or other securities shall be equal to (i) the number of shares of Common Equity issued in the transaction (or issuable upon conversion or exercise of the Capital Stock or other securities issued in the transaction) multiplied by the closing sale price of the Common Equity on its principal market on the date of the transaction (less, in the case of Capital Stock or other securities which require the payment of consideration at the time of conversion or exercise, the aggregate consideration payable thereupon) or (ii) if the Common Equity is not then traded on the New York Stock Exchange, American Stock Exchange or Nasdaq National Market, or if the Capital Stock or other securities issued in the transaction do not consist of Common Equity (or Capital Stock or other securities convertible into or exercisable for Common Equity), the value (if more than \$10 million) of such Capital Stock or other securities as determined by a nationally recognized investment banking firm retained by the Board of Directors of the Company.

Section 4.08. Limitations on Liens. The Company and the Issuer will not, and will not cause or permit any Restricted Subsidiary to, create, incur, assume or suffer to exist any Liens, other than Permitted Liens, on any of its Property, or on any shares of Capital Stock or Indebtedness of any Restricted Subsidiary, unless contemporaneously therewith or prior thereto all payments due under the Indenture and the Notes are secured on an equal and ratable basis with the obligation or liability so secured until such time as such indebtedness is no longer secured by a Lien.

Section 4.09. Limitations on Restrictions Affecting Restricted Subsidiaries. The Company and the Issuer will not, and will not cause or permit any Restricted Subsidiary to, create, assume or otherwise cause or suffer to exist or become effective any consensual encumbrance or restriction (other than encumbrances or restrictions imposed by law or by judicial or regulatory action or by provisions of agreements that restrict the assignability thereof) on the ability of any Restricted Subsidiary to:

(a) pay dividends or make any other distributions on its Capital Stock or any other interest or participation in, or measured by, its profits, owned by the Company or any other Restricted Subsidiary, or pay interest on or principal of any Indebtedness owed to the Company or any other Restricted Subsidiary,

(b) make loans or advances to the Company or any other Restricted Subsidiary, or

(c) transfer any of its property or assets to the Company or any other Restricted Subsidiary,

except for:

(i) encumbrances or restrictions existing under or by reason of applicable law,

(ii) contractual encumbrances or restrictions in effect on the Issue Date and any amendments, modifications, restatements, renewals, supplements, refundings, replacements or refinancings thereof; *provided*, that such amendments, modifications, restatements, renewals, supplements, refundings, replacements or refinancings are no more restrictive, taken as a whole, with respect to such dividend and other payment restrictions than those contained in such contractual encumbrances or restrictions, as in effect on the Issue Date,

(iii) any restrictions or encumbrances arising under Acquired Indebtedness; *provided*, that such encumbrance or restriction applies only to either the assets that were subject to the

restriction or encumbrance at the time of the acquisition or the obligor on such Indebtedness and its Subsidiaries prior to such acquisition,

(iv) any restrictions or encumbrances arising in connection with Refinancing Indebtedness; *provided, however*, that any restrictions and encumbrances of the type described in this clause (iv) that arise under such Refinancing Indebtedness shall not be materially more restrictive or apply to additional assets than those under the agreement creating or evidencing the Indebtedness being refunded, refinanced, replaced or extended,

(v) any Permitted Lien, or any other agreement restricting the sale or other disposition of property, securing Indebtedness permitted by the Indenture if such Permitted Lien or agreement does not expressly restrict the ability of a Subsidiary of the Company to pay dividends or make or repay loans or advances prior to default thereunder,

(vi) reasonable and customary borrowing base covenants set forth in agreements evidencing Indebtedness otherwise permitted by the Indenture,

(vii) customary non-assignment provisions in leases, licenses, encumbrances, contracts or similar assets entered into or acquired in the ordinary course of business,

(viii) any restriction with respect to a Restricted Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of all or substantially all of the Capital Stock or assets of such Restricted Subsidiary pending the closing of such sale or disposition,

(ix) encumbrances or restrictions existing under or by reason of the Indenture or the Notes,

(x) purchase money obligations that impose restrictions on the property so acquired of the nature described in clause (c) of the preceding paragraph,

(xi) Liens permitted under the Indenture securing Indebtedness that limit the right of the debtor to dispose of the assets subject to such Lien,

(xii) provisions with respect to the disposition or distribution of assets or property in joint venture agreements, assets sale agreements, stock sale agreements and other similar agreements,

(xiii) customary provisions of any franchise, distribution or similar agreements,

(xiv) restrictions on cash or other deposits or net worth imposed by contracts entered into in the ordinary course of business, and

(xv) any encumbrance or restrictions of the type referred to in clauses (a), (b) or (c) of the first paragraph of this section imposed by any amendments, modifications, restatements, renewals, supplements, refinancings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (i) through (xiv) of this paragraph; *provided*, that such amendments, modifications, restatements, renewals, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Company's Board of Directors, no more restrictive with respect to such dividend and other payment restrictions than those contained in the dividend or other payment restrictions prior to such amendment, modification, restatement, renewal, supplement, refunding, replacement or refinancing.

Section 4.10. Limitations on Dispositions of Assets. (a) The Company and the Issuer will not, and will not cause or permit any Restricted Subsidiary to, make any Asset Disposition unless (x) the Company (or such Restricted Subsidiary, as the case may be) receives consideration at the time of such Asset Disposition at least equal to the Fair Market Value thereof, and (y) not less than 70% of the

consideration received by the Company (or such Restricted Subsidiary, as the case may be) is in the form of cash, Cash Equivalents and Marketable Securities.

The amount of (i) any Indebtedness (other than any Indebtedness subordinated to the Notes) of the Company or any Restricted Subsidiary that is actually assumed by the transferee in such Asset Disposition and (ii) the fair market value (as determined in good faith by the Board of Directors of the Company) of any property or assets received that are used or useful in a Real Estate Business, shall be deemed to be consideration required by clause (y) above for purposes of determining the percentage of such consideration received by the Company or the Restricted Subsidiaries.

(b) The Net Cash Proceeds of an Asset Disposition shall, within one year, at the Company's election, (1) be used by the Company or a Restricted Subsidiary in the business of the construction and sale of homes conducted by the Company and the Restricted Subsidiaries or any other business of the Company or a Restricted Subsidiary existing at the time of such Asset Disposition or (2) to the extent not so used, be applied to make an Offer to Purchase Notes and, if the Company or a Restricted Subsidiary elects or is required to do so repay, purchase or redeem any other unsubordinated Indebtedness (on a *pro rata* basis if the amount available for such repayment, purchase or redemption is less than the aggregate amount of (i) the principal amount of the Notes tendered in such Offer to Purchase and (ii) the lesser of the principal amount, or accreted value, of such other unsubordinated Indebtedness, plus, in each case accrued interest to the date of repayment, purchase or redemption) at 100% of the principal amount or accreted value thereof, as the case may be, plus accrued and unpaid interest, if any, to the date of repurchase or repayment.

(c) Notwithstanding the foregoing, (A) the Company will not be required to apply such Net Cash Proceeds to the repurchase of Notes in accordance with clause (2) of the preceding paragraph except to the extent that such Net Cash Proceeds, together with the aggregate Net Cash Proceeds of prior Asset Dispositions (other than those so used) which have not been applied in accordance with this provision and as to which no prior Offer to Purchase shall have been made, exceed 5% of Consolidated Tangible Assets and (B) in connection with an Asset Disposition, the Company and the Restricted Subsidiaries will not be required to comply with the requirements of clause (y) of the first sentence of the first paragraph of this covenant to the extent that the non-cash consideration received in connection with such Asset Disposition, together with the sum of all non-cash consideration received in connection with all prior Asset Dispositions that has not yet been converted into cash, does not exceed 5% of Consolidated Tangible Assets; *provided, however*, that when any non-cash consideration is converted into cash, such cash shall constitute Net Cash Proceeds and be subject to the preceding sentence.

Section 4.11. Guarantees By Restricted Subsidiaries. Each existing Restricted Subsidiary (other than the Issuer (for so long as it remains the Issuer), KHL, Inc. and K. Hovnanian Poland, sp.z.o.o.) will be a Guarantor. The Company is permitted to cause any Unrestricted Subsidiary to be a Guarantor. If the Issuer, the Company or any of its Restricted Subsidiaries acquires or creates a Restricted Subsidiary after the Issue Date, such Restricted Subsidiary shall (subject to Section 6.03(b)) execute a guarantee substantially in the form of Exhibit A, execute a supplemental indenture in the form of Exhibit B, and deliver an Opinion of Counsel to the Trustee to the effect that the supplemental indenture has been duly authorized, executed and delivered by the new Restricted Subsidiary and constitutes a valid and binding obligation of the new Restricted Subsidiary, enforceable against the new Restricted Subsidiary in accordance with its terms (subject to customary exceptions).

Section 4.12. Repurchase of Notes upon a Change of Control. (a) In the event that there shall occur a Change of Control, each Holder of Notes shall have the right, at such Holder's option, to require the Issuer to purchase all or any part of such Holder's Notes on a date (the "**Repurchase Date**") that is no later than 90 days after notice of the Change of Control, at 101% of the principal

amount thereof plus accrued and unpaid interest and Additional Interest, if any, to the Repurchase Date.

(b) On or before the thirtieth day after any Change of Control, the Issuer is obligated to mail, or cause to be mailed, to all Holders of record of Notes and the Trustee a notice regarding the Change of Control and the repurchase right. The notice shall state the Repurchase Date, the date by which the repurchase right must be exercised, the price for the Notes and the procedure which the Holder must follow to exercise such right. Substantially simultaneously with mailing of the notice, the Issuer shall cause a copy of such notice to be published in a newspaper of general circulation in the Borough of Manhattan, The City of New York. To exercise such right, the Holder of such Note must deliver at least ten days prior to the Repurchase Date written notice to the Issuer (or an agent designated by the Issuer for such purpose) of the Holder's exercise of such right, together with the Note with respect to which the right is being exercised, duly endorsed for transfer; *provided, however*, that if mandated by applicable law, a Holder may be permitted to deliver such written notice nearer to the Repurchase Date than may be specified by the Issuer.

(c) The Issuer will comply with applicable law, including Section 14(e) of Exchange Act and Rule 14e-1 thereunder, if applicable, if the Issuer is required to give a notice of a right of repurchase as a result of a Change of Control.

Section 4.13. Limitations on Transactions with Affiliates. (a) The Company and the Issuer will not, and will not cause or permit any Restricted Subsidiary to, make any loan, advance, guarantee or capital contribution to, or for the benefit of, or sell, lease, transfer or otherwise dispose of any property or assets to or for the benefit of, or purchase or lease any property or assets from, or enter into or amend any contract, agreement or understanding with, or for the benefit of, any Affiliate of the Company or any Affiliate of any of the Company's Subsidiaries or any holder of 10% or more of the Common Equity of the Company (including any Affiliates of such holders), in a single transaction or series of related transactions (each, an "**Affiliate Transaction**"), except for any Affiliate Transaction the terms of which are at least as favorable as the terms which could be obtained by the Company, the Issuer or such Restricted Subsidiary, as the case may be, in a comparable transaction made on an arm's length basis with Persons who are not such a holder, an Affiliate of such a holder or an Affiliate of the Company or any of the Company's Subsidiaries.

(b) In addition, the Company and the Issuer will not, and will not cause or permit any Restricted Subsidiary to, enter into an Affiliate Transaction unless:

(i) with respect to any such Affiliate Transaction involving or having a value of more than \$1 million, the Company shall have (x) obtained the approval of a majority of the Board of Directors of the Company and (y) either obtained the approval of a majority of the Company's disinterested directors or obtained an opinion of a qualified independent financial advisor to the effect that such Affiliate Transaction is fair to the Company, the Issuer or such Restricted Subsidiary, as the case may be, from a financial point of view, and

(ii) with respect to any such Affiliate Transaction involving or having a value of more than \$10 million, the Company shall have (x) obtained the approval of a majority of the Board of Directors of the Company and (y) delivered to the Trustee an opinion of a qualified independent financial advisor to the effect that such Affiliate Transaction is fair to the Company, the Issuer or such Restricted Subsidiary, as the case may be, from a financial point of view.

(c) Notwithstanding the foregoing, an Affiliate Transaction will not include:

(i) any contract, agreement or understanding with, or for the benefit of, or plan for the benefit of, employees of the Company or its Subsidiaries generally (in their capacities as such) that has been approved by the Board of Directors of the Company,

(ii) Capital Stock issuances to directors, officers and employees of the Company or its Subsidiaries pursuant to plans approved by the stockholders of the Company,

(iii) any Restricted Payment otherwise permitted under Section 4.07 hereof,

(iv) any transaction between or among the Company and one or more Restricted Subsidiaries or between or among Restricted Subsidiaries (*provided, however*, no such transaction shall involve any other Affiliate of the Company (other than an Unrestricted Subsidiary to the extent the applicable amount constitutes a Restricted Payment permitted by this Indenture)),

(v) any transaction between one or more Restricted Subsidiaries and one or more Unrestricted Subsidiaries where all of the payments to, or other benefits conferred upon, such Unrestricted Subsidiaries are substantially contemporaneously dividended, or otherwise distributed or transferred without charge, to the Company or a Restricted Subsidiary,

(vi) issuances, sales or other transfers or dispositions of mortgages and collateralized mortgage obligations in the ordinary course of business between Restricted Subsidiaries and Unrestricted Subsidiaries of the Company, and

(vii) the payment of reasonable and customary fees to, and indemnity provided on behalf of, officers, directors, employees or consultants of the Company, the Issuer or any Restricted Subsidiary.

Section 4.14. Limitations on Mergers, Consolidations and Sales of Assets. Neither the Issuer nor any Guarantor will consolidate or merge with or into, or sell, lease, convey or otherwise dispose of all or substantially all of its assets (including, without limitation, by way of liquidation or dissolution), or assign any of its obligations under the Notes, the Guarantees or the Indenture (as an entirety or substantially as an entirety in one transaction or in a series of related transactions), to any Person (in each case other than in a transaction in which the Company, the Issuer or a Restricted Subsidiary is the survivor of a consolidation or merger, or the transferee in a sale, lease, conveyance or other disposition) unless:

(i) the Person formed by or surviving such consolidation or merger (if other than the Company, the Issuer or the Guarantor, as the case may be), or to which such sale, lease, conveyance or other disposition or assignment will be made (collectively, the "**Successor**"), is a corporation or other legal entity organized and existing under the laws of the United States or any state thereof or the District of Columbia, and the Successor assumes by supplemental indenture in a form reasonably satisfactory to the Trustee all of the obligations of the Company, the Issuer or the Guarantor, as the case may be, under the Notes or a Guarantee, as the case may be, and the Indenture,

(ii) immediately after giving effect to such transaction, no Default or Event of Default has occurred and is continuing, and

(iii) immediately after giving effect to such transaction, the Company (or its Successor) could incur at least \$1.00 of Indebtedness pursuant to Section 4.06(a) hereof.

The foregoing provisions shall not apply to (i) a transaction involving the sale or disposition of Capital Stock of a Guarantor, or the consolidation or merger of a Guarantor, or the sale, lease, conveyance or other disposition of all or substantially all of the assets of a Guarantor, that in any such case results in such Guarantor being released from its Guarantee pursuant to Section 6.03, or (ii) a transaction the purpose of which is to change the state of incorporation of the Company, the Issuer or any Guarantor.

Section 4.15. Reports to Holders of Notes. (a) The Company shall file with the Commission the annual reports and the information, documents and other reports required to be filed pursuant to Section 13 or 15(d) of the Exchange Act. The Company shall file with the Trustee and mail to each Holder of record of Notes such reports, information and documents within 15 days after it files them with the Commission. In the event that the Company is no longer subject to these periodic reporting requirements of the Exchange Act, it will nonetheless continue to file reports with the Commission and the Trustee and mail such reports to each Holder of Notes as if it were subject to such reporting requirements. Regardless of whether the Company is required to furnish such reports to its stockholders pursuant to the Exchange Act, the Company will cause its consolidated financial statements and a "Management's Discussion and Analysis of Results of Operations and Financial Condition" written report, similar to those that would have been required to appear in annual or quarterly reports, to be delivered to Holders of Notes.

(b) For so long as any of the Notes remain outstanding and constitute "restricted securities" under Rule 144, the Company will furnish to the Holders of Notes and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(c) All "obligors," as that term is defined under the Trust Indenture Act, on the Notes, including the Issuer and the Guarantors, will comply with Section 314(a) of the Trust Indenture Act.

(d) Delivery of these reports and information to the Trustee is for informational purposes only and the Trustee's receipt of them will not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's and/or the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

Section 4.16. Reports to Trustee. (a) The Company will deliver to the Trustee within 120 days after the end of each fiscal year a written statement by the Company's independent public accountants stating (i) that their audit examination has included a review of the terms of this Indenture and the Notes as they relate to accounting matters, and (ii) whether, in connection with their audit examination, any Default has come to their attention and, if a Default has come to their attention, specifying the nature and period of the existence thereof.

(b) The Company shall deliver to the Trustee, on or prior to each Interest Payment Date, an Officer's Certificate setting forth the amount of Additional Interest, if any, the Issuer is required to pay on that Interest Payment Date. If no Additional Interest are required to be paid on a given Interest Payment Date, no such Officer's Certificate is required to be delivered to the Trustee for that Interest Payment Date.

(c) All "obligors," as that term is defined under the Trust Indenture Act, on the Notes, including the Issuer and the Guarantors, will comply with Section 314(a) of the Trust Indenture Act. The Company will notify the Trustee when any Notes are listed on any national securities exchange and of any delisting.

Section 4.17. Notice of Other Defaults. In the event that any Indebtedness of the Issuer or any Guarantor is declared due and payable before its maturity because of the occurrence of any default under such Indebtedness, the Issuer or the relevant Guarantor, as the case may be, shall promptly deliver to the Trustee and Officers' Certificate stating such declaration; *provided*, that the term "Indebtedness" as used in this Section 4.17 shall not include Non-Recourse Indebtedness.

Section 4.18. Limitation of Applicability of Certain Covenants if Notes Rated Investment Grade. (a) The Issuer, the Company and its Restricted Subsidiaries' obligations to comply with the provisions of the Indenture under this Article 4 (except for Sections 4.01, 4.02, 4.03, 4.04, 4.05, 4.08, 4.11 (subject

to Section 6.03(b)), 4.12, 4.14 (other than clause (iii) of the first paragraph thereof), 4.15, 4.16, 4.17 and this Section 4.18, will terminate (such terminated covenants, the "**Extinguished Covenants**") and cease to have any further effect from and after the first date when the Notes issued under the Indenture are rated Investment Grade; *provided*, that if the Notes subsequently cease to be rated Investment Grade, then, from and after the time the Notes cease to be rated Investment Grade, the Issuer's, the Company's and its Restricted Subsidiaries' obligation to comply with the Extinguished Covenants shall be reinstated.

(b) In the event of any such reinstatement of the obligation to comply with the Extinguished Covenants, no action taken or omitted to be taken by the Issuer, the Company or any of its Subsidiaries prior to such reinstatement shall give rise to a Default or Event of Default under the Indenture upon reinstatement; *provided*, that with respect to Restricted Payments made after any such reinstatement, the amount of Restricted Payments made after May 4, 1999 will be calculated as though Section 4.07 hereof had been in effect during the entire period after such date.

ARTICLE 5 REMEDIES

Section 5.01. Events of Default. "**Event of Default**" means any one or more of the following events:

- (i) the failure by the Company, the Issuer and the Guarantors to pay interest on, or Additional Interest, if any, with respect to, any Note when the same becomes due and payable and the continuance of any such failure for a period of 30 days;
- (ii) the failure by the Company, the Issuer and the Guarantors to pay the principal or premium of any Note when the same becomes due and payable at maturity, upon acceleration or otherwise;
- (iii) the failure by the Company, the Issuer or any Restricted Subsidiary to comply with any of its agreements or covenants in, or provisions of, the Notes, the Guarantees or the Indenture and such failure continues for the period and after the notice specified below (except in the case of a default under Section 4.12 and 4.14, which will constitute Events of Default with notice but without passage of time);
- (iv) the acceleration of any Indebtedness (other than Non-Recourse Indebtedness) of the Company, the Issuer or any Restricted Subsidiary that has an outstanding principal amount of \$10 million or more, individually or in the aggregate, and such acceleration does not cease to exist, or such Indebtedness is not satisfied, in either case within 30 days after such acceleration;
- (v) the failure by the Company, the Issuer or any Restricted Subsidiary to make any principal or interest payment in an amount of \$10 million or more, individually or in the aggregate, in respect of Indebtedness (other than Non-Recourse Indebtedness) of the Company or any Restricted Subsidiary within 30 days of such principal or interest becoming due and payable (after giving effect to any applicable grace period set forth in the documents governing such Indebtedness);
- (vi) a final judgment or judgments that exceed \$10 million or more, individually or in the aggregate, for the payment of money having been entered by a court or courts of competent jurisdiction against the Company, the Issuer or any of its Restricted Subsidiaries and such judgment or judgments is not satisfied, stayed, annulled or rescinded within 60 days of being entered;

(vii) the Company, the Issuer or any Restricted Subsidiary that is a Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:

- (A) commences a voluntary case,
- (B) consents to the entry of an order for relief against it in an involuntary case,
- (C) consents to the appointment of a Custodian of it or for all or substantially all of its property, or
- (D) makes a general assignment for the benefit of its creditors;

(viii) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

- (A) is for relief against the Company, the Issuer or any Restricted Subsidiary that is a Significant Subsidiary as debtor in an involuntary case,
- (B) appoints a Custodian of the Company, the Issuer or any Restricted Subsidiary that is a Significant Subsidiary or a Custodian for all or substantially all of the property of the Company or any Restricted Subsidiary that is a Significant Subsidiary, or
- (C) orders the liquidation of the Company, the Issuer or any Restricted Subsidiary that is a Significant Subsidiary,

and the order or decree remains unstayed and in effect for 60 days, or

(ix) any Guarantee of a Guarantor which is a Significant Subsidiary ceases to be in full force and effect (other than in accordance with the terms of such Guarantee and this Indenture) or is declared null and void and unenforceable or found to be invalid or any Guarantor denies its liability under its Guarantee (other than by reason of release of a Guarantor from its Guarantee in accordance with the terms of the Indenture and the Guarantee).

A Default as described in subclause (iii) above will not be deemed an Event of Default until the Trustee notifies the Company, or the Holders of at least 25 percent in principal amount of the then outstanding Notes notify the Company and the Trustee, of the Default and (except in the case of a default with respect to Section 4.12 and 4.14 hereof) the Company does not cure the Default within 60 days after receipt of the notice. The notice must specify the Default, demand that it be remedied and state that the notice is a "Notice of Default." If such a Default is cured within such time period, it ceases.

