Item 1.01. Entry Into a Material Definitive Agreement.

On July 29, 2016, Hovnanian Enterprises, Inc. (the “Company”) and K. Hovnanian Enterprises, Inc., the Company’s wholly-owned subsidiary (“K. Hovnanian”), entered into certain financing commitments (the “financings”) described below. The proceeds from the Term Loans (defined below) and the New Second Lien Notes (as defined below) will be used to fund the Tender Offer (defined below) and to repurchase or otherwise retire K. Hovnanian’s indebtedness. The closing of the financings is expected to occur on the date of the closing of the Tender Offer. A copy of the press release announcing the financings is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

*Term Loan Facility*

On July 29, 2016, the Company, K. Hovnanian and the subsidiary guarantors named therein entered into a Credit Agreement (the “Credit Agreement”), with Wilmington Trust, National Association, as administrative agent (the “Administrative Agent”), and affiliates of a certain investment manager (collectively, the “Investor”), providing for a new \$75,000,000 senior secured term loan facility (the “Term Loan Facility”), to be borrowed by K. Hovnanian and guaranteed by the Company and substantially all of its subsidiaries, other than K. Hovnanian, its home mortgage subsidiaries, certain of its title insurance subsidiaries, joint ventures, subsidiaries holding interests in joint ventures and its foreign subsidiary (collectively, the “Guarantors”). The Term Loan Facility and the guarantees thereof will be secured by substantially all of the assets owned by K. Hovnanian and the Guarantors, subject to permitted liens and certain exceptions, on a super priority basis relative to K. Hovnanian’s existing 7.25% Senior Secured First Lien Notes due 2020 (the “7.25% Notes”), the New Second Lien Notes (as defined below) and K. Hovnanian’s existing 9.125% Senior Secured Second Lien Notes due 2020 (the “Existing Second Lien Notes”). The terms and covenants of the Term Loan Facility are effective as of its date. However, the obligations of the Investor to make loans under the Credit Agreement on the closing date are subject to the satisfaction of certain terms and conditions precedent set forth therein, including requiring K. Hovnanian to use the net cash proceeds from the Term Loan Facility and the Second Lien Notes in excess of the aggregate amount of funds needed to consummate the Tender Offer and Consent Solicitation described in Item 8.01 below to repurchase or otherwise retire, discharge or defease K. Hovnanian’s debt securities with maturities in 2017 or, as agreed between the Investor and K. Hovnanian, its other indebtedness.

Loans made under the Term Loan Facility (“Term Loans”) will bear interest at a rate equal to LIBOR plus an applicable margin of 7.00% or, at K. Hovnanian’s option, a base rate plus an applicable margin of 6.00%, and interest will be payable monthly. The Term Loan Facility will mature on August 1, 2019, provided that if any of K. Hovnanian’s 7.000% Senior Notes due 2019 (the “7.000% Notes”) remain outstanding on October 15, 2018, the maturity date of the Term Loan Facility will be October 15, 2018, or if any refinancing indebtedness with respect to the 7.000% Notes has a maturity date prior to January 15, 2021, the maturity date of the Term Loan Facility will be October 15, 2018.

The Credit Agreement contains representations and warranties and affirmative and restrictive covenants that limit among other things, and in each case subject to certain exceptions, the ability of the Company and certain of its subsidiaries, including K. Hovnanian, to incur additional indebtedness (including a requirement that any new or refinancing indebtedness is scheduled to mature no earlier than January 15, 2021), pay dividends and make distributions on common and preferred stock, repurchase subordinated indebtedness and common and preferred stock, make other restricted payments, including investments, sell certain assets (including in certain land banking transactions), incur liens, consolidate, merge, sell or otherwise dispose of all or substantially all of its assets and enter into certain transactions with affiliates. The Credit Agreement also contains customary events of default which would permit the Administrative Agent to exercise remedies with respect to the collateral and declare loans made under the Term Loan Facility to be immediately due and payable if not cured within applicable grace periods, including the failure to make timely payments on the Term Loans or other material indebtedness, the failure to satisfy covenants, the material inaccuracy of representations or warranties, cross default to other material indebtedness, a change of control, the failure of the documents granting security for the Term Loans to be in full force and effect, the failure of the liens on any material portion of the collateral securing the Term Loans to be valid and perfected and specified events of bankruptcy and insolvency.

