Report of the Compensation Committee

The Compensation Committee is charged with the responsibility of determining the cash and other incentive compensation, if any, to be paid to the Company's executive officers and key employees. The amount and nature of the compensation received by the

Company's executives during the year ended October 31, 2000 was determined in accordance with the compensation program and policies described below.

The executive compensation program is designed to attract, retain and reward highly qualified executives while maintaining a strong and direct link between executive pay, the Company's financial performance and total shareholder return. The executive compensation program contains three major components: base salaries, annual bonuses and stock options. In establishing the three major components for each executive, the Compensation Committee reviews, as part of its criteria, the compensation received by other executives in the homebuilding industry.

Base Salary

The Compensation Committee believes that, due to the Company's success in its principal markets, other companies seeking proven executives may view members of the Company's highly experienced executive team as potential targets. The base salaries paid to the Company's executive officers during the year ended October 31, 2000 generally were believed to be necessary to retain their services.

Base salaries, including that of Mr. K. Hovnanian, the Company's Chairman of the Board, are reviewed annually and are adjusted based on the performance of the executive, any increased responsibilities assumed by the executive, average salary increases or decreases in the industry and the going rate for similar positions at comparable companies. Mr. A. Hovnanian set the year ended October 31, 2000 base salaries of the Company's executive officers. Each executive officer's base salary, including the base salary of Mr. K. Hovnanian, was reviewed in accordance with the above criteria by the members of the Compensation Committee and thereafter approved.

Annual Bonus Program

The Company maintains an annual bonus program under which executive officers and other key management employees have the opportunity to earn cash bonuses. The annual bonus program is intended to motivate and reward executives for the achievement of individual performance objectives and for the attainment by the Company of strategic and financial performance goals, including levels of return on equity.

Under the Senior Executive Short-Term Incentive Plan for Mr. K. Hovnanian, Chairman of the Board and Mr. A. Hovnanian, President and Chief Executive Officer, a fixed amount bonus is paid based on the Company's Return on Equity ("ROE"). All other executive officers participate in a plan based on ROE but instead of receiving a fixed amount, they receive a percentage of their base salary. As the Company's ROE reaches higher targeted levels, the bonus percentage of salary increases.

The Company's annual bonus program is designed to be cost and tax effective. In accordance with section 162(m) of the Code, the bonus plan for executives receiving compensation in excess of \$1,000,000 was approved by shareholders at the April 15, 1997 and March 16, 2000 Annual Meetings of Shareholders and reflects the Compensation Committee's policies of maximizing corporate tax deductions, wherever feasible.

Stock Incentive Plan

The Stock Incentive Plan established by the Board of Directors is intended to align the interests of the Company's executives and shareholders in the enhancement of shareholder value. The ultimate value received by option holders is directly tied to increases in the Company's stock price and, therefore, stock options serve to closely link the interests of management and shareholders and motivate executives to make decisions that will serve to increase the long-term total return to shareholders. Additionally, grants under the Stock Incentive Plan include vesting and termination provisions which the Compensation Committee believes will encourage option holders to remain employees of the Company.

The Stock Incentive Plan is administered by the Compensation Committee. See "Option Grants in Last Fiscal Year" above. No member of the Compensation Committee, while a member, is eligible to participate in the Stock Incentive Plan.

Report of the Audit Committee

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors and is governed by its Charter as set forth in Exhibit A, hereto, which was adopted in March of 2000. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities the committee reviewed the audited financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgements, and the clarity of disclosures in the financial statements.

The committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles:

- o the overall scope and plans for their respective audits,
- o their judgements as to the quality, not just the acceptability, of the Company's accounting principles,
- o their independence from management and the Company including matters in the written disclosures and the letter from the independent accountants required by the Independence Standards Board No. 1,
- o and such other matters as are required to be discussed with the committee under generally accepted auditing standards.

Messrs. McDonald and Weinroth are independent audit committee members based on discussions with the Company's independent auditors and their disclosures as required by the Independence Standards Board, Standard No. 1. They are also independent in accordance with the listing standards of the American Stock Exchange. Mr. Reinhart is an Executive Officer of the Company, and as such, is not independent. Having Mr. Reinhart

on the committee is in the best interest of the Company because he can provide day-to-day supervision to the internal audit staff, he is readily available to address issues with management, and provides independent members insight into audit and financial matters.

The audit committee, as part of its Charter, reviews quarterly with management the Company's financial statements prior to filing with the Securities and Exchange Commission and discusses with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61. In addition, the committee in reliance on the reviews and discussions referred to above, has recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended October 31, 2000.