If an Event of Default (other than an Event of Default with respect to the Company or the Issuer resulting from subclauses (vii) or (viii) above), shall have occurred and be continuing under the Indenture, the Trustee by notice to the Company, or the Holders of at least 25 percent in principal amount of the Notes then outstanding by notice to the Company and the Trustee, may declare all Notes to be due and payable immediately. Upon such declaration of acceleration, the amounts due and payable on the Notes will be due and payable immediately. If an Event of Default with respect to the Company or the Issuer specified in subclauses (vii) or (viii) above occurs, such an amount will *ipso facto* become and be immediately due and payable without any declaration, notice or other act on the part of the Trustee and the Company or any Holder. This provision, however, is subject to the condition that, if at any time after the unpaid principal amount (or such specified amount) of the Notes shall have been so declared due and payable and before any judgment or decree for the payment of the moneys due shall have been obtained or entered as hereinafter provided, the Issuer shall pay or shall deposit with the Trustee a sum sufficient to pay all matured installments of interest and Additional Interest, if any, upon all of the Notes and the principal of all the Notes which shall have become due otherwise than by acceleration (with interest on overdue installments of interest and Additional Interest, if any, to the extent that payment of such interest is enforceable under applicable law and on

such principal at the rate borne by the Notes to the date of such payment or deposit) and the reasonable compensation, disbursements, expenses and advances of the Trustee and all other amounts due the Trustee under Section 7.07, and any and all defaults under this Indenture, other than the nonpayment of such portion of the principal amount of and accrued interest and Additional Interest, if any, on Notes which shall have become due by acceleration, shall have been cured or shall have been waived in accordance with Section 5.03 or provision deemed by the Trustee to be adequate shall have been made therefor, then and in every such case the Holders of a majority in aggregate principal amount of the Notes then outstanding, by written notice to the Issuer and to the Trustee, may rescind and annul such declaration and its consequences; but no such rescission and annulment shall extend to or shall affect any subsequent default, or shall impair any right consequent thereon. Notwithstanding the previous sentence, no waiver shall be effective against any Holder for any Event of Default or event which with notice or lapse of time or both would be an Event of Default with respect to any covenant or provision which cannot be modified or amended without the consent of the Holder of each outstanding Note affected thereby, unless all such affected Holders agree, in writing, to waive such Event of Default or other event.

If the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of such rescission or annulment or for any reason or shall have been determined to be adverse to the Trustee, then and in every such case the Issuer, the Trustee and the Holders of Notes shall be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the Issuer, the Trustee and the Holders of Notes shall continue as though no such proceeding had been taken.

Except with respect to an Event of Default pursuant to clauses (i) or (ii) of this Section 5.01, the Trustee shall not be charged with knowledge of any Event of Default unless written notice thereof shall have been given to the Trustee by the Issuer, a Paying Agent or any Holder.

Section 5.02. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue, in its own name or as trustee of an express trust, any available remedy by proceeding at law or in equity to collect the payment of principal of, premium, if any, and interest or Additional Interest, if any, on the Notes or to enforce the performance of any provision of the Notes or the Indenture. The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding.

Section 5.03. Waiver of Defaults by Majority of Holders. By written notice to the Trustee and the Company, the Holders of a majority in aggregate principal amount of the Notes then outstanding may on behalf of the Holders of all of the Notes waive any past Default or Event of Default hereunder and its consequences, except a Default in the payment of interest and Additional Interest, if any, on, or the principal of, the Notes. Upon any such waiver, the Issuer, the Trustee and the Holders of Notes shall be restored to their former positions and rights hereunder, respectively; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon. Whenever any Default or Event of Default hereunder shall have been waived as permitted by this Section 5.03, said Default or Event of Default shall for all purposes of the Notes and this Indenture be deemed to have been cured and to be not continuing.

Section 5.04. Direction of Proceedings. The Holders of a majority in aggregate principal amount of the outstanding Notes shall have the right to direct the time, method, and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee with respect to the Notes; *provided, however*, that (subject to the provisions of Section 7.01) the Trustee shall have the right to decline to follow any such direction if the Trustee shall determine upon advice of counsel that the action or proceeding so directed may not lawfully be taken or if the Trustee in good faith by its board of directors, its executive committee, or a trust committee of directors or

Responsible Officers or both shall determine that the action or proceeding so directed would involve the Trustee in personal liability.

Section 5.05. Application of Moneys Collected by Trustee. Any moneys collected by the Trustee pursuant to this Article respect to outstanding Notes shall be applied in the order following, at the date or dates fixed by the Trustee for the distribution of such moneys, upon presentation of the Notes and stamping thereon the payment, if only partially paid, and upon surrender thereof, if fully paid:

FIRST: To the payment of costs and expenses of collection and reasonable compensation to the Trustee, its agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Trustee pursuant to Section 7.07 except as a result of its negligence or bad faith;

SECOND: If the principal of the Notes shall not have become due and be unpaid, to the payment of interest or Additional Interest, if any, on the Notes, in the order of the maturity of the installments of such interest or Additional Interest, if any, with interest (to the extent that such interest has been collected by the Trustee) upon the overdue installments of interest and Additional Interest, if any, at the rate borne by the Notes, such payment to be made ratably to the Persons entitled thereto;

THIRD: If the principal of the Notes shall have become due, by declaration or otherwise, to the payment of the whole amount then owing and unpaid upon the Notes for principal, interest and Additional Interest, if any, with interest on the overdue principal and (to the extent that such interest has been collected by the Trustee) upon overdue installments of interest and Additional Interest, if any, at the rate borne by the Notes, and in case such moneys shall be insufficient to pay in full the whole amounts so due and unpaid upon the Notes, then to the payment of such principal and interest and Additional Interest, if any, without preference or priority of principal over interest or Additional Interest, if any, or of interest or Additional Interest, if any, over principal, or of interest over Additional Interest, if any, or of any installment of interest, if any, or Additional Interest, if any, over any other installment of interest or Additional Interest, if any, ratably to the aggregate of such principal and accrued and unpaid interest and Additional Interest, if any; and

FOURTH: To the payment of any surplus then remaining to the Issuer, its successors or assigns, or to whomsoever may be lawfully entitled to receive the same.

No claim for interest which in any manner at or after maturity shall have been transferred or pledged separate or apart from the Notes to which it relates, or which in any manner shall have been kept alive after maturity by an extension (otherwise than pursuant to an extension made pursuant to a plan proposed by the Issuer to the Holders of all Notes), purchase, funding or otherwise by or on behalf or with the consent or approval of the Issuer shall be entitled, in case of a default hereunder, to any benefit of this Indenture, except after prior payment in full of the principal of all Notes and of all claims for interest not so transferred, pledged, kept alive, extended, purchased or funded.

Section 5.06. Proceedings by Holders. No holder of any Notes shall have any right by virtue of or by availing of any provision of this Indenture to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Indenture for the appointment of a receiver or trustee or similar official, or for any other remedy hereunder, unless such Holder previously shall have given to the Trustee written notice of default and of the continuance thereof, as hereinbefore provided, and unless the Holders of not less than 25% in aggregate principal amount of the Notes then outstanding shall have made written request to the Trustee to institute such action, suit or proceeding in its own name as Trustee hereunder and shall have offered to the Trustee such reasonable indemnity as it may require against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee for 60 days after its receipt of such notice, request and offer of indemnity shall have neglected or refused

to institute any such action, suit or proceeding, it being understood and intended, and being expressly covenanted by the Holder of every Note with every other Holder and the Trustee, that no one or more Holders of Notes shall have any right in any manner whatever by virtue of or by availing of any provision of this Indenture or of the Notes to affect, disturb or prejudice the rights of any other Holder of Notes, or to obtain or seek to obtain priority over or preference as to any other such Holder, or to enforce any right under this Indenture or the Notes, except in the manner herein provided and for the equal, ratable and common benefit of all Holders of Notes.

Notwithstanding any other provisions in this Indenture, however, the right of any Holder of any Note to receive payment of the principal of, premium, if any, and interest and Additional Interest, if any, on such Note, on or after the maturity thereof, or to institute suit for the enforcement of any such payment on or after such respective dates shall not be impaired or affected without the consent of such Holder.

Section 5.07. Proceedings by Trustee. In case of an Event of Default hereunder, the Trustee may in its discretion proceed to protect and enforce the rights vested in it by this Indenture by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any of such rights, either by suit in equity or by action at law or by proceedings in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Indenture or in aid of the exercise of any power granted in this Indenture, or to enforce any other legal or equitable right vested in the Trustee by this Indenture or by law.

Section 5.08. Remedies Cumulative and Continuing. All powers and remedies given by this Article 5 to the Trustee or to the Holders shall, to the extent permitted by law, be deemed cumulative and not exclusive of any thereof or of any other powers and remedies available to the Trustee or the Holders, by judicial proceedings or otherwise, to enforce the performance or observance of the covenants and agreements contained in this Indenture, and no delay or omission of the Trustee or of any Holder to exercise any right or power accruing upon any default occurring and continuing as aforesaid shall impair any such right or power, or shall be construed to be a waiver of any such default or an acquiescence therein; and, subject to the provisions of Section 5.06, every power and remedy given by this Article 5 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as shall be deemed expedient, by the Trustee or by the Holders.

Section 5.09. Undertaking to Pay Costs. All parties to this Indenture agree, and each Holder of any Note by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, or in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the cost of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.09 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the then outstanding Notes, or to any suit instituted by any Holders for the enforcement of the payment of the principal of, premium, if any, or interest or Additional Interest, if any, on any Note against the Issuer on or after the due date of such Note.

Section 5.10. Notice of Defaults. (a) The Company is required to deliver to the Trustee an annual statement regarding compliance with the Indenture, and include in such statement, if any officer of the Company is aware of any Default or Event of Default, a statement specifying such Default or Event of Default and what action the Company is taking or proposes to take with respect thereto. In addition, the Company is required to deliver to the Trustee prompt written notice of the occurrence of any Default or Event of Default.

(b) The Trustee shall, within 90 days after the occurrence of a default known to the Trustee, with respect to the Notes, mail to all Holders of Notes, as the names and the addresses of such Holders appear upon the Register, notice of all defaults, unless such defaults shall have been cured before the giving of such notice (the term "**default**" for the purpose of this Section 5.10(b) being hereby defined to be the events specified in clauses (i), (ii), (iii), (iv), (v), (vi), (vii), (viii) and (ix) of Section 5.01, not including periods of grace, if any, provided for therein and irrespective of the giving of the written notice specified in said clause (iii) but in the case of any default of the character specified in said clause (iii) no such notice to Holders shall be given until at least 60 days after the giving of written notice thereof to the Company pursuant to said clause (iii)); *provided, however*, that, except in the case of default in the payment of the principal of, premium, if any, or interest and Additional Interest, if any, on any of the Notes, or in the payment or satisfaction of a purchase obligation, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee, a trust committee of directors or a Responsible Officer of the Trustee in good faith determines that the withholding of such notice is in the best interests of the Holders. Notice to Holders under this Section shall be given in the manner and to the extent provided in Trust Indenture Act Section 313(c).

Section 5.11. Waiver of Stay, Extension or Usury Laws. The Company, the Issuer and each Guarantor covenants, to the extent permitted by applicable law, that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law that would prohibit or forgive the Company, the Issuer or the Guarantor from paying all or any portion of the principal of, premium, if any, or interest or Additional Interest, if any, on the Notes as contemplated herein, wherever enacted, now or at any time hereafter in force, or that may affect the covenants or the performance of the Indenture. The Company, the Issuer and each Guarantor hereby expressly waives, to the extent that it may lawfully do so, all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 5.12. Trustee May File Proof of Claim. The Trustee may file proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee hereunder) and the Holders allowed in any judicial proceedings relating to the Company, the Issuer or any Guarantor or their respective creditors or property, and is entitled and empowered to collect, receive and distribute any money, securities or other property payable or deliverable upon conversion or exchange of the Notes or upon any such claims. Any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, if the Trustee consents to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agent and counsel, and any other amounts due the Trustee hereunder. Nothing in the Indenture will be deemed to empower the Trustee to authorize or consent to, or accept or adopt on behalf of any Holder, any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 5.13. Payment of Notes on Default; Suit Therefor. The Issuer covenants that (a) if default shall be made in the payment of any installment of interest and Additional Interest, if any, upon the Notes as and when the same shall become due and payable, and such default shall have continued for a period of 30 days, or (b) if default shall be made in the payment of the principal of, and premium, if any, on the Notes as and when the same shall have become due and payable, whether at maturity of the Notes or upon redemption or by declaration or otherwise, then, upon demand of the Trustee, the

Issuer will pay to the Trustee, for the benefit of the Holders, the whole amount that then shall have become due and payable on all such Notes for principal, and premium, if any, or interest and Additional Interest, if any, or both, as the case may be, with interest upon the overdue principal and (to the extent that payment of such interest is enforceable under applicable law) upon the overdue installments of interest and Additional Interest, if any, at the rate borne by the Notes; and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including a reasonable compensation to the Trustee, its agent, attorneys and counsel, and any expenses or liabilities incurred by the Trustee hereunder other than through its negligence or bad faith.

If the Issuer shall fail forthwith to pay such amounts upon such demand, the Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any actions or proceedings at law or in equity for the collection of the sums so due and unpaid, and may prosecute any such action or proceeding to judgment or final decree, and may enforce any such judgment or final decree against the Issuer or any other obligor on the Notes and collect in the manner provided by law out of the property of the Issuer or any other obligor on the Notes, wherever situated, the moneys adjudged or decreed to be payable.

If there shall be pending proceedings for the bankruptcy or for the reorganization of the Issuer or any other obligor on the Notes under any bankruptcy, insolvency or other similar law now or hereafter in effect, or if a receiver or trustee or similar official shall have been appointed for the property of the Issuer or such other obligor, or in the case of any other similar judicial proceedings relative to the Issuer or other obligor on the Notes, or to the creditors or property of the Issuer or such other obligor, the Trustee, irrespective of whether the principal of the Notes shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.13, shall be entitled and empowered by intervention in such proceedings or otherwise to file and prove a claim or claims for the whole amount of principal, premium, if any, interest and Additional Interest, if any, owing and unpaid in respect of the Notes, and, in case of any judicial proceedings, to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and of the Holders allowed in such judicial proceedings relative to the Issuer or any other obligor on the Notes, its or their creditors, or its or their property, and to collect and receive any moneys or other property payable or deliverable on any such claims, and to distribute the same after the deduction of its charges and expenses, and any receiver, assignee or trustee or similar official in bankruptcy or reorganization is hereby authorized by each of the Holders to make such payments to the Trustee, and, if the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for compensation and expenses or otherwise pursuant to Section 7.07, including counsel fees and expenses incurred by it up to the date of such distribution. To the extent that such payment of reasonable compensation, expenses and counsel fees and expenses out of the estate in any such proceedings shall be denied for any reason, payment of the same shall be secured by a lien on, and shall be paid out of, any and all distributions, dividends, moneys, securities and other property which the Holders of Notes may be entitled to receive in such proceedings, whether in liquidation or under any plan of reorganization or arrangement or otherwise.

All rights of action and of asserting claims under this Indenture, or under any of the Notes, may be enforced by the Trustee without the possession of any of the Notes, or the production thereof at any trial or other proceeding relative thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be for the ratable benefit of the Holders of Notes in respect of which such judgment has been recovered.

ARTICLE 6
GUARANTEES; RELEASE OF GUARANTOR

Section 6.01. Guarantee. Each of the Guarantors hereby unconditionally guarantees, jointly and severally with each other Guarantor, to each Holder and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that: (i) the due and punctual payment of the principal of, premium, if any, and interest or Additional Interest, if any, on the Notes, whether at maturity or on an interest payment date, by acceleration, pursuant to an Offer to Purchase or otherwise, to the extent lawful, and all other obligations of the Issuer to the Holders or the Trustee hereunder or thereunder shall be promptly paid in full when due, all in accordance with the terms hereof and thereof, including all amounts payable to the Trustee under Section 7.07 hereof, and (ii) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, the same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

If the Issuer fails to make any payment when due of any amount so guaranteed for whatever reason, each Guarantor shall be obligated, jointly and severally with each other Guarantor, to pay the same immediately. Each Guarantor hereby agrees that its obligations hereunder shall be continuing, absolute and unconditional, irrespective of, and shall be unaffected by, the validity, regularity or enforceability of the Notes, this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder or the Trustee with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of such Guarantor. If any Holder or the Trustee is required by any court or otherwise to return to the Issuer or any Guarantor, or any custodian, trustee, liquidator or other similar official acting in relation to the Issuer or such Guarantor, any amount paid by the Issuer or any Guarantor to the Trustee or such Holder, this Article 6, to the extent theretofore discharged with respect to any Guarantee, shall be reinstated in full force and effect. Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby by such Guarantor until payment in full of all such obligations. Each Guarantor further agrees that, as between such Guarantor, on the one hand, and the Holders of Notes and the Trustee on the other hand, (i) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 5 hereof for the purposes of such Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby and (ii) in the event of any acceleration of such obligations as provided in Article 5 hereof such obligations (whether or not due and payable) shall forthwith become due and payable by such Guarantor, jointly and severally with each other Guarantor, for the purpose of this Article 6. In addition, without limiting the foregoing, upon the effectiveness of an acceleration under Article 5, the Trustee may make a demand for payment on the Notes under any Guarantee provided hereunder and not discharged.

The Guarantee set forth in this Section 6.01 shall not be valid or become obligatory for any purpose with respect to a Note until the certificate of authentication on such Note shall have been signed by the Trustee or any duly appointed agent.

Section 6.02. Obligations of each Guarantor Unconditional. Nothing contained in this Article 6 or elsewhere in this Indenture or in any Note is intended to or shall impair, as between each Guarantor and the Holders, the obligations of such Guarantor which are absolute and unconditional, to pay to the Holders the principal of, premium, if any, and interest and Additional Interest, if any, on the Notes as and when the same shall become due and payable in accordance with the provisions of their Guarantee or is intended to or shall affect the relative rights of the Holders and creditors of such Guarantor, nor shall anything herein or therein prevent the Trustee or any Holder from exercising all remedies

otherwise permitted by applicable law upon any Default under this Indenture in respect of cash, property or securities of such Guarantor received upon the exercise of any such remedy.

Upon any distribution of assets of a Guarantor referred to in this Article 6 the Trustee, subject to the provisions of Article 7, the Holders shall be entitled to rely upon any order or decree made by any court of competent jurisdiction in which such dissolution, winding up, liquidation or reorganization proceedings are pending, or a certificate of the liquidating trustee or agent or other person making any distribution to the Trustee or to such Holders for the purpose of ascertaining the persons entitled to participate in such distribution, the holders of other indebtedness of such Guarantor, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article 6.

Section 6.03. Release of a Guarantor. (a) If all or substantially all of the assets of any Guarantor other than the Company or all of the Capital Stock of any Guarantor other than the Company is sold (including by consolidation, merger, issuance or otherwise) or disposed of (including by liquidation, dissolution or otherwise) by the Company or any of its Subsidiaries, or, unless the Company elects otherwise, if any Guarantor other than the Company is designated an Unrestricted Subsidiary in accordance with the terms of the Indenture, then such Guarantor (in the event of a sale or other disposition of all of the Capital Stock of such Guarantor or a designation as an Unrestricted Subsidiary) or the Person acquiring such assets (in the event of a sale or other disposition of all or substantially all of the assets of such Guarantor) shall be deemed automatically and unconditionally released and discharged from any of its obligations under the Indenture without any further action on the part of the Trustee or any Holder of Notes.

(b) Upon the release of the guarantee by a Guarantor (including, for the avoidance of doubt, the Issuer after it ceases to be the Issuer pursuant to Article 10) other than the Company under all then outstanding Applicable Debt, at any time after the suspension of the Extinguished Covenants pursuant to Section 4.18 hereof, the Guarantee of such Guarantor under the Indenture will be released and discharged in respect of the Notes at such time and no Restricted Subsidiary thereafter acquired or created will be required to be a Guarantor in respect of the Notes; *provided*, that the foregoing shall not apply to any release of any Guarantor done in contemplation of, or in connection with, any cessation of the Notes being rated Investment Grade. In the event that (i) any such released Guarantor thereafter guarantees any Applicable Debt (or if any released guarantee under any Applicable Debt is reinstated or renewed) or (ii) the Extinguished Covenants cease to be suspended pursuant to Section 4.18 hereof then any such released Guarantor and any other Restricted Subsidiary of Hovnanian then existing (other than KHL, Inc., the Issuer (for so long as it remains the Issuer) and K. Hovnanian Poland, sp.z.o.o.) will Guarantee the Notes on the terms and conditions set forth in this Indenture. For purposes of this clause (b), Applicable Debt secured by a Lien on such Restricted Subsidiary's Property or issued by such Restricted Subsidiary shall be deemed guaranteed by such Restricted Subsidiary.

(c) An Unrestricted Subsidiary that is a Guarantor shall be deemed automatically and unconditionally released and discharged from all obligations under its Guarantee upon notice from the Company to the Trustee to such effect, without any further action required on the part of the Trustee or any Holder.

Section 6.04. Execution and Delivery of Guarantee. The execution by each Guarantor of the Indenture (or a supplemental indenture in the form of Exhibit B) together with an executed guarantee substantially in the form of Exhibit A evidences the Guarantee of such Guarantor, whether or not the person signing as an officer of the Guarantor still holds that office at the time of authentication of any Note. The delivery of any Note by the Trustee after authentication constitutes due delivery of the Guarantee on behalf of each Guarantor.

Section 6.05. Limitation on Guarantor Liability. Notwithstanding anything to the contrary in this Article 6, each Guarantor, and by its acceptance of a Note, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent conveyance under applicable fraudulent conveyance provisions of the United States Bankruptcy Code or any comparable provision of state law. To effectuate that intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor under its Guarantee are limited to the maximum amount that would not render the Guarantor's obligations subject to avoidance under applicable fraudulent conveyance provisions of the United States Bankruptcy Code or any comparable provision of state law.

Section 6.06. Article 6 Not to Prevent Events of Default. The failure to make a payment on account of principal, premium, if any, or interest or Additional Interest, if any, on the Notes by reason of any provision in this Article 6 shall not be construed as preventing the occurrence of any Event of Default under Section 5.01.