### *Note Purchase Agreement*

On July 29, 2016, the Company, K. Hovnanian and the other Guarantors entered into a Note Purchase Agreement (the “Note Purchase Agreement”), with the Investor, relating to a private placement of \$75,000,000 aggregate principal amount of 10.000% Senior Secured Second Lien Notes due 2018 (the “New Second Lien Notes”), to be issued by K. Hovnanian and guaranteed by the Guarantors. The New Second Lien Notes and the guarantees thereof will be secured on a pari passu second lien basis with K. Hovnanian’s Existing Second Lien Notes by substantially all of the assets owned by K. Hovnanian and the Guarantors, subject to permitted liens and certain exceptions.

In connection with the issuance of the New Second Lien Notes, K. Hovnanian and the Guarantors will enter into an indenture with Wilmington Trust, National Association, as trustee and as collateral agent (the “New Second Lien Notes Indenture”). The New Second Lien Notes will bear interest, payable semi-annually, at 10.000% per annum and mature on October 15, 2018. The terms and covenants of the New Second Lien Notes Indenture are effective as of the date of the Note Purchase Agreement. However, the obligation of the Investor to purchase Notes on the closing date is subject to the satisfaction of certain terms and conditions precedent set forth in the Note Purchase Agreement, including requiring K. Hovnanian to use the net cash proceeds from the Term Loan Facility and the Second Lien Notes in excess of the aggregate amount of funds needed to consummate the Tender Offer and Consent Solicitation to repurchase or otherwise retire, discharge or defease K. Hovnanian’s debt securities with maturities in 2017 or, as agreed between the Investor and K. Hovnanian, its other indebtedness.

The New Second Lien Notes Indenture will contain restrictive covenants that limit among other things, and in each case subject to certain exceptions, the ability of the Company and certain of its subsidiaries, including K. Hovnanian, to incur additional indebtedness (including a requirement that any new or refinancing indebtedness is scheduled to mature no earlier than January 15, 2021), pay dividends and make distributions on common and preferred stock, repurchase subordinated indebtedness and common and preferred stock, make other restricted payments, including investments, sell certain assets (including in certain land banking transactions), incur liens, consolidate, merge, sell or otherwise dispose of all or substantially all of its assets and enter into certain transactions with affiliates. The New Second Lien Indenture will also contain customary events of default which would permit the holders of the New Second Lien Notes to declare those New Second Lien Notes to be immediately due and payable if not cured within applicable grace periods, including the failure to make timely payments on the New Second Lien Notes or other material indebtedness, the failure to satisfy covenants, the failure of the documents granting security for the New Second Lien Notes to be in full force and effect, the failure of the liens on any material portion of the collateral securing the New Second Lien Notes to be valid and perfected and specified events of bankruptcy and insolvency.

### *Exchange Agreement*

Also on July 29, 2016, the Company, K. Hovnanian and the subsidiary guarantors named therein entered into an Exchange Agreement (the “Exchange Agreement”), with the Investor pursuant to which the Investor will exchange \$75,000,000 aggregate principal amount of its Existing Second Lien Notes for \$75,000,000 of K. Hovnanian’s newly issued 9.50% Senior Secured Notes due 2020 (the “Exchange Notes”). The Exchange Notes will be guaranteed by the Guarantors as well as K. Hovnanian JV Holdings, L.L.C. and its subsidiaries, except for certain joint ventures and joint venture holding companies (the “Secured Group” and, together with the Guarantors, the “Exchange Notes Guarantors”). The Exchange Notes will be secured on a pari passu first lien basis with K. Hovnanian’s 2.0% Senior Secured Notes due 2021 and 5.0% Senior Secured Notes due 2021 by substantially all of the assets of the members of the Secured Group, subject to permitted liens and certain exceptions.

In connection with the issuance of the Exchange Notes, K. Hovnanian and the Exchange Notes Guarantors will enter into an indenture with Wilmington Trust, National Association, as trustee and as collateral agent (the “Exchange Notes Indenture”). The Exchange Notes will bear interest at 9.50% per annum, payable semi-annually, and mature on November 15, 2020. The terms and covenants of the Exchange Notes Indenture are effective as of the date of the Exchange Agreement. However, the obligations of the Investor to consummate the exchange on the closing date are subject to the satisfaction of certain terms and conditions precedent set forth in the Exchange Agreement, including the closing under the Credit Agreement and the issuance of the New Second Lien Notes.