Performance Graph

The following graph compares on a cumulative basis the yearly percentage change over the five year period ending October 31, 2000 in (i) the total shareholder return on the Class A Common Stock of the Company with (ii) the total return on the Standard & Poor's 500 Index and with (iii) the total shareholder return on the peer group of sixteen companies. Such yearly percentage change has been measured by dividing (i) the sum of (a) the amount of dividends for the measurement period, assuming dividend reinvestment, and (b) the price per share at the end of the measurement period less the price per share at the beginning of the measurement period, by (ii) the price per share at the beginning of the measurement period. The price of each unit has been set at \$100 on October 31, 1995 for the preparation of the graphs. The peer group index is composed of the following companies: Centex Corporation, D R Horton, Inc., Engle Homes, Inc., Kaufman & Broad Home Corporation, Lennar Corporation, Orleans Homebuilders, Inc., Presley Companies, Pulte Corporation, Rottlund, Inc., Ryland Group, Inc., Schuler Homes, Inc., Standard Pacific Corporation, Sundance Homes, Inc., Toll Brothers, Inc., Washington Homes, Inc., and Zaring National Corporation.

CERTAIN TRANSACTIONS

The Company's Board of Directors has adopted a general policy providing that it will not make loans to officers or directors of the Company or their relatives at an interest rate less than the interest rate at the date of the loan on six month U.S. Treasury Bills, that the aggregate of such loans will not exceed \$3,000,000 at any one time, and that such loans will be made only with the approval of the members of the Company's Board of Directors who have no interest in the transaction. At October 31, 2000, there were two loans under this policy to Mr. K. Hovnanian, Chairman of the Board amounting to \$3,000 and Mr. A. Hovnanian, President, Chief Executive Officer and a Director of the Company amounting to \$3,124,000, both for personal matters, at an interest rate equal to the six month U.S. Treasury Bill. Due to an oversight the loan exceeded \$3,000,000 at October 31, 2000. On November 9, 2000 a \$250,000 payment was received which reduced the loans to within authorized limits.

The Company provides property management services to various limited partnerships including one limited partnership in which Mr. A. Hovnanian is general partner, and members of his family and certain officers and directors of the Company are limited partners. At October 31, 2000, no amounts were due the Company by these partnerships.

Mr. Arthur Greenbaum is a senior partner of Greenbaum, Rowe, Smith, Ravin, Davis & Himmel, a law firm retained by the Company during the year ended October 31, 2000.

GENERAL

The expense of this solicitation is to be borne by the Company. The Company may also reimburse persons holding shares in their names or in the names of their nominees for their expenses in sending proxies and proxy material to their principals.

Unless otherwise directed, the persons named in the accompanying form of proxy intend to vote all proxies received by them in favor of the election of nominees to the Board of Directors of the Company named herein and in favor of the ratification of selected independent accountants. All proxies will be voted as specified.

Each share of Class A Common Stock entitles the holder thereof to one vote and each share of Class B Common Stock entitles the holder thereof to ten votes. Votes of Class A Common Stock and Class B Common Stock will be counted together without regard to class and will be certified by the Inspectors of Election, who are employees of the Company. Notwithstanding the foregoing, the Company's Certificate of Incorporation provides that each share of Class B Common Stock held, to the extent of the Company's knowledge, in nominee name by a stockbroker, bank or otherwise will be entitled to only one vote per share unless the Company is satisfied that such shares have been held, since the date of issuance, for the benefit or account of the same beneficial owner of such shares or any permitted transferee. Beneficial owners of shares of Class B Common Stock held in nominee name wishing to cast ten votes for each share of such stock must (i) obtain from their nominee a proxy card designed for beneficial owners of Class B Common Stock, (ii) complete the certification on such card and (iii) execute the card and return it to their nominee. The Company has also supplied nominee holders of Class B Common Stock with specially designed proxy cards to accommodate the voting of the Class B Common Stock.

In accordance with the Company's Certificate of Incorporation, shares of Class B Common Stock held in nominee name will be entitled to ten votes per share only if the beneficial owner proxy card or the nominee proxy card relating to such shares is properly completed and received by EquiServe, the Company's transfer agent, not less than 3 nor more than 20 business days prior to March 8, 2001. Completed proxy cards should be sent to P.O. Box 9379, Boston, Massachusetts 02205-9956, Attention: Proxy Department.

All items to be acted upon at this Annual Meeting of Shareholders will be determined by a majority of the votes cast. Mr. K. Hovnanian and certain members of his family have informed the Company that they intend to vote in favor of all proposals submitted on behalf of the Company. Because of the voting power of Mr. K. Hovnanian and such members of his family, all of the foregoing proposals are assured passage.

Management does not intend to present any business at the meeting other than that set forth in the accompanying Notice of Annual Meeting of Shareholders, and it has no information that others will do so. If other matters requiring the vote of the shareholders properly come before the meeting and any adjournments thereof, it is the intention of the persons named in the accompanying form of proxy to vote the proxies held by them in accordance with their judgment on such matters.