Section 6.07. Waiver by the Guarantors. To the extent permitted by applicable law, each Guarantor hereby irrevocably waives diligence, presentment, demand of payment, demand of performance, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, the benefit of discussion, protest, notice and all demand whatsoever and covenants that this Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes, in this Indenture and in this Article 6.

Section 6.08. Subrogation and Contribution. Upon making any payment with respect to any obligation of the Issuer under this Article, the Guarantor making such payment will be subrogated to the rights of the payee against the Issuer with respect to such obligation; *provided*, that the Guarantor may not enforce either any right of subrogation, or any right to receive payment in the nature of contribution, or otherwise, from any other Guarantor, with respect to such payment so long as any amount payable by the Issuer hereunder or under the Notes remains unpaid.

Section 6.09. Stay of Acceleration. If acceleration of the time for payment of any amount payable by the Issuer under the Indenture or the Notes is stayed upon the insolvency, bankruptcy or reorganization of the Issuer, all such amounts otherwise subject to acceleration under the terms of the Indenture are nonetheless payable by the Guarantors hereunder forthwith on demand by the Trustee or the Holders.

Section 6.10. Guarantors as "obligors" for Provisions Included in the Indenture Pursuant to the Trust Indenture Act. Each provision included in the Indenture which is required to be included by any of Sections 310 to 317 of the Trust Indenture Act, inclusive, or is deemed applicable to the Indenture by virtue of the provisions of the Trust Indenture Act, and which applies to an "obligor," as that term is defined under the Trust Indenture Act, shall apply to each of the Guarantors.

ARTICLE 7 THE TRUSTEE

Section 7.01. General. (a) The duties and responsibilities of the Trustee are as provided by the Trust Indenture Act and as set forth herein. Whether or not expressly so provided, every provision of the Indenture relating to the conduct or affecting the liability of, or affording protection to, the Trustee is subject to this Article.

(b) Except during the continuance of an Event of Default, the Trustee need perform only those duties that are specifically set forth in the Indenture and no others, and no implied covenants or obligations will be read into this Indenture against the Trustee. In case an Event of Default has occurred and is continuing, the Trustee shall exercise those rights and powers vested in

it by this Indenture, and use the same degree of care and skill in their exercise as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

Section 7.02. Certain Rights of the Trustee. Subject to Trust Indenture Act Sections 315(a) through (d):

(a) The Trustee may rely, and will be protected in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make further inquiry or investigation into such facts or matters as it sees fit.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel conforming to Section 11.05 and the Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such a certificate or opinion. Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer or the Company, as applicable, shall be sufficient if signed by an Officer of the Issuer or the Company, as applicable.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders, unless such Holders have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction.

(e) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers or for any action it takes or omits to take in accordance with the direction of the Holders in accordance with Section 5.04 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under the Indenture.

(f) The Trustee may consult with counsel, and the written advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(g) No provision of the Indenture will require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties hereunder, or in the exercise of its rights or powers, unless it receives indemnity satisfactory to it against any loss, liability or expense.

Section 7.03. Individual Rights of the Trustee. The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not the Trustee. Any Agent may do the same with like rights. However, the Trustee is subject to Trust Indenture Act Sections 310(b) and 311. For purposes of Trust Indenture Act Section 311(b)(4) and (6):

(a) "**cash transaction**" means any transaction in which full payment for goods or securities sold is made within seven days after delivery of the goods or securities in currency or in checks or other orders drawn upon banks or bankers and payable upon demand; and

(b) "**self-liquidating paper**" means any draft, bill of exchange, acceptance or obligation which is made, drawn, negotiated or incurred for the purpose of financing the purchase, processing, manufacturing, shipment, storage or sale of goods, wares or merchandise and which is secured by

documents evidencing title to, possession of, or a lien upon, the goods, wares or merchandise or the receivables or proceeds arising from the sale of the goods, wares or merchandise previously constituting the security, provided the security is received by the Trustee simultaneously with the creation of the creditor relationship arising from the making, drawing, negotiating or incurring of the draft, bill of exchange, acceptance or obligation.

Section 7.04. Trustee's Disclaimer. The Trustee (a) makes no representation as to the validity or adequacy of this Indenture or the Notes, (b) is not accountable for the Company's use or application of the proceeds from the Notes and (c) is not responsible for any statement in the Notes other than its certificate of authentication.

Section 7.05. Reserved.

Section 7.06. Reports by Trustee to Holders. Within 60 days after each May 1, beginning with May 1, 2004, the Trustee will mail to each Holder, as provided in Trust Indenture Act Section 313(c) a brief report dated as of such May 1, if required by Trust Indenture Act Section 313(a).

Section 7.07. Compensation and Indemnity. (a) The Company will pay the Trustee compensation as agreed upon in writing for its services. The compensation of the Trustee is not limited by any law on compensation of a Trustee of an express trust. The Company will reimburse the Trustee upon request for all reasonable out-of-pocket expenses, disbursements and advances incurred or made by the Trustee, including the reasonable compensation and expenses of the Trustee's agents and counsel.

(b) The Company will indemnify the Trustee for, and hold it harmless against, any loss or liability or expense incurred by it without negligence or bad faith on its part arising out of or in connection with the acceptance or administration of the Indenture and its duties under the Indenture and the Notes, including the costs and expenses of defending itself against any claim or liability and of complying with any process served upon it or any of its officers in connection with the exercise or performance of any of its powers or duties under the Indenture and the Notes.

(c) To secure the Company's payment obligations in this Section, the Trustee will have a lien prior to the Notes on all money or property held or collected by the Trustee, in its capacity as Trustee, except money or property held in trust to pay principal of, premium, if any, and interest or Additional Interest, if any, on particular Notes.

Section 7.08. Replacement of Trustee. (a) (i) The Trustee may resign at any time by written notice to the Issuer.

(ii) The Holders of a majority in principal amount of the outstanding Notes may remove the Trustee by written notice to the Trustee.

(iii) If the Trustee is no longer eligible under Section 7.10 or in the circumstances described in Trust Indenture Act Section 310(b), any Holder that satisfies the requirements of Trust Indenture Act Section 310(b) may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(iv) The Issuer may remove the Trustee if: (A) the Trustee is no longer eligible under Section 7.10; (B) the Trustee is adjudged bankrupt or an insolvent; (C) a receiver or other public officer takes charge of the Trustee or its property; or (D) the Trustee becomes incapable of acting.

A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section.

(b) If the Trustee has been removed by the Holders, Holders of a majority in principal amount of the Notes may appoint a successor Trustee with the consent of the Issuer. Otherwise, if the Trustee resigns or is removed, or if a vacancy exists in the office of Trustee for any reason, the

Issuer will promptly appoint a successor Trustee. If the successor Trustee does not deliver its written acceptance within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuer or the Holders of a majority in principal amount of the outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) Upon delivery by the successor Trustee of a written acceptance of its appointment to the retiring Trustee and to the Issuer, (i) the retiring Trustee will transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.07, (ii) the resignation or removal of the retiring Trustee will become effective, and (iii) the successor Trustee will have all the rights, powers and duties of the Trustee under the Indenture. Upon request of any successor Trustee, the Issuer will execute any and all instruments for fully and vesting in and confirming to the successor Trustee all such rights, powers and trusts. The Issuer will give notice of any resignation and any removal of the Trustee and each appointment of a successor Trustee to all Holders, and include in the notice the name of the successor Trustee and the address of its Corporate Trust Office.

(d) Notwithstanding replacement of the Trustee pursuant to this Section, Issuer's obligations under Section 7.07 will continue for the benefit of the retiring Trustee.

(e) The Trustee agrees to give the notices provided for in, and otherwise comply with, Trust Indenture Act Section 310(b).

Section 7.09. Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation or national banking association, the resulting, surviving or transferee corporation or national banking association without any further act will be the successor Trustee with the same effect as if the successor Trustee had been named as the Trustee in the Indenture.

Section 7.10. Eligibility. The Indenture must always have a Trustee that satisfies the requirements of Trust Indenture Act Section 310(a) and has a combined capital and surplus of at least \$25,000,000 as set forth in its most recent published annual report of condition.

Section 7.11. Money Held in Trust. The Trustee will not be liable for interest on any money received by it except as it may agree with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law and except for money held in trust under Article 8.

ARTICLE 8 DEFEASANCE AND DISCHARGE

Section 8.01. Legal Defeasance And Discharge. The Issuer, the Company and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.03 hereof, be deemed to have been discharged from their respective obligations with respect to the Notes and the Guarantees on the date the conditions set forth below are satisfied (hereinafter, "**Legal Defeasance**"). For this purpose, Legal Defeasance means that the Issuer shall be deemed to have paid and discharged the entire Indebtedness represented by the Notes, which shall thereafter be deemed to be outstanding only for the purposes of Section 8.04 hereof and the other Sections of this Indenture referred to in clauses (a) and (b) below, and the Issuer, the Company and the Guarantors shall be deemed to have satisfied all of their respective obligations under the Notes, the Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments delivered to it by the Issuer acknowledging the same), except of the following provisions which shall survive until otherwise terminated or discharged hereunder: (a) the rights of Holders of Notes to receive payments in respect of the principal, premium, if any, and interest and Additional Interest, if any, on the Notes when such payments are due from the trust referred to below; (b) the Issuer's obligations with respect to the Notes concerning mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust; (c) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuer's and the Guarantors' obligations in connection therewith; (d) the Legal Defeasance provisions of this Indenture; (e) the rights of registration of transfer and exchange of the Notes; and (f) the rights of Holders that are beneficiaries with respect to property so deposited with the Trustee payable to all or any of them.

Section 8.02. Covenant Defeasance. The Issuer, the Company and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.03 hereof, be released from their obligations with respect to the Notes and the Guarantees under the covenants contained in Sections 4.06, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, clause (iii) of Section 4.14 and Article 6 (except for Sections 6.03 and 6.10) and each Guarantor's obligation under its Guarantee, on and after the date that the conditions set forth in Section 8.03 are satisfied (hereinafter, "**Covenant Defeasance**"), and the Notes shall thereafter be deemed not outstanding for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed outstanding for all other purposes hereunder (it being understood that the Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the Notes and the Guarantees, the Issuer, the Company and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 5.01 hereof, but, except as specified above, the remainder of this Indenture and the Notes shall be unaffected thereby. Subject to the satisfaction of the conditions set forth in Section 8.03 hereof, Sections 5.01(iii) (with respect to the covenants so defeased), 5.01(iv), 5.01(v), 5.01(vi) and 5.01(ix) shall not constitute Events of Default or Defaults hereunder.

Section 8.03. Conditions To Legal Or Covenant Defeasance. The following shall be the conditions to the application of either Section 8.01 or Section 8.02 hereof to the Notes:

In order to exercise either Legal Defeasance or Covenant Defeasance:

(a) the Issuer must irrevocably deposit, or cause to be deposited, with the Trustee, in trust, for the benefit of the Holders of Notes, cash in U.S. dollars, U.S. Government Obligations, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay, without reinvestment, the principal of, premium, if any, and interest and Additional Interest, if any, on the Notes on the stated maturity thereof or on the applicable redemption date, as the case may be, and the Issuer must specify whether the Notes are being defeased to maturity or to a particular redemption date;

(b) in the case of Legal Defeasance, the Issuer must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling, or there has been a change in the applicable United States federal income tax law after the date of this Indenture, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of Notes will not recognize income, gain or loss for United States federal income tax purposes as a result of such Legal Defeasance, and will be subject to United States federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of Covenant Defeasance, the Issuer must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the Holders of Notes will not recognize income, gain or loss for United States federal income tax purposes as a result of such Covenant Defeasance, and such Holders will be subject to United States federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) or insofar as Events of Default from bankruptcy or insolvency events are concerned, at any time in the period ending on the 91 day after the date of deposit;

(e) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than the Indenture) to which the Issuer or any of its Restricted Subsidiaries is a party or by which the Issuer or any of its Restricted Subsidiaries is bound;

(f) the Issuer must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders of Notes over other creditors of the Issuer, or with the intent of defeating, hindering, delaying or defrauding creditors of the Issuer or others; and

(g) the Issuer must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel in the United States reasonably acceptable to the Trustee, each stating that the conditions precedent provided for or relating to Legal Defeasance or Covenant Defeasance, as applicable, in the case of the Officer's Certificate, in clauses (a) through (f) and, in the case of the opinion of Counsel, in clauses (b) and (c) of this paragraph, have been complied with.

Section 8.04. Deposited Money And Government Securities To Be Held In Trust; Other Miscellaneous Provisions. Subject to Section 8.05 hereof, all money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively, and solely for purposes of this Section 8.04, the "Trustee") pursuant to Section 8.03 hereof in respect of the Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or indirectly or through any paying agent (including the Issuer acting as paying agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, interest and Additional Interest, if any, but such money need not be segregated from other funds except to the extent required by law.

The Issuer shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable U.S. Government Obligations deposited pursuant to Section 8.03 hereof or the principal, premium, if any, interest and Additional Interest, if any, received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of Notes.

Anything in this Article 8 to the contrary notwithstanding, the Trustee shall deliver or pay, solely to the extent available in such trust, to the Issuer from time to time upon the request of the Issuer any money or non-callable U.S. Government Obligations held by it as provided in Section 8.03 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.03(a) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.05. Repayment To Issuer. Any money deposited with the Trustee or any paying agent, or then held by the Issuer, in trust for the payment of the principal, premium, if any, interest and Additional Interest, if any, on the Notes and remaining unclaimed for two years after such principal, premium, if any, interest and Additional Interest, if any, has become due and payable shall be paid to the Issuer on its request or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Note shall thereafter, as an unsecured creditor, look only to the Issuer for payment thereof, and all liability of the Trustee or such paying agent with respect to such trust money, and all liability of the Issuer as trustee thereof, shall thereupon cease; *provided, however,* that the Trustee or such paying agent, before being required to make any such repayment, may at the expense of the Issuer cause to be published once, in The New York Times and The Wall Street Journal (national editions), notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

Section 8.06. Reinstatement. If the Trustee or paying agent is unable to apply any money or non-callable U.S. Government Obligations in accordance with Section 8.01 or Section 8.02 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.01 or Section 8.02 hereof until such time as the Trustee or paying agent is permitted to apply all such money in accordance with Section 8.01 or Section 8.02 hereof, as the case may be; *provided, however*, that, if the Issuer makes any payment of principal of, premium, if any, or interest or Additional Interest, if any, on any Note following the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or paying agent.

Section 8.07. Survival. The Trustee's rights under Article 7 and this Article 8 shall survive termination of this Indenture.

Section 8.08. Satisfaction and Discharge of Indenture. If at any time (a) the Issuer shall have paid or caused to be paid the principal of, premium, if any, and interest and Additional Interest, if any, on all the outstanding Notes (other than Notes which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.04) as and when the same shall have become due and payable, or (b) the Issuer shall have delivered to the Trustee for cancellation all Notes theretofore authenticated (other than Notes which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.04); and if, in any such case, the Issuer shall also pay or cause to be paid all other sums payable hereunder by the Issuer (including all amounts, payable to the Trustee pursuant to Section 7.07), then this Indenture shall cease to be of further effect, and the Trustee, on demand of the Issuer accompanied by an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the satisfaction and discharge contemplated by this provision have been complied with, and at the cost and expense of the Issuer, shall execute proper instruments acknowledging such satisfaction and discharging of this Indenture. The Issuer agrees to reimburse the Trustee for any costs or expenses thereafter reasonably and properly incurred, and to compensate the Trustee for any services thereafter reasonably and properly rendered, by the Trustee in connection with this Indenture or the Notes.

ARTICLE 9 AMENDMENTS, SUPPLEMENTS AND WAIVERS

Section 9.01. Amendments Without Consent of Holders. The Company, the Issuer, the Guarantors and the Trustee may amend, supplement or waive the Indenture or the Notes without notice to or the consent of any Holder:

- (a) to convey, transfer, assign, mortgage or pledge to the Trustee as security for the Notes any property or assets;
- (b) to evidence the succession of another Person to the Issuer or the Company or successive successions, and the assumption by the successor Person of the covenants, agreements and obligations of the Issuer or the Company herein and in the Notes or the Guarantees;
- (c) to add to the covenants of the Issuer or the Company such further covenants, restrictions, conditions or provisions for the protection of the Holders of Notes, or to surrender any right or power herein conferred upon the Issuer or the Company, and to make the occurrence, or the occurrence and continuance, of a default in any such additional covenants, restrictions, conditions or provisions an Event of Default permitting the enforcement of all or any of the several remedies provided in this Indenture as herein set forth; *provided, however*, that in respect of any such additional covenants, restrictions, conditions or provisions such amendment, supplemented indenture or waiver may provide for a particular period of grace after default (which period may

be shorter or longer than that allowed in the case of other defaults) or may provide for an immediate enforcement upon such an Event of Default or may limit the remedies available to the Trustee upon such an Event of Default or may limit the right of the Holders of a majority in aggregate principal amount of the Notes to waive such an Event of Default;

- (d) to confirm and evidence the termination or discharge of any Guarantee of or Lien securing the Notes when such release, termination or discharge is permitted by the Indenture;
- (e) to cure any ambiguity, defect or inconsistency in the Indenture or the Notes;
- (f) to evidence compliance with Section 4.14;
- (g) to comply with any requirements of the Commission in connection with the qualification of the Indenture under the Trust Indenture Act;
- (h) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee;
- (i) to provide for uncertificated Notes in addition to, or in place of, Certificated Notes;
- (j) to provide for any Guarantee of the Notes, to secure the Notes or to confirm and evidence the release, termination or discharge of any Guarantee of or Lien securing the Notes when such release, termination or discharge is permitted by the Indenture;
- (k) to provide for or confirm the issuance of Additional Notes; or
- (l) to make any other change that does not adversely affect the legal rights of any Holder.

Section 9.02. Amendments With Consent of Holders. (a) Except as otherwise provided in Sections 5.01, 5.03 and 5.06 or paragraph (b), the Company, the Issuer, the Guarantors and the Trustee may amend or supplement the Indenture and the Notes with the written consent of the Holders of a majority in principal amount of the outstanding Notes (which may include consents obtained in connection with a tender offer or exchange offer), and the Holders of a majority in principal amount of the outstanding Notes by written notice to the Trustee may waive future compliance by the Company, the Issuer and the Guarantors with any provision of the Indenture or the Notes (which may include waivers obtained in connection with a tender offer or exchange offer).

- (b) Notwithstanding the provisions of paragraph (a), without the consent of each Holder affected, an amendment or waiver may not:
 - (i) reduce the amount of Notes whose Holders must consent to an amendment, supplement or waiver,
 - (ii) reduce the rate of, or change the time for payment of, any interest, including default interest, on any Note,
 - (iii) reduce principal of, or change the fixed maturity of, any Note or alter the provisions (including related definitions) with respect to redemptions described under Article 3 or with respect to mandatory offers to repurchase Notes described under Section 4.10 and Section 4.12,
 - (iv) make any Note payable in money other than that stated in the Note,
 - (v) modify the ranking or priority of the Notes or any Guarantee,
 - (vi) make any change in Sections 5.03 or 5.06,
 - (vii) release any Guarantor from any of its obligations under its Guarantee or the Indenture otherwise than in accordance with the Indenture,
- or

(viii) waive a continuing Default or Event of Default in the payment of principal of, premium, if any, or interest or Additional Interest, if any, on the Notes.

(c) It is not necessary for Holders to approve the particular form of any proposed amendment, supplement or waiver, but is sufficient if their consent approves the substance thereof.

(d) An amendment, supplement or waiver under this Section will become effective on receipt by the Trustee of written consents from the Holders of the requisite percentage in principal amount of the outstanding Notes. After an amendment, supplement or waiver under this Section becomes effective, the Issuer (or the Trustee at the request and expense of the Issuer) will send to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. The Issuer will send supplemental indentures to Holders upon request. Any failure of the Issuer to send such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such supplemental indenture, amendment or waiver.

Section 9.03. Effect of Consent. (a) After an amendment, supplement or waiver becomes effective, it will bind every Holder unless it is of the type requiring the consent of each Holder affected. If the amendment, supplement or waiver is of the type requiring the consent of each Holder affected, the amendment, supplement or waiver will bind each Holder that has consented to it and every subsequent Holder of a Note that evidences the same debt as the Note of the consenting Holder.

(b) If an amendment, supplement or waiver changes the terms of a Note, the Trustee may require the Holder to deliver it to the Trustee so that the Trustee may place an appropriate notation of the changed terms on the Note and return it to the Holder, or exchange it for a new Note that reflects the changed terms. The Trustee may also place an appropriate notation on any Note thereafter authenticated. However, the effectiveness of the amendment, supplement or waiver shall not be affected or impaired by any failure to annotate or exchange Notes in this fashion.

Section 9.04. Trustee's Rights and Obligations. The Trustee is entitled to receive, and will be fully protected in relying upon, an Opinion of Counsel stating (i) that the execution of any amendment, supplement or waiver authorized pursuant to this Article is authorized or permitted by the Indenture and (ii) in the case of an amendment, supplement or waiver in connection with Section 9.01(l) that such amendment, supplement or waiver does not adversely affect the legal rights of any Holder of Notes affected by such change. If the Trustee has received such an Opinion of Counsel, it shall sign the amendment, supplement or waiver so long as the same does not adversely affect the rights of the Trustee. The Trustee may, but is not obligated to, execute any amendment, supplement or waiver that affects the Trustee's own rights, duties or immunities under the Indenture.

Section 9.05. Conformity with Trust Indenture Act. Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act.

Section 9.06. Payments for Consents. Neither the Issuer, the Company nor any of its Subsidiaries or Affiliates may, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of the Indenture or the Notes unless such consideration is offered to be paid or agreed to be paid to all Holders of Notes that consent, waive or agree to amend such term or provision within the time period set forth in the solicitation documents relating to the consent, waiver or amendment.

ARTICLE 10 RELEASE OF ISSUER AND GUARANTORS

Section 10.01. Release of Issuer. (a) The Issuer shall be released from its obligations under this Indenture and the Notes, without the consent of the Holders, if: (1) the Company or any successor to the Company has assumed the obligations of the Issuer under this Indenture and the Notes, by

supplemental indenture executed and delivered to the Trustee and satisfactory in form to the Trustee, (2) the Company delivers an Opinion of Counsel to the Trustee to the effect that Holders will not recognize income, gain or loss for United States federal income tax purposes as a result of such release and such Holders will be subject to United States federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such release had not occurred and (3) the Issuer shall (w) become a Guarantor subject to the provisions of Article 6 and Section 4.11 hereof, (x) execute a Guarantee, (y) execute a supplemental indenture evidencing its Guarantee and (z) deliver an Opinion of Counsel to the Trustee to the effect that the supplemental indenture has been duly authorized, executed and delivered by the Issuer and constitutes a valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms (subject to customary exceptions).