---

The Exchange Notes Indenture will contain restrictive covenants that limit among other things, the ability of the Company and certain of its subsidiaries, including K. Hovnanian, to incur additional indebtedness (including a requirement that any new or refinancing indebtedness is scheduled to mature no earlier than January 15, 2021, to the extent no member of the Secured Group is an obligor thereon, or February 15, 2021, if otherwise), pay dividends and make distributions on common and preferred stock, repurchase common and preferred stock, make other restricted payments, including investments, sell certain assets, incur liens, consolidate, merge, sell or otherwise dispose of all or substantially all of its assets and enter into certain transactions with affiliates. The Exchange Notes Indenture will also contain customary events of default which would permit the holders of the Exchange Notes to declare those Exchange Notes to be immediately due and payable if not cured within applicable grace periods, including the failure to make timely payments on the Exchange Notes or other material indebtedness, the failure to satisfy covenants, the failure of the documents granting security for the Exchange Notes to be in full force and effect, the failure of the liens on any material portion of the collateral securing the Exchange Notes to be valid and perfected and specified events of bankruptcy and insolvency.

#### *Cooperation*

Pursuant to the terms of a Syndication Assistance Letter, dated July 29, 2016, among the Company, K. Hovnanian and the Investor (the “Syndication Assistance Letter”), the Note Purchase Agreement and the Exchange Agreement, the Company and K. Hovnanian have agreed, to the extent so requested by the Investor, to use reasonable best efforts to assist such Investor with the resale of the New Second Lien Notes and the Exchange Notes and the syndication of the Term Loans. The Company and K. Hovnanian have agreed to indemnify the Investor for certain expenses and liabilities, including under the Securities Act of 1933, as amended (the “Securities Act”).

**K. HOVNIANIAN ENTERPRISES, INC. ANNOUNCES TENDER OFFER AND CONSENT SOLICITATION AND NEW FINANCING TRANSACTIONS**

RED BANK, N.J., July 29, 2016 – Hovnianian Enterprises, Inc. (NYSE: HOV) (the “Company”) announced today that its wholly-owned subsidiary, K. Hovnianian Enterprises, Inc. (“K. Hovnianian”), has commenced a tender offer (the “Tender Offer”) to purchase for cash any and all of its 8.625% Senior Notes due 2017 (the “Notes”) on the terms and subject to the conditions set forth in an Offer to Purchase and Consent Solicitation Statement, dated July 29, 2016 (as it may be amended or supplemented from time to time, the “Statement”), and in the related Letter of Transmittal and Consent (as it may be amended or supplemented from time to time, the “Letter of Transmittal” and collectively with the Statement, the “Tender Offer Documents”). Concurrently with the Tender Offer, and on the terms and subject to the conditions set forth in the Statement, K. Hovnianian is soliciting consents (the “Consent Solicitation”) of holders of the Notes to proposed amendments to the indenture governing the Notes (the “Notes Indenture”), providing for the elimination of most of the restrictive covenants and certain events of default contained therein. Holders that tender Notes must also consent to such proposed amendments to the Notes Indenture in order to tender their Notes.

The Tender Offer will expire at 8:30 a.m., New York City time, on September 7, 2016, unless extended or earlier terminated (the “Expiration Time”). Holders of the Notes must validly tender their Notes at or before 5:00 p.m., New York City time, on August 11, 2016, unless extended or earlier terminated (the “Early Tender Deadline”) in order to be eligible to receive the Total Consideration (as defined below), which includes the Early Tender Payment (as defined below). Notes tendered may be withdrawn at any time at or before 5:00 p.m., New York City time on August 11, 2016 unless extended (the “Withdrawal Deadline”), but not thereafter, unless required by applicable law.

