In establishing the three major components for each executive, the Compensation Committee reviews, as part of its criteria, the compensation received by other executives in the homebuilding industry.

BASE SALARY

The Compensation Committee believes that, due to the Company's success in its principal markets, other companies seeking proven executives may view members of the Company's highly experienced executive team as potential targets. The base salaries paid to the Company's executive officers during the year ended October 31, 2001 generally were believed to be necessary to retain their services.

Base salaries, including that of Mr. K. Hovnanian, the Company's Chairman of the Board, are reviewed annually and are adjusted based on the performance of the executive, any increased responsibilities assumed by the executive, average salary increases or decreases in the industry and the going rate for similar positions at comparable

companies. Mr. A. Hovnanian set the year ended October 31, 2001 base salaries of the Company's executive officers. Each executive officer's base salary, including the base salary of Mr. K. Hovnanian, was reviewed in accordance with the above criteria by the members of the Compensation Committee and thereafter.

ANNUAL BONUS PROGRAM

The Company maintains an annual bonus program under which executive officers and other key management employees have the opportunity to earn cash bonuses. The annual bonus program is intended to motivate and reward executives for the achievement of individual performance objectives and for the attainment by the Company of strategic and financial performance goals, including levels of return on equity.

Under the Senior Executive Short-Term Incentive Plan for Mr. K. Hovnanian, Chairman of the Board and Mr. A. Hovnanian, President and Chief Executive Officer, a fixed amount bonus is paid based on the Company's Return on Equity ("ROE"). All other executive officers participate in a plan based on ROE or on a Division's Return on Investment ("ROI") and they receive a fixed amount, or they receive a percentage of their base salary. As the Company's ROE or a Division's ROI reaches higher targeted levels, the fixed amount or bonus percentage of salary increases. The annual bonus payment is made 70% in cash and 30% in the right to receive the Company's Class A Common Stock. The 30% right to receive Class A Common Stock is increased 20% and vests 25% a year starting with the first anniversary after the cash bonus payment accrues. Any executive with 20 years of service or who reaches the age of 58 vests immediately.

The Company's annual bonus program is designed to be cost and tax effective. In accordance with section 162(m) of the Code, the bonus plan for executives receiving compensation in excess of \$1,000,000 was approved by shareholders at the April 15, 1997 and March 16, 2000 Annual Meetings of Shareholders and reflects the Compensation Committee's policies of maximizing corporate tax deductions, wherever feasible.

STOCK INCENTIVE PLAN

The Stock Incentive Plan established by the Board of Directors is intended to align the interests of the Company's executives and shareholders in the enhancement of shareholder value. The ultimate value received by option holders is directly tied to increases in the Company's stock price and, therefore, stock options serve to closely link the interests of management and shareholders and motivate executives to make decisions that will serve to increase the long-term total return to shareholders. Additionally, grants under the Stock Incentive Plan include vesting and termination provisions which the Compensation Committee believes will encourage option holders to remain employees of the Company.

The Stock Incentive Plan is administered by the Compensation Committee. See "Option Grants in Last Fiscal Year" above. No member of the Compensation Committee, while a member, is eligible to participate in the Stock Incentive Plan.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors and is governed by its Charter (filed as Exhibit A, to the Company's Proxy Statement dated February 2, 2001) which was adopted in March of 2000. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities the committee reviewed the audited financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgements, and the clarity of disclosures in the financial statements.

The committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles:

- o the overall scope and plans for their respective audits,
- o their judgements as to the quality, not just the acceptability, of the Company's accounting principles,
- o their independence from management and the Company including matters in the written disclosures and the letter from the independent accountants required by the Independence Standards Board No. 1,
- o and such other matters as are required to be discussed with the committee under generally accepted auditing standards.

Messrs. McDonald, Robbins and Weinroth are independent audit committee members based on discussions with the Company's independent auditors and their disclosures as required by the Independence Standards Board, Standard No. 1. They are also independent in accordance with the listing standards of the New York Stock Exchange.

The audit committee, as part of its Charter, reviews quarterly with management the Company's financial statements prior to filing with the Securities and Exchange Commission and discusses with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61. In addition, the committee in reliance on the reviews and discussions referred to above, has recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended October 31, 2001.

PERFORMANCE GRAPH

The following graphs compare on a cumulative basis the yearly percentage change over the five and three year periods ending October 31, 2001 in (i) the total shareholder return on the Class A Common Stock of the Company with (ii) the total return on the Standard & Poor's 500 Index and with (iii) the total shareholder return on the peer group of thirteen companies. Such yearly percentage change has been measured by dividing (i) the sum of (a) the amount of dividends for the measurement period, assuming dividend reinvestment, and (b) the price per share at the end of the measurement period less the price per share at the beginning of the measurement period, by (ii) the price per share at the beginning of the measurement period. The price of each unit has been set at \$100 on October 31, 1996 and 1998 for the preparation of the five and three years graphs, respectively. The peer group index is composed of the following companies: Centex Corporation, D R Horton, Inc., Kaufman & Broad Home Corporation, Lennar Corporation, Orleans Homebuilders, Inc., Pulte Corporation, Rottlund, Inc., Ryland Group, Inc., Schuler Homes, Inc., Standard Pacific Corporation, Sundance Homes, Inc., Toll Brothers, Inc., and William Lyon Homes.