(b) A Guarantor may be released from its obligations under the Indenture, the Notes and its Guarantee in accordance with the provisions contained in Section 6.03 herein.

ARTICLE 11 MISCELLANEOUS

Section 11.01. Trust Indenture Act of 1939. The Indenture shall incorporate and be governed by the provisions of the Trust Indenture Act that are required to be part of and to govern indentures qualified under the Trust Indenture Act. To the extent permitted by applicable law, in the event of any inconsistency between the terms of the Notes and the terms of the Indenture, the terms of the Indenture will control.

Section 11.02. Holder Communications; Holder Actions. (a) The rights of Holders to communicate with other Holders with respect to the Indenture or the Notes are as provided by the Trust Indenture Act, and the Company and the Issuer shall comply with the requirements of Trust Indenture Act Section 312(a). Neither the Company, the Issuer nor the Trustee will be held accountable by reason of any disclosure of information as to names and addresses of Holders made pursuant to the Trust Indenture Act.

(b) (i) any request, demand, authorization, direction, notice, consent to amendment, supplement or waiver or other action provided by this Indenture to be given or taken by a Holder (an "**act**") may be evidenced by an instrument signed by the Holder delivered to the Trustee. The fact and date of the execution of the instrument, or the authority of the person executing it, may be proved in any manner that the Trustee deems sufficient.

(ii) The Trustee may make reasonable rules for action by or at a meeting of Holders, which will be binding on all the Holders.

(c) Any act by the Holder of any Note binds that Holder and every subsequent Holder of a Note that evidences the same debt as the Note of the acting Holder, even if no notation thereof appears on the Note. Subject to paragraph (d), a Holder may revoke an act as to its Notes, but only if the Trustee receives the notice of revocation before the date the amendment or waiver or other consequence of the act becomes effective.

(d) The Issuer may, but is not obligated to, fix a record date (which need not be within the time limits otherwise prescribed by Trust Indenture Act Section 316(c)) for the purpose of determining the Holders entitled to act with respect to any amendment or waiver or in any other regard, except that during the continuance of an Event of Default, only the Trustee may set a record date as to notices of Default, any declaration or acceleration or any other remedies or other consequences of the Event of Default. If a record date is fixed, those Persons that were Holders at such record date and only those Persons will be entitled to act, or to revoke any

previous act, whether or not those Persons continue to be Holders after the record date. No act will be valid or effective for more than 90 days after the record date.

Section 11.03. Notices. (a) Any notice or communication to the Issuer or the Company will be deemed given if in writing (i) when delivered in person or (ii) five days after mailing when mailed by first class mail or (iii) when sent by facsimile transmission, with transmission confirmed. Notices or communications to a Guarantor will be deemed given if given to the Company. Any notice to the Trustee will be effective only upon receipt. In each case the notice or communication should be addressed as follows:

if to the Issuer or the Company:

K. Hovnanian Enterprises, Inc.
10 Highway 35
P.O. Box 500
Red Bank, NJ 007701
Facsimile: (732) 747-7159
Attention: General Counsel

if to the Trustee:

Wachovia Bank, National Association
21 South Street
Morristown, NJ 07960
ATTN: Corporate Trust Administration
(K. Hovnanian Enterprises, Inc. Senior
Notes due 2014)
Facsimile: (973) 682-4531

The Issuer or the Trustee by notice to the other may designate additional or different addresses for subsequent notices or communications.

(b) Except as otherwise expressly provided with respect to published notices, any notice or communication to a Holder will be deemed given when mailed to the Holder at its address as it appears on the Register by first class mail or, as to any Global Note registered in the name of DTC or its nominee, as agreed by the Issuer, the Trustee and DTC. Copies of any notice or communication to a Holder, if given by the Issuer or the Company, will be mailed to the Trustee at the same time. Defect in mailing a notice or communication to any particular Holder will not affect its sufficiency with respect to other Holders.

(c) Where the Indenture provides for notice, the notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and the waiver will be the equivalent of the notice. Waivers of notice by Holders must be filed with the Trustee, but such filing is not a condition precedent to the validity of any action taken in reliance upon such waivers.

Section 11.04. Certificate and Opinion as to Conditions Precedent. Upon any request or application by the Issuer or the Company to the Trustee to take any action under the Indenture, the Issuer or the Company will furnish to the Trustee:

(a) an Officers' Certificate stating that, in the opinion of the signers, all conditions precedent, if any, provided for in the Indenture relating to the proposed action have been complied with; and

(b) an Opinion of Counsel stating that all such conditions precedent relating to the proposed action have been complied with.

Section 11.05. Statements Required in Certificate or Opinion. Each certificate or opinion with respect to compliance with a condition or covenant provided for in the Indenture must include:

- (a) a statement that each person signing the certificate or opinion has read the covenant or condition and the related definitions;
- (b) a brief statement as to the nature and scope of the examination or investigation upon which the statement or opinion contained in the certificate or opinion is based;
- (c) a statement that, in the opinion of each such person, that person has made such examination or investigation as is necessary to enable the person to express an informed opinion as to whether or not such covenant or condition has been complied with; and
- (d) a statement as to whether or not, in the opinion of each such person, such condition or covenant has been complied with, *provided*, that an Opinion of Counsel may rely on an Officers' Certificate or certificates of public officials with respect to matters of fact.

Any certificate, statement or opinion of an Officer of the Issuer or the Company, as applicable, may be based, insofar as it relates to legal matters, upon a certificate or opinion of or representations by counsel, unless such Officer knows that the certificate or opinion or representations with respect to the matters upon which such certificate, statement or opinion may be based as aforesaid are erroneous, or in the exercise of reasonable care should know that the same are erroneous. Any certificate, statement or Opinion of Counsel may be based, insofar as it relates to factual matters on information with respect to which is in the possession of the Issuer, or the Company, as applicable, upon the certificate, statement or opinion of or representations by an officer or officers of the Issuer, or the Company, as applicable, unless such counsel knows that the certificate, statement or opinion or representations with respect to the matters upon which such certificate, statement or opinion may be based as aforesaid are erroneous, or in the exercise of reasonable care should know that the same are erroneous.

Any certificate, statement or opinion of an Officer of the Issuer or the Company, as applicable, or of counsel may be based, insofar as it relates to accounting matters, upon a certificate or opinion of or representations by an accountant or firm of accountants in the employ of the Issuer or the Company, as applicable, unless such Officer or counsel, as the case may be, knows that the certificate or opinion or representations with respect to the accounting matters upon which such certificate, statement or opinion may be based as aforesaid are erroneous, or in the exercise of reasonable care should know that the same are erroneous.

Any certificate or opinion of any independent firm of public accountants filed with and directed to the Trustee shall contain a statement that such firm is independent.

Section 11.06. Payment Date Other Than a Business Day. If any payment with respect to a payment of any principal of, premium, if any, or interest or Additional Interest, if any, on any Note (including any payment to be made on any date fixed for redemption or purchase of any Note) is due on a day which is not a Business Day, then the payment need not be made on such date, but may be made on the next Business Day with the same force and effect as if made on such date, and no interest will accrue for the intervening period.

Section 11.07. Governing Law. The Indenture, the Guarantees and the Notes shall be governed by, and construed in accordance with, the laws of the State of New York.

Section 11.08. No Adverse Interpretation of Other Agreements. The Indenture may not be used to interpret another indenture or loan or debt agreement of the Issuer, the Company or any Subsidiary of the Company, and no such indenture or loan or debt agreement may be used to interpret the Indenture.

Section 11.09. Successors. All agreements of the Issuer, the Company or any Guarantor in the Indenture and the Notes will bind its successors. All agreements of the Trustee in the Indenture will bind its successor.

Section 11.10. Duplicate Originals. The parties may sign any number of copies of the Indenture. Each signed copy shall be an original, but all of them together represent the same agreement.

Section 11.11. Separability. To the extent permitted by applicable law, in case any provision in the Indenture or in the Notes is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 11.12. Table of Contents and Headings. The Table of Contents, Cross-Reference Table and headings of the Articles and Sections of the Indenture have been inserted for convenience of reference only, are not to be considered a part of the Indenture and in no way modify or restrict any of the terms and provisions of the Indenture.

Section 11.13. No Liability of Directors, Officers, Employees, Partners, Incorporators and Stockholders. No recourse under or upon any obligation, covenant or agreement contained in this Indenture, or in the Notes, or because of any indebtedness evidenced thereby, shall be had against any incorporator, as such or against any past, present or future stockholder, officer, director or employee, as such, of the Issuer, the Company or the Guarantors or any partner of the Issuer, the Company or the Guarantors or of any successor, either directly or through the Issuer, the Company or the Guarantors or any successor, under any rule of law, statute or constitutional provision or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, all such liability being expressly waived and released by the acceptance of the Notes by the Holders thereof and as part of the consideration for the issue of the Notes.

Section 11.14. Provisions of Indenture for the Sole Benefit of Parties and Holders of Notes. Nothing in this Indenture or in the Notes, expressed or implied, shall give or be construed to give to any Person, other than the parties hereto and their successors and the Holders of Notes, any legal or equitable right, remedy or claim under this Indenture or under any covenant or provision herein contained, all such covenants and provisions being for the sole benefit of the parties hereto and their successors and of the Holders of Notes.

6³/₈% Senior Notes Due 2014

Capitalized terms used herein are used as defined in the Indenture referred to below unless otherwise indicated.

1. *Principal and Interest.*

K. Hovnanian Enterprises, Inc. (the "**Issuer**," which term includes any successor under the Indenture hereinafter referred to), a California corporation, promises to pay the principal of this Note on December 15, 2014.

The Issuer promises to pay interest on the principal amount of this Note on each interest payment date, as set forth on the face of this Note, at the rate of 6³/₈% per annum.

Interest will be payable semiannually (to the holders of record of the Notes at the close of business on the June 1 or December 1 immediately preceding the interest payment date) on each interest payment date, commencing June 15, 2004.

The Holder of this Note is entitled to the benefits of the Registration Rights Agreement, dated March 18, 2004, among the Issuer, the Guarantors party thereto and the Initial Purchasers named therein (the "**Registration Rights Agreement**"). In the event of a Registration Default (as defined in the Registration Rights Agreement), the Holder shall be entitled to Additional Interest as specified in the Registration Rights Agreement until the Registration Default is cured.

Interest on this Note will accrue from the most recent date to which interest has been paid on this Note or the Note surrendered in exchange for this Note (or, if there is no existing default in the payment of interest and if this Note is authenticated between a regular record date and the next interest payment date, from such interest payment date) or, if no interest has been paid, from March 18, 2004. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

2. *Paying Agent and Registrar.*

Initially, Wachovia Bank, National Association (the "**Trustee**") will act as Paying Agent and Registrar. The Issuer may change or appoint any Paying Agent, Registrar or co-Registrar without notice to any Holder. The Issuer or any of its Subsidiaries may act as Paying Agent, Registrar or co-Registrar.

3. *Indenture; Guarantees.*

This is one of the Notes issued under an Indenture dated as of March 18, 2004 (as amended from time to time, the "**Indenture**"), among the Issuer, the Guarantors party thereto and the Trustee. Capitalized terms used herein are used as defined in the Indenture unless otherwise indicated. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act. The Notes are subject to all such terms, and Holders are referred to the Indenture and the Trust Indenture Act for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture will control.

The Notes are general unsecured obligations of the Issuer. The Indenture limits the original aggregate principal amount of the Notes issued thereunder to \$150,000,000, but Additional Notes may be issued pursuant to the Indenture, and the originally issued Notes and all such Additional Notes vote together for all purposes as a single class. This Note is guaranteed by the Guarantors as set forth in the Indenture and the Guarantee endorsed hereon.

Reference is hereby made to the Indenture for a statement of the respective rights, duties and obligations thereunder of the Guarantors, the Trustee and the Holders.

4. *Optional Redemption.*

The Notes will be redeemable, in whole, at any time, or in part, from time to time, at the option of the Issuer upon not less than 30 nor more than 60 days' notice at a redemption price equal to the sum of:

- (a) 100% of the principal amount thereof, plus accrued and unpaid interest thereon to the redemption date; *plus*
- (b) the Make-Whole Amount.

The Trustee shall have no responsibility in connection with the calculation of such redemption price.

"Make-Whole Amount" means, in connection with any optional redemption of any Note, the excess, if any, of: (a) the aggregate present value as of the date of such redemption of each dollar of principal being redeemed and the amount of interest (exclusive of interest accrued to the redemption date) that would have been payable in respect of such dollar if such prepayment had not been made, determined by discounting, on a semiannual basis, such principal and interest at the Treasury Rate (determined on the Business Day preceding the date of such redemption) plus 0.5%, from the respective dates on which such principal and interest would have been payable if such payment had not been made; over (b) the principal amount of the Note being redeemed.

"Treasury Rate" means, in connection with the calculation of any Make-Whole Amount with respect to any Note, the yield to maturity at the time of computation of United States Treasury securities with a constant maturity, as compiled by and published in the most recent Federal Reserve Statistical Release H.15 (519) that has become publicly available at least two business days prior to the redemption date (or, if such Statistical Release is no longer published, any publicly available source or similar market data), equal to the then remaining maturity of the Note being prepaid. If no maturity exactly corresponds to such maturity, yields for the published maturities occurring prior to and after such maturity most closely corresponding to such maturity shall be calculated pursuant to the immediately preceding sentence and the Treasury Rate shall be interpolated or extrapolated from such yields on a straight-line basis, rounding in each of such relevant periods to the nearest month.

If less than all of the Notes are to be redeemed at any time, the Trustee will select Notes for redemption on a *pro rata* basis, by lot or by such other method as the Trustee in its sole discretion shall deem appropriate and fair.

No Notes of \$1,000 in original principal amount or less shall be redeemed in part. Notices of redemption may not be conditional.

If any Note is to be redeemed in part only, the notice of redemption that relates to that Note shall state the portion of the principal amount thereof to be redeemed. A new Note in principal amount equal to the unredeemed portion of the original Note will be issued in the name of the Holder thereof upon cancellation of the original Note. Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue on Notes or portions thereof called for redemption.

5. *Mandatory Redemption.*

There is no sinking fund for, or mandatory redemption of, the Notes.

6. *Discharge and Defeasance.*

If the Issuer deposits with the Trustee money and/or U.S. Government Obligations sufficient to pay the then outstanding principal of, interest and Additional Interest, if any, and accrued interest on the Notes to redemption or maturity, as the case may be, the Issuer, the Company and the Guarantors may in certain circumstances be discharged from the Indenture, the Notes and the Guarantees or may be discharged from certain of their obligations under certain provisions of the Indenture.

7. *Registered Form; Denominations; Transfer; Exchange.*

The Notes are in registered form only without coupons in denominations of \$1,000 principal amount and any multiple of \$1,000 in excess thereof. A Holder may register the transfer or exchange of Notes in accordance with the Indenture. The Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Pursuant to the Indenture, there are certain periods during which the Trustee will not be required to issue, register the transfer of, or exchange any Note or certain portions of a Note.

8. *Persons Deemed Owners.*

The registered Holder of this Note shall be treated as the owner of it for all purposes.

9. *Defaults and Remedies.*

If an Event of Default, occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Notes may declare all the Notes to be due and payable immediately. If a bankruptcy or insolvency default with respect to the Issuer or the Company occurs and is continuing, the Notes automatically become immediately due and payable. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may require indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the Notes then outstanding may direct the Trustee in its exercise of remedies.

10. *Amendment, Supplement and Waiver.*

Subject to certain exceptions, the Indenture, the Notes and the Guarantees may be amended or supplemented, or future compliance therewith may be waived, with the consent of the Holders of a majority in principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Issuer, the Company, the Guarantors and the Trustee may amend or supplement the Indenture, the Notes or the Guarantees to, among other things, cure any ambiguity, defect or inconsistency or if such amendment or supplement does not adversely affect the legal rights of any Holder.

11. *Trustee Dealings With Issuer.*

The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Issuer or its affiliates, with the same rights as if it were not Trustee; *however*, if it acquires any conflicting interest (as defined in the Trust Indenture Act), it must eliminate such conflict, apply to the Commission for permission to continue or resign.

12. *No Recourse Against Others.*

An incorporator, and any past, present or future director, officer, partner, employee or stockholder, as such, of the Issuer, the Company or the Guarantors shall not have any liability for any obligations of the Issuer, the Company or the Guarantors under the Notes, the Indenture or the Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Notes.

13. *Governing Law.*

THIS NOTE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

14. *CUSIP Numbers.*

Pursuant to a recommendation promulgated by the Committee on Uniform Note Identification Procedures, the Issuer has caused CUSIP numbers to be printed on the Notes, and the Trustee may use CUSIP numbers in notices as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice and reliance may be placed only on the other identification numbers placed thereon.

15. *Authentication.*

This Note is not valid until the Trustee (or Authenticating Agent) manually signs the certificate of authentication on the other side of this Note.

16. *Abbreviations.*

Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian) and U/G/M/A/ (= Uniform Gifts to Minors Act).

SECTION 2. HOLDERS

A person is deemed to be a holder of Transfer Restricted Securities (a "**Holder**") whenever such person owns Transfer Restricted Securities.

SECTION 3. REGISTERED EXCHANGE OFFER

(a) Unless the Exchange Offer shall not be permitted by applicable federal law (after the procedures set forth in Section 6(a)(i) below have been complied with), the Company and the

Guarantors shall (i) cause the Exchange Offer Registration Statement to be filed with the Commission as soon as practicable after the Closing Date, but in no event later than 90 days after the Closing Date (such 90th day being the "**Filing Deadline**"), (ii) use their reasonable best efforts to cause such Exchange Offer Registration Statement to become effective at the earliest possible time, but in no event later than 150 days after the Closing Date (such 150th day being the "**Effectiveness Deadline**"), (iii) in connection with the foregoing, (A) file all pre-effective amendments to such Exchange Offer Registration Statement as may be necessary in order to cause it to become effective, (B) file, if applicable, a post-effective amendment to such Exchange Offer Registration Statement pursuant to Rule 430A under the Act and (C) cause all necessary filings, if any, in connection with the registration and qualification of the Series B Notes to be made under the Blue Sky laws of such jurisdictions as are necessary to permit Consummation of the Exchange Offer, *provided, however*, that neither the Company nor any Guarantor shall be required to register or qualify as a foreign corporation or other entity, as applicable, where it is not now so qualified or to take any action that would subject it to the service of process in suits or to taxation, other than as to matters and transactions relating to the Registration Statement, in any jurisdiction where it is not now so subject; (iv) upon the effectiveness of such Exchange Offer Registration Statement, commence and consummate the Exchange Offer. The Exchange Offer shall be on the appropriate form permitting (i) registration of the Series B Notes to be offered in exchange for the Series A Notes that are Transfer Restricted Securities and (ii) resales of Series B Notes by Broker-Dealers that tendered into the Exchange Offer Series A Notes that such Broker-Dealer acquired for its own account as a result of market making activities or other trading activities (other than Series A Notes acquired directly from the Company, the Guarantors or any of their Affiliates) as contemplated by Section 3(c) below.

(b) The Company and the Guarantors shall use their respective reasonable best efforts to cause the Exchange Offer Registration Statement to be effective continuously for the period specified in Section 3(c) below and shall keep the Exchange Offer open for a period of not less than the minimum period required under applicable federal and state securities laws to consummate the Exchange Offer; *provided, however*, that in no event shall such period be less than 20 Business Days. The Company and the Guarantors shall cause the Exchange Offer to comply with all applicable federal and state securities laws. No securities other than the Series B Notes and the guarantees thereof shall be included in the Exchange Offer Registration Statement. The Company and the Guarantors shall use their reasonable best efforts to cause the Exchange Offer to be consummated on or prior to 30 Business Days after the Exchange Offer Registration Statement has become effective, but in no event later than 40 Business Days thereafter (such 40th day being the "**Consummation Deadline**").

(c) The Company shall include a "Plan of Distribution" section in the Prospectus contained in the Exchange Offer Registration Statement and indicate therein that any Broker-Dealer who holds Transfer Restricted Securities that were acquired for the account of such Broker-Dealer as a result of market-making activities or other trading activities (other than Series A Notes acquired directly from the Company, the Guarantors or any of their Affiliates) (a "**Participating Broker-Dealer**") may exchange such Transfer Restricted Securities pursuant to the Exchange Offer. Such "Plan of Distribution" section shall also contain all other information with respect to such sales by such Participating Broker-Dealers that the Commission may require in order to permit such sales pursuant thereto, but such "Plan of Distribution" shall not name any such Participating Broker-Dealer or disclose the amount of Transfer Restricted Securities held by any such Participating Broker-Dealer, except to the extent required by the Commission as a result of a change in policy, rules or regulations after the date of this Agreement. See the Shearman & Sterling No-Action Letter (available July 2, 1993).

Because such Participating Broker-Dealer may be deemed to be an "underwriter" within the meaning of the Act and must, therefore, deliver a prospectus meeting the requirements of the Act in connection with its initial sale of any Series B Notes received by such Participating Broker-Dealer in the Exchange Offer, the Company and Guarantors shall permit the use of the Prospectus contained in

the Exchange Offer Registration Statement by such Participating Broker-Dealer to satisfy such prospectus delivery requirement. In light of the foregoing, if requested by any Participating Broker- Dealer and to the extent necessary to ensure that the prospectus contained in the Exchange Offer Registration Statement is available for sales of Series B Notes by Broker-Dealers, the Company and the Guarantors agree to use their respective best efforts to keep the Exchange Offer Registration Statement continuously effective, supplemented, amended and current as required by and subject to the provisions of Sections 6(a) and (c) hereof and in conformity with the requirements of this Agreement, the Act and the policies, rules and regulations of the Commission as announced from time to time for a period of 180 days from the Consummation Deadline or such shorter period as will terminate when all Transfer Restricted Securities covered by such Registration Statement have been sold pursuant thereto. The Company and the Guarantors shall provide sufficient copies of the latest version of such Prospectus to such Broker-Dealers promptly upon request and in no event later than one Business Day after such request at any time during such period.

