Item 7.01. Regulation FD Disclosure.

This Form 8-K is being furnished solely to correct certain typographical errors in slide 33 of the Hovnanian Enterprises, Inc. (“Hovnanian”) presentation given on September 9, 2015 entitled “Review of Financial Results Third Quarter Fiscal 2015” (the “Presentation”). These changes to slide 33 of the Presentation have no impact on any other information in the Presentation, including the information entitled “Guidance for the Fourth Quarter of 2015” presented on slide 24 of the Presentation.

Due to typographical error, in the column entitled “Guidance-FY’ 15 on slide 33:

- the number of “Deliveries – Total Wholly Owned,” was erroneously presented as 5,376. This number should be 5,560.
- the “Average Sales Price” was erroneously presented as \$397,765. This number should be \$384,601.

Hovnanian has posted the corrected version of the Presentation under the “Past Events” section of the Investor Relations page of its website at www.khov.com.

The information furnished pursuant to Item 7.01 in this report on Form 8-K shall not be deemed to be “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liability of that section, unless Hovnanian specifically states that the information is to be considered “filed” under the Exchange Act or incorporates it by reference into a filing under the Securities Act of 1933, as amended, or the Exchange Act.

FORWARD-LOOKING STATEMENTS

All statements in this Form 8-K that are not historical facts should be considered as “forward-looking statements” within the meaning of the “Safe Harbor” provision of the Private Securities Litigation Reform Act of 1995. Such statements involve known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. Such forward looking statements include but are not limited to statements related to the Company’s goals and expectations with respect to its financial results for the current or future periods, including the number of Deliveries-Total Wholly Owned and the Average Sales Price. Although we believe that our plans, intentions and expectations reflected in, or suggested by, such forward looking statements are reasonable, we can give no assurance that such plans, intentions, or expectations will be achieved. By their nature, forward-looking statements: (i) speak only as of the date they are made, (ii) are not guarantees of future performance or results and (iii) are subject to risks, uncertainties and assumptions that are difficult to predict or quantify. Therefore, actual results could differ materially and adversely from those forward looking statements as a result of a variety of factors. Such risks, uncertainties and other factors include, but are not limited to, (1) changes in general and local economic, industry and business conditions and impacts of the sustained homebuilding downturn; (2) adverse weather and other environmental conditions and natural disasters; (3) levels of indebtedness and restrictions on the Company’s operations and activities imposed by the agreements governing the Company’s outstanding indebtedness; (4) the Company’s sources of liquidity; (5) changes in credit ratings; (6) changes in market conditions and seasonality of the Company’s business; (7) the availability and cost of suitable land and improved lots; (8) shortages in, and price fluctuations of, raw materials and labor; (9) regional and local economic factors, including dependency on certain sectors of the economy, and employment levels affecting home prices and sales activity in the markets where the Company builds homes; (10) fluctuations in interest rates and the availability of mortgage financing; (11) changes in tax laws affecting the after-tax costs of owning a home; (12) operations through joint ventures with third parties; (13) government regulation, including regulations concerning development of land, the home building, sales and customer financing processes, tax laws and the environment; (14) product liability litigation, warranty claims and claims made by mortgage investors; (15) levels of competition; (16) availability and terms of financing to the Company; (17) successful identification and integration of acquisitions; (18) significant influence of the Company’s controlling stockholders; (19) availability of net operating loss carryforwards; (20) utility shortages and outages or rate fluctuations; (21) geopolitical risks, terrorist acts and other acts of war; and (22) certain risks, uncertainties and other factors described in detail in the Company’s Annual Report on Form 10-K for the fiscal year ended October 31, 2014 and subsequent filings with the Securities and Exchange Commission. Except as otherwise required by applicable securities laws, we undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, changed circumstances or any other reason.