CERTAIN TRANSACTIONS

The Company's Board of Directors has adopted a general policy providing that it will not make loans to officers or directors of the Company or their relatives at an interest rate less than the interest rate at the date of the loan on six month U.S. Treasury Bills, that the aggregate of such loans will not exceed \$3,000,000 at any one time, and that such loans will be made only with the approval of the members of the Company's Board of Directors who have no interest in the transaction. At October 31, 2001, there were three loans under this policy to Mr. K. Hovnanian, Chairman of the Board amounting to \$18,000, Mr. A. Hovnanian, President, Chief Executive Officer and a Director of the Company amounting to \$961,000 and \$140,000 to a non-board officer, all for personal matters, at an interest rate equal to the six month U.S. Treasury Bill.

The Company provides property management services to various limited partnerships including one limited partnership in which Mr. A. Hovnanian is general partner, and members of his family and certain officers and directors of the Company are limited partners. At October 31, 2001, no amounts were due the Company by these partnerships.

During the year ended October 31, 2001, the Company entered into an agreement to purchase land from an entity that is controlled by the brother of the Company's Chairman of the Board. As of October 31, 2001, land aggregating \$2,384,000 has been purchased. The Company remains obligated under the agreement to purchase an additional \$26.9 million of land from this entity over the next three years. Neither the Company nor the Chairman of the Board has a financial interest in the entity from which the land was purchased.

Mr. Arthur Greenbaum is a senior partner of Greenbaum, Rowe, Smith, Ravin, Davis & Himmel, a law firm retained by the Company during the year ended October 31, 2001.

GENERAL

The expense of this solicitation is to be borne by the Company. The Company may also reimburse persons holding shares in their names or in the names of their nominees for their expenses in sending proxies and proxy material to their principals.

Unless otherwise directed, the persons named in the accompanying form of proxy intend to vote all proxies received by them in favor of the election of nominees to the Board of Directors of the Company named herein and in favor of the ratification of selected independent accountants. All proxies will be voted as specified.

Each share of Class A Common Stock entitles the holder thereof to one vote and each share of Class B Common Stock entitles the holder thereof to ten votes. Votes of Class A Common Stock and Class B Common Stock will be counted together without regard to class and will be certified by the Inspectors of Election, who are employees of the Company. Notwithstanding the foregoing, the Company's Certificate of Incorporation provides that each share of Class B Common Stock held, to the extent of the Company's knowledge, in nominee name by a stockbroker, bank or otherwise will be entitled to only one vote per share unless the Company is satisfied that such shares have been held, since the date of issuance, for the benefit or account of the same beneficial owner of such shares or any permitted transferee. Beneficial owners of shares of Class B Common Stock held in nominee name wishing to cast ten votes for each share of such stock must (i) obtain from their nominee a proxy card designed for beneficial owners of Class B Common Stock, (ii) complete the certification on such card and (iii) execute the card and return it to their nominee. The Company has also supplied nominee holders of Class B Common Stock with specially designed proxy cards to accommodate the voting of the Class B Common Stock. In accordance with the Company's Certificate of Incorporation, shares of Class B Common Stock held in nominee name will be entitled to ten votes per share only if the beneficial owner proxy card or the nominee proxy card relating to such shares is properly completed and received by EquiServe, the Company's transfer agent, not less than 3 nor more than 20 business days prior to March 8, 2002. Completed proxy cards should be sent to P.O. Box 9395, Boston, Massachusetts 02205-9956, Attention: Proxy Department.

All items to be acted upon at this Annual Meeting of Shareholders will be determined by a majority of the votes cast. Mr. K. Hovnanian and certain members of his family have informed the Company that they intend to vote in favor of all proposals submitted on behalf of the Company. Because of the voting power of Mr. K. Hovnanian and such members of his family, all of the foregoing proposals are assured passage.

Management does not intend to present any business at the meeting other than that set forth in the accompanying Notice of Annual Meeting of Shareholders, and it has no information that others will do so. If other matters requiring the vote of the shareholders properly come before the meeting and any adjournments thereof, it is the intention of the persons named in the accompanying form of proxy to vote the proxies held by them in accordance with their judgment on such matters.

SHAREHOLDER PROPOSALS FOR THE
2003 ANNUAL MEETING

Shareholder proposals for inclusion in the proxy materials related to the 2003 Annual Meeting of Shareholders must be received by the Company no later than November 29, 2002. To be properly brought before the Annual Meeting, any proposal must be received 45 days prior to the 2003 Annual Meeting.