SECTION 4. SHELF REGISTRATION

(a) *Shelf Registration.* If (i) the Exchange Offer is not permitted by applicable law (after the Company and the Guarantors have complied with the procedures set forth in Section 6(a)(i) below) or (ii) if any Holder of Transfer Restricted Securities shall notify the Company within 20 Business Days following the Consummation Deadline that (A) based on an opinion of counsel, such Holder was prohibited by law or Commission policy from participating in the Exchange Offer or (B) such Holder is a Broker-Dealer and holds Series A Notes acquired directly from the Company or any of its Affiliates, then the Company and the Guarantors shall:

(x) cause to be filed, on or prior to 30 days after the earlier of (i) the date on which the Company determines that the Exchange Offer Registration Statement cannot be filed as a result of clause (a)(i) above and (ii) the date on which the Company receives the notice specified in clause (a)(ii) above, (such earlier date, the "**Filing Deadline**"), a shelf registration statement pursuant to Rule 415 under the Act (which may be an amendment to the Exchange Offer Registration Statement) (the "**Shelf Registration Statement**"), relating to all Transfer Restricted Securities, and

(y) shall use their respective reasonable best efforts to cause such Shelf Registration Statement to become effective on or prior to 60 days after the Filing Deadline for the Shelf Registration Statement (such 60th day being the "**Effectiveness Deadline**").

If, after the Company has filed an Exchange Offer Registration Statement that satisfies the requirements of Section 3(a) above, the Company is required to file and make effective a Shelf Registration Statement solely because the Exchange Offer is not permitted under applicable federal law (i.e., clause (a)(i) above), then the filing of the Exchange Offer Registration Statement shall be deemed to satisfy the requirements of clause (x) above; *provided that*, in such event, the Company shall remain obligated to meet the Effectiveness Deadline set forth in clause (y).

To the extent necessary to ensure that the Shelf Registration Statement is available for sales of Transfer Restricted Securities by the Holders thereof entitled to the benefit of this Section 4(a) and the other securities required to be registered therein pursuant to Section 6(b)(ii) hereof, the Company and the Guarantors shall use their respective reasonable best efforts to keep any Shelf Registration Statement required by this Section 4(a) continuously effective, supplemented, amended and current as required by and subject to the provisions of Sections 6(b) and (c) hereof and in conformity with the requirements of this Agreement, the Act and the policies, rules and regulations of the Commission as announced from time to time, for a period of at least two years (as extended pursuant to Section 6(d)) following the Closing Date, or such shorter period as will terminate when all Transfer Restricted Securities covered by such Shelf Registration Statement have been sold pursuant thereto.

(b) *Provision by Holders of Certain Information in Connection with the Shelf Registration Statement.* No Holder of Transfer Restricted Securities may include any of its Transfer Restricted Securities in any Shelf Registration Statement pursuant to this Agreement unless and until such Holder furnishes to the Company in writing, within 20 days after receipt of a request therefor, the information specified in Item 507 or 508 of Regulation S-K, as applicable, of the Act for use in connection with any Shelf Registration Statement or Prospectus or preliminary Prospectus included therein. No Holder of Transfer Restricted Securities shall be entitled to additional interest pursuant to Section 5 hereof unless and until such Holder shall have provided all such information. Each selling Holder agrees to promptly furnish additional information required to be disclosed in order to make the information previously furnished to the Company by such Holder not materially misleading.

SECTION 5. ADDITIONAL INTEREST

If (i) any Registration Statement required by this Agreement is not filed with the Commission on or prior to the applicable Filing Deadline, (ii) any such Registration Statement has not been declared effective by the Commission on or prior to the applicable Effectiveness Deadline, (iii) the Exchange Offer has not been Consummated on or prior to the Consummation Deadline or (iv) any Registration Statement required by this Agreement is filed and declared effective but shall thereafter cease to be effective or fail to be usable for its intended purpose without being succeeded immediately by a post-effective amendment to such Registration Statement that cures such failure and that is itself declared effective within 5 days of filing such post-effective amendment to such Registration Statement (each such event referred to in clauses (i) through (iv), a "**Registration Default**"), then the Company and the Guarantors hereby jointly and severally agree to pay to each Holder of Transfer Restricted Securities affected thereby additional interest in an amount equal to \$.05 per week per \$1,000 in principal amount of Transfer Restricted Securities held by such Holder for each week or portion thereof that the Registration Default continues for the first 90-day period immediately following the occurrence of such Registration Default. The amount of additional interest shall increase by an additional \$.05 per week per \$1,000 in principal amount of Transfer Restricted Securities with respect to each subsequent 90-day period until all Registration Defaults have been cured, up to a maximum amount of additional interest of \$.25 per week per \$1,000 in principal amount of Transfer Restricted Securities; *provided that* the Company and the Guarantors shall in no event be required to pay additional interest for more than one Registration Default at any given time. Notwithstanding anything to the contrary set forth herein, (1) upon the filing of the Exchange Offer Registration Statement (and/or, if applicable, the Shelf Registration Statement), in the case of (i) above, (2) upon the effectiveness of the Exchange Offer Registration Statement (and/or, if applicable, the Shelf Registration Statement), in the case of (ii) above, (3) upon Consummation of the Exchange Offer, in the case of (iii) above, or (4) upon the filing of a post-effective amendment to the Registration Statement or an additional Registration Statement that causes the Exchange Offer Registration Statement (and/or, if applicable, the Shelf Registration Statement) to again be declared effective or made usable in the case of (iv) above, the additional interest payable with respect to the Transfer Restricted Securities as a result of such clause (i), (ii), (iii) or (iv), as applicable, shall cease.

All accrued additional interest shall be paid to the Holders entitled thereto in the manner provided for the payment of interest in the Indenture on each Interest Payment Date as more fully set forth in the Indenture and the Notes. Notwithstanding the fact that any securities for which additional interest is due cease to be Transfer Restricted Securities, all obligations of the Company and the Guarantors to pay additional interest with respect to securities shall survive until such time as such obligations with respect to such securities shall have been satisfied in full.

SECTION 6. REGISTRATION PROCEDURES

(a) *Exchange Offer Registration Statement.* In connection with the Exchange Offer, the Company and the Guarantors shall (x) comply with all applicable provisions of Section 6(c) below, (y) use their respective reasonable best efforts to effect such exchange and to permit the resale of Series B Notes by Broker-Dealers that tendered in the Exchange Offer Series A Notes that such Broker-Dealer acquired for its own account as a result of its market making activities or other trading activities (other than Series A Notes acquired directly from the Company, the Guarantors or any of their Affiliates) being sold in accordance with the intended method or methods of distribution thereof and (z) comply with all of the following provisions:

(i) If, following the date hereof there has been announced a change in Commission policy with respect to exchange offers such as the Exchange Offer that in the reasonable opinion of counsel to the Company raises a substantial question as to whether the Exchange Offer is permitted by applicable federal law, the Company and the Guarantors hereby agree to seek a no-action letter or other favorable decision from the Commission allowing the Company and the Guarantors to consummate an Exchange Offer for Transfer Restricted Securities. The Company and the Guarantors hereby agree to pursue the issuance of such a decision to the Commission staff level. In connection with the foregoing, the Company and the Guarantors hereby agree to take all such other actions as may be requested by the Commission or otherwise required in connection with the issuance of such decision, including, without limitation, (A) participating in telephonic conferences with the Commission, (B) delivering to the Commission staff an analysis prepared by counsel to the Company setting forth the legal bases, if any, upon which such counsel has concluded that such an Exchange Offer should be permitted and (C) diligently pursuing a resolution (which need not be favorable) by the Commission staff.

(ii) As a condition to its participation in the Exchange Offer, each Holder of Transfer Restricted Securities (including, without limitation, any Holder who is a Broker-Dealer) shall furnish, upon the request of the Company, prior to the consummation of the Exchange Offer, a written representation to the Company and the Guarantors (which may be contained in the letter of transmittal contemplated by the Exchange Offer Registration Statement) to the effect that (A) it is not an Affiliate of the Company or the Guarantors, (B) it is not engaged in, does not intend to engage in, and has no arrangement or understanding with any person to participate in, a distribution of the Series B Notes to be issued in the Exchange Offer and (C) it is acquiring the Series B Notes in its ordinary course of business. As a condition to its participation in the Exchange Offer each Holder using the Exchange Offer to participate in a distribution of the Series B Notes shall acknowledge and agree that, if the resales are of Series B Notes obtained by such Holder in exchange for Series A Notes acquired directly from the Company, the Guarantors or an Affiliate thereof, it (1) could not, under Commission policy as in effect on the date of this Agreement, rely on the position of the Commission enunciated in the Morgan Stanley and Company Incorporated (available June 5, 1991) and Exxon Capital Holdings Corporation No-Action Letters (available May 13, 1988), as interpreted in the Commission's letter to Shearman & Sterling (available July 2, 1993) and similar No-Action Letters (including, if applicable, any No-Action Letter obtained pursuant to clause (i) above), and (2) must comply with the registration and prospectus delivery requirements of the Act in connection with a secondary resale transaction and that such a secondary resale transaction must be covered by an effective registration statement containing the selling security holder information required by Item 507 or 508, as applicable, of Regulation S-K.

(iii) Prior to effectiveness of the Exchange Offer Registration Statement, the Company and the Guarantors shall provide a supplemental letter to the Commission (A) stating that the Company and the Guarantors are registering the Exchange Offer in reliance on the position of the Commission enunciated in Exxon Capital Holdings Corporation (available May 13, 1988), Morgan

Stanley and Co., Inc. (available June 5, 1991) as interpreted in the Commission's letter to Shearman & Sterling dated July 2, 1993, and, if applicable, any no-action letter obtained pursuant to clause (i) above, (B) including a representation that neither the Company nor any Guarantor has entered into any arrangement or understanding with any Person to distribute the Series B Notes to be received in the Exchange Offer and that, to the best of the Company's and each Guarantor's information and belief, each Holder participating in the Exchange Offer is acquiring the Series B Notes in its ordinary course of business and has no arrangement or understanding with any Person to participate in the distribution of the Series B Notes received in the Exchange Offer and (C) any other undertaking or representation required by the Commission as set forth in any no-action letter obtained pursuant to clause (i) above, if applicable.

(iv) If requested by any Participating Broker-Dealer delivering the Prospectus contained in the Exchange Offer Registration Statement in connection with its initial sale of any Series B Notes received by it in the Exchange Offer, the Company and the Guarantors shall use their best efforts to furnish to each such Participating Broker-Dealer (i) an opinion of counsel of the Company and the Guarantors addressed to such Participating Broker-Dealer covering the matters set forth in Section 6(c)(xi)(A)(2) herein with such changes as are customary in connection with an Exchange Offer Registration Statement and (ii) a comfort letter, addressed to such Participating Broker-Dealer from the Company's independent public accountants, in the customary form, covering the matters set forth in Section 6(c)(xi)(A)(3) herein, with appropriate date changes.

(b) *Shelf Registration Statement.* In connection with the Shelf Registration Statement, the Company and the Guarantors shall:

(i) comply with all the provisions of Section 6(c) below and use their respective reasonable best efforts to effect such registration to permit the sale of the Transfer Restricted Securities being sold in accordance with the intended method or methods of distribution thereof (as indicated in the information furnished to the Company pursuant to Section 4(b) hereof), and pursuant thereto the Company and the Guarantors will prepare and file with the Commission a Registration Statement relating to the registration on any appropriate form under the Act, which form shall be available for the sale of the Transfer Restricted Securities in accordance with the intended method or methods of distribution thereof within the time periods and otherwise in accordance with the provisions hereof.

(ii) issue, upon the request of any Holder or purchaser of Series A Notes covered by any Shelf Registration Statement contemplated by this Agreement, Series B Notes having an aggregate principal amount equal to the aggregate principal amount of Series A Notes sold pursuant to the Shelf Registration Statement and surrendered to the Company for cancellation; the Company shall register Series B Notes on the Shelf Registration Statement for this purpose and issue the Series B Notes to the purchaser(s) of securities subject to the Shelf Registration Statement in the names as such purchaser(s) shall designate.

(c) *General Provisions.* In connection with any Registration Statement and any related Prospectus required by this Agreement, the Company and the Guarantors shall:

(i) use their respective reasonable best efforts to keep such Registration Statement continuously effective and provide all requisite financial statements for the period specified in Section 3 or 4 of this Agreement, as applicable. Upon the occurrence of any event that would cause any such Registration Statement or the Prospectus contained therein (A) to contain an untrue statement of material fact or omit to state any material fact necessary to make the statements therein not misleading or (B) not to be effective and usable for resale of Transfer Restricted Securities during the period required by this Agreement, the Company and the Guarantors shall file promptly an appropriate amendment to such Registration Statement curing

such defect, and, if Commission review is required, use their respective best efforts to cause such amendment to be declared effective as soon as practicable.

(ii) prepare and file with the Commission such amendments and post-effective amendments to the applicable Registration Statement as may be necessary to keep such Registration Statement effective for the applicable period set forth in Section 3 or 4 hereof, as the case may be; cause the Prospectus to be supplemented by any required Prospectus supplement, and, as so supplemented, to be filed pursuant to Rule 424 under the Act, and to comply fully with Rules 424, 430A and 462, as applicable, under the Act in a timely manner; and comply with the provisions of the Act with respect to the disposition of all securities covered by such Registration Statement during the applicable period in accordance with the intended method or methods of distribution by the sellers thereof set forth in such Registration Statement or Prospectus;

(iii) in the case of a Shelf Registration Statement or if requested by a Participating Broker-Dealer, advise each Holder promptly and, if requested by such Holder, confirm such advice in writing, (A) when the Prospectus or any Prospectus supplement or post-effective amendment has been filed, and, with respect to any applicable Registration Statement or any post-effective amendment thereto, when the same has become effective, (B) of any request by the Commission for amendments to the Registration Statement or amendments or supplements to the Prospectus or for additional information relating thereto, (C) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement under the Act or of the suspension by any state securities commission of the qualification of the Transfer Restricted Securities for offering or sale in any jurisdiction, or the initiation of any proceeding for any of the preceding purposes, and (D) of the existence of any fact or the happening of any event that makes any statement of a material fact made in the Registration Statement, the Prospectus, any amendment or supplement thereto or any document incorporated by reference therein untrue, or that requires the making of any additions to or changes in the Registration Statement in order to make the statements therein not misleading, or that requires the making of any additions to or changes in the Prospectus in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. If at any time the Commission shall issue any stop order suspending the effectiveness of the Registration Statement, or any state securities commission or other regulatory authority shall issue an order suspending the qualification or exemption from qualification of the Transfer Restricted Securities under state securities or Blue Sky laws, the Company and the Guarantors shall use their respective reasonable best efforts to obtain the withdrawal or lifting of such order at the earliest possible time;

(iv) subject to Section 6(c)(i), if any fact or event contemplated by Section 6(c)(iii)(D) above shall exist or have occurred, prepare a supplement or post-effective amendment to the Registration Statement or related Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered to the purchasers of Transfer Restricted Securities, the Prospectus will not contain an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(v) in the case of a Shelf Registration Statement, furnish to each Holder, before filing with the Commission, copies of any Shelf Registration Statement or any Prospectus included therein or any amendments or supplements to any such Shelf Registration Statement or Prospectus (including all documents incorporated by reference after the initial filing of such Shelf Registration Statement), which documents will be subject to the review and comment of such Holders in connection with such sale, if any, for a period of at least five Business Days, and the Company will not file any such Shelf Registration Statement or Prospectus or any amendment or supplement to any such Shelf Registration Statement or Prospectus (including all such documents incorporated by reference) to which such Holders shall reasonably object within five Business Days after the receipt

thereof. A Holder shall be deemed to have reasonably objected to such filing if such Shelf Registration Statement, amendment, Prospectus or supplement, as applicable, as proposed to be filed, contains an untrue statement of a material fact or omits to state any material fact necessary to make the statements therein not misleading or fails to comply with the applicable requirements of the Act;

(vi) in the case of a Shelf Registration Statement, promptly prior to the filing of any document that is to be incorporated by reference into a Registration Statement or Prospectus, provide copies of such document, if any, to each Holder, make the Company's and the Guarantors' representatives available for discussion of such document and other customary due diligence matters, and include such information in such document prior to the filing thereof as such Holders may reasonably request;

(vii) in the case of a Shelf Registration Statement, make available, at reasonable times, for inspection by each Holder and any attorney or accountant retained by such Holders, all pertinent financial and other records and pertinent corporate documents of the Company and the Guarantors as shall be necessary to enable them to exercise any applicable due diligence responsibilities and cause the Company's and the Guarantors' officers, directors and employees to supply all information reasonably requested by any such Holder, attorney or accountant in connection with such Registration Statement or any post-effective amendment thereto subsequent to the filing thereof and prior to its effectiveness; *provided that* if any such information is identified by the Company or any Guarantor as being confidential or proprietary, each such Holder, attorney, accountant or any other person receiving such information shall take all actions as are reasonably necessary to protect the confidentiality of such information to the extent that such action is otherwise not inconsistent with, an impairment of or in derogation of the rights and interests of such Holder;

(viii) if requested by any Holders, promptly include in any Registration Statement or Prospectus, pursuant to a supplement or post-effective amendment if necessary, such information as such Holders may reasonably request to have included therein, including, without limitation, information relating to the "Plan of Distribution" of the Transfer Restricted Securities; and make all required filings of such Prospectus supplement or post-effective amendment as soon as practicable after the Company is notified of the matters to be included in such Prospectus supplement or post-effective amendment;

(ix) in the case of a Shelf Registration Statement, furnish to each Holder, without charge, at least one copy of the Registration Statement, as first filed with the Commission, and of each amendment thereto, including all documents incorporated by reference therein and all exhibits (including exhibits incorporated therein by reference);

(x) in the case of a Shelf Registration Statement or if requested by a Participating Broker-Dealer, deliver to each Holder without charge, as many copies of the Prospectus (including each preliminary prospectus) and any amendment or supplement thereto as such Person reasonably may request; the Company and the Guarantors hereby consent to the use (in accordance with law) of the Prospectus and any amendment or supplement thereto by each selling Holder in connection with the offering and the sale of the Transfer Restricted Securities covered by the Prospectus or any amendment or supplement thereto;

(xi) in the case of a Shelf Registration Statement and upon the request of any Holder of Transfer Restricted Securities covered thereby and being sold pursuant thereto (the "**Selling Holders**"), enter into such customary agreements (including underwriting agreements) and make such customary representations and warranties and take all such other actions in connection therewith in order to expedite or facilitate the disposition of the Transfer Restricted Securities pursuant to any applicable Registration Statement contemplated by this Agreement as may be reasonably requested by any such Selling Holder in connection with any sale or resale pursuant to any applicable Registration Statement. In such connection, the Company and the Guarantors shall:

(A) upon request of any such Selling Holder, furnish (or in the case of paragraphs (2) and (3), use their best efforts to cause to be furnished) to each such Selling Holder, as the case may be:

(1) a certificate, addressed to such Selling Holders and underwriters, if any, named in an underwriting agreement entered into pursuant to this Section 6(c)(xi) (the "**Shelf Underwriters**"), signed on behalf of Hovnanian by the Executive Vice President and Chief Financial Officer, confirming, as of the date thereof, the matters set forth in Sections 6(v), 6(w) and 9(a) of the Purchase Agreement and such other similar matters as such Selling Holders and Shelf Underwriters, if any, may reasonably request;

(2) an opinion of counsel for the Company and the Guarantors, addressed to such Selling Holders and Shelf Underwriters, if any, which shall cover matters similar to those set forth in subsections (e) and (f) of Section 9 of the Purchase Agreement and such other additional matters as such Selling Holders and Shelf Underwriters, if any, may reasonably request; and

(3) a comfort letter, addressed to such Selling Holders and Shelf Underwriters, if any, from the Company's independent accountants, in the customary form and covering matters of the type customarily covered in comfort letters addressed to underwriters in connection with underwritten offerings.

(B) deliver such other documents and certificates as may be reasonably requested by such Selling Holders and Shelf Underwriters, if any, to evidence compliance with the matters covered in clause (A) above and with any customary conditions contained in any agreement entered into by the Company and the Guarantors pursuant to this clause (xi);

(xii) prior to any public offering of Transfer Restricted Securities, cooperate with the selling Holders and their counsel in connection with the registration and qualification of the Transfer Restricted Securities under the securities or Blue Sky laws of such jurisdictions as the selling Holders may request and do any and all other acts or things necessary or advisable to enable the disposition in such jurisdictions of the Transfer Restricted Securities covered by the applicable Registration Statement; *provided, however*, that neither the Company nor any Guarantor shall be required to register or qualify as a foreign corporation or other entity, as applicable, where it is not now so qualified or to take any action that would subject it to the service of process in suits or to taxation, other than as to matters and transactions relating to the Registration Statement, in any jurisdiction where it is not now so subject;

(xiii) in connection with any sale of Transfer Restricted Securities pursuant to a Shelf Registration Statement that will result in such securities no longer being Transfer Restricted Securities, cooperate with the Holders to facilitate the timely preparation and delivery of certificates representing Transfer Restricted Securities to be sold and not bearing any restrictive legends; and to register such Transfer Restricted Securities in such denominations and such names as the selling Holders may request at least two Business Days prior to such sale of Transfer Restricted Securities;

(xiv) use their respective reasonable best efforts to cause the disposition of the Transfer Restricted Securities covered by the Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to enable the seller or sellers thereof to consummate the disposition of such Transfer Restricted Securities, subject to the proviso contained in clause (xii) above;

(xv) provide a CUSIP number for all Transfer Restricted Securities not later than the effective date of a Registration Statement covering such Transfer Restricted Securities; and provide the Trustee under the Indenture with printed certificates for the Transfer Restricted Securities which are in a form eligible for deposit with the Depository Trust Company;

(xvi) otherwise use their respective reasonable best efforts to comply with all applicable rules and regulations of the Commission, and make generally available to its security holders with regard to any applicable Registration Statement, as soon as practicable, a consolidated earnings statement meeting the requirements of Rule 158 (which need not be audited) covering a twelve-month period beginning after the effective date of the Registration Statement (as such term is defined in paragraph (c) of Rule 158 under the Act);

(xvii) cause the Indenture to be qualified under the TIA not later than the effective date of the first Registration Statement required by this Agreement and, in connection therewith, cooperate with the Trustee and the Holders to effect such changes to the Indenture as may be required for such Indenture to be so qualified in accordance with the terms of the TIA; and execute and use their best efforts to cause the Trustee to execute, all documents that may be required to effect such changes and all other forms and documents required to be filed with the Commission to enable such Indenture to be so qualified in a timely manner; and

(xviii) provide promptly to each Holder, upon request, each document filed with the Commission pursuant to the requirements of Section 13 or Section 15(d) of the Exchange Act.