The total consideration for each \$1,000 principal amount of Notes validly tendered and not withdrawn at or before the Early Tender Deadline and purchased pursuant to the Tender Offer will be \$1,010.00 (the “Total Consideration”). The Total Consideration includes a payment of \$30.00 per \$1,000 principal amount of Notes (the “Early Tender Payment”) payable only in respect of Notes tendered with consents at or before the Early Tender Deadline. Holders validly tendering Notes after the Early Tender Deadline but at or before the Expiration Time will be eligible to receive only the tender offer consideration of \$980.00 per \$1,000 principal amount of Notes (the “Tender Offer Consideration”), namely an amount equal to the Total Consideration less the Early Tender Payment. In addition to the Total Consideration or Tender Offer Consideration, as applicable, all holders whose Notes are purchased in the Tender Offer will receive accrued and unpaid interest in respect of their purchased Notes from the most recent interest payment date to, but not including, the payment date for Notes purchased in the Tender Offer.

Subject to the terms and conditions of the Tender Offer being satisfied or waived (if applicable), K. Hovnianian will, after the Expiration Time (the “Acceptance Date”), accept for purchase all Notes validly tendered at or prior to the Expiration Time (and not validly withdrawn before the Withdrawal Deadline). K. Hovnianian will pay the Total Consideration or Tender Offer Consideration, as the case may be, for, and accrued and unpaid interest on, the Notes accepted for purchase at the Acceptance Date on a date that is on or promptly following the Acceptance Date.

---

K. Hovnanian's obligation to accept for purchase, and to pay for, Notes validly tendered and not validly withdrawn pursuant to the Tender Offer is conditioned upon the satisfaction or, if applicable, waiver of certain conditions, which are more fully described in the Tender Offer Documents, including, among others, K. Hovnanian's receipt (1) of consents of holders of at least a majority in principal amount of the outstanding Notes to the proposed amendments to the Notes Indenture, (2) of Notes tenders in the Tender Offer in an amount equal to at least 90% of the aggregate outstanding principal amount of the outstanding Notes as of the date of the Statement and (3) of aggregate net cash proceeds from certain privately placed financings described below to fund the aggregate Total Consideration plus accrued and unpaid interest in respect of all Notes.

Hovnanian's option, a base rate plus an applicable margin of 6.00% and \$75.0 million aggregate principal amount of 10.00% senior secured second lien notes due October 2018 (the "Second Lien Notes") and the Investor will exchange \$75.0 million aggregate principal amount of its existing 9.125% senior secured second lien notes due November 2020 for \$75.0 million of K. Hovnanian's newly issued 9.50% senior secured first priority notes due November 2020 (the "Exchange Notes").

All of K. Hovnanian's obligations under the Term Loan Facility and the Second Lien Notes will be guaranteed by the Company and substantially all of its subsidiaries, other than its home mortgage subsidiaries, certain of its title insurance subsidiaries, joint ventures, subsidiaries holding interests in joint ventures and its foreign subsidiary. The Term Loan Facility and the guarantees thereof will be secured on a first lien super priority basis in relation to K. Hovnanian's existing 7.25% senior secured first lien notes due October 2020, and the Second Lien Notes and the guarantees thereof will be secured on a pari passu second lien basis with K. Hovnanian's existing 9.125% senior secured second lien notes due November 2020, by substantially all of the assets owned by K. Hovnanian and the guarantors, in each case subject to permitted liens and certain exceptions.

The Exchange Notes will be guaranteed by the Company and all of its subsidiaries that will guarantee the Term Loan Facility and the Second Lien Notes as well as K. Hovnanian JV Holdings, L.L.C. and its subsidiaries, except for certain joint ventures and joint venture holding companies (the "Secured Group"). The Exchange Notes will be secured on a pari passu first lien basis with K. Hovnanian's 2.0% senior secured first lien notes due November 2021 and 5.0% senior secured first lien notes due November 2021, by substantially all of the assets of the members of the Secured Group, subject to permitted liens and certain exceptions.

The closing of the financings is subject to certain terms and conditions, including requiring K. Hovnanian to use the net cash proceeds from the financings in excess of the aggregate amount of funds needed to consummate the Tender Offer and Consent Solicitation to repurchase or otherwise retire, discharge or defease K. Hovnanian's debt securities with maturities in 2017 or, as agreed between the Investor and K. Hovnanian, its other indebtedness. The closing of the financings is expected to occur on the date of closing of the Tender Offer and Consent Solicitation.