SHAREHOLDER PROPOSALS FOR THE
2002 ANNUAL MEETING

Shareholder proposals for inclusion in the proxy materials related to the 2002 Annual Meeting of Shareholders must be received by the Company no later than November 30, 2001. To be properly brought before the Annual Meeting, any proposal must be received 45 days prior to the 2002 Annual Meeting.

HOVNANIAN ENTERPRISES, INC.
AUDIT COMMITTEE OF THE BOARD OF DIRECTORS
CHARTER

I. ORGANIZATION

The Charter governs the operations of the Audit Committee, a standing committee of the Board of Directors of Hovnanian Enterprises, Inc. (the "Board"). The Audit Committee shall review and reassess the adequacy of the Charter at least annually and recommend proposed changes to the Board for approval. The Audit Committee shall be composed of at least three Directors who are independent of the management of the Company and are free of any relationship that, in the opinion of the Board, would interfere with their exercise of independent judgment as a committee member. Each committee member must be financially literate, and at least one member shall have accounting or financial management expertise.

The audit committee shall hold at least two regularly scheduled meetings each year and as many additional special meetings as may be necessary to carry out its responsibilities.

II. STATEMENT OF POLICY

The Audit Committee was established to assist the Board in fulfilling its oversight responsibility to the shareholders, the investment community and others relating to the Company's financial statements and financial reporting process, its accounting systems and internal controls, the independent audit and periodic reviews of the Company's financial statements and compliance with laws and policies established by management and the Board. In so doing, the Audit Committee shall endeavor to facilitate open communication between the Directors, the independent auditors and financial management of the Company.

III. RESPONSIBILITIES

The primary responsibility of the Audit Committee is to oversee the Company's financial reporting process on behalf of the Board and report the results of its activities to the Board. It is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditor. Nor is it the duty of the Audit Committee to conduct investigations, to resolve disagreements, if any, between management and the independent auditor or to assure compliance with laws and regulations. The Audit Committee may assist in helping to resolve such disagreements, if any. In carrying out its responsibilities, the Audit Committee will:

1. Obtain a clear understanding with management and the independent auditors that the independent auditors are ultimately accountable to the Board and the Audit

Committee, as representatives of the Company's shareholders, for their performance in conducting the annual audit and periodic reviews of the financial statements. The Committee shall have the ultimate authority to evaluate and, where appropriate, replace the independent auditors, with the approval of the Board.

2. Review and recommend to the Directors the independent auditors to be selected to audit the annual financial statements of the Company, subject to approval by the Shareholders. On an annual basis, discuss with the auditors their independence from management and the Company and review the written disclosures required of the auditors by the Independence Standards Board.
3. Meet with the independent auditors and financial management of the Company to review the scope and estimated costs of the proposed audit for the current year and the audit procedures to be utilized, and at the conclusion thereof review such audit, including any comments or recommendations of the independent auditors.
4. Review with the financial management of the Company and the independent auditors the 10-Q prior to its filing or prior to the release of earnings, including a discussion with the independent auditors of the matters required to be discussed by SAS No. 61. The Chairperson of the Audit Committee may represent the Audit Committee for purposes of this review.
5. Review and discuss with management and the independent auditors the Company's annual financial statements, including evaluations of the quality of accounting principles and disclosures and the reasonableness of significant estimates, as required by SAS No. 61. Review any changes in accounting principles. Recommend to the Board the inclusion of such financial statements in the annual report to the shareholders and the Form 10-K.
6. Cause to be prepared such reports relating to the Audit Committee as may be required to be included in the Company's proxy statements by the rules of the Securities and Exchange Commission (the "SEC").
7. Monitor submission to the American Stock Exchange of such written affirmations regarding the Audit Committee as may be required by the rules of the American Stock Exchange.
8. Review with the independent auditors and financial statements the adequacy and effectiveness of the accounting and financial controls of the Company, and review any material recommendations for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable. Review as necessary with the Company's General Counsel any legal matters or compliance issues that may have a material impact on the financial statements.
9. Provide sufficient opportunity for the independent auditors to meet with the Audit

Committee without members of management present. Among the items to be discussed in these meetings are the independent auditor's evaluation of the Company's financial, accounting, and auditing personnel, and the cooperation that the independent auditors received during the course of the audit. The Audit Committee shall also meet privately with management of the Company as necessary to review the performance of the independent auditors.

10. Consult with the Chairman of the Board, or the Chief Executive Officer, or the Board regarding the investigation of any matter brought to its attention within the scope of its duties. If necessary, the Committee is empowered to retain legal counsel or other persons having special competence to assist the Committee in fulfilling its responsibilities. The Audit Committee expects the full cooperation of all employees and consultants of the Company.
11. Submit the minutes of all meetings of the Audit Committee to, or discuss the matters discussed at each committee meeting with, the Board.