(d) *Restrictions on Holders.* Each Holder agrees by acquisition of a Transfer Restricted Security that, upon receipt of the notice referred to in Section 6(c)(iii)(C) or any notice from the Company of the existence of any fact of the kind described in Section 6(c)(iii)(D) hereof (in each case, a "**Suspension Notice**"), such Holder will forthwith discontinue disposition of Transfer Restricted Securities pursuant to the applicable Registration Statement until (i) such Holder has received copies of the supplemented or amended Prospectus contemplated by Section 6(c)(iv) hereof or (ii) such Holder is advised in writing by the Company that the use of the Prospectus may be resumed, and, in each case, has received copies of any additional or supplemental filings that are incorporated by reference in the Prospectus (in each case, the "**Recommendation Date**"). Each Holder receiving a Suspension Notice hereby agrees that it will either (i) destroy any Prospectuses, other than permanent file copies, then in such Holder's possession which have been replaced by the Company with more recently dated Prospectuses or (ii) deliver to the Company (at the Company's expense) all copies, other than permanent file copies, then in such Holder's possession of the Prospectus covering such Transfer Restricted Securities that was current at the time of receipt of the Suspension Notice. The time period regarding the effectiveness of such Registration Statement set forth in Section 3 or 4 hereof, as applicable, shall be extended by a number of days equal to the number of days in the period from and including the date of delivery of the Suspension Notice to the date of delivery of the Recommendation Date.

SECTION 7. REGISTRATION EXPENSES

(a) All expenses incident to the Company's and the Guarantors' performance of, or compliance with, this Agreement will be borne by the Company and the Guarantors, regardless of whether a Registration Statement becomes effective, including, without limitation: (i) all registration and filing fees and expenses; (ii) all fees and expenses of compliance with federal securities and state Blue Sky or

securities laws; (iii) all expenses of printing (including printing certificates for the Series B Notes to be issued in the Exchange Offer and printing of Prospectuses), messenger and delivery services and telephone; (iv) all fees and disbursements of counsel for the Company, the Guarantors and, in the case of a Shelf Registration Statement, of one counsel for the Holders of Transfer Restricted Securities, such counsel to be selected by a majority of the aggregate principal amount of Transfer Restricted Securities being sold; (v) all application and filing fees in connection with listing the Series B Notes on a national securities exchange or automated quotation system pursuant to the requirements hereof; and (vi) all fees and disbursements of independent certified public accountants of the Company and the Guarantors (including the expenses of any special audit and comfort letters required by or incident to such performance).

The Company will, in any event, bear its and the Guarantors' internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), the expenses of any annual audit and the fees and expenses of any Person, including special experts, retained by the Company or the Guarantors.

(b) In connection with any Registration Statement required by this Agreement, the Company and the Guarantors will reimburse the Initial Purchasers and the Holders of Transfer Restricted Securities who are tendering Series A Notes in the Exchange Offer and/or selling or reselling Series A Notes or Series B Notes pursuant to the "Plan of Distribution" contained in the Exchange Offer Registration Statement or the Shelf Registration Statement, as applicable, for the reasonable fees and disbursements of not more than one counsel, who shall be Davis Polk & Wardwell, unless another firm shall be chosen by the Holders of a majority in principal amount of the Transfer Restricted Securities for whose benefit such Registration Statement is being prepared. Notwithstanding the foregoing, such Holders shall be responsible for any and all underwriting discounts and commissions and, prior to employing counsel in connection with an Exchange Offer, the Initial Purchasers will notify the Company and the Company's counsel and provide them reasonable opportunity to discuss the need for separate counsel; *provided, however*, the Initial Purchasers shall at all times retain the sole right to employ separate counsel.

SECTION 8. INDEMNIFICATION

(a) The Company and the Guarantors agree, jointly and severally, to indemnify and hold harmless each Holder of Transfer Restricted Securities, its partners, directors, officers, and each person, if any, who controls such Holder within the meaning of Section 15 of the Securities Act against any losses, claims, damages or liabilities, joint or several, to which such Holder may become subject, under the Securities Act or the Exchange Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in a Registration Statement, preliminary prospectus or Prospectus (or in any amendment or supplement thereto) or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, and shall reimburse each Holder of Transfer Restricted Securities for any legal or other expenses reasonably incurred by such Holder of Transfer Restricted Securities in connection with investigating or defending any such loss, claim, damage, liability or action as such expenses are incurred; *provided, however*, that (i) the Company and the Guarantors shall not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any untrue statement or alleged untrue statement in or omission or alleged omission from a Registration Statement, preliminary prospectus or Prospectus or in any amendment or supplement thereto made in reliance upon and in conformity with written information furnished to the Company and the Guarantors by any such Holder of Transfer Restricted Securities or on behalf of such Holder of Transfer Restricted Securities specifically for inclusion therein and (ii) with respect to any untrue statement or omission or alleged

untrue statement or omission made in any preliminary prospectus, the indemnity agreement contained in this subsection (a) shall not inure to the benefit of any Holder of Transfer Restricted Securities from whom the person asserting any such losses, claims, damages or liabilities purchased the Securities concerned, to the extent that a Prospectus relating to such Securities was required to be delivered by such Holder of Transfer Restricted Securities under the Securities Act in connection with such purchase and any such loss, claim, damage or liability of such Holder of Transfer Restricted Securities results from the fact that there was not sent or given to such person, at or prior to the written confirmation of the sale of such Securities to such person, a copy of the final Prospectus if the Company had previously furnished copies thereof to such Holder of Transfer Restricted Securities; *provided further, however*, that this indemnity agreement will be in addition to any liability which the Company and the Guarantors may otherwise have to such Holder of Transfer Restricted Securities and their controlling persons named above.

(b) Each Holder of Transfer Restricted Securities agrees, severally and not jointly, to indemnify and hold harmless the Company, the Guarantors, their respective directors and officers and each person, if any, who controls the Company or any Guarantors within the meaning of Section 15 of the Securities Act against any losses, claims, damages or liabilities to which the Company or the Guarantors may become subject under the Securities Act or the Exchange Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in a Registration Statement, preliminary prospectus or Prospectus (or in any amendment or supplement thereto) or arise out of or are based upon the omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in light of the circumstances in which they were made, not misleading, but in each case only to the extent that such untrue statement or omission or alleged untrue statement or omission was made in reliance upon and in conformity with written information furnished to the Company and the Guarantors by or on behalf of such Holder specifically for inclusion therein; and, shall reimburse, as incurred, the Company, the Guarantors for any legal or other expenses reasonably incurred by the Company or the Guarantors in connection with investigating or defending any such loss, claim, damage, liability or action. This indemnity agreement will be in addition to any liability which such Holder of Transfer Restricted Securities may otherwise have to the Company and the Guarantors or any of their controlling persons named above.

(c) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 8, notify the indemnifying party of the commencement thereof; but the failure to notify the indemnifying party shall not relieve the indemnifying party from any liability that it may have under subsection (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided further that the failure to notify the indemnifying party shall not relieve it from any liability that it may have to an indemnified party otherwise than under subsection (a) or (b) above. In case any such action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not be liable to such indemnified party under this Section 8 for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof, other than reasonable costs of investigation. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened action in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party unless such settlement (i) includes an

unconditional release of such indemnified party from all liability on any claims that are the subject matter of such action, and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(d) If the indemnification provided for in this Section 8 is unavailable or insufficient to hold harmless an indemnified party under subsections (a) or (b) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities referred to in subsection (a) or (b) above (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Guarantors on the one hand and the Holders of Transfer Restricted Securities on the other from the sale of the Securities pursuant to a Registration Statement or the exchange of the Securities pursuant to the Exchange Offer, or (ii) if the allocation provided by the foregoing clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company and the Guarantors on the one hand and the Holders of Transfer Restricted Securities on the other hand in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities as well as any other relevant equitable considerations. The relative benefits received by the Company and the Guarantors on the one hand and the Holders on the other shall be deemed to be in such proportion as is appropriate to reflect the relative benefits received by the Company and the Guarantors from the offering of the Transfer Restricted Securities pursuant to the Purchase Agreement and the securities to be issued in an Exchange Offer or pursuant to a Shelf Registration Statement, on the one hand, and by the Holders from receiving Transfer Restricted Securities or securities registered under the Securities Act pursuant to an Exchange Offer or a Shelf Registration Statement, on the other hand. The relative fault of the parties shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or the Guarantors on the one hand or such Holder on the other, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this subsection (d). Notwithstanding any other provision of this Section 8(d), the Holders of the Securities shall not be required to contribute any amount in excess of the amount by which the total proceeds received by such Holders from the sale of the Transfer Restricted Securities pursuant to a Registration Statement exceeds the amount of damages which such Holders have otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this paragraph (d), each person, if any, who controls such indemnified party within the meaning of the Securities Act or the Exchange Act shall have the same rights to contribution as such indemnified party and each person, if any, who controls the Company or the Guarantors within the meaning of the Securities Act or the Exchange Act shall have the same rights to contribution as the Company and the Guarantors.

(e) The agreements contained in this Section 8 shall survive the sale of the Transfer Restricted Securities pursuant to a Shelf Registration Statement or the exchange of the Securities pursuant to an Exchange Offer and shall remain in full force and effect, regardless of any termination or cancellation of this Agreement or any investigation made by or on behalf of any indemnified party.

SECTION 9. MISCELLANEOUS

(a) *Remedies.* The Company and the Guarantors acknowledge and agree that any failure by the Company and/or the Guarantors to comply with their respective obligations under Sections 3 and 4

hereof may result in material irreparable injury to the Initial Purchasers or the Holders for which there is no adequate remedy at law, that it will not be possible to measure damages for such injuries precisely and that, in the event of any such failure, the Initial Purchasers or any Holder may obtain such relief as may be required to specifically enforce the Company's and the Guarantor's obligations under Sections 3 and 4 hereof. To the extent permitted by applicable law, the Company and the Guarantors further agree to waive the defense in any action for specific performance that a remedy at law would be adequate.

(b) *No Inconsistent Agreements.* Neither the Company nor any Guarantor will, on or after the date of this Agreement, enter into any agreement with respect to its securities that is inconsistent with the rights granted to the Holders in this Agreement or otherwise conflicts with the provisions hereof. The rights granted to the Holders hereunder do not in any way conflict with and are not inconsistent with the rights granted to the holders of the Company's and the Guarantors' securities under any agreement in effect on the date hereof.

(c) *Amendments and Waivers.* The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to or departures from the provisions hereof may not be given unless (i) in the case of Section 5 hereof and this Section 9(c)(i), the Company has obtained the written consent of Holders of all outstanding Transfer Restricted Securities and (ii) in the case of all other provisions hereof, the Company has obtained the written consent of Holders of a majority of the outstanding principal amount of Transfer Restricted Securities (excluding Transfer Restricted Securities held by the Company or a Guarantor or their Affiliates). Notwithstanding the foregoing, a waiver or consent to a departure from the provisions hereof that relates exclusively to the rights of Holders whose Transfer Restricted Securities are being tendered pursuant to the Exchange Offer and that does not affect directly or indirectly the rights of other Holders whose Transfer Restricted Securities are not being tendered pursuant to such Exchange Offer may be given by the Holders of a majority of the outstanding principal amount of Transfer Restricted Securities subject to such Exchange Offer.

(d) *Third Party Beneficiary.* The Holders shall be third party beneficiaries to the agreements made hereunder between the Company and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, and shall have the right to enforce such agreements directly to the extent they may deem such enforcement necessary or advisable to protect their rights or the rights of Holders hereunder.

(e) *Notices.* All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, first-class mail (registered or certified, return receipt requested), telex, telecopier, or air courier guaranteeing overnight delivery:

(i) if to a Holder, at the address set forth on the records of the Registrar under the Indenture, with a copy to the Registrar under the Indenture; and

(f) *Successors and Assigns.* This Agreement shall inure to the benefit of and be binding upon the successors, assigns and transferees of each of the parties, including, without limitation, and without the need for an express assignment, subsequent Holders; *provided*, that nothing herein shall be deemed to permit any assignment, transfer or other disposition of Transfer Restricted Securities in violation of the terms hereof or of the Purchase Agreement or the Indenture. If any transferee of any Holder shall acquire Transfer Restricted Securities in any manner, whether by operation of law or otherwise, such Transfer Restricted Securities shall be held subject to all of the terms of this Agreement, and, by taking and holding such Transfer Restricted Securities, such Person shall be conclusively deemed to have agreed to be bound by and to perform all of the terms and provisions of this Agreement, including the restrictions on resale set forth in this Agreement and, if applicable, the Purchase Agreement, and such Person shall be entitled to receive the benefits hereof.

(g) *Counterparts.* This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

(h) *Headings.* The headings in this Agreement are for convenience of reference only and shall not limit or otherwise affect the meaning hereof.

(i) *Governing Law.* THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

(j) *Severability.* To the extent permitted by applicable law, in the event that any one or more of the provisions contained herein or the application thereof in any circumstance, is held invalid, illegal or unenforceable, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions contained herein shall not be affected or impaired thereby.

(k) *Entire Agreement.* This Agreement is intended by the parties as a final expression of their agreement and intended to be a complete and exclusive statement of the agreement and understanding of the parties hereto in respect of the subject matter contained herein. There are no restrictions, promises, warranties or undertakings other than those set forth or referred to herein with respect to the registration rights granted with respect to the Transfer Restricted Securities. This Agreement supersedes all prior agreements and understandings between the parties with respect to such subject matter.

P.O. Box 500
Red Bank, New Jersey 07701

Ladies and Gentlemen:

We have acted as counsel to K. Hovnanian Enterprises, Inc., a California corporation (the "Company"), to Hovnanian Enterprises, Inc., a Delaware corporation ("Hovnanian") and to certain subsidiaries of Hovnanian (together with Hovnanian, the "Guarantors") in connection with the Registration Statement on Form S-4 (the "Registration Statement") filed by the Company and the Guarantors with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended, relating to the issuance by the Company of \$150,000,000 aggregate principal amount of 6³/₈% Senior Notes due 2014 (the "Exchange Securities") and the issuance by the Guarantors of guarantees (the "Guarantees") with respect to the Exchange Securities. The Exchange Securities and the Guarantees will be issued under an indenture dated as of March 18, 2004 (the "Indenture") among the Company, the Guarantors and Wachovia Bank, National Association, as trustee (the "Trustee"). The Exchange Securities will be offered by the Company in exchange for \$150,000,000 aggregate principal amount of its outstanding 6³/₈% Senior Notes due 2014.

We have examined the Registration Statement and the Indenture, which has been filed with the Commission as an exhibit to the Registration Statement. We also have examined the originals, or duplicates or certified or conformed copies, of such corporate records, agreements, documents and other instruments and have made such other investigations as we have deemed relevant and necessary in connection with the opinions hereinafter set forth. As to questions of fact material to this opinion, we have relied upon certificates or comparable documents of public officials and of officers and representatives of the Company and the Guarantors.

In rendering the opinions set forth below, we have assumed the genuineness of all signatures, the legal capacity of natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as duplicates or certified or conformed copies and the authenticity of the originals of such latter documents. We also have assumed that the Indenture is the valid and legally binding obligation of the Trustee.

We have assumed further that (1) the Company and the Guarantors have duly authorized, executed and delivered the Indenture and (2) execution, delivery and performance by the Company and the Guarantors of the Indenture and the Exchange Securities and the Guarantees do not and will not violate the law of the State of California or any other applicable law (excepting the law of the State of New York and the federal laws of the United States).

Based upon the foregoing, and subject to the qualifications, assumptions and limitations stated herein, we are of the opinion that:

1. When the Exchange Securities have been duly executed, authenticated, issued and delivered in accordance with the provisions of the Indenture upon the exchange, the Exchange Securities will constitute valid and legally binding obligations of the Company enforceable against the Company in accordance with their terms.
-

2. When (a) the Exchange Securities have been duly executed, authenticated, issued and delivered in accordance with the provisions of the Indenture upon the exchange and (b) the Guarantees have been duly executed and issued, the Guarantees will constitute valid and legally binding obligations of the Guarantors enforceable against the Guarantors in accordance with their terms.

Our opinions set forth above are subject to (i) the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors' rights generally, (ii) general equitable principles (whether considered in a proceeding in equity or at law) and (iii) an implied covenant of good faith and fair dealing.

We do not express any opinion herein concerning any law other than the law of the State of New York and the federal law of the United States.

We hereby consent to the filing of this opinion letter as Exhibit 5 to the Registration Statement and to the use of our name under the caption "*Legal Matters*" in the Prospectus included in the Registration Statement.

Very truly yours,

/s/ Simpson Thacher & Bartlett LLP

3. SHARES SUBJECT TO THE PLAN

Subject to Section 9 of the Plan, the total number of Shares which may be issued under the Plan is 10,000,000. The maximum number of Shares for which Options, Stock Appreciation Rights, restricted Shares or restricted Share units may be granted during a calendar year to any Participant shall be 500,000. The Shares may consist, in whole or in part, of unissued Shares or treasury Shares. The issuance of Shares or the payment of cash upon the exercise of an Award shall reduce the total number of Shares available under the Plan, as applicable. Shares which are subject to Awards which terminate or lapse may be granted again under the Plan.

4. ADMINISTRATION

The Plan shall be administered by the Committee, which may delegate its duties and powers in whole or in part to any subcommittee thereof consisting solely of at least two individuals who are each "non-employee directors" within the meaning of Rule 16b-3 under the Act (or any successor rule thereto), "outside directors" within the meaning of Section 162(m) of the Code (or any successor section thereto) and "independent directors" within the meaning of the applicable rules, if any, of any national securities exchange on which Shares are listed or admitted to trading; *provided, however*, that any action permitted to be taken by the Committee may be taken by the Board, in its discretion. The Committee is authorized to interpret the Plan, to establish, amend and rescind any rules and regulations relating to the Plan, and to make any other determinations that it deems necessary or desirable for the administration of the Plan. The Committee may correct any defect or omission or reconcile any inconsistency in the Plan in the manner and to the extent the Committee deems necessary or desirable. Any decision of the Committee in the interpretation and administrations of the Plan, as described herein, shall lie within its sole and absolute discretion and shall be final, conclusive and binding on all parties concerned (including, but not limited to Participants and their beneficiaries).

or successors). Determinations made by the Committee under the Plan need not be uniform and may be made selectively among Participants, whether or not such Participants are similarly situated. The Committee shall require payment of any minimum amount it may determine to be necessary to withhold for federal, state, local or other, taxes as a result of the exercise or vesting of an Award. Unless the Committee specifies otherwise, the Participant may elect to pay a portion or all of such minimum withholding taxes by (a) delivery in Shares or (b) having Shares withheld by the Company from any Shares that would have otherwise been received by the Participant. The number of Shares so delivered or withheld shall have an aggregate Fair Market Value sufficient to satisfy the applicable minimum withholding taxes. If the chief executive officer of the Company is a member of the Board, the Board by specific resolution may constitute such chief executive officer as a committee of one which shall have the authority to grant Awards of up to an aggregate of 500,000 Shares (subject to the provisions of Section 9 of the Plan) in each calendar year to Participants who are (i) not subject to the rules promulgated under Section 16 of the Act (or any successor section thereto) or (ii) covered employees (or anticipated to become covered employees) as such term is defined in Section 162(m) of the Code; *provided, however*; that such chief executive officer shall notify the Committee of any such grants made pursuant to this Section 4.

5. LIMITATIONS

No Award may be granted under the Plan after the tenth anniversary of the Effective Date, but Awards theretofore granted may extend beyond that date.

6. TERMS AND CONDITIONS OF OPTIONS

Options granted under the Plan shall be, as determined by the Committee, non-qualified or incentive stock options for federal income tax purposes, as evidenced by the related Award agreements, and shall be subject to the foregoing and the following terms and conditions and to such other terms and conditions, not inconsistent therewith, as the Committee shall determine:

- (a) **Option Price.** The Option Price per Share shall be determined by the Committee, but shall not be less than 100% of the Fair Market Value of the Shares on the date an Option is granted.
- (b) **Exercisability.** Options granted under the Plan shall be exercisable at such time and upon such terms and conditions as may be determined by the Committee, but in no event shall an Option be exercisable more than ten years after the date it is granted. The Committee may, in its discretion, accelerate the date after which Options may be exercised in whole or in part. If the chief executive officer of the Company is a member of the Board, the Board by specific resolution may constitute such chief executive officer as a committee of one which shall have the authority to accelerate the date after which Options may be exercised in whole or in part.
- (c) **Exercise of Options.** Except as otherwise provided in the Plan or in an Award agreement, an Option may be exercised for all, or from time to time any part, of the Shares for which it is then exercisable. For purposes of Section 6 of the plan, the exercise date of an Option shall be the later of the date a notice of exercise is received by the Company and, if applicable, the date payment is received by the Company pursuant to clauses (i), (ii), (iii) or (iv) in the following sentence. The purchase price for the Shares as to which an Option is exercised shall be paid to the Company in full not later than at the time that the Shares being purchased are delivered to or at the direction of the Participant, in each case at the election of the Participant to the extent permitted by law, (i) in cash, (ii) in Shares having a Fair Market Value equal to the aggregate Option Price for the Shares being purchased and satisfying such other requirements as may be imposed by the Committee; provided, that such Shares have been held by the Participant for no less than six months, (iii) partly in cash and partly in such

Shares or (iv) through the delivery of irrevocable instruments to a broker to deliver promptly to the Company an amount equal to the aggregate Option Price for the shares being purchased. No Participant shall have any rights to dividends or other rights of a shareholder with respect to Shares subject to an Option until the Participant has given written notice of exercise of the Option, paid in full for such Shares and, if applicable, has satisfied any other conditions imposed by the Committee pursuant to the Plan.

- (d) ISOs. The Committee may grant Options under the Plan that are intended to be ISOs. Such ISOs shall comply with the requirements of Section 422 of the Code (or any successor section thereto). No ISO may be granted to any Participant who at the time of such grant, owns more than 10% of the total combined voting power of all classes of stock of the Company or of any Subsidiary, unless (i) the Option Price for such ISO is at least 110% of the Fair Market Value of a Share on the date the ISO is granted and (ii) the date on which such ISO terminates is a date not later than the day preceding the fifth anniversary of the date on which the ISO is granted. Any Participant who disposes of Shares acquired upon the exercise of an ISO either (i) within two years after the date of grant of such ISO or (ii) within one year after the transfer of such Shares to the Participant, shall notify the Company of such disposition and of the amount realized upon such disposition.

7. TERMS AND CONDITIONS OF STOCK APPRECIATION RIGHTS

- (a) Grants. The Committee also may grant (i) a Stock Appreciation Right independent of an Option or (ii) a Stock Appreciation Right in connection with an Option, or a portion thereof. A Stock Appreciation Right granted pursuant to clause (ii) of the preceding sentence (A) may be granted at the time the related Option is granted or at any time prior to the exercise or cancellation of the related Option, (B) shall cover the same Shares covered by an Option (or such lesser number of Shares as the Committee may determine) and (C) shall be subject to the same terms and conditions as such Option except for such additional limitations as are contemplated by this Section 7 (or such additional limitations as may be included in an Award agreement).
- (b) Terms. The exercise price per Share of a Stock Appreciation Right shall be an amount determined by the Committee but in no event shall such amount be less than the greater of (i) the Fair Market Value of a Share on the date the Stock Appreciation Right is granted or, in the case of a Stock Appreciation Right granted in conjunction with an Option, or a portion thereof, the Option Price of the related Option and (ii) an amount permitted by applicable laws, rules, restated By-laws or policies of regulatory authorities or stock exchanges. Each Stock Appreciation Right granted independent of an Option shall entitle a Participant upon exercise to an amount equal to (i) the excess of (A) the Fair Market Value on the exercise date of one Share over (B) the exercise price per Share, times (ii) the number of Shares covered by the Stock Appreciation Right. Each Stock Appreciation Right granted in conjunction with an Option, or a portion thereof, shall entitle a Participant to surrender to the Company the unexercised Option, or any portion thereof, and to receive from the Company in exchange therefor an amount equal to (i) the excess of (A) the Fair Market Value on the exercise date of one Share over (B) the Option Price per Share, times (ii) the number of Shares covered by the Option, or portion thereof, which is surrendered. The date a notice of exercise is received by the Company shall be the exercise date. Payment shall be made in Shares or in cash, or partly in Shares and partly in cash (any such Shares valued at such Fair Market Value), all as shall be determined by the Committee. Stock Appreciation Rights may be exercised from time to time upon actual receipt by the Company of written notice of exercise stating the number of Shares with respect to which the Stock Appreciation Right is being exercised. No fractional Shares will be issued in payment for Stock Appreciation Rights, but instead cash will be paid for a fraction or, if the Committee should so determine, the number of Shares will be rounded downward to the next whole Share.

- (c) Limitations. The Committee may impose, in its discretion, such conditions upon the exercisability or transferability of Stock Appreciation Rights as it may deem fit.
- (d) Limited Stock Appreciation Rights. The Committee may grant LSARs that are exercisable upon the occurrence of specified contingent events. Such LSARs may provide for a different method of determining appreciation, may specify that payment will be made only in cash and may provide that any related Awards are not exercisable while such LSARs are exercisable. Unless the context otherwise requires, whenever the term "Stock Appreciation Right" is used in the Plan, such term shall include LSARs.

8. OTHER STOCK-BASED AWARDS

- (a) Generally. The Committee, in its sole discretion, may grant Awards of Shares, Awards of restricted Shares and Awards that are valued in whole or in part by reference to, or are otherwise based on the Fair Market Value of, Shares ("Other Stock-Based Awards"). Such Other Stock-Based Awards shall be in such form, and dependent on such conditions, as the Committee shall determine, including, without limitation, the right to receive one or more Shares (or the equivalent cash value of such Shares) upon the completion of a specified period of service, the occurrence of an event and/or the attainment of performance objectives. Other Stock-Based Awards may be granted alone or in addition to any other Awards granted under the Plan. Subject to the provisions of the Plan, the Committee shall determine to whom and when Other Stock-Based Awards will be made, the number of Shares to be awarded under (or otherwise related to) such Other Stock-Based Awards; whether such Other Stock-Based Awards shall be settled in cash, Shares or a combination of cash and Shares; and all other terms and conditions of such Awards (including, without limitation, the vesting provisions thereof and provisions ensuring that all Shares so awarded and issued shall be fully paid and non-assessable).
- (b) Performance-Based Awards. Notwithstanding anything to the contrary herein, certain Other Stock-Based Awards granted under this Section 8 may be granted in a manner which is deductible by the Company under Section 162(m) of the Code (or any successor section thereto) ("Performance-Based Awards"). A Participant's Performance-Based Award shall be determined based on the attainment of written performance goals approved by the Committee for a performance period established by the Committee (i) while the outcome for that performance period is substantially uncertain and (ii) no more than 90 days after the commencement of the performance period to which the performance goal relates or, if less, the number of days which is equal to 25 percent of the relevant performance period. The performance goals, which must be objective, shall be based upon one or more of the following criteria: (i) earnings before or after taxes (including earnings before interest, taxes, depreciation and amortization); (ii) net income; (iii) operating income; (iv) earnings per Share; (v) book value per Share; (vi) return on shareholders' equity; (vii) expense management; (viii) return on investment; (ix) improvements in capital structure; (x) profitability of an identifiable business unit or product; (xi) maintenance or improvement of profit margins; (xii) stock price; (xiii) market share; (xiv) revenues or sales; (xv) costs; (xvi) cash flow; (xvii) working capital; (xviii) changes in net assets (whether or not multiplied by a constant percentage intended to represent the cost of capital); and (xix) return on assets. The foregoing criteria may relate to the Company, one or more of its Subsidiaries or one or more of its divisions or units, or any combination of the foregoing, and may be applied on an absolute basis and/or be relative to one or more peer group companies or indices, or any combination thereof, all as the Committee shall determine. In addition, to the degree consistent with Section 162(m) of the Code (or any successor section thereto), the performance goals may be calculated without regard to extraordinary items. The maximum amount of a Performance-Based Award during a calendar year to any Participant shall be equal to the greater of (x) \$15,000,000 and (y) 2.5 percent (2.5%) of the Company's income before income taxes, as reported in the Company's audited consolidated

financial statements for the year in respect of which the Performance-Based Award is to be payable or distributed, as applicable. The Committee shall determine whether, with respect to a performance period, the applicable performance goals have been met with respect to a given Participant and, if they have, to so certify and ascertain the amount of the applicable Performance-Based Award. No Performance-Based Awards will be paid for such performance period until such certification is made by the Committee. The amount of the Performance-Based Award actually paid to a given Participant may be less than the amount determined by the applicable performance goal formula, at the discretion of the Committee. The amount of the Performance-Based Award determined by the Committee for a performance period shall be paid to the Participant at such time as determined by the Committee in its sole discretion after the end of such performance period; *provided, however*, that a Participant may, if and to the extent permitted by the Committee and consistent with the provisions of Section 162(m) of the Code, elect to defer payment of a Performance-Based Award.

9. ADJUSTMENTS UPON CERTAIN EVENTS

Notwithstanding any other provisions in the Plan to the contrary, the following provisions shall apply to all Awards granted under the Plan:

- (a) Generally. In the event of any change in the outstanding Shares after the Effective Date by reason of any Share dividend or split, reorganization, recapitalization, merger, consolidation, spin-off, combination or exchange of Shares or other corporate exchange or change in capital structure, any distribution to shareholders of Shares other than regular cash dividends or any similar event, the Committee in its sole discretion and without liability to any person may make such substitution or adjustment, if any, as it deems to be equitable, as to (i) the number or kind of Shares or other securities issued or reserved for issuance as set forth in Section 3 of the Plan or pursuant to outstanding Awards, (ii) the Option Price and/or (iii) any other affected terms of such Awards.
- (b) Change in Control. Except as otherwise provided in an Award agreement, in the event of a Change in Control, the Committee in its sole discretion and without liability to any person may take such actions, if any, as it deems necessary or desirable with respect to any Award (including, without limitation, (i) the acceleration of an Award, (ii) the payment of a cash amount in exchange for the cancellation of an Award and/or (iii) the requiring of the issuance of substitute Awards that will substantially preserve the value, rights and benefits of any affected Awards previously granted hereunder) as of the date of the consummation of the Change in Control.

10. NO RIGHT TO EMPLOYMENT

The granting of an Award under the Plan shall impose no obligation on the Company or any Subsidiary to continue the employment of a Participant and shall not lessen or affect the Company's or Subsidiary's right to terminate the employment of such Participant.

11. SUCCESSORS AND ASSIGNS

The Plan shall be binding on all successors and assigns of the Company and a Participant; including without limitation, the estate of such Participant and the executor, administrator or trustee of such estate, or any receiver or trustee in bankruptcy or representative of the Participant's creditors.

12. NONTRANSFERABILITY OF AWARDS

Unless otherwise determined by the Committee, an Award shall not be transferable or assignable by the Participant otherwise than by will or by the laws of descent and distribution. Notwithstanding the foregoing, a Participant may transfer an Option (other than an ISO) in whole or in part by gift or domestic relations order to a family member of the Participant (a "Permitted Transferee") and, following any such transfer such Option or portion thereof shall be exercisable only by the Permitted Transferee, provided that no such Option or portion thereof is transferred for value, and provided further that, following any such transfer, neither such Option or any portion thereof nor any right hereunder shall be transferable other than to the Participant or otherwise than by will or the laws of descent and distribution or be subject to attachment, execution or other similar process. For purposes of this Section 12, "family member" includes any child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law, including adoptive relationships, any person sharing the Participant's household (other than a tenant or employee), trust in which these persons have more than 50% of the beneficial interest, a foundation in which these persons (or the Participant) control the management of assets and any other entity in which these persons (or the Participant) own more than 50% of the voting interests. An Award exercisable after the death of a Participant may be exercised by the legatees, personal representatives or distributees of the Participant.

13. AMENDMENTS OR TERMINATION

The Committee may amend, alter or discontinue the Plan, but no amendment, alteration or discontinuation shall be made which, (a) without the approval of the shareholders of the Company, would (except as is provided in the Plan for adjustments in certain events), increase the total number of Shares reserved for the purposes of the Plan or change the maximum number of Shares for which Awards may be granted to any Participant or (b) without the consent of a Participant, would impair any of the rights or obligations under any Award theretofore granted to such Participant under the Plan; *provided, however*, that the Committee may amend the Plan in such manner as it deems necessary to permit the granting of Awards meeting the requirements of the Code or other applicable laws. Notwithstanding anything to the contrary herein, the Committee may not amend, alter or discontinue the provisions relating to Section 9(b) of the Plan after the occurrence of a Change in Control.

14. INTERNATIONAL PARTICIPANTS

With respect to Participants who reside or work outside the United States of America and who are not (and who are not expected to be) "covered employees" within the meaning of Section 162(m) of the Code, the Committee may, in its sole discretion, amend the terms of the Plan or Awards with respect to such Participants in order to conform such terms with the requirements of local law.

15. CHOICE OF LAW

The Plan shall be governed by and construed in accordance with the laws of the State of Delaware.

16. EFFECTIVENESS OF THE PLAN

The Plan shall be effective as of the Effective Date. If the Plan is not approved by the shareholders of the Company prior to the first anniversary of the Effective Date, no Awards may be granted thereafter.

**HOVNIANIAN ENTERPRISES, INC.
SENIOR EXECUTIVE SHORT-TERM INCENTIVE PLAN
(AS AMENDED AND RESTATED)**

1. PURPOSE.

The purpose of the Senior Executive Short-Term Incentive Plan (the "Plan") is to advance the interests of K. Hovnanian (the "Company"), and its shareholders by providing incentives in the form of periodic bonus awards ("Awards") to certain senior executive employees of the Company and its affiliates, thereby motivating such executives to attain corporate performance goals articulated under the Plan.

2. ADMINISTRATION.

- (a) The Plan shall be administered by two or more individuals who are each "non-employee directors" within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended or any successor thereto, "outside directors" as defined under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), and "independent directors" within the meaning of the applicable rules, if any, of any national securities exchange on which shares of common stock of the Company are listed or admitted to trading, unless otherwise determined by the Company's Board of Directors to act as the committee (the "Committee").
- (b) The Committee shall have the exclusive authority to select the senior executives to be granted Awards under the Plan, to determine the size and terms of the Award (subject to the "limitations imposed on Awards in Section 4 below), to modify the terms of any of the Award that has been granted (except for any modification that would increase the amount of the Award payable to an executive), to determine the time when Awards will be made and the performance period to which they relate, to establish performance objectives in respect of such performance periods, and to certify that such performance objectives were attained; *provided, however*, that any such action shall be consistent with the applicable provisions of Section 162(m) of the Code. The Committee is authorized to interpret the plan, to establish, amend and rescind any rules and regulations relating to the Plan, and to make any other determinations that it deems necessary or desirable for the administration of the Plan. The Committee may correct any defect or supply any omission or reconcile any inconsistency in the Plan in the manner and to the extent the Committee deems necessary or desirable. Any decision of the Committee in the interpretation and administration of the Plan, as described herein, shall be final, conclusive and binding on all parties concerned.

3. PARTICIPATION.

Awards may be granted to senior executives of the Company and its affiliates who are "covered employees", as defined in Section 162(m) of the Code, or who the Committee anticipates may become covered employees. An Executive to whom an Award is granted shall be a "Participant".

4. AWARDS UNDER THE PLAN.

- (a) A Participant's Award shall be determined based on the attainment of written performance goals approved by the Committee in respect of a specified period of service (a "performance period"), which is established by the Committee (i) while the outcome for that performance period is substantially uncertain and (ii) not more than 90 days after the commencement of that performance period or, if less, the number of days which is equal to 25 percent of that performance period. The performance goals shall be based upon one or more of the following criteria: (i) earnings before or after taxes (including earnings before interest, taxes, depreciation and amortization); (ii) net income; (iii) operating income; (iv) earnings per share;
-

(v) book value per share; (vi) return on stockholders' equity; (vii) expense management; (viii) return on investment before or after the cost of capital; (ix) improvements in capital structure; (x) profitability of an identifiable business unit or product; (xi) maintenance or improvement of profit margins; (xii) stock price; (xiii) market share; (xiv) revenues or sales; (xv) costs; (xvi) cash flow; (xvii) working capital; (xviii) changes in net assets (whether or not multiplied by a constant percentage intended to represent the cost of capital); and (xix) return on assets. The foregoing criteria may relate to the Company, one or more of its affiliates or one or more of its divisions or units, or any combination of the foregoing, and may be applied on an absolute basis and/or be relative to one or more peer group companies or other indices, or any combination thereof, all as the Committee shall determine. In addition, to the degree consistent with Section 162(m) of the Code, the performance goals may be calculated without regard to extraordinary items. In any event, the performance goals shall be based on an objective formula or standard. The maximum amount of an Award to any Participant with respect to a fiscal year of the Company shall be to the greater of (x) \$15,000,000 and (y) 2.5 percent (2.5%) of the Company's income before income taxes, as reported in the Company's audited consolidated financial statements for the year in respect of which the Award is to be payable or distributed, as applicable.

- (b) The Committee shall determine whether the specified performance goals have been met with respect to any Participant and, if such goals have been met, shall so certify and shall ascertain the amount of the applicable Award. No Awards will be paid for any performance period until such applicable certification is made by the Committee. The amount of the Award actually paid to any Participant may, at the discretion of the Committee, be less than the amount determined by the applicable performance goal formula. The amount of the Award determined by the Committee in respect of a performance period shall be paid to the Participant at such time after the end of such performance period as shall be determined by the Committee in its sole discretion; *provided, however*, that a Participant may, if and to the extent permitted by the Committee, elect to defer receipt of an Award.
- (c) The provisions of this Section 4 shall be administered and interpreted in accordance with Section 162(m) of the Code and all supporting regulations to ensure the deductibility by the Company or any of its affiliates of the payment of Awards.
- (d) The Committee shall determine, in its discretion, whether an Award shall be payable in cash, common stock of the Company, or a combination thereof, which may include, without limitation, permitting a Participant to elect, in the calendar year prior to the year in which an Award may otherwise become payable to a Participant under the Plan, to defer receipt of all or any portion of such Award into a right to receive shares of common stock of the Company at a future date; *provided, however*, that the total number of shares of common stock of the Company ("Shares") that may be issued under the Plan is 5,000,000. In the event of any change in the outstanding Shares by reason of any Share dividend or split, reorganization, recapitalization, merger, consolidation, spin-off, combination or exchange of Shares or other corporate exchange or change in capital structure, any distribution to shareholders of Shares other than regular cash dividends or any similar event, the Committee in its sole discretion and without liability to any person may make such substitution or adjustment, if any, as it deems to be equitable, as to (i) the number or kind of Shares or other securities that may be issued as set forth in this Section 4(d) or pursuant to outstanding Awards and/or (ii) any other affected terms of such Awards. Except as otherwise provided in an Award agreement, in the event of a Change in Control (as defined in the 1999 Hovnanian Enterprises, Inc. Stock Incentive Plan (as amended and restated)), the Committee in its sole discretion and without liability to any person may take such actions, if any, as it deems necessary or desirable with respect to any Award.

5. AMENDMENT AND TERMINATION OF THE PLAN.

- (a) The Committee may at any time, or from time to time, suspend or terminate the Plan in whole or in part or amend it in such respects as the Committee may deem appropriate.
- (b) Notwithstanding the foregoing, no amendment, suspension or termination of the Plan shall be made which (i) without the Participant's consent, impairs any of the rights or obligations under any Award theretofore granted to a Participant under the Plan, (ii) without the approval of the shareholders of the Company (except as provided in Section 4(d) of the Plan) increases the total number of Shares available for issuance under the Plan or changes the maximum amount of any Award which may be payable or distributed to any Participant; *provided, however*, that the Committee may amend the Plan in such manner as it deems necessary to permit the granting of Awards meeting the requirements of the Code or other applicable laws.

6. MISCELLANEOUS PROVISIONS.

- (a) Determination made by the Committee under the Plan need not be uniform and may be made selectively among eligible individuals under the Plan, whether or not such eligible individuals are similarly situated. Neither the Plan nor any action taken hereunder shall be construed as giving any right to be retained as an employee of the Company or any affiliate thereof.
- (b) A Participant's rights or interest under the Plan may not be assigned or transferred, hypothecated or encumbered in whole or in part either directly or by operation of law or otherwise (except in the event of a Participant's death) including, but not by way of limitation, execution, levy, garnishment, attachment, pledge, bankruptcy or in any other manner; provided, however, that, subject to applicable law, any amounts payable to any Participant hereunder are subject to reduction to satisfy any liabilities owed to the Company or any of its affiliates by the Participant. Any attempted assignment or transfer, hypothecation or encumbrance shall be void and of no effect.
- (c) The Company and its affiliates shall have the right to deduct from any payment made under the Plan any federal, state, local or foreign income and other taxes required by law to be withheld with respect to such payment.
- (d) Each person who is or at any time serves as a member of the Committee or the Company's Board of Directors shall be indemnified and held harmless by the Company against and from: (i) any loss, cost, liability or expense that may be imposed upon or reasonably incurred by such person in connection with or resulting from any claim, action, suit or proceeding to which such person may be a party or in which such person may be involved by reason of any action or failure to act under the Plan; and (ii) any and all amounts paid by such person in satisfaction of judgment in any such action, suit or proceeding relating to the Plan. Each person covered by this indemnification shall give the Company an opportunity, at its own expense, to handle and defend the same before such person undertakes to handle and defend it on such person's own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the bylaws of the Company as a matter of law, or otherwise, or any power that the Company may have to indemnify such person or hold such person harmless.
- (e) Each member of the Committee and the Company's Board of Directors shall be fully justified in relying or acting in good faith upon any report made by independent public accountants of, or counsel for, the Company and upon any other information furnished in connection with the Plan. In no event shall any person who is or shall have been a member of the Committee or

the Company's Board of Directors be liable for any determination made or other action taken or any failure to act in reliance upon any such report or information or for any action taken, including without limitation the furnishing of information, or failure to act, if in good faith.

- (f) All matters relating to the Plan or to Awards granted hereunder shall be governed by and construed in accordance with the laws of the State of Delaware.
- (g) The Plan was originally effective as of November 1, 1999, as approved by the affirmative vote of holders of a majority of the shares of the Company then present or represented by proxy without payment therefor and entitled to vote. Subject to Section 4(d) of the Plan, no Award may be granted under the Plan after March 5, 2009, but Awards theretofore granted may extend beyond that date.

Subject to, and effective upon, the acceptance for exchange of the Outstanding Notes tendered hereby, the undersigned hereby exchanges, assigns and transfers to, or upon the order of, the Issuer all right, title and interest in and to such Outstanding Notes as are being tendered hereby.

The undersigned hereby irrevocably constitutes and appoints the Exchange Agent as the true and lawful agent and attorney-in-fact of the undersigned (with full knowledge that the Exchange Agent also acts as agent of the Issuer) with respect to the tendered Outstanding Notes, with full power of substitution and resubstitution (such power of attorney being deemed an irrevocable power coupled with an interest) to (1) deliver certificates representing such Outstanding Notes, or transfer ownership of such Outstanding Notes on the account books maintained by DTC, together, in each such case, with all accompanying evidences of transfer and authenticity to, or upon the order of, the Issuer, (2) present and deliver such Outstanding Notes for transfer on the books of the Issuer and (3) receive all benefits or otherwise exercise all rights and incidents of beneficial ownership of such Outstanding Notes, all in accordance with the terms of the Exchange Offer.

The undersigned hereby represents and warrants that (a) the undersigned has full power and authority to tender, exchange, assign and transfer the Outstanding Notes tendered hereby, (b) when such tendered Outstanding Notes are accepted for exchange, the Issuer will acquire good and unencumbered title thereto, free and clear of all liens, restrictions, charges and encumbrances and (c) the Outstanding Notes tendered for exchange are not subject to any adverse claims or proxies when the same are accepted by the Issuer. The undersigned hereby further represents that any Exchange Notes acquired in exchange for Outstanding Notes tendered hereby will have been acquired in the ordinary course of business of the person receiving such Exchange Notes, whether or not such person is the undersigned, that neither the holder of such Outstanding Notes nor any such other person is engaged in, or intends to engage in, a distribution of such Exchange Notes within the meaning of the Securities Act, or has an arrangement or understanding with any person to participate in the distribution of such Exchange Notes, and that neither the holder of such Outstanding Notes nor any such other person is an "affiliate", as such term is defined in Rule 405 under the Securities Act, of the Issuer or any Guarantor.

The undersigned also acknowledges that this Exchange Offer is being made based on the Issuer's understanding of an interpretation by the staff of the United States Securities and Exchange Commission (the "SEC") as set forth in no-action letters issued to third parties, including *Morgan Stanley & Co., Inc.* (available June 5, 1991), *Exxon Capital Holdings Corporation* (available May 13, 1988), as interpreted in the SEC's letter to *Shearman & Sterling* (available July 2, 1993), or similar no-action letters, that the Exchange Notes issued in exchange for the Outstanding Notes pursuant to the Exchange Offer may be offered for resale, resold and otherwise transferred by each holder thereof (other than a broker-dealer who acquires such Exchange Notes directly from the Issuer for resale pursuant to Rule 144A under the Securities Act or any other available exemption under the Securities Act or any such holder that is an "affiliate" of the Issuer or the Guarantors within the meaning of Rule 405 under the Securities Act), without compliance with the registration and prospectus delivery provisions of the Securities Act, provided that such Exchange Notes are acquired in the ordinary course of such holder's business and such holder is not engaged in, and does not intend to engage in, a distribution of such Exchange Notes and has no arrangement or understanding with any person to participate in the distribution of such Exchange Notes. If a holder of the Outstanding Notes is an affiliate of the Issuer or the Guarantors, is not acquiring the Exchange Notes in the ordinary course of its business, is engaged in, or intends to engage in, a distribution of the Exchange Notes or has any arrangement or understanding with respect to the distribution of the Exchange Notes to be acquired pursuant to the Exchange Offer, such holder (x) may not rely on the applicable interpretations of the

staff of the SEC and (y) must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any secondary resale transaction. If the undersigned is a broker-dealer that will receive the Exchange Notes for its own account in exchange for the Outstanding Notes, it represents that the Outstanding Notes to be exchanged for the Exchange Notes were acquired by it as a result of market-making activities or other trading activities and acknowledges that it will deliver a prospectus meeting the requirements of the Securities Act in connection with any resale or transfer of such Exchange Notes; however, by so acknowledging and by delivering a prospectus, the undersigned will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act.

The undersigned will, upon request, sign and deliver any additional documents deemed by the Issuer or the Exchange Agent to be necessary or desirable to complete the exchange, assignment and transfer of the Outstanding Notes tendered hereby. All authority conferred or agreed to be conferred in this Letter of Transmittal and every obligation of the undersigned hereunder shall be binding upon the successors, assigns, heirs, executors, administrators, trustees in bankruptcy and legal representatives of the undersigned and shall not be affected by, and shall survive, the death or incapacity of the undersigned. Tendered Outstanding Notes may be withdrawn at any time prior to the Expiration Date in accordance with the procedures set forth in the "The Exchange Offer—Withdrawal Rights" section of the Prospectus.

Unless otherwise indicated herein in the box entitled "Special Registration Instructions" below, please deliver the Exchange Notes (and, if applicable, substitute certificates representing the Outstanding Notes for any Outstanding Notes not exchanged) in the name of the undersigned or, in the case of a book-entry delivery of the Outstanding Notes, please credit the account indicated above maintained at DTC. Similarly, unless otherwise indicated in the box entitled "Special Delivery Instructions" below, please send the Exchange Notes (and, if applicable, substitute certificates representing the Outstanding Notes for any Outstanding Notes not exchanged) to the undersigned at the address shown above in the box entitled "Description of Outstanding Notes Tendered".

Employee identification numbers have nine digits separated by only one hyphen: i.e., 00-0000000. The table below will help determine the number to give the payer. All "Section" references are to the Internal Revenue Code of 1986, as amended. "IRS" is the Internal Revenue Service.

Payers must generally withhold up to 28% of taxable interest, dividends, and certain other payments to a payee who does not furnish a taxpayer identification number to payer. Certain penalties may also apply.

**INSTRUCTIONS TO LETTER OF TRANSMITTAL FORMING PART OF
THE TERMS AND CONDITIONS OF THE EXCHANGE OFFER**

General

Please do not send Certificates for Outstanding Notes directly to the Issuer. Your Certificates for Outstanding Notes, together with your signed and completed Letter of Transmittal and any required supporting documents, should be mailed or otherwise delivered to the Exchange Agent at the address set forth on the first page hereof. The method of delivery of Certificates, this Letter of Transmittal and all other required documents is at your sole option and risk and the delivery will be deemed made only when actually received by the Exchange Agent. If delivery is by mail, registered mail with return receipt requested, properly insured, or overnight or hand delivery service is recommended. In all cases, sufficient time should be allowed to ensure timely delivery.

1. Delivery of this Letter of Transmittal and Certificates.

This Letter of Transmittal is to be completed by holders of Outstanding Notes (which term, for purposes of the Exchange Offer, includes any participant in DTC whose name appears on a security position listing as the holder of such Outstanding Notes) if either (a) Certificates for such Outstanding Notes are to be forwarded herewith or (b) tenders are to be made pursuant to the procedures for tender by book-entry transfer set forth in "The Exchange Offer—Book-Entry Delivery Procedures" in the Prospectus and an Agent's Message (as defined below) is *not* delivered. The term "Agent's Message" means a message, transmitted by DTC to, and received by, the Exchange Agent and forming a part of a book-entry confirmation, which states that DTC has received an express acknowledgment from the tendering participant, which acknowledgment states that such participant has received and agrees to be bound by, and makes the representations and warranties contained in, this Letter of Transmittal and that the Issuer may enforce this Letter of Transmittal against such participant. Certificates representing the tendered Outstanding Notes, or timely confirmation of a book-entry transfer of such Outstanding Notes into the Exchange Agent's account at DTC, as well as a properly completed and duly executed copy of this Letter of Transmittal, or a facsimile hereof (or, in the case of a book-entry transfer, an Agent's Message), a substitute Form W-9 and any other documents required by this Letter of Transmittal, must be received by the Exchange Agent at its address set forth herein on or prior to the Expiration Date, or the tendering holder must comply with the guaranteed delivery procedures set forth below. Outstanding Notes may be tendered in whole or in part in the principal amount of \$1,000 and integral multiples of \$1,000.

2. Guaranteed Delivery Procedures.

Holders who wish to tender their Outstanding Notes and (i) whose Outstanding Notes are not immediately available or (ii) who cannot deliver their Outstanding Notes, this Letter of Transmittal and all other required documents to the Exchange Agent on or prior to the Expiration Date or (iii) who cannot complete the procedures for delivery by book-entry transfer on a timely basis, may effect a tender by properly completing and duly executing a Notice of Guaranteed Delivery pursuant to the guaranteed delivery procedures set forth in "The Exchange Offer—Guaranteed Delivery Procedures" in the Prospectus and by completing Box 3. Pursuant to these procedures, Holders may tender their Outstanding Notes if: (i) the tender is made by or through an Eligible Guarantor Institution (as defined below); (ii) a properly completed and signed Notice of Guaranteed Delivery in the form provided with this Letter of Transmittal is delivered to the Exchange Agent on or before the Expiration Date (by facsimile transmission, mail or hand delivery), setting forth the name and address of the holder of Outstanding Notes, the registered number(s) of such Outstanding Notes and the amount of Outstanding Notes tendered, stating that the tender is being made thereby; and (iii) the certificates or a confirmation of book-entry transfer and a properly completed and signed Letter of Transmittal is delivered to the Exchange Agent within three New York Stock Exchange trading days after the

Expiration Date. The Notice of Guaranteed Delivery may be delivered by hand, facsimile or mail to the Exchange Agent, and a guarantee by an Eligible Guarantor Institution must be included in the form described in the notice.

Any Holder who wishes to tender Outstanding Notes pursuant to the guaranteed delivery procedures described above must ensure that the Exchange Agent receives the Notice of Guaranteed Delivery relating to such Outstanding Notes prior to the Expiration Date. Failure to complete the guaranteed delivery procedures outlined above will not, of itself, affect the validity or effect a revocation of any Letter of Transmittal form properly completed and executed by a Holder who attempted to use the guaranteed delivery procedures.

The Issuer will not accept any alternative, conditional or contingent tenders. Each tendering holder of Outstanding Notes, by execution of a Letter of Transmittal (or facsimile thereof), waives any right to receive any notice of the acceptance of such tender.

Guarantee of Signatures

No signature guarantee on this Letter of Transmittal is required if:

- (i) this Letter of Transmittal is signed by the registered Holder(s) (which term, for purposes of this document, shall include any participant in DTC whose name appears on a security position listing as the owner of the Outstanding Notes) of Outstanding Notes tendered herewith, unless such Holder(s) has (have) completed either the box entitled "Special Registration Instructions" (Box 6) or "Special Delivery Instructions" (Box 7) above; or
- (ii) such Outstanding Notes are tendered for the account of a firm that is an Eligible Guarantor Institution.

In all other cases, an Eligible Guarantor Institution must guarantee the signature(s) in Box 8 on this Letter of Transmittal. See Instruction 5.

Inadequate Space

If the space provided in the box captioned "Description of Outstanding Notes Tendered" (Box 1) is inadequate, the Certificate or registration number(s) and/or the principal amount of Outstanding Notes and any other required information should be listed on a separate, signed schedule and attached to this Letter of Transmittal.

3. Beneficial Owner Instructions.

Only a Holder of Outstanding Notes (i.e., a person in whose name Outstanding Notes are registered on the books of the registrar or, with respect to interests in the Outstanding Notes held by DTC, a DTC participant listed in an official DTC proxy), or the legal representative or attorney-in-fact of a Holder, may execute and deliver this Letter of Transmittal. Any beneficial owner of Outstanding Notes who wishes to accept the Exchange Offer must arrange promptly for the appropriate Holder to execute and deliver this Letter of Transmittal on his or her behalf through the execution and delivery to the appropriate Holder of the "Instructions to Registered Holder and/or DTC Participant from Beneficial Owner of 6³/₈% Senior Notes due 2014" form accompanying this Letter of Transmittal.

4. Partial Tenders; Withdrawals.

Tenders of Outstanding Notes will be accepted only in the principal amount of \$1,000 and integral multiples of \$1,000. If less than the entire principal amount of Outstanding Notes evidenced by a submitted Certificate is tendered, the tendering Holder(s) should fill in the aggregate principal amount tendered in the column entitled "Aggregate Principal Amount of Outstanding Notes Being Tendered"

in Box 1 above. A newly issued Certificate for the principal amount of Outstanding Notes submitted but not tendered will be sent to such Holder as soon as practicable after the Expiration Date, unless otherwise provided in the appropriate box on this Letter of Transmittal. All Outstanding Notes delivered to the Exchange Agent will be deemed to have been tendered in full unless otherwise indicated.

Outstanding Notes tendered pursuant to the Exchange Offer may be withdrawn at any time prior to the Expiration Date, after which tenders of Outstanding Notes are irrevocable. To be effective, a written, telegraphic or facsimile transmission notice of withdrawal must be timely received by the Exchange Agent at the address set forth on the first page hereof. Any such notice of withdrawal must (i) specify the name of the person having deposited the Outstanding Notes to be withdrawn (the "Depositor"), (ii) identify the Outstanding Notes to be withdrawn (including the registration number(s) and principal amount of such Outstanding Notes, or, in the case of Outstanding Notes transferred by book-entry transfer, the name and number of the account at DTC to be credited), (iii) be signed by the Holder in the same manner as the original signature on this Letter of Transmittal (including any required signature guarantees) or be accompanied by documents of transfer sufficient to have the Trustee with respect to the Outstanding Notes register the transfer of such Outstanding Notes in the name of the person withdrawing the tender, (iv) specify the name in which any such Outstanding Notes are to be registered, if different from that of the Depositor and (v) include a statement that the Depositor is withdrawing its election to have such Outstanding Notes exchanged. All questions as to the validity, form and eligibility (including time of receipt) of such notices will be determined by the Issuer, whose determination shall be final and binding on all parties. Any Outstanding Notes so withdrawn will be deemed not to have been validly tendered for purposes of the Exchange Offer and no Exchange Notes will be issued with respect thereto unless the Outstanding Notes so withdrawn are validly re-tendered. Any Outstanding Notes which have been tendered but which are not accepted for exchange for any reason will be returned to the Holder thereof without cost to such Holder (or, in the case of Outstanding Notes tendered by book-entry transfer into the Exchange Agent's account at the book entry transfer facility pursuant to the book-entry transfer procedures described above, such Outstanding Notes will be credited to an account with such book-entry transfer facility specified by the Holder) as soon as practicable after withdrawal, rejection of tender or termination of the Exchange Offer. Properly withdrawn Outstanding Notes may be retendered by following one of the procedures described under the caption "The Exchange Offers—Procedures for Tendering" in the Prospectus at any time prior to the Expiration Date.

Neither the Issuer, any affiliates or assigns of the Issuer, the Exchange Agent nor any other person will be under any duty to give any notification of any irregularities in any notice of withdrawal or incur any liability for failure to give such notification (even if such notice is given to other persons).

5. Signature on Letter of Transmittal; Written Instruments and Endorsements; Guarantee of Signatures.

If this Letter of Transmittal is signed by the registered Holder(s) of the Outstanding Notes tendered hereby, the signature must correspond exactly with the name(s) as written on the face of the Certificates without alteration, addition, enlargement or any change whatsoever. If this Letter of Transmittal is signed by a participant in DTC, the signature must correspond with the name as it appears on the security position listing as the owner of the Outstanding Notes.

If any of the Outstanding Notes tendered hereby are owned of record by two or more joint owners, all such owners must sign this Letter of Transmittal.

If a number of Outstanding Notes registered in different names are tendered, it will be necessary to complete, sign and submit as many separate copies of this Letter of Transmittal (or facsimiles thereof) as there are different registrations of Outstanding Notes.

If this Letter of Transmittal is signed by the registered Holder(s) of Outstanding Notes (which term, for the purposes described herein, shall include a participant in DTC whose name appears on a security position listing as the owner of the Outstanding Notes) listed and tendered hereby, no endorsements of the tendered Outstanding Notes or separate written instruments of transfer or exchange are required. In any other case, the registered Holder(s) (or acting Holder(s)) must either properly endorse the Outstanding Notes or transmit properly completed bond powers with this Letter of Transmittal (in either case, executed exactly as the name(s) of the registered Holder(s) appear(s) on the Outstanding Notes, and, with respect to a participant in DTC whose name appears on such security position listing), with the signature on the Outstanding Notes or bond power guaranteed by an Eligible Guarantor Institution (except where the Outstanding Notes are tendered for the account of an Eligible Guarantor Institution).

If this Letter of Transmittal, any Certificates, bond powers or separate written instruments of transfer or exchange are signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, such persons should so indicate when signing, and, unless waived by the Issuer, must submit proper evidence satisfactory to the Issuer, in its sole discretion, of such persons' authority to so act.

Endorsements on certificates for the Outstanding Notes or signatures on bond powers required by this Instruction 5 must be guaranteed by a firm that is a member of the Security Transfer Agent Medallion Signature Program or by any other "Eligible Guarantor Institution" within the meaning of Rule 17Ad-15 under the Securities Exchange Act of 1934, as amended.

Signatures on this Letter of Transmittal need not be guaranteed by an Eligible Guarantor Institution, provided the Outstanding Notes are tendered: (i) by a registered holder of the Outstanding Notes (which term, for purposes of the Exchange Offer, includes any participant in the DTC system whose name appears on a security position listing as the owner of such Outstanding Notes) tendered who has not completed Box 6 entitled "Special Registration Instructions" or Box 7 entitled "Special Delivery Instructions" on this Letter of Transmittal or (ii) for the account of an Eligible Guarantor Institution.

6. Special Registration and Delivery Instructions.

Tendering Holders should indicate, in the applicable Box 6 or Box 7, the name and address in/to which the Exchange Notes and/or substitute certificates evidencing Outstanding Notes for principal amounts not tendered or not accepted for exchange are to be issued or sent, if different from the name(s) and address(es) of the person signing this Letter of Transmittal. In the case of issuance in a different name, the employer identification number or social security number of the person named must also be indicated and the tendering Holder should complete the applicable box. A holder tendering the Outstanding Notes by book-entry transfer may request that the Outstanding Notes not exchanged be credited to such account maintained at DTC as such Holder may designate hereof (See Box 4).

If no instructions are given, the Exchange Notes (and any Outstanding Notes not tendered or not accepted) will be issued in the name of and sent to the Holder signing this Letter of Transmittal or deposited into such Holder's account at DTC.

7. Transfer Taxes.

The Issuer will pay all transfer taxes, if any, applicable to the transfer and exchange of Outstanding Notes to it or its order pursuant to the Exchange Offer. If a transfer tax is imposed because Exchange Notes are delivered or issued in the name of a person other than the registered Holder or if a transfer tax is imposed for any other reason other than the transfer and exchange of Outstanding Notes to the Issuer or its order pursuant to the Exchange Offer, the amount of any such transfer taxes (whether

imposed on the registered Holder or any other person) will be payable by the tendering Holder. If satisfactory evidence of payment of such taxes or exemption therefrom is not submitted herewith, the amount of such transfer taxes will be billed to the tendering Holder by the Exchange Agent.

Except as provided in this Instruction 7, it will not be necessary for transfer tax stamps to be affixed to the Outstanding Notes listed in the Letter of Transmittal.

8. Waiver of Conditions.

The Issuer reserves the right to waive, in whole or in part, any of the conditions to the Exchange Offer set forth in the Prospectus.

9. Mutilated, Lost, Stolen or Destroyed Outstanding Notes.

Any Holder whose Outstanding Notes have been mutilated, lost, stolen or destroyed should promptly contact the Exchange Agent at the address set forth on the first page hereof for further instructions. The Holder will then be instructed as to the steps that must be taken in order to replace the Certificate(s). This Letter of Transmittal and related documents cannot be processed until the procedures for replacing lost, destroyed or stolen Certificate(s) have been completed.

10. Questions and Request for Assistance or Additional Copies.

Questions relating to the procedure for tendering as well as requests for additional copies of the Prospectus and this Letter of Transmittal, may be directed to the Exchange Agent at the address and telephone number set forth on the first page hereof.

11. Validity and Form; No Conditional Tenders; No Notice of Irregularities.

All questions as to the validity, form, eligibility (including time of receipt), acceptance of tendered Outstanding Notes and withdrawal of tendered Outstanding Notes will be determined by the Issuer in its sole discretion, which determination will be final and binding. No alternative, conditional, irregular or contingent tenders will be accepted. All tendering Holders, by execution of this Letter of Transmittal, shall waive any right to receive notice of the acceptance of their Outstanding Notes for exchange. The Issuer also reserves the right, in its reasonable judgment, to waive any defects, irregularities or conditions of tender as to particular Outstanding Notes. The Issuer's interpretation of the terms and conditions of the Exchange Offer (including the instructions in this Letter of Transmittal) will be final and binding on all parties. Unless waived, any defects or irregularities in connection with tenders of Outstanding Notes must be cured within such time as the Issuer shall determine. Although the Issuer intends to notify Holders of defects or irregularities with respect to tenders of Outstanding Notes, neither the Issuer, the Exchange Agent nor any other person is under any obligation to give such notice nor shall they incur any liability for failure to give such notification. Tenders of Outstanding Notes will not be deemed to have been made until such defects or irregularities have been cured or waived. Any Outstanding Notes received by the Exchange Agent that are not properly tendered and as to which the defects or irregularities have not been cured or waived will be returned by the Exchange Agent to the tendering Holder as soon as practicable following the Expiration Date.

IMPORTANT TAX INFORMATION

Under U.S. federal income tax law, a Holder tendering Outstanding Notes whose Outstanding Notes are accepted for exchange may be subject to backup withholding unless the holder provides either (i) such Holder's correct taxpayer identification ("TIN") on the Substitute Form W-9 above, certifying (A) that the TIN provided on Substitute Form W-9 is correct (or that such Holder of Outstanding Notes is awaiting a TIN), (B) that the Holder of Outstanding Notes is not subject to backup withholding because (x) such Holder of Outstanding Notes is exempt from backup withholding, (y) such Holder of Outstanding Notes has not been notified by the Internal Revenue Service that he or she is subject to backup withholding as a result of a failure to report all interest or dividends or (z) the Internal Revenue Service has notified the Holder of Outstanding Notes that he or she is no longer subject to backup withholding and (C) that the Holder of Outstanding Notes is a U.S. person (including a U.S. resident alien); or (ii) an adequate basis for exemption from backup withholding. If such Holder is an individual, the TIN is his or her social security number. If the Exchange Agent is not provided with the correct TIN, the Holder may be subject to certain penalties imposed by the Internal Revenue Service and any payments that are made to such Holder may be subject to backup withholding (see below).

Certain Holders (including, among others, all corporations and certain foreign individuals) are not subject to these backup withholding and reporting requirements. However, exempt Holders of Outstanding Notes should indicate their exempt status on Substitute Form W-9. For example, a corporation should complete the Substitute Form W-9, providing its TIN and indicating that it is exempt from backup withholding. In order for a foreign individual to qualify as an exempt recipient, that Holder must submit a statement, signed under penalty of perjury, attesting to that individual's exempt status (Form W-8BEN). Forms for such statements can be obtained from the Exchange Agent. Holders are urged to consult their own tax advisors to determine whether they are exempt from these backup withholding and reporting requirements.

If backup withholding applies, the Exchange Agent is required to withhold 28% of any payments to be made to the Holder or other payee. Backup withholding is not an additional tax. Rather, the tax liability of persons subject to backup withholding will be reduced by the amount of tax withheld. If withholding results in an overpayment of taxes, a refund may be obtained from the Internal Revenue Service provided the required information is furnished. The Exchange Agent cannot refund amounts withheld by reason of backup withholding.

A Holder who does not have a TIN may check the box in Part 3 of the Substitute Form W-9 if the Holder has applied for a number or intends to apply for a TIN in the near future. If the box in Part 3 is checked, the Holder or other payee must also complete the Certificate of Awaiting Taxpayer Identification Number above in order to avoid backup withholding. Notwithstanding that the box in Part 3 is checked and the Certificate of Awaiting Taxpayer Identification Number is completed, the Exchange Agent will withhold 28% of all payments made prior to the time a properly certified TIN is provided to the Exchange Agent and, if the Exchange Agent is not provided with a TIN within 60 days, such amounts will be paid over to the Internal Revenue Service.

The Holder of Outstanding Notes is required to give the Exchange Agent the TIN (e.g., social security number or employer identification number) of the record owner of the Outstanding Notes. If the Outstanding Notes are in more than one name or are not in the name of the actual owner, consult the enclosed "Guidelines for Certification of Taxpayer Identification Number on Substitute Form W-9" for additional guidance on which number to report.

IMPORTANT: THIS LETTER OF TRANSMITTAL OR A FACSIMILE THEREOF (TOGETHER WITH OUTSTANDING NOTES OR CONFIRMATION OF BOOK-ENTRY TRANSFER AND ALL OTHER REQUIRED DOCUMENTS) OR A NOTICE OF GUARANTEED DELIVERY MUST BE RECEIVED BY THE EXCHANGE AGENT ON OR PRIOR TO THE EXPIRATION DATE.
